This Agreement entered into between the Van Dyke Public Schools of Warren, Michigan (hereinafter referred to as the "EMPLOYER") and Local Union No. 989, affiliated with Council No. 25, and chartered by the American Federation of State, County, and Municipal Employees, AFL-CIO (hereinafter referred to as the "UNION").

## ARTICLE 2

### PURPOSE AND INTENT

- A. The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, all the employees of local 989, and the Union.
- B. The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's and employees' success in establishing a proper service to the community.
- C. To these ends, the Employer and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.
- D. Employees of Local 989 have the responsibility of maintaining good cleaning practices, reporting in writing suspected hazards to their supervisor (who shall be responsible for further investigation), to share with management the responsibility for overall neatness and cleanliness of the district's physical surroundings.

### ARTICLE 3

#### RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining agent, as defined in Section II, Article 336, Public Acts, 1947, as amended, for the purpose of establishing salaries, wages, hours, and other conditions of employment for all of its non-certified employees in the Van Dyke School District, excluding noon-aides, secretarial and supervisory employees.

ARTICLE 4

MANAGEMENT RIGHTS

- A. The Board, on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:
- (1) To the executive management and administrative control of the school system, its properties, facilities, and employees during working hours.
  - (2) To hire all employees and subject to the provisions of law, to determine their qualifications.
  - (3) To decide upon the means and methods of maintenance, the selection of materials, equipment, supplies, and the use thereof.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited primarily by the specific and express terms of this agreement and then only to the extent such specific and express terms thereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

**ARTICLE 5**

UNION SECURITY

- A. The Employer will provide notice to the Union Financial Secretary of any changes in pay rates. In September each year, the Employer will provide a list of names and work times of employees working twenty (20) hours or less per week. Notice will be provided at other times when the hours of such employees change.

## ARTICLE 6

### DISCHARGE AND SUSPENSION

- A. The Employer shall not discharge any employee without just cause. If, in any case, the Employer feels that there is just cause for discharge, the employee involved will be suspended up to a maximum of five (5) days without pay. The employer may, with mutual consent of the union, extend the non-paid days. The employee and his steward will be notified, in writing, that the employee has been suspended and is subject to discharge.
- B. The union shall have the right to take up the suspension and/or discharge as a grievance at the third step of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary by the union.
- C. Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment. During period of suspension, as the result of disciplinary action, an employee shall not accumulate leave or vacation days, nor shall he receive pay for holidays which occur during this suspension unless reversal by the grievance procedure and/or special conference.
- D. Discharge shall be automatic for possession (defined as including a positive test result for those required to have a Commercial Drivers License), being under the influence, distribution or use of drugs/alcohol during employment hours. The discharge determination will be subject to review through the grievance procedure.
- E. The Union recognizes that the management duty of the Employer for the selection and direction of the work force includes the right to hire, suspend, or discharge for just cause.
- F. If the Employer or the union reasonably believes the action taken to be unwarranted, an appeal may be made through the grievance procedure.
- G. If an immediate supervisor believes that an employee should be given a warning that will lead to disciplinary action, he/she shall call a conference for that purpose. If the immediate supervisors are unavailable or out of the district, a central office administrator may act in his absence. The employee shall have the right to union representation at the conference. If any employee is warned or suspended, in writing, he/she shall acknowledge by signing the letter of reprimand—union official also signs. Signing of this letter does not acknowledge agreement with disciplinary action. The union president shall receive a copy of such written warning.
- H. It is understood that matters of discipline, discharge, and warning are rights of the Employer and shall be meted out in accordance with the seriousness of the alleged offense at the time. A time limitation of three (3) years shall be the maximum period for which past disciplinary action shall be used in later cases involving further discipline. However, any action taken by the Employer will be for just cause and such action shall be subject to the grievance procedure.
- I. Article 6 shall not apply to probationary employees.

ARTICLE 7

GRIEVANCE AND ARBITRATION PROCEDURES

- A. Any grievance or dispute which may arise between the parties, including the application, meaning, or interpretation of this agreement shall be presented to the Employer within five (5) working days of the date of the grievance or the employee's or union's knowledge of its occurrence and shall be settled in the following manner.
- B. The time limits specified hereinafter for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties, in writing. In the event that the union fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed to be abandoned and settled on the basis of the Employer's last answer. In the event that the Employer shall fail to supply the union with its answer to the particular step within the specified time limits, the grievance shall be deemed automatically awarded to the employee.

All specified time limits herein shall consist only of workdays.

- C. (Step I)  
An employee who feels he/she has a problem will discuss the problem with the person in charge where the problem originated. Upon the completion of the discussion, if the problem is not resolved to the satisfaction of the employee, the employee shall have the right to call his Steward if one is assigned to the building or otherwise, he will call the Chief Steward or Alternate Chief Steward. The two will be allowed to converse and if a grievance exists, the employee and steward or chief steward or alternate, will meet with the immediate supervisor (Director of Facilities and Operations, Director of Food Services, or designated representative) to try and reach a solution to the problem. The supervisor will make every attempt to settle the matter. The supervisor shall respond to the steward, in writing, if requested in writing within five (5) working days.

