AGREEMENT

This Agreement is entered into on this the 29th day of September, 2020, between the L'Anse Creuse Public Schools Board of Education (hereinafter referred to as the "Employer") and Teamsters 214 (hereinafter referred to as the "Unit/Union"). The Superintendent of Schools, as the executive officer employed by the Board, is by Michigan Law, charged with the responsibility of supervision and direction of the work of the staff and assisting the Board in all matters pertaining to the welfare of the school district. Whenever the term "Superintendent" is used in this Agreement, it shall mean the person holding that title or any person on the administrative team to whom he/she may beforehand delegate the responsibility referred to in this Agreement. Any reference to an administrator in this Agreement shall mean the person holding that administrative position or any person on the administrative team to whom he/she may delegate the responsibility referred to in this Agreement.

Note: The headings used in this Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.

PURPOSE AND INTENT: The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, Employees, and the Unit.

The Parties recognize that the interest of the community and the job security of the Employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all Employees.

ARTICLE 1 - RECOGNITION

1.01 Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all Employees of the Employer included in the bargaining unit described below.

1.01.01 All permanent hourly transportation Employees, excluding bus aides.

1.01.02 All regular scheduled Employees (9 months or more) shall be deemed regular Employees for the purpose of recognition only.

ARTICLE 2 - AID TO OTHER UNIONS

2.01 The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purposes of undermining the unit.

ARTICLE 3 – UNION MEMBERSHIP

REQUIREMENTS OF UNION MEMBERSHIP: To the extent that the laws of the State of Michigan permit, it is agreed that:

3.01 Any Employee, during the length of this contract, who is not a unit member shall after ninety (90) calendar days probationary period become a member of the unit.

3.02 The Unit will protect and save harmless the Employer for any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article of this Agreement.

ARTICLE 4 - MANAGEMENT RIGHTS

AUTHORITY OF BOARD - It is mutually agreed that there is reserved exclusively to the Board all responsibilities, powers, rights, and authority vested in it or heretofore otherwise properly exercised by it under the laws and constitutions of the State of Michigan and the United States excepting such matters or things as may be limited by the provisions of this Agreement. It is understood and agreed that the Board may continue to make and enforce any and all reasonable rules and regulations and policies relative to anything whatever necessary for the proper establishment, maintenance, management, and carrying on of the public schools of the district as provided in Section 614 of the Michigan School Code of 1955, as

amended. The rights of the Board shall include, by way of illustration and not by way of limitation, the right to:

- 4.01 Manage and control its business, its equipment and its operation, and to direct the working forces and affairs of the L'Anse Creuse Public Schools School District.
- 4.02 Continue its rights, policies and practices of assignment and direction of its personnel, determine the number of personnel and scheduling of all the foregoing and the right to establish, modify or change any work or business or school hours or days but not in conflict with the provisions of this Agreement.

The above are not to be interpreted as abridging or conflicting with any provisions in this Agreement.

ARTICLE 5 - REPRESENTATION

5.01 The number of representation areas in the union school district will be one (1):

1. Transportation

The number may be increased by agreement between the Employer and the unit. The Employer and the Union may create new areas within the unit from time-to-time by agreement.

5.01.01 It is mutually recognized that the principal of proportional representation which reflects the increase and decrease in the work force is a sound and sensible basis for implementing this section of the Agreement.

ARTICLE 6 – UNION REPRESENTATIVES

6.01 The Unit will, after the election or appointment of Officers, prepare a listing of all Officers and Stewards and furnish the listing to the Employer.

6.02 The Steward(s) will be a regular Employee and work in a position/shift that he/she represents. All Stewards will be regular Employees and work in the Unit.

6.03 The Vice-President/Chief Steward and/or one (1) Steward for each area may upon necessity use one (1) hour per week without loss of pay to process grievances and there will be one (1) Steward per grievance. The Vice-President/Chief Steward and/or Steward must notify his/her immediate supervisor that he/she will be absent on this business before leaving his/her post.

6.04 During working periods in which the elected Steward(s) or Vice-President/Chief Steward are not working, the President of the Union will designate an Employee working as Temporary Steward for that period of time.

6.05 Any Union Representative or member who is involved in any hearing between the Union and the L'Anse Creuse Board of Education, to include hearings with the American Arbitration Association, the Michigan Employment Relations Commission, and the administrative body of the Public Employees Relations Act, will not incur any loss of pay or benefits for the time that is involved in going to such hearings, participating in the hearing, and returning to his/her work location.

6.05.01 The Members of the Unit shall not lose time or pay or be charged on extra time sheet for time spent in meetings scheduled by the Employer.

ARTICLE 7 - SPECIAL CONFERENCES

7.01 Special Conferences for important matters will be arranged between the President and the Employer's designated representative upon the request of either party. Such meetings shall be between two (2) representatives of the Employer and two (2) representatives of the Unit except that by prior mutual consent of the parties, either party may have additional representatives present and the number will be determined by mutual consent.

7.01.01 Arrangements for such Special Conferences shall be made in advance, when possible and an agenda of the matters to be taken up at the meeting shall be presented at the time of the conference. Matters taken up in Special Conference shall be confined to those included in the agenda. The members of the Unit shall not lose time or pay or be charged on extra time sheet for time spent in such Special Conferences. This meeting may be attended by a representative of the Union.

