Section 10. Corrective Measures

In accordance with Board Policy 3139 a teacher may only be discharged, demoted or otherwise disciplined for a reason that is not arbitrary or capricious. In all instances, discipline, discharge and demotion shall occur in accordance with the statutory requirements under the Teacher Tenure Act and the Revised School Code.

The administrator/Superintendent shall conduct an investigation of any alleged act or omission by a teacher that could result in disciplinary action. The teacher shall be provided with oral or written notice of the issue or incident being investigated.

The investigation shall include, at a minimum, interviews of appropriate persons and a meeting with the subject teacher and, if requested or if required by the bargaining agreement, his/her designated representative (either another employee or a union representative if part of a bargaining unit) to allow the teacher an opportunity to respond to the complaint. Prior notice of this meeting shall be provided to the teacher for any discipline that may result in a suspension or loss of pay. The meeting shall not proceed without the teacher's designated representative; however, the meeting shall not be unduly delayed to secure the attendance of the teacher's preferred representative. The District may substitute another representative from the union to timely process the investigation.

After completion of the investigation, if discipline is to be imposed, the teacher shall receive written notice of the discipline and this notice shall also be placed in the teacher's file.

Discipline may include, but is not limited to:

Additionally, nothing in this policy limits the District's right to take other appropriate action, such as placing a teacher on administrative leave during the pendency of an investigation or issuing a counseling memorandum, which is considered instructional, not disciplinary.

If it appears that disciplinary action beyond written reprimand may be necessary, the administrator should contact the Superintendent to discuss the disciplinary action that is to be taken.

The following disciplinary actions may only be imposed by the Board in adherence with the requirements of the Teacher Tenure Act:

1. discharge of a tenured or probationary teacher;
 2. demotion of a tenured teacher (which includes suspension for fifteen (15) or more consecutive days without pay or a reduction in compensation by more than equivalent of thirty (30) days compensation in one (1) school year);
 3. non-renewal of a probationary teacher.
- A. It is understood that each meeting called for corrective measures shall be held in private. Prior to or at such meeting, the administrator shall first inquire as to whether the teacher desires FEDERATION representation, and if she/he does, no corrective action shall be taken until such representation is present.
- B. The BOARD agrees that this provision shall be enforced in a method and manner which is fair, reasonable, and appropriate, taking into consideration the surrounding circumstances which exist at the time.
- C. Proper notification shall be provided to the FEDERATION if BOARD policy 3139 is modified.

Section 11. Transfer of Teachers

- A. Transfer shall mean the movement of a teacher from one building to another building, or from one classroom teaching assignment to another within the same building, or from classroom teaching to any other position within the unit other than classroom teaching, or the reverse, or from non-classroom teaching to non-classroom teaching for regular education to special education or the reverse. Necessary and reasonable assignment changes for teachers who are normally assigned to more than one building, such as speech therapists and elementary art, music, and physical education teachers, etc. shall not be deemed transfers.
- B. Any teacher who possesses the appropriate certification may apply and be interviewed for the position. The interview will be held between the teacher and the appropriate administrator(s).
- C. The district has the right to employ long-term substitute teachers however, such placement shall not continue past the conclusion of the current school year, with the exception of a teacher on leave.
- D. If a laid off teacher has the appropriate certification and has an evaluation of at least effective, he/she may be considered for recall.
- E. For those transferees who assume the position at the end of the school year, they shall be considered in that position(s) without prejudice for all other provisions of the contract.
- F. In all instances, if there is not a laid off teacher on the recall list with the appropriate certification the identified teacher for transfer may assume the vacated position immediately.
- G. New Job Classifications Within the Bargaining Unit.

It is understood that all new job classifications which will be within the unit will be posted for at least five (5) school days. Such posting will include the minimum qualifications and general duties established by the Superintendent. Teachers currently working will have a minimum of five (5) school days in which to submit an application for such new job classification. If the new job classification occurs when school is not in session, all teachers will be notified by email and/or automated phone message and will have five (5) business days to submit an application. If more than one candidate applies, a fair and reasonable interview will be granted to each applicant by the Superintendent or his/her designee.

H. Voluntary Exchange of Positions

1. It is agreed that any two (2) teachers may voluntarily exchange their positions in any two (2) different buildings for a period of more than one (1) week but in no event more than one (1) year, subject, however, to the approval of the Superintendent which shall be at his/her sole discretion.
2. It is agreed that any two (2) teachers may voluntarily exchange their positions in any two (2) different buildings for a period not to exceed one (1) week, subject, however, to the approval of the two (2) building administrators involved.
3. It is understood that when the time period in Subsection D. 1 and 2 above expires, the two (2) teachers involved shall return to their former positions.
4. It is agreed that when an exchange takes place, all requirements relative to teaching in areas in which a teacher is qualified shall be waived.
5. It is agreed that the exchange may become permanent if agreed to in writing by both teachers with approval of the Superintendent.