(Step II)

If the grievance still remains unadjusted, it will be presented by the union to the Director of Business and Finance or a designated representative, in writing, within five (5) working days after receipt of the immediate supervisor's answer. The Director of Business and Finance or a designated representative will meet with the Chief Stewart, or Alternate, and Vice President within five (5) working days. The Director will submit a decision, in writing, to the union within five (5) working days.

(Step III)

In the event the grievance is not disposed of through Union's acceptance of the Director's answer, the Union shall, within five (5) working days, appeal to the Superintendent of Schools or a designated representative. The Superintendent will meet with the Vice President, Chief Stewart, or Alternate and President within five (5) working days. He shall reply, in writing, within five (5) working days his response to their appeal.

(Step IV)

In the event the grievance is not disposed of through Union acceptance of the Superintendent's answer, the Union shall, within five (5) working days have the right to appeal to the Board of Education through the Superintendent of Schools. A meeting on the grievance will then take place at the next regular meeting of the Board, or special meeting of the Board for which proper notification can be given. The Union will be given five (5) days notification before said meeting. The Board will render a written decision on the dispute to the Union within five (5) days after the occurrence of said meeting. This step may be skipped with mutual consent by both parties.

ARTICLE 7 (continued)

(Step V)

If the dispute still remains unresolved after completion of the foregoing procedure and on the basis of the Board's answer, the Union shall be permitted to submit the grievance, within thirty (30) days, to final and binding arbitration. The arbitrator shall be selected through the American Arbitration Association. Expenses for the arbitrator's services and the proceedings shall be borne equally by the employer and the union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing they pay for the record and make copies available, without charge, to the arbitrator and to the other party. Failure by the grieving party to take any step under the grievance procedure, within the time prescribed, shall be deemed to constitute a withdrawal of the grievance. Final and binding arbitration applies only to grievances which are alleged to be violations of a specific article and section of this agreement. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement.

- D. The Chief Steward, or Alternate, may investigate and process grievances during working hours without loss of pay. The chief steward, or alternate, or those involved in processing grievances shall notify their immediate supervisor (Principal, Director of Facilities and Operations or Food Service Director) when leaving their normal work station. At steps II, III, IV, and V, the Chief Steward, or Alternate, may call in union representatives as outlined in the grievance procedure. Union representatives and administrator will process grievance, if official works the day shift, between the hours of 7 a.m. to 3 p.m. and afternoon or midnight shift of union official during the hours of 7 a.m. to 5 p.m. A Council staff representative may be present at any step of the grievance procedure. If, in the judgment of management, time lost due to the processing of grievances is being abused; this matter will be subject to renegotiation.

## ARTICLE 8

### SPECIAL CONFERENCES

- A. The parties acknowledge that, for the life of this agreement, each voluntarily waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this agreement or with respect to any subject or matter not specifically referred to or covered in this agreement, unless by mutual consent.
- B. However, it is recognized that there may be times when it would prove to be helpful to both parties for them to meet to discuss contract interpretation, contract administration, etc.
- C. The request for such meetings shall be made at least seventy-two (72) hours prior to the date requested. The advance notice regarding the meeting requested shall be accompanied by an agenda.

- d. The Election Chairperson will be permitted to work overtime on Election Day or Saturday or Sunday, if available.

ARTICLE 10 (Continued)

9. The charging of hours will be subject to the following provisions:
  - a. Employees "accepting" OT/ET will be charged based upon the number of OT/ET hours worked on that day.
  - b. Employees who "refuse" OT/ET will be charged with the highest number of OT/ET hours worked on the OT/ET board on the day in question.
  - c. OT/ET refused "outside of the building" will not be charged.

When overtime is required in the Skilled Trades classification, overtime will be worked by the Employee who is in the affected classification regardless of total hours on the overtime board. The Employee need not have worked a full week to be eligible for emergency or non-scheduled overtime. Any additional help needed in another classification will be offered according to hours on the overtime board.
11. Extra time for ten month employees will be defined as any time worked over their normal established daily hours up until eight hours in a day.

EXHIBIT A

PRORATED VACATION PAY

Example: If an employee is eligible for ten (10) vacation days per year (10/12 months = 8.33 days) and worked two (2) hours per day for 183 days, the following is the computation for prorated vacation pay:

Days worked: 183 x 2 hours per day = 366 hours worked per year divided by the maximum hours a cafeteria employee could work.

$$\frac{366 \text{ hours worked}}{1,464 \text{ maximum hours}} = 25\%$$

$$8.333 \times 25\% = 2.083 \text{ days earned}$$

$$\text{days earned (2.083)} \times 8 \text{ hours} \\ \times \text{hourly rate of pay} = \$ \underline{\hspace{2cm}}$$

**VAN DYKE PUBLIC SCHOOLS**  
Warren, Michigan

**ATTENDANCE POLICY**  
Effective September 1, 2003

**INTRODUCTION**

Employees are encouraged to accept the responsibilities of being on the job regularly and on time for work. Absenteeism and tardiness place an undue burden and hardship on Van Dyke Public Schools' ability to manage and direct the programs and activities, which affect students, parents, and the community we serve. Tardiness and leaving early are considered forms of absenteeism. Van Dyke Public Schools has a right to expect its employees to be at work regularly and on time. Excessive absenteeism, even for valid reasons is a concern that must be addressed.