7.01.02 Recognizing that our first priority is to service the students of L'Anse Creuse Public Schools, when possible, meetings will be scheduled during hours in which Employees are not on district time.

ARTICLE 8 - GRIEVANCE PROCEDURE

8.01 Definition: A grievance is defined to be any difference that may arise between the parties to:

8.01.01 Any matter relative to rate of pay, wages, hours of employment, and other conditions of employment concerning health, safety, and general welfare as set forth in this Agreement.

8.01.02 Any matter involving an alleged violation of any of the provisions of this Agreement.

8.02 An individual Employee will have the right at any time to present his/her grievance to the school district and to have the grievance fully adjusted without the intervention of the Unit or its representatives, as long as the adjustment is not inconsistent with the terms of this Agreement. At the time of the initiation of such a personally presented grievance, the Employer will notify the Union President, that same day that such proceedings have begun. At the time of any adjustment of the grievance, the Union President or his/her designee will be given the opportunity to be present. No adjustment will be made at unusual times or in such a manner to deny the Union President or his/her designee the opportunity to be present. In those instances where an adjustment is reached without the presence of the Union President or his/her designee, the circumstances surrounding the grievance and the adjustment will be submitted to the Union President in writing within five (5) working days of the final adjustment.

8.03 If more than one (1) Employee has a similar complaint, within the definition of a grievance as outlined above, which has been discussed at Step 1, and it is mutually agreed by both parties to this Agreement to be of a single common nature, the grievance will be deemed a Class Action Grievance and the Union President or his/her designee may file this Class Action Grievance at Step 2 in lieu of individual grievances.

8.04 **Step 1**

8.04.01 Within ten (10) working days of knowledge by the Employee of an alleged violation, the Employee and/or Steward shall discuss the problem with the Employee's immediate supervisor per the grievance Chain of Command, Appendix "C". A meeting will be convened by the Supervisor of the classification in attendance will be all parties referenced in the Chain of Command for Step 1. Written evidence of this meeting, signed by all parties, shall be attached to the grievance if proceeding to the next step.

8.05 **Step 2**

8.05.01 If the Union is not satisfied with the disposition of the grievance at Step 1, or if no disposition has been made within ten (10) working days of its initiation with the supervisor of original contact at Step 1, the Union President/Vice President (Chief Steward) may appeal the decision of Management within ten (10) working days from the disposition or lack of disposition in Step 1. The appeal by the Union President/Vice President (Chief Steward) shall be written to the Human Resource Department. The appeal by the Union President/Vice President (Chief Steward) shall be written.

8.05.02 Human Resources shall grant a hearing of the grievance within ten (10) working days of receipt of the appeal at this step. Within ten (10) working days of the hearing, Human Resources shall be responsible to see that a written disposition of the grievance is tendered to the Union President.

8.05.03 If the grievance is in substance similar to earlier grievances as agreed to by the Union President/Vice President (Chief Steward) and the Human Resources Representative, where a written disposition had been tendered following a hearing, a hearing shall not be required. However, a written response within ten (10) working days of receipt of the appeal will be required.

8.06 **Step 3**

8.06.01 If the Union is not satisfied with the disposition of the grievance by the Human Resource representative, or if no disposition has been made within ten (10) working days of such hearing, the grievance will be appealed within twenty (20) working days to arbitration. Such appeal will be in writing and will be delivered to the American Arbitration Association and to the Human Resource Department within forty-five (45) days. If not so delivered, the grievance will be considered abandoned.

- 8.06.01.01 The arbitrator shall be chosen within ten (10) working days from the date of filing from a list of arbitrators furnished by the American Arbitration Association.
- 8.06.01.02 The selected arbitrator will confer with the parties and hold hearings promptly and will issue his/her decision not later than twenty (20) days from the close of the hearings. The arbitrator's decision shall be in writing and will set forth his/her findings of fact, reasoning, and conclusion on the issue submitted.

THE ARBITRATOR SHALL BE LIMITED IN HIS/HER POWERS AS FOLLOWS:

- 8.06.02 The arbitrator shall have no power to alter, modify, disregard, add to or subtract from the provisions of this Agreement.
- 8.06.03 The arbitrator shall have no power to establish new salary schedules or change any salary or supplemental pay provided for in this Agreement.
- 8.06.04 The arbitrator shall have no power to change practices, policy, or rules of the Board unless they are in violation of the terms of this Agreement or reasonable working rules, working conditions, or safety.
- 8.06.05 The arbitrator shall have no power to decide any question arising out of the exercise of rights set forth in the Management Rights Clause, Article 4.
- 8.06.06 Claims for Back Wages - In the case of a pay shortage of which the Employee could not have been aware before the pay was available to the Employee, any adjustment shall be retroactive only to the beginning of the pay period covered by such pay, if the Employee files a written grievance within fifteen (15) working days after receipt of such pay.
 - 8.06.06.01 All claims for back wages resulting from an illegal layoff or discharge shall be limited to the amount of wages that the Employee would otherwise have earned less unemployment compensation or other compensation earned through a position acquired after layoff or discharge.
 - 8.06.06.02 Back wages shall be paid only to the aggrieved Employee signing the grievance or in the case of a class action grievance, those named as aggrieved in the grievance.
- 8.06.07 Neither party shall have the right to appeal from a decision of the arbitrator unless he/she exceeds his/her authority in his/her decisions as set forth above in 8.07.02, 8.07.03, 8.07.04, 8.07.05 and 8.07.06.