I. Involuntary Transfer

1. Involuntary transfer shall mean the movement of a teacher from one building to another against his/her wishes because there is an excess of teachers resulting from the ratios and/or programs established by the BOARD. It shall also mean the movement of a classroom teacher to any other position within the unit other than the classroom teaching, or reverse against his/her wishes or regular education to special education or the reverse.
2. When there is an excess of teachers in a building, the appropriate administrator will reference teacher preference forms prior to executing a transfer.
3. No involuntary transfer shall cause a teacher a loss of compensation. For the purpose of this provision, compensation shall mean base salary, excluding additional compensation for counselors.

- J. In the event the Board of Education decides to close a school, the Superintendent and/or his/her designee shall meet with the FEDERATION President within five (5) school days after the decision to close a school has been made, at which time the details of the school closing will be discussed. Such discussion shall include:

1. The name of the school(s) to be closed.
2. The name of the school(s) to receive the reassigned students.
3. The number of classroom teaching assignments in the receiving school(s).
4. The establishment of a timeline to facilitate the transfer of teachers to the receiving school(s). It is understood that such timeline shall include the completion of the transfer procedure.

If students are being reassigned to more than one building due to the closing of their school, teachers at the closed school(s) will be surveyed as to state a preference for the building which they wish to be transferred to. The appropriate administrator will reference survey responses when executing such transfers.

- K. Any teacher who assumes a temporary position in another bargaining unit within the district shall upon return to teacher status be restored to the unit.

Section 12. Promotion of Employees to Certain Administrative Positions

- A. Upon request, the Department of Employee Services shall provide a copy of the minimum qualifications necessary for the positions of Administrative Intern, Assistant Principal and Principal.
- B. Whenever there is an opening for one of the above positions, it shall be posted within the school district for no less than ten (10) school days and such posting shall include the minimum qualifications and general duties.

- E. The BOARD agrees to reimburse total expenses for tuition, materials, and mileage of any teacher who, at the BOARD'S specific request and terms, agrees to obtain additional academic training for the purpose of becoming qualified in an area for which the BOARD is having a great deal of difficulty in securing new personnel. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance, while failure to communicate a decision on a grievance within the specified time limits shall entitle the aggrieved party to proceed to the next step. However, if an administrator fails to call a conference within the specified time limits the grievance shall then automatically proceed to the next step. If the Superintendent or his/her designee shall fail to hear a grievance within the specified time limits as prescribed in Article IX, Section 2, B of this Agreement, the grievance shall be awarded in favor of the aggrieved party. Nothing in this provision shall prevent the parties from extending the specified time limits by mutual agreement, which shall be expressed in writing.
- E. A grievance shall always be filed at that step of the grievance procedure where the authority to render a decision on the grievance. It is understood that the FEDERATION may file an emergency type grievance with the appropriate administrator in which event a conference shall be called and a decision rendered as soon as possible. An emergency type grievance shall be defined as one in which an immediate decision is essential to the aggrieved party.
- F. Any conference which may be held under the grievance procedure shall be conducted before or after school hours, except where mutually agreed to the contrary, and at a reasonable place. In the event that a conference or hearing under the grievance procedure is held during school hours, each teacher who is a party or witness shall be excused from his/her regular duties, with pay, to attend such a conference or hearing.
- G. Each conference conducted under the grievance procedure shall be conducted as a private conference insofar as it does not violate the provisions of any Open Meetings Act which is now or may hereafter be in effect. Attendance at such conferences shall be restricted to those persons requested by either party to participate in the attempted resolution of the grievance.

ARTICLE IX

- H. No grievance or decision rendered on a grievance shall be placed in a teacher's personnel file, nor shall it become a part of the minutes of any Board of Education meeting, except as to reference by number.
- I. Once a grievance has been filed, no administrator or member of the Board of Education shall, upon his/her own initiative, attempt to discuss that grievance with the teacher(s) involved at a time other than during conferences or hearings provided for in the grievance procedure.
- J. Any individual employee may present grievances to his/her supervisor and have the grievance adjusted, without intervention of the bargaining representative, provided that the bargaining representative has been given an opportunity to be present at such adjustment, but should the adjustment be inconsistent with the terms of this Collective Bargaining Agreement or any policy, rule, regulation, or practice, the FEDERATION may, in its own name, appeal that decision at the step of the grievance procedure immediately following the step where the grievance was temporarily resolved.
- K. An Administrative Intern shall have no authority to render a decision on a grievance at any step of this procedure.

