Such days shall be computed and paid on the last pay period of each school fiscal year.
  - f. As an additional attendance incentive, when an employee meets the above requirements and takes no sick days or lost time days, this employee shall be paid for 100% of unused sick days. - g. In the event of a bus driver's death while employed by the School District, the above payment shall be made to any IRS defined legal dependent of the employee at the time of the employee's death. Should there be no living dependent of the deceased employee; no payment of unused sick leave shall be paid to any other beneficiary or estate of the employee.

10. The Board will provide legal counsel and assistance in defense of drivers for legal action initiated against them while performing, in good faith, the duties or responsibilities required of the position. The Board shall not be responsible for the defense of any driver who knowingly and willingly is in violation of law, Board Policy, or State Department of Education rules and regulations.

11. Seniority

- a. New employees hired in the unit shall be considered probationary employees for the first calendar year of their employment. If the employee successfully completes the probationary period, he/she shall be entered on the seniority list as of the day he/she was hired. An employee shall lose his/her seniority for the following reasons:

- e. Senior drivers whose regular morning pickup and regular afternoon delivery hours

are reduced by two (2) hours or more per day, may bump the driver with the least seniority whose hours are equal to or greater than the senior driver's hours prior to reduction. Such bumping shall be limited to total regular morning and afternoon runs and be made within ten (10) working days of the time the driver is notified of a reduction in driving time. The request for bumping shall be submitted through the driver's Bus Committee for review.

12. Job Vacancy

Any regular job vacancy shall be posted for five (5) working days before being assigned to a driver. Seniority shall prevail. No bumping will be allowed.

13. Weather Alerts

When severe weather or other emergency conditions exist, the administration may call and/or announce over the radio for bus drivers to report to the bus garage. Drivers are to report to the garage immediately and await instructions as to when the students are to be sent home.

15. Summer Driving

Sick leave and holiday benefits shall not be available for driving during the summer programs except if the 4th of July falls on a working day, drivers shall be paid the holiday pay.

Level I            A bus driver with a grievance shall discuss it first with the Bus Supervisor, individually, or together with her/his Bus Committee representative.

Level II            In the event the aggrieved person is not satisfied with the disposition of his/her grievance at Level I, or if no decision has been

rendered within five (5) working days after presentation of the grievance, he/she may submit the grievance in writing to the Bus Committee. The written grievance shall state specifically the nature of the alleged violation, the provision of the agreement allegedly violated, and the resolution being sought. If the Bus Committee decides there is a legitimate grievance, they shall, within five (5) working days of its receipt, process the written grievance with the Superintendent. With five (5) working days of the receipt of the written grievance, the Superintendent shall render a decision as to his resolution.

Level III In the event the aggrieved person is not satisfied with the disposition of his/her grievance at level II, or if no decision is rendered within five (5) days, he/she may refer the grievance within five (5) days to the Superintendent of Schools for review. The Superintendent shall within five (5) days proceed to review the grievance and render a decision as to a solution.

Level IV In the event the grievance is not satisfactorily resolved at Level III; the grievance within five (5) days may be transmitted to the Michigan Employment Relations Commission for review and action.

- b. Failure to appeal within the above time limits shall be deemed acceptance of the decision and any grievance may be withdrawn at any level without prejudice or record.

17. Traffic Violation

Any bus driver who has attained seven (7) points on his/her driver's license or loses his/her commercial driver's license (CDL) shall be automatically suspended without pay until such time as the point accumulation shall return to a level under seven (7) points or he/she regains his/her CDL. In the event the period of suspension is less than three months, the driver shall be allowed to return to the position he/she vacated as a result of the suspension. If the period of suspension is in excess of three months, the suspended driver shall be eligible to return to the first available position. Seniority shall be frozen during the period of suspension. Any driver who has a pending charge of driving under the influence of alcohol or other non-prescribed controlled substance shall likewise be suspended without pay until such charges have been officially dropped, if contested.

Drivers report for in-service days for educational training that pertains to their job. No scrubbing and cleaning. 25 hours of training per year. (5 hours each in-service day for 5 in-service days per year.) If Supervisor fails to plan educational training for drivers, drivers still get paid for that in-service day.

23. Regular Run Time Allowance

  - 2) Time allotted for each run shall be determined annually by the end of September. Such time allotments are subject to adjustment due to required route changes during the school year.

If a field trip is canceled and the driver is not notified in advance, he/she shall be paid the minimum.
- b. Field trips are to be paid from the time of departure from the bus garage until return to the bus garage plus clean-up time. Drivers may be requested to assist in chaperoning duties, if needed. The regular rate of pay shall be paid for both driving and layover time, but lay-over time shall not be counted as hours of work as related to over-time pay rate considerations.
- c. When an out-of-town trip is canceled after a driver reports for the assignment, he/she will be reimbursed for the time missed on his/her regular runs if he/she misses his/her regular runs. If an out-of-town trip scheduled for the weekend is canceled less than three days prior to the trip due to a private firm transporting that trip, that driver assigned that trip will receive three (3) hours pay at his/her regular rate.

  - 2) Drivers will have 100 hours of driving and have a regular run before they can take trips.
  - 3) Trips will be awarded to the driver signing with the least number of trip hours.
  - 4) Regular run hours will be deducted from the trip hours, and in the case of the mechanic driving a trip, his regular run hours will be deducted from the trip hours for the sake of posting, and keeping trip hours relatively equal.
  - 5) If a driver has been awarded a trip and cannot take the trip, it will then be awarded to the person with the least number of trip hours, who has signed for the trip.
  - 6) Trips need to be assigned and circled by the bus supervisor three (3) days in advance of the trip.
  - 7) There will be no trading of trips between the drivers.
  - 8) If no driver with a regular run has signed for a trip, it may be given to a sub driver.

  - 10) In case of an emergency the bus supervisor will use his best judgment in assigning a trip.

- e. Drivers are to be allowed to drive trips for Manistee Catholic Central either paid for through MAPS or paid directly from Manistee Catholic Central with no fear of repercussions. Under these circumstances the driver is responsible for finding their sub.
- f. Drivers will be eligible to receive a full school year pass to all athletic events, at no cost to the drivers.