8.07 **Time of appeals of grievances:**

- 8.07.01 It is in the best interests of both the Union and the Employer that all actions taken on a grievance be done in a speedy manner. The time limits that have been established are maximums. If at all possible, the filing of grievances and their disposition should be as quickly as is possible.

- 8.07.01.01 If in the event that more time is needed to prepare a grievance or its disposition, an extension of the established time limits may be granted by mutual consent.
- 8.07.02 Any grievance not appealed from an answer or lack of an answer at any step of the grievance procedure, within the time limits set forth at that step after such answer, shall be considered settled on the basis of the last answer and not subject to further review.
- 8.07.03 A grievance may be withdrawn, with or without prejudice, and if so withdrawn, all financial liabilities shall be canceled. If the grievance is reinstated, the financial liabilities shall date only from the date of reinstatement. If the grievance is not reinstated within one (1) month from the date of withdrawal, the grievance shall not be reinstated. Where one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice only after the parties mutually agree that the issues are similar and the one issue left pending controls the other issues. In such event the withdrawal without prejudice will not affect financial liability.
- 8.08 **Withdrawal of cases:**
- 8.08.01 After a case has been referred to Step 3 of the grievance procedure, the case may not be withdrawn by either party except by mutual consent.
- 8.08.02 To eliminate misinterpretation all parties involved (Union and Management) shall meet to discuss the arbitrator's award upon written request of either party. It is understood that representation at said meetings shall be limited to no more than three (3) members from the Union and three (3) members from the School District.

ARTICLE 9 - DISCIPLINARY ACTION, SUSPENSION, AND DISCHARGE

- 9.01 Disciplinary Action will be understood as meaning oral or written reprimand, Suspension (meaning loss of pay and/or time on the job), and Discharge (meaning involuntary termination of an Employee by the Board of Education).
- 9.01.01 An Employee shall, upon request, be allowed to have representation during any disciplinary meeting/hearing.
- 9.02 In the first offense of a minor nature, the usual action will be an oral reprimand. Should the problem continue, a written reprimand will be issued. Further offenses may result in suspension and ultimately discharge. The initial action of the Employer may be suspension or discharge if in the opinion of the Employer, the nature of the infraction merits such action.
- 9.03 Disciplinary action for just cause may be imposed upon an Employee. Any disciplinary action imposed on an Employee who is felt to be unjust may be processed as a grievance.
- 9.04 Reports of disciplinary action and suspension will remain in the individual's personnel file, located in Human Resources, for three (3) years from the date of the action and will not be

utilized in future disciplinary action after three (3) years. Discipline infractions may be removed from the personnel file at the Employee's request after three (3) years; but may be used again to determine appropriate discipline if a similar infraction occurs at a later date.

- 9.05 All reprimands will be handled in a manner that will not embarrass an Employee before other Employees, students, or the public.
- 9.06 For just cause, a representative of the Board of Education may suspend an Employee with or without pay. The Employee will be notified in writing if such action is taken. It is the Employees responsibility to inform the union of any such communication from the Administration.
- 9.07 For just cause, only the Board of Education may discharge an Employee. The Employee, the appropriate Steward, and the Union President will be notified in writing if such action is taken.
- 9.08 The Employee and the Union will have the right to appeal the suspension, demotion, or discharge as a grievance at Step 3 of the grievance procedure.
- 9.09 An Employee who is found to be unjustly suspended or discharged will be reinstated with full compensation for all time lost and with full restoration of all rights and conditions of employment including all benefits, less any compensation received for employment elsewhere from the time of discharge to the time of reinstatement with the L'Anse Creuse Public School District.
- 9.10 Examples of items considered as just cause for disciplinary action, suspension, or discharge will be posted in all work locations. The list is intended as examples only and items other than those listed may be considered as just cause for action. It is understood that the Employer may from time-to-time post additional examples after advising the unit in a Special Conference.

ARTICLE 10 - SENIORITY - PROBATIONARY EMPLOYEES

- 10.01 New Employees hired in the unit shall be considered as probationary Employees for the first ninety (90) calendar days, excluding holidays, holiday breaks and summer breaks of their employment.
- 10.01.01 For the purpose of interpreting the probationary period under this Agreement, ninety (90) calendar days in all departments affected by summer dismissal shall resume their accumulation at the beginning of the new school year. A probationary Employee has no union rights when disciplined or discharged for lack of ability. There shall be no seniority among Probationary Employees. Upon satisfactory completion of the probationary period, the Employee's seniority will be computed from the first day of employment in an Unit position (this does not include time as a substitute).