Absenteeism also penalizes employees who are regularly in attendance. Good attendance benefits employees in terms of job security, better earnings and protection of sick leave benefits.

The intent of this attendance policy is to insure that the Van Dyke Public Schools have appropriate attendance patterns for all 989 employees. It is not the intent of Van Dyke Public Schools to punish or hurt the employee who has a good attendance record currently or in the past. Employees who feel they have a concern or problem with their attendance should make an appointment with their supervisor to discuss and review the problem or concern.

**REPORTING PROCEDURE**

All 989 personnel, in the event of personal illness, quarantine, family illness, death in the family or other reasons are to notify the appropriate department. Article 24, Paragraph B of the Master Agreement states "*It is the responsibility of the employee to notify his/her immediate supervisor of an absence the day of the absence. Failure to report an absence may result in disciplinary action.*" It is further understood that whenever possible an absence is to be reported before the start of the employees respected shift.

You are expected to call in each day unless you have specified in advance the number of days you expect to be absent.

Your supervisor, within the guidelines of the Master Agreement may request a physician's statement for your absence.

You should also expect that your supervisor may request a physician's certification that your presence was required to attend to the health needs of the family member in the event of family illness.

## POINT SYSTEM

The following guidelines will be followed regarding employees' absenteeism. The attendance period will be for 12 months on a rolling basis. For example: your attendance record for July 2003 will be replaced by your attendance record for July 2004.

Absent with pay = 1 point for each day of absence  
(maximum point application will be 3 points for any period of absence)

Tardy or leaving early with pay = 1/2 point for each occurrence up to 4 hours -or-  
1 point for each occurrence over 4 hours

Absent without pay = 1 point for each day of absence  
(maximum point application will be 6 points for any period of absence)

Failure to report an absence = 2 points for each occurrence

## POINTS

## DISCIPLINARY ACTION

10 POINTS	CONFERENCE WITH SUPERVISOR
12 POINTS	VERBAL NOTICE
14 POINTS	NOTICE OF WRITTEN REPRIMAND
16 POINTS	1 DAY SUSPENSION WITHOUT PAY
18 POINTS	3 DAY SUSPENSION WITHOUT PAY
20 POINTS	5 DAY SUSPENSION WITHOUT PAY
22 POINTS	TERMINATION

Point assignment will not be applied to certain contractually approved leaves. Specifically: funerals, workers' compensation, jury duty, vacation, personal business, snow days and holidays. Exceptions will be made for a leave of absence for inservice education, maternity, military, union business or if an employee is sent home by their supervisor.

## IRREGULAR ATTENDANCE AND EXCESSIVE ABSENTEEISM

At the point your absenteeism/tardiness becomes a concern you can expect to be urged by your Supervisor to improve your attendance.

You can expect to be warned, in writing, by your Supervisor in the event improvement is not evident and your absenteeism is less than satisfactory.

You can expect disciplinary action to include a written reprimand, suspension, and/or dismissal at the point your absenteeism places an undue burden on the employer and its ability to operate facilities and programs to serve students, parents, and the community.

If an employee is disciplined and then loses points for the month, the employee will not receive duplicate disciplinary action. The employee will only be disciplined when moving to the next step.

It is the responsibility of the employer to prove just cause for the disciplinary action given. Any disciplinary action is subject to grievance procedures as outlined in the Master Agreement.

On a case by case basis, the Supervisor may make allowances or exceptions to any disciplinary action for warranted or unusual circumstances. It must also be understood that the circumstances behind the absences must be considered. Chronic illness (mental or physical) or any extenuating circumstances may be taken into consideration.

### MERIT SYSTEM

Merit Points- One merit point will be earned for 60 consecutive calendar days without accruing an attendance point. Merit points will not accumulate beyond a fiscal year. Ten month employees can not earn merit points during the summer and non-scheduled work days. An employee off on workers compensation will not be awarded any merit points. The employee will have two uses for their accumulated merit points (as follows):

1. The employee can request to have one attendance point deducted for each merit point earned. The removal of a point must be requested in writing. Merit points will not take an employee below zero points and must be used by the end of the fiscal year.
2. When 2 merit points are accumulated in one fiscal year, one merit day will be earned and credited in the following school year. A maximum of 2 merit days can be earned in one school year. Merit days can not be used while school is in session. Merit days earned within a fiscal year must be taken within the following fiscal year. Merit days from previous years will not accumulate. Ten month employees who earn merit days can use their merit days during break periods and be paid their daily rate for the minimum posted hours of their position.
