 - Remove paragraph H, Article VIII. *It understood that any absence, whether due to illness or personal business, would be considered a “personal leave day”.*

4. 2010/11 Salary Schedule
 - Step 1, New Hire/Probationary Period, 1st Year
 - Step 2, Year 2

UNION will accept the “*Total Compensation Formula*” for base wages for all classifications with these stipulations:

The formula will be based on the following criteria: 1) Student Foundation 2) Student Enrollment 3) Retirement/FICA Rate 4) Step Increases. The formula will be calculated during the month of November. An increase in base wages and implementation of steps would be determined by the result of the formula being positive according to the District’s budget of \$500,000 or more. Any increase to base wages and/or steps would be negotiated as to the distribution.

If a negative impact results from this calculation, **UNION** placement on the salary schedule will be frozen for the current fiscal year and **NOT** reduced.

APPENDIX B

(Cont'd)

The **BOARD** and the **UNION** agree to meet at the beginning of November 2011 and November 2012 to determine the outcome of the "*Total Compensation Formula*".

Any steps previously paid will not be affected.

As long as the "*Total Compensation Formula*" is included in Appendix B, regardless if the formula is positive or negative, the **UNION** will be granted two (2) additional paid holidays (Spring Break Monday and Tuesday), bringing the total paid holidays to four, retroactive to July 1, 2010. As of 2012 the two paid holidays will be New Year's Day and Spring Break Monday.

- For the 2010/11 school year only. Members shall receive a 1% off schedule stipend. The stipend will be calculated based on the member's current placement on the 2010/11 Salary Schedule and the "Support Staff Assigned Hour Sheet".