- 10.02 The probationary time for an Employee begins on the date of hire in the unit.
- 10.03 Any Employee who, in the opinion of the Administration, does not satisfactorily complete his/her probationary period in the classification to which he/she has been promoted will be returned to the classification and salary from which he/she had been promoted and his/her seniority shall not be affected.
- 10.04 An Employee who is promoted during his/her probationary period shall be considered to have satisfactorily completed his/her probationary period in the classification from which he/she had been promoted.
- 10.05 Upon successful completion of the ninety (90) day probationary period, employees will advance to step two (2) of the salary schedule. If the probationary period is extended, no step will be given until the employee is considered non-probationary.

ARTICLE 11 - SENIORITY

- 11.01 District seniority will begin with the original date of employment within the bargaining unit of the school district.
- 11.02 The seniority list of the date of this Agreement will show the names and job titles of all Employees of the Unit entitled to seniority.
- 11.03 The Unit will furnish an up-to-date seniority list twice each year (November and May). The list will reflect both the Employee's original date of hire (in the district) and his/her classification and seniority date in the unit.

The Employer and the Union will work together, to produce the seniority list. The Union will maintain the official list, when this joint task is complete.
- 11.04 A copy of the data (name, date of hire, classification, salary, shift if applicable, and job location) for newly hired, transferred, promoted, discharged, or resigned personnel which is prepared on a monthly basis will be sent electronically to the Secretary or Treasurer.
- 11.05 If more than one (1) Employee commences work on the same date in a given work area, seniority will be determined by the last four (4) digits of the Employee's Social Security Number (SSN). The Employee with the lower number will be the senior Employee.
- 11.06 When an Employee is on leave of absence as provided in Article 20 and Article 25, seniority shall accrue for one (1) year; then it shall be frozen at that point with no accumulation for further extension of such leave.
- 11.07 Employees off due to an injury or illness that is compensable under the Workers' Compensation Act will continue to accrue seniority. Employees sustaining injuries compensable under the Workers' Compensation Act shall receive insurance benefits for a

maximum of one (1) year following the date of injury, if no Long-Term Disability (LTD) or Disability Retirement Application is filed.

- 11.08 Employees off on LTD will accrue seniority for one (1) year while on LTD. At the end of one (1) year off, the Employee's seniority will be frozen. Employees on LTD will remain on the seniority list, with an annotation that they are off on LTD, until such time as they are no longer eligible for LTD.

ARTICLE 12 - LOSS OF SENIORITY

- 12.01 An Employee shall lose seniority for the following reasons only:
- 12.01.01 He/she quits.
- 12.01.02 He/she is discharged and the discharge is not reversed through the grievance procedure.
- 12.01.03 He/she is absent for three (3) consecutive working days without notifying the Employer. In proper cases, exceptions may be made by the Employer. After such absence, the Employer will send written notification to the Employee at his/her last known address that he/she has lost his/her seniority and his/her employment has been terminated. If the disposition of any such case is not satisfactory, the matter will be referred to the grievance procedure beginning at Step 3. It will be the duty of the Employee to furnish the Employer with his/her correct address at all times.
- 12.01.04 If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions may be made by the Employer.
- 12.01.05 Failure to return from Paid Time Off (PTO), leaves of absence, Long-Term Disability, or layoff will be treated the same as 12.01.03 above.

- 14.04.04 Seniority Employees will be laid off according to seniority as defined in Article 11, Seniority, and Section 11.02.
- 14.04.05 In proper cases exceptions may be made. Disposition of these cases will be proper matter for Step 3 of the grievance procedure.
- 14.05 The layoff of bargaining unit Employees shall be done with the least district senior Employees in the affected positions being laid off first.
- 14.05.01 Should the layoff of bargaining unit Employees involve members of the:

- 14.06.03 A laid off Employee will be allowed to bump the least senior Employee in an equal or lower classification, with same or less hours, that does not require special training or certification as long as it does not result in a promotion.
- 14.06.04 A laid off Employee who cannot bump under the above conditions, will be allowed to bump the least senior Employee with lower hours and where no required certifications are necessary.
- 14.06.05 Such Employees that select a position in a classification that they have never held previously, shall be considered to be in an evaluative performance period for the first ninety (90) calendar days of their new assignment. Special supervision/direction will be provided upon the Employee's reasonable requests during this evaluative period. During the evaluative period, the Employee will be evaluated, in writing, using the district evaluation form, on the thirtieth (30th) and sixtieth (60th) day.
- 14.06.06 Such Employees who do not meet evaluative standards as documented during the evaluative period shall be terminated or may be granted layoff. Should the Employee disagree with the action taken, the matter may become a proper subject for the grievance procedure beginning at Step 3.
- 14.06.07 Such Employees after completing the ninety (90) calendar days will have full district seniority in that new classification only for the purpose of layoff. For all other purposes, classification seniority will be controlling.

If this position is considered a promotional position, it must first be posted and filled in accordance with Articles 15, and 16, and the recalled Employee will be recalled to the last position available. Notice of recall will be sent to the Employee at his/her last known address by certified mail. If an Employee fails to report to work within ten (10) calendar days from the date of mailing of the notice of recall, he/she will be considered a quit. Extension may be granted by the Employer in proper cases.
- 14.09 Non-acceptance of a temporary position three months (3) or longer in duration from which an Employee was laid off will result in the Employee being removed from the recall list.
- 14.10 An Employee on a leave of any kind is subject to the displacement, layoff, and recall procedure.
- 14.11 When an Employee is in a layoff status, his/her seniority will accrue for one (1) year, and then their seniority will be frozen until such time as they are recalled to work.

