

LETTER OF UNDERSTANDING BETWEEN New Haven Community Schools, MEA-NEA,
LOCAL 1 for the 2020-2021

Re: Literacy on Loan Stipend

The Association and the Board mutually agree to the following:

New Haven Teacher Association agree to the following in regards to the Literacy on Loan Stipend

The person acting as the Lead in the Literacy on Loan ISD program will receive a stipend of \$10,000 for each full year, not to exceed the 2 years that the ISD is providing funding for the program.

The stipend for 20-21 will be prorated based on the fact that they will only carry out the duties of the Lead position for one trimester.

The person acting as lead in this program will remain a part of the New Haven Teacher Association and adhere to the specifics laid out in the teacher contract.

When the funding runs out for this program, the person acting as Lead will go back to their original literacy coaching position.
