1. The establishment of a Short Term Disability Program "an in-house program" is a mutual effort by the Transportation Chapter of 1664 and the Board of Education. The Board of Education will cooperate in the operation of this program.
2. For the purpose of this Short Term Disability Program a disability is an absence that is medically certifiable as incapacitating an employee from performing their duties. At times it may be necessary to request a second or alternate opinion of the disability. The cost of the alternate/second opinion shall be born by the party that selects the medical expert.
3. The primary purpose of the Short Term Disability Program is to provide compensation at the rate of \$6.00 per hour of disability during periods of protracted and unavoidable absence due to their incapacity to perform the duties and responsibilities of their job.
 - a. Bus Drivers - The computation of hours shall be based on the average hours of regular assignment recorded in the last full payroll period of the previous school year.
4. An employee shall be allowed a maximum of one hundred (100) consecutive working days for each incident. Elective surgery shall not qualify a member to be compensated from the Short Term Disability Program.
5. Recurrent disability (a disability which is contributed to by the same cause(s) or is the result of the same cause(s) of a prior disability for which a benefit was payable). If, after a period of total disability for which benefits are payable, the covered employee resumes their regular occupation and does each main duty for a continuous period of six months or more, any recurrent disability will be part of a new period of disability and a new thirty (30) working day window period must be completed before any further monthly benefits are payable. If the covered employee resumes their regular occupation and does each main duty for less than six months, a recurrent disability will be part of the same disability.
6. An employee who exhausts the one hundred (100) consecutive working day draw from the Short Term Disability Program is not eligible for the Short Term Disability Program until the employee has returned to work and completed not less than one (1) full year on the job.

7. Employees whose working schedule is less than 52 weeks, are not eligible to draw from the program during periods of time that they are not normally scheduled to work.
8. This program is available to all eligible seniority bargaining unit members. Probationary employees are not eligible until they have satisfactorily completed the forty-five (45) working day probationary period and signed an enrollment card.
9. The first thirty (30) consecutive working days of absence due to a disability shall not be covered by the Short Term Disability Program. The thirty (30) working day window period must be satisfied prior to becoming eligible for payment from the Short Term Disability Program for each incident.
10. Employees wishing to participate in the Short Term Disability Program must make formal application to the Short Term Disability Committee prior to the expiration of the thirty (30) working day window period. A medical report fully certifying the disability must accompany the formal application for withdrawal from the Short Term Disability Program, which will be made in duplicate, the original to be filed with the Employee Benefits Office in the Human Resource Office. A duplicate will be kept on file by the union's committee of the Short Term Disability Program.
11. A member of the Short Term Disability Program on a non-compensable leave of absence due to reason of disability is eligible to apply for coverage by the Short Term Disability Program and may use these non-compensable days to satisfy the window period of this program.
12. An employee shall not receive compensation from the Short Term Disability Program due to absence resulting from an on-the-job-injury.
13. Payment from the fund does not qualify an employee as being at work for the purpose of accruing/earning sick leave, vacations, or benefits computed on the basis of the number of days in a month the employee receives compensation.
14. Medical reports fully certifying disability must accompany the request for absence leading to the utilization of the Short Term Disability Program. Additional medical reports will be required to be filed with the Employee Benefits Office in the Human Resource Office each pay period at the employee's expense, while receiving compensation from the Short Term Disability Program.

15. The Short Term Disability Program will be funded with equal payments on September 1 of each year the contract is in effect. The amount of each payment shall be determined by the bus driver's and skilled trade mechanic's average hours of their regular daily assignment as recorded during the final full payroll period of the preceding school year. The dollar amount of each payment shall be computed by multiplying the above aggregate number of hours times \$.06 per hour. If the fund is depleted during any year (September 1st - August 31st), payments will be discontinued for the remainder of that year and members of this unit shall have no claim or recourse to establish compensation from the Short Term Disability Program. If there is a balance in the fund at the end of the fiscal year, this balance will be added to the next scheduled funding payment.
16. The union will collect enrollment cards that must be forwarded to the Employee Benefits Office. A duplicate will be kept on file by the Short Term Disability Union Committee.
17. The Short Term Disability Program will be controlled by the Board of Education. A committee of not more than three (3) union bargaining team members will be selected by the Chapter Chair, to assist in interpreting the provisions of the Short Term Disability Program to the membership and to advise the Employee Benefits Office of the Human Resource Office regarding the operation of the Short Term Disability Program. Final authority of the operation and interpretation of the Short Term Disability Program shall be vested in the Board of Education.
18. An employee on lay off, or a non-disability non-compensated leave of absence shall not be able to receive compensation days from the Short Term Disability Program.
19. Employees who are members of the Short Term Disability Program when laid-off or placed on a non-compensated leave of absence shall be allowed to continue their membership upon return to work or recall.
20. The Short Term Disability Program will be implemented September 1, 1987. The September 1, 1987, date will be the first date of the beginning of the thirty (30) working day window period.
21. The Board of Education shall, in its sole discretion, determine whether or not payments shall be made from the fund and to whom such payments shall be made. Any determination made by the Board shall be final.
22. Decisions made by the Board regarding the fund shall not be subject to the grievance procedure.

23. The Union (including Technical, Professional and Officeworkers Association of Michigan), in consideration of the Board accepting the obligation to make determinations regarding the fund, agrees to hold the Board, its officers, agents, or employees harmless from any and all liability of any nature whatsoever which may result from any action of the Board relating to the fund, including, but not limited to, the cost of defense of any claim filed against the Board.