14.11.01 An Employee in a layoff status will remain on the layoff list for a period of three (3) years.

ARTICLE 15 - VACANCIES

Definition: A vacancy will be considered to exist if a current Employee resigns, retires, is terminated, is transferred, is promoted unless said position is eliminated, or if a new position is created or reinstated. Any posted position will be considered a vacancy.

Such layover time shall be used for checking bus for needed service and routine driver checks, such as: oil, coolant, battery, power steering, tires, refueling, etc., daily bus floor sweeping or any other duties assigned by the Dispatcher or Transportation Supervisor.

- 31.04 Drivers will be compensated one (1) hour for completing/updating maps on an annual basis. Maps are to be completed between route pick and bump and approved by Administration prior to payment.
- 31.05 Bus runs, shall be grouped together whenever practical to give a driver up to an eight (8) hour workday. Each driver shall be guaranteed a minimum of six (6) hours per day.
- 31.06 Buses are to be driven only by properly licensed LCPS Employees hired by the Administration for the purpose of driving or maintaining buses; provided that in the time of impending disaster or similar emergency conditions, the administration shall reserve the right to assign such drivers to such vehicles as it deems to be in the best interests and safety of the student body.
- 31.07 All physical examinations required by the school district for bus drivers shall be paid for by the Employer.
- 31.07.01 Upon Administrative approval, a second physical by a DOT examiner/Physician, will be covered. However, additional expenses above the cost of the physical, as required by the DOT examiner/Physician, will be covered at the Employee's expense.
- 31.07.02 All physical examinations required by the State of Michigan or the School District for bus drivers shall be taken in the months of July or August, and prior to run selections. It is expressly understood that all persons employed for the purposes of driving a school bus shall submit to a drug testing procedure during pre-employment physical and during random drug testing throughout the school year pursuant to State and Federal Laws and/or regulations. If the drug test proves positive refer to Article 39.16.
- 31.07.02.01 Those drivers working 35 hours or more per week during the months of July and August will be compensated one (1) hour (not to go in to overtime) to take their physical.
- 31.07.02.02 Employees on any type of leave, exceeding one (1) year, are required to pay the full price of their examinations.
- 31.08 Drivers shall have the right to refuse to drive any vehicle that is not in safe operating condition. The driver shall not suffer loss of pay or be reprimanded for refusal to drive such a vehicle when evidence of such unsafe operating condition is witnessed and attested to by a LCPS mechanic.
- 31.08.01 If a bus route is reported by the driver (in writing) to be unsafe, due to student conduct, assistance shall be provided to the driver for the duration which the problem exists. This shall apply to all routes, including Special Education.
- 31.09 If after a student has been written up for improper behavior on the bus for a minimum of three (3) times, a driver feels that the student's behavior has not sufficiently improved and continues to be a disruption on the bus and therefore a safety hazard; the driver will have

the right to request and be granted a meeting with the building administrator and the student's parents to discuss the student's behavior.

31.10 Assigned/Unassigned drivers:

Definition: An Assigned Driver is a driver who has a selected regular daily run but who may have unassigned time on that run.

Definition: Unassigned Drivers are those drivers who do not have a daily regular assigned run, but report daily at a regular time and are assigned runs or special duties.

Definition: "Need to Use" time, when worked, will be for the express purpose of filling regular assignments. Refused "Need to Use" time is chargeable when refused; however cannot be charged as extra time when worked or with proper pre-approved documentation. (example: medical documentation or court appearance)

Definition: Noon runs are any time after the morning segment, up until the P.M. segments, unless there is no P.M. segment on the run. In this case the last punch for the daily schedule will become the P.M. portion (Need to use and Frederick V. Pankow Center shuttles are not to be considered an A.M. or P.M. segment to any run.

An amount of time, not less than 1.5 hours per day and not to exceed 1.8 hours per day, will be designated as an extension and/or addition to a drivers regular report time and will be scheduled in the drivers work day, not to exceed eight (8) hours.

The number of runs with the extended, "Need to Use", 1.5 to 1.8 hour day will not exceed 10% of the total number of runs.

Time worked or offered prior to punch-in or punch-out of "Need to Use" designated time will be chargeable.

All times will be designated at the beginning of the school year and may be adjusted by Administration as necessary, until bump.

Drivers assigned to the "Need to Use" program will be compensated two hundred and twenty-five (\$195.00) per year, payable the first full pay period following the last pay period of the school year. It is understood the payment may be pro-rated based upon the length of assignment.

Unassigned Drivers "Need to Use" time will not be considered when building routes. Total number of unassigned drivers is not to exceed 10% of the total number of runs.

31.11 A new driver starts employment with top extra hours accrual in the Transportation Department.

31.11.01 Employees returning from leaves of absence or prolonged absence over two (2) weeks or ten (10) workdays will return to work with the average extra hour accrual of the total hours

available for extra time computation during the Employee's absence. Such will be added to the Employee's extra time/overtime accrual.

31.12 **Run Selection Process:**

31.13 Management will supply the drivers with a complete and updated list of the total updated routes by 7:00 a.m. the day before the run selection is scheduled to begin. Any new revisions agreed upon by both management and the union will be posted on the board before the morning start time on the day of run selection.