**APPENDIX C
EXTRA CURRICULAR POSITIONS**

- A. The High School Band Director shall be paid for eighty (80) hours at the prevailing summer school rates for carrying out his responsibilities in conducting a BOARD approved Summer Band Camp. It is further understood that two (2) assistants will be paid for thirty (30) hours at the prevailing summer school hourly rate for same.
- B. The district will provide a minimum of six (6) weeks’ notice (prior to first practice) before the cancellation of any sport. This does not apply to positions/sports that may be canceled due to lack of students or financial emergency.
- C. It is understood that the position of Academy Coordinator shall not be considered an activity. Thus, a teacher assuming such a position may be assigned two additional activities.
- D. The experience categories established in the “Extra-Curricular Compensation Schedule” are based on years of service within Lake Shore Public Schools for the particular sport or activity. Experience will transfer within a specific sport (example: Middle School Basketball to Varsity Basketball.) Experience from one dissimilar activity to another does not allow for transfer of experience (example: cheerleading to volleyball.)
- E. *High School and K-8 SIP/PLC Chair and Districtwide Staff Development Chair may be provided release time in lieu of compensation, Appendix C, Extra Curricular Program/Compensation.
- F. Appendix C positions will be posted and filled on a two year cycle each odd numbered school year.

APPENDIX D SABBATICAL LEAVE

A sabbatical leave may be granted to teachers of the district, subject to the approval of the BOARD upon the recommendation of the Superintendent. The sabbatical leave program shall be interpreted in accordance with Section 572 of the School Code of 1955 (M.S.A. 15.3572), and the following rules and regulations shall apply.

- A. Applications for leaves beginning with the first semester must be filed with the Superintendent between January 1st and February 15th, while applications for leaves beginning the second semester must be filed between August 1st and September 15th.

The Superintendent shall notify each applicant of the BOARD'S decision within ninety (90) days of the due date of filing the application.

- B. Sabbatical leave may be granted for the following purposes.

- 1. For work on an advanced degree (applicant must take a minimum of ten (10) semester hours of graduate credit each semester).
- 2. Independent research, which must be under the supervision of the school district or an accredited college or university.
- 3. Any other reasons, such as travel or writing.

- C. A sabbatical leave may be granted for a period of not more than one (1) school year or less than one semester/trimester.

- E. Any teacher who is granted a sabbatical leave must sign a promissory note agreeing to refund any compensation received while on leave if s/he does not return to the district from such leave and serve at least one (1) year.

- F. Payment of salary while on such leave will be in accordance with the provisions of this Agreement. Moreover, the teacher will receive all fringe benefits except sick leave.

G. A teacher on sabbatical leave will report to the Superintendent as follows:

1. The teacher will immediately request approval from the Superintendent for substantial changes in the planned program of the leave as outlined in the approved application.
2. An interim report will be filed at the midpoint of the period for which the leave is taken. This report will contain sufficient information to enable the Superintendent to determine that the leave is being utilized in the approved manner.
3. A final report will be filed with the Superintendent in accordance with the provisions as stated in the next section, Appendix D, Section G, 4 of this Agreement
4. The Superintendent may require, and the teacher shall promptly furnish, such additional reports as the Superintendent deems necessary or reasonable to determine that the teacher is fulfilling the agreement and all the requirements of the leave. In the event that the BOARD finds, after a hearing on the matter, that the teacher is not fulfilling the agreement, the entire sum paid to the teacher by the BOARD will become immediately due and all future payments will cease.

H. Requirements and status upon returning from sabbatical leave are as follows.

1. At the expiration of a sabbatical leave the teacher will be restored to a position.
2. Each teacher returning from sabbatical leave will file a final written report with the Superintendent not later than sixty (60) days after the day on which the teacher again takes up active service. The report will include the names of institutions attended, course pursued, credits received, experience gained, the itinerary of travel, together with the teacher's appraisal of the professional value of the activities while on leave and the manner in which the knowledge and experience gained may be applied to the benefit of the school system. The teacher will not be considered as having completed the requirements of the sabbatical leave until his/her final report has been approved by the Superintendent. At his/her discretion, the Superintendent may require proof that the program as presented by the teacher has been followed. When approved by the Superintendent, these final reports will be transmitted to the BOARD.