31.14 On any day, any driver scheduled to select that has not left selections with two (2) witnessing signatures or is unavailable and unreachable without notification, will keep the run they had if it is still available or will be assigned the remaining run with the largest number of hours and the lowest bus number.

31.14.01 Those drivers who wish to make their selections in writing will have two (2) witnessing signatures.

31.14.02 First scheduled bus runs of the school year shall be chosen by drivers on a seniority basis (i.e., senior drivers to make first choice of runs). The run selection process will be monitored and recorded by a Union representative. The district will compensate one Union representative not to exceed eight (8) hours per day for monitoring these procedures. The Union representative will be given release time from their driving duties unless no substitute is available to complete needed service.

Drivers will be limited in time during the original bid and the limited bump, to fifteen (15) minutes to select their run from the time they are notified verbally by their union representative. Drivers who do not complete their selection in time will be required to wait to make their selection until after the next person in seniority has made their selection or exceeded their time limit. Run information will be available one (1) day prior to the beginning of route selection.

Drivers currently on leave for run selection must have medical documentation that's specifically states their return will be within twenty (20) working days of the run selection day.

Administration may break the group up in to equal groupings on run selection day.

After runs have been chosen but before school begins in the fall, the District may choose to Dry Run all routes. If the District chooses to do a Dry Run, it will be mandatory that all drivers come in and drive their entire A.M. run. The purpose is to determine exactly where stops are as well as determine if there are time issues with the route. The drivers will be paid their regular wage; however there will be no time guarantees.

31.15 **Bump Selection Procedures:**

31.16 Management will supply a complete and updated list of the total updated routes by 1:30 p.m. the day before the 5th week bump begins. Any new revisions agreed upon by both management and the union will be posted on the board before the morning start time on the day of the bump process.

31.16.01 A driver will be notified, in advance, of any changes to their run.

31.16.02 On the Monday following the Fourth Friday after Labor Day, a Special Conference will be scheduled for the purpose of establishing a limited bumping procedure and a list of drivers who will be eligible to participate. The limited bump will take place on the Tuesday, Wednesday and/or Thursday following, and assignment changes will be made on the first working day of the week following the bump. Only drivers who fall within the following criterion will be allowed to participate:

- During the Bus Driver bump procedure, Bus Drivers will not be eligible to select a run that would give them additional time that they could have selected during the original bid process unless they are bumped from their original run;
- A driver may not transfer to a run of equal hours unless his/her route has been altered, which would result in a change in his/her originally assigned building;
- Drivers will be allowed to select/transfer to any run that was not available to them at the original bid process (this includes runs of equal hours);
- If a run is increased or decreased by 0.4 of an hour or more;
- Drivers who have a start/end time adjustment of 0.4 of an hour or more;
- Drivers who are subsequently bumped from their run.

Unassigned drivers will not be affected by this for purposes of transferring from unassigned to a regular run unless a regular run was available to them at the original bid process.

If the total number of runs have been increased, it is understood that the newly created/vacant runs only would be available to members upon a seniority basis.

Drivers currently on leave from run selection must have medical documentation that specifically states their return will be within twenty (20) working days of the bump day.

31.16.03 Any subsequent increase of four tenths (.4) or more for at least a period of four (4) weeks shall be offered to available drivers on a seniority basis. The revised run will be posted.

Administration shall not unilaterally change the start/end times of a bus drivers' route following the fifth (5th) week bump without the agreement of the affected driver. Exception: Overflows, Special Needs or Homeless students. If additional time of four-tenths (.4) or more

of an hour is needed for the above examples, the additional time will be offered based on best fit, seniority and building towards eight (8) hours, where practical. The last driver on the list cannot refuse the additional time. The revised run will be posted. Drivers who were asked for the additional time and refused it are not eligible to put in for the newly revised run. Under these circumstances only, should the original driver of the revised posted run be bumped, the bumped driver must bid on any and all routes that come available to him/her with any lost time made up as unassigned time. The unassigned time will be placed as needed by the Administration. If any affected driver refused a higher run, then it is assumed that they want to keep the run that they have and any unassigned time will immediately cease.

Management will continually build towards eight (8) hour runs and highest hours wherever best fits with seniority and are both efficient & practical.

In the event after fifth week bump additional routes/tiers need to be added to existing runs the School District will go by seniority, where runs best fit. If routes/tiers do not fit on the originally created runs, excluding unassigned time, management may change the unassigned portion of a run. This is to be done with driver permission. The last driver on the list cannot refuse the additional time.

The parties recognize that unanticipated needs for student transportation may require changes in unassigned segments of a bus driver's schedule.

31.16.05 Up until the Monday following the fourth Friday after Labor Day, is a window period and reserved for non-chargeable adjustment time to bus runs and any additional time worked that was not gained through low extra time or the trip sheet.

31.16.05.01 If your run changes during the limited bump, you will be allotted a window for non-chargeable adjustment time through the Monday following the sixth (6th) Friday after Labor Day.

31.16.06 In the event that a run is decreased in time by one (1) hour or more, a modified re-selection of runs will take place by seniority, beginning with the most senior driver immediately affected by the decrease in time. This run selection process will take place within five (5) working days, but not more than ten (10) working days prior to the effective date of the decrease in a bus run and will be in lieu of normal posting procedure. Changes will be effective two (2) working days after the completion of the re-selection process.

The implementation of this procedure will be limited to two (2) occurrences in one (1) school year. If there are any additional occurrences, representatives of both the Local and the Administration will meet in Special Conference to resolve the problem.

31.17 **Extra Time:**

31.18 Extra time will be selected on the basis of low extra time hourly accrual, seniority, and will be distributed so that all drivers will receive approximately the same amount of time for each recording season (school year and summer.) When a driver is offered extra time and if it is

anticipated that the extra time will create run-through time in excess of 0.5 hours, the driver will be required to punch out/punch in accordingly. To that end extra time records will be audited daily and the accumulated extra time will be carried forward and posted daily.

31.18.01 A driver who is out of PTO time and is being disciplined for attendance related issues will be charged for their unpaid hour(s) on the low extra time sheet.

31.18.02 A driver who takes a trip during their scheduled work day will be compensated for the trip work only, not any regularly assigned work missed.

31.18.02.01 If work is assigned by the Dispatcher or Supervisor, the driver would be compensated for the most hours available to them for that scheduled day.

31.18.03 **Changes to extra time:**

31.18.03.01 If the extra time is selected and a time change of fifteen (15) minutes or more occurs the driver who has selected the trip will be given the option to accept the time change or refuse the trip without charge.

31.18.03.02 If a change in destination of a selected trip has occurred the driver who selected the trip will have the option to accept the change or refuse the trip without charge.

31.18.03.03 If a change in the date of a selected trip occurs the driver has the option to accept the date change provided the date change is within seven calendar days of the original trip or they may refuse the trip without charge. If the driver has already selected another trip that will conflict with the rescheduled trip the driver will not be available to do the rescheduled trip.

31.18.04 Any extra trips that begin and end in one of the following time slots during a regular full school day will be offered by low extra time only to drivers who do not have a regular assignment during the time slot. The time slots will be reviewed annually prior to the beginning of the school year and adjusted by mutual agreement of the Union Representative and the Transportation Supervisor.

7:00 a.m. – 9:00 a.m.

2:12 p.m. – 4:12 p.m.

31.18.05 Extra time refused shall be charged as time worked. Employee refusal of extra time is non-reversible. All time over the regular run will be charged as extra time. All time over forty (40) hours worked per week will be charged as extra time at the overtime rate.

Example: One hour worked over forty (40) hours worked per week at time and one half, will be charged at 1.5 hours.

One (1) copy of the extra time report will be furnished to the President and to the Steward and Chief Steward on a biweekly basis.

31.18.06 The established driver daily hourly run will be the basis for computing extra time. On abbreviated days the standard driver day shall remain the basis for purposes of adding extra

time. Special trips, however, shall apply toward extra time regardless of the length of a given day.

31.19 **Extra Time: Summer:**

- 31.19.01 **Example:** Each new recording season will begin by seniority with zero hours. **School season trips** will begin with the first day of school, and end on the second Tuesday after school is out. The last scheduled school year posting shall include trips up through the second Tuesday. **Summer season trips** will begin with the second Wednesday after school is out, and end on the last day before school starts.

The first school year posting will always be done on day of in-service. This posting will cover trips for the first day of school, and include all trips until the next scheduled series will be posted.

The trip season will be reviewed annually prior to the end of the school year and adjusted if deemed necessary, by mutual agreement of the union representative and the transportation supervisor.

31.20 **Trip selection process:**

- 31.20.01 All trips will be processed through proper channels with the eligible driver or drivers to be identified by the Dispatcher, listed by current extra hours and seniority. Trips will be posted at least five (5) working days in advance, when possible, of the trips. Trips will be posted on Tuesday and Thursday of each week, before 9:30 a.m. of the day of the posting and will remain posted until all trips are selected or 7:00 a.m. of the last working day before the earliest trip listed. Drivers will be responsible to indicate **YES, NO, or NOT AVAILABLE** by the end of the first day, whether they will take a trip. Drivers will leave a list of selected trips in order of their desire. Drivers who have signed YES but have not selected a trip by the end of the posting will be bypassed and charged accordingly. Trips will be awarded to next available drivers who have signed for them and selected. Trip selection will begin as soon as possible with drivers that are eligible signing the trip sheet and indicating the trip number on the posting.
- 31.20.01.01 A driver may give up their general education route including shuttles, mid-day and P.M. homeless to take a trip. Articles 31.18.02 and 31.18.04 regarding extra time will apply. Trips may be adjusted to meet the needs of the District. If a driver turns in their trip under these circumstances, the trip will be chargeable and Article 31.18.03.01 will **not** apply.
- 31.20.02 An extra trip will be understood as an extra time trip. In the event that a trip is to be planned which cannot be processed in accordance with the provisions outlined in 37.08.01, that trip will be approved by the Superintendent or his/her designate and time refused will not be charged.
- 31.20.02.01 The most current daily extra time will be used for Saturday and Sunday trips that are not posted in accordance with the trip sheet.

31.20.02.02 Drivers that are absent on the day of the postings will be designated as OFF by the Dispatcher for the period of that posting and the driver will not be charged or have a selection opportunity for that posting.