MEMORANDUM OF UNDERSTANDING

State or Federal Health Care

In the event that State or Federal health care reform is enacted that impacts on current health/hospitalization coverage or on the cost or tax obligation of the district, the BOARD and FEDERATION agree that those provisions of the Contract so affected will be subject to renegotiations during the term of the Collective Bargaining Agreement.

APPENDIX E PERFORMANCE REVIEW PROCESS

(Provided for review only - Not Collectively Bargained)

The Lake Shore Board of Education has formally adopted the Framework for Teaching by Charlotte Danielson to evaluate teachers (Regular Board Meeting; March 27, 2017). The Framework for Teaching is one of the recommended tools by the Michigan Department of Education for assessing educator effectiveness.

Educator Evaluation Legislation

Public Act 173 of 2015 stipulates that districts implement a rigorous, transparent, and fair performance evaluation system. This Act amended the Revised School Code with regard to teacher and administrator evaluations and is integrated with the Teachers' Tenure Act, Section 1248 and Section 1249. These laws require that the performance evaluation process in Lake Shore have the following:

- Annual evaluations for probationary and tenured teachers 40% of annual year-end evaluations must be based upon student growth and assessment data
- Timely and constructive feedback is provided by the evaluator
- Student growth and assessment data must be derived from the most recent three consecutive school years, if available. If no data is available for a teacher for at least three years, the annual year-end evaluation shall be based on all available data for the teacher.
- Rates and reports the teacher's performance as highly effective, effective, minimally effective or ineffective
- Mandates that layoff and recall decisions be based on retaining effective teachers as measured by their performance evaluation
- Performance evaluations are used to inform decisions on granting tenure and certification

---	--	---

IDP

IDP’s will include a purpose, and a set of goals. The purpose will include the specific rationale for implementation, including statements of concern. The goals will list a detailed plan for the teacher and indicate support that will be provided by the evaluator.

Observations

- Teachers must be observed at least two times per year
- At least one observation must be conducted by the person who is responsible for the teacher’s annual yearend evaluation
- At least one observation must be unscheduled

- There is no statutorily required minimum number of observations for a teacher who has received a rating of effective or highly effective on his/her two most recent annual year-end evaluations
- The teacher will receive feedback in Frontline Professional Growth within five days following an observation
- Teachers are encouraged to invite their evaluator into their classroom to observe a specific lesson/activity
- Teachers may request that an observation be redone

Video Observations:

- Teachers may choose to record a lesson and submit it to their evaluator.
- Teachers select a lesson of their choice and record a portion (approx. 15 min) to share with their evaluator.
- Observer watches the video, provides feedback, comments and score in Frontline.
- Both parties may choose to meet for reflection on the lesson and to provide additional feedback.
- Lessons submitted by video would count as an informal observation.
- It is understood that recorded lessons will not be archived, distributed, or shared by the evaluator in any manner without the consent of the teacher.

Student Growth and Assessment Data

District Growth: An overall District Growth score accounting for 20% of the evaluation will be applied annually to all educators (and administrators) in Lake Shore. Using data retrieved from www.mischooldata.org>School Index>Overall Index>Growth Index>All Subjects Growth % Target Met. The combined ELA and Math Proficiency score for “all students” at Masonic Heights, Rodgers, Violet, Kennedy Middle School and Lake Shore High School will be summed and averaged to obtain the District Growth score. This data was selected as it incorporates three years of growth required by law. Provided below is actual data reported in MI School Data for 2017-18:

School	2017-18 Growth Index Score (Combined ELA and Math) for All Students	
Masonic Heights Elementary	93.78	
Rodgers Elementary	79.01	
Violet Elementary	95.57	
Kennedy Middle School	61.81	
Lake Shore High School	61.50	
	Sum: 391.67 / 5 =	District Growth Score: 78.33

After determining the District Index Score of 78.33, the following rubric is applied to obtain the effectiveness rating accounting for 20% of each educator’s (and administrator’s) evaluation:

	Ineffective (1)	Minimally Effective (2)	Effective (3)	Highly Effective (4)
District Growth Score	0 – 50	51 – 69	70 – 89	90 – 100

The District Growth Score falls in the Effective range for the 2018-19 evaluation year (using 2017-18 data).

Student Learning Objectives (SLO): Twelve and one half percent (20%) of the Student Growth and Assessment Data portion of the evaluation is based upon a SLO developed by the teacher in collaboration with PLC and/or department teams. One or more of the following must support SLO outcomes and proficiency:

- Multiple research-based growth measures or alternative assessments that are rigorous and comparable across grade levels, subject area, and/or departments within Lake Shore.
- Nationally normed or locally adopted assessments that are aligned to state standards.
- Achievement of individualized education program (IEP) goals.