31.20.02.03 On the second and subsequent days of trip selection, if it is time for the driver to select a trip, and the driver is off for that portion of the day, you will be marked OFF and bypassed. The driver will not be charged if the driver did not get to select a trip.

Employees who pre-select a trip, and then refuse to do the trip assignment will be charged the highest number of hours available to them from that posted trip selection sheet, if not absent for any part of the day of their scheduled trip.

Drivers who pre-select extra time and then absent themselves for four tenths (.4) of an hour or more of that work day, thereby not performing the extra time, shall be charged that amount of extra time as if they had worked the whole day and took the selected assignment. (Except for Workman's Compensation, jury duty and funeral leave of the immediate family).

31.21 Trips that start before 9:00 a.m., when possible, shall be assigned at least one (1) working day in advance, or as soon as they become available.

31.19 To receive extra time, a bus driver must work their full scheduled day of the extra time assignment.

31.23 **Training:**

31.23.01 In-District School Bus Driver training, which requires actual driving, will be done by union members and the programs will be administered by the Transportation Supervisor.

31.23.02 The Board agrees to pay, the trainer, at their regular rate of pay for all training hours required for bus drivers beyond the initial twelve (12) hours required by the State.

31.24 The first twenty-five (25) hours are not chargeable to the trainer. If the trainer is training multiple trainees at the same time, the trainer will only receive twenty-five (25) non chargeable hours.

31.25 **Summer Work:**

31.26 Posted Summer School runs will be assigned to drivers by seniority.

31.27 Prior to the end of the school year, the drivers will sign a sheet indicating their desire to be called for extra work during the summer season. Those drivers not signing will not be eligible for extra work during the summer season.

31.27.01 Summer trips, exclusive of summer school trips, will be selected by low extra hours and seniority. The Supervisor or designee will make telephone calls to drivers beginning at 7:00 a.m., at their designated phone number only. No personal contact with drivers will be

allowed except for those drivers currently working the summer school, bus cleaning, drivers on the clock. One (1) call will be made per driver and there will not be any messages left for return calls. The Steward or a representative has the option, to monitor the calls. Both the Supervisor's designee and the Union Representative will initial each recorded entry. Trips that are known by Tuesday will be called on Tuesday for Wednesday through the following Tuesday. Other trips will be called as soon as possible. Drivers are limited to one (1) trip per calling period, Wednesday through the following Tuesday. It should be noted in the foregoing that when the list has been gone through and has to be gone through a second time in order to fill the runs, that one person may get two trips.

31.27.02 A Driver working a posted summer school or other run during the summer months, cannot select a trip or extra time that interferes with their scheduled work time. Drivers that are working can be asked for trips via radio or in person for their non-scheduled workday.

31.27.03 In the month of May a separate sign-up sheet for bus cleaning only during the summer months will be posted. If utilized, drivers will be paid at the rate of \$12.00 per hour.

Only those signing up for summer bus cleaning will be called.

Trips and runs are to be covered as first priority with bus cleaning covered as the second priority.

Bus cleaning time is non-chargeable, but a separate extra-time sheet for the purposes of rotation will be utilized beginning with seniority. Time will be offered in one-week increments. Time refused and/or worked will be kept on a separate extra-time sheet for bus cleaning only.

31.27.04 Trips for summer school will be selected by low extra hours and seniority among those drivers working the summer school schedule if the driver is available.

31.28 **Licensing:**

31.28.01 Commercial Driver License (CDL) shall be paid for by the Employer.

31.28.02 Properly licensed L'Anse Creuse Public School Employees shall drive buses only if regular and/or substitute Bus Drivers are not available.

31.28.03 L'Anse Creuse Public School Employees who are properly licensed, trained, and qualified may be used as substitute bus drivers.

31.28.04 In any case the use of L'Anse Creuse Public School Employees as Bus Drivers will be at the discretion of the administration.

31.29 **Stabilization:**

DEFINITION: Stabilization is the procedure of assigning the same driver to Preschool, Special Education, Kindergarten, and Elementary runs when the regular driver is absent.

Stabilization will not exceed two (2) weeks (ten working days) but the daily ten (10) day assignment can exceed eight (8) hours per day. Where runs are different in the A.M. and P.M. routes, the runs may be stabilized by splitting the A.M. and P.M. routes according to low extra time accrual and availability.

31.29.01 Stabilization for: Preschool, Special Education, Elementary, and Homeless designated students. Stabilization shall be met by seniority and low extra hours by daily extra time for ten (10) consecutive workdays. At the end of ten (10) consecutive workdays, it shall be offered to the next available driver by seniority and low extra hours.

31.29.01.01 Stabilization is broken whenever a driver takes any type of leave during the stabilization hours.

31.29.02 Drivers on Leave

When drivers are on leave for any reason, their route will be broken apart and pieced out to available drivers for up to 10 days stabilization. Portions of the route that cannot be covered will be covered by unassigned drivers. Mid-day portions of the route will be given to drivers based on the daily low extra time sheet, except that stabilization does apply. This piecing of the route will continue until it is known that the leave will exceed ninety (90) days and then the route will be reassembled and posted as permanent.