Educators will submit their SLO’s in Frontline for approval by an administrator. SLO’s and teacher will report their proficiency (Highly Effective, Effective, Minimally Effective, or Ineffective) in Frontline. See rubric below when writing SLO’s and reporting outcomes:

	Ineffective (1)	Minimally Effective (2)	Effective (3)	Highly Effective (4)
Percentage of Students Meeting Growth Targets	0 – 50	51 – 69	70 – 89	90 – 100

Further guidance on writing SLO’s is available for review on the Michigan Department of Education website.

Weighting of Student Growth and Assessment Data from Prior Years

The Revised School Code provides that if there is data available, a teacher’s annual evaluation “shall be based on the student growth and assessment data for the most recent three consecutive school year period (MCL 380.1249(2)(b). If three years of data is not available, then data for the years that are available will be used.”

Student Growth and Assessment Data will be weighted as followed:

	District Growth	SLO
Most Recent Year	33.33%	33.33%
Year Previous to Most Recent	33.33%	33.33%
Two Years Previous to Most Recent	33.33%	33.33% *

*2017-18 Average of "Student Growth Objectives" (Team and Classroom SMART goals) in Frontline

Scoring the Evaluation

Student Growth and Assessment data (District Growth and SLO) will account for 40% of the final evaluation score. Each of the four domains in the Framework for Teaching are weighted equally (15%). Lake Shore recognizes the importance of each of the five evaluation domains in evaluating teacher performance. Therefore, if a teacher receives a rating of Ineffective in any one of the five domains, the teacher shall not receive an overall year-end performance evaluation effectiveness rating other than Ineffective. Teachers rated minimally effective in any one of the evaluation domains shall not receive an overall year-end rating higher than Minimally Effective.

Sample Scoring:

Domain	Total Score	Mean Score	Weight
I. Planning & Preparation (15%)	18 (24 points possible in 6 sub components)	$18/6 = 3$	mean* .15 = .45
II. Classroom Environment (15%)	15 (20 points possible in 5 sub components)	$15/5 = 3$	mean * .15 = .45
III. Instruction (15%)	19 (20 points possible in 5 sub components)	$19/5 = 3.8$	mean * .15 = .57
IV. Professional Responsibilities (15%)	18 (24 points possible in 6 sub components)	$18/6 = 3$	mean * .15 = .45
V. Student Growth and Assessment Data (40%)	7 (2016-17 Team and Classroom Goals) 6 (2017-18 Team and Classroom Goals) 7 (2018-19 District Growth and Highly Effective SLO Goal)	$7/2 = 3.5$ $6/2 = 3$ $7/2 = 3.5$ $3.5+3+3.5/3 = 3.33$	mean * .40 = 1.332
			.45+.45+.57+.45+ 1.332= Total = 3.252

In the sample above, the teacher’s overall score is 3.25. After determining the numerical evaluation score, the following rubric is applied to obtain the final effectiveness rating:

Final Effectiveness Rating Rubric			
Ineffective 0 – 2.00	Minimally Effective 2.01 – 2.59	Effective 2.6 – 3.5	Highly Effective 3.51 – 4
Calculated Rating falls in the “Ineffective” range AND/OR One (1) or more domain rated “Ineffective”	Calculated Rating falls in the “Minimally Effective” range AND/OR One (1) domain rated “Minimally Effective”	Calculated Rating falls in the “Effective” range AND No domains rated “Minimally Effective” or “Ineffective”	Calculated Rating falls in the “Highly Effective” range AND No domains rated “Minimally Effective” or “Ineffective”

In the sample, the numerical score is 3.25 and the teacher has no domains rated minimally effective or ineffective. According to the above rubric, the teacher would be rated Effective.

Ineffective Teachers (and Administrators)

State law stipulates that teachers (and administrators) rated ineffective on three consecutive annual evaluations must be dismissed from employment. A tenured teacher who receives an ineffective rating on an annual year-end evaluation may request a review of the evaluation and rating by the school district superintendent.

Highly Effective Teachers (and Administrators)

In accordance with state law, teachers (and administrators) who have been rated as highly effective for three consecutive years may be evaluated every two years, rather than every year.

Training for Teachers (and Administrators)

Training on the Danielson Evaluation Framework and how it is used in conjunction with the Lake Shore Performance Review Process is available for teachers, administrators, evaluators and observers. Contact the Lake Shore Department of Student and Academic Services for information on scheduled training.

Conclusion

The Lake Shore Performance review process is subject to modification in accordance to changes in state law. Training on the evaluation system and the development of administrative guidelines to promote the quality and accuracy of this process is ongoing.
