PURPOSE OF AGREEMENT

This AGREEMENT made and entered into on July 1, 2017, by and between Ida Public Schools, located at Ida, Michigan, party of the first part and hereinafter termed the Employer and Local Union No. 214 affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, located at Detroit, Michigan, party of the second part, hereinafter called the Union.

GENERAL STATEMENT

It shall be the endeavor of this District to secure the best available employees. All selections and promotions shall be based on ability, workmanship, suitability and seniority. There shall be no discrimination towards candidates or employees because of sex, race, color, religion or national origin.

ARTICLE I

RECOGNITION

Section 1. Under the current contract, the Employer recognizes and acknowledges that the Union is the exclusive representative in collective bargaining with the Employer of those covered by this Agreement and listed hereinafter.

Section 2. New employees hired into a new job classification covered under this Agreement shall be considered as probationary employees for the first sixty (60) working days of their employment. When the employee completes the sixty (60) working day probationary period, he shall be entered on the seniority list of the job classification and shall rank for seniority from the original day of hire provided there is continuous employment.

ARTICLE II

SEPARABILITY AND SAVINGS CLAUSE

Section 1. If any provision of any Article or Section is invalid under Federal law or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State law or shall be renegotiated for the purpose of adequate replacement.

ARTICLE III

SENIORITY

Section 1. Strict seniority shall prevail in the layoff and rehiring of employees. In reducing the work force because of lack of work, insufficient funds or other legitimate cause, the last employee hired shall be the first employee laid off provided the employee retained has the ability to perform the required work satisfactorily, and the last employee laid off shall be the first employee rehired.

In the laying off and the rehiring of employees, the particular work performed by said employee will be considered as an important factor. The Union and the Employer jointly shall decide the extent to which "work performed" shall hold weight in determining the layoffs and rehire of employees.

Section 2. The Employer shall post a list of the employees arranged in order of their seniority at the beginning of each six months. This list shall be posted in a conspicuous position (bulletin board) at the place of employment.

Section 3. Seniority shall be broken only by discharge, voluntary quit or layoff of a period of more than two years. Seniority rights for employees shall prevail at all times

except as limited herein.

Section 4. In the event of layoff, an employee so laid off shall be given two weeks notice of recall to work mailed to his last known address. In the event the employee fails to make himself available for work at the end of said two weeks, he shall lose all seniority rights under this Agreement.

ARTICLE IV

JOB OPENINGS

Section 1. All vacancies in custodial and maintenance services shall be subject to seniority and ability and shall be posted for bids. Posting shall be at a conspicuous place (bulletin board) for a period of five working days, so that all eligible employees will receive notice of the vacancy or new position open for bid.

Section 2. The qualifications for such new position or vacancy shall be based on seniority and ability to do the required work. The employees fulfilling the requirements shall be given 60 working days to qualify, and if such employee does qualify, his rate of pay for such new position or vacancy shall begin in the first working day. If the employee, in the opinion of his supervisor or the Union, is unable to perform the duties satisfactorily of the new position, he shall revert to his former position and another employee shall be given such 60 days qualifying period.

Section 3. In all cases of vacancy of new position, the employee with seniority must present himself and be available within five working days after notification of the vacancy. If the employee is on vacation, the Employer shall notify such employee of the

new position upon his return from vacation.

Section 4. An employee may exercise his rights to refuse promotion or transfers of a promotional nature without loss of seniority or bias.

Section 5. Voluntary transfers may be made as the result of a written request from the employee to the supervisor. Such transfer requests should be made with knowledge of the department head or school principal under whom the employee is working at the time the request is made. All voluntary transfers have a ten (10) working day probationary period.

If the employee is dissatisfied with his/her new position, then he/she shall notify his/her supervisor and request a return to his/her former position. If the supervisor agrees to this change, another employee will then be given a ten (10) day probationary period. If no other employee wishes to apply, then the least senior custodian will be moved to the vacant position.

Section 6. In the event an employee is transferred from one position to another in the same classification, the hourly pay rate will remain the same as was paid in the position the employee formerly occupied. If an employee is transferred to a lower classification at the employee's request, the employee will receive the hourly rate called for in the classification the employee is assigned.

Section 7. A regular employee temporarily assigned to a position of a higher classification shall receive the higher rate of pay. (As a guide - at least two (2) hours out of classification.)

ARTICLE V

DISMISSAL - SUSPENSION & DISCIPLINARY ACTION PROCEDURE

Section 1. Dismissal, suspension, and/or any other disciplinary action shall be only for just and stated causes with the employees having the right to defend themselves against any and all charges. Written notification of dismissal, suspension or other disciplinary action shall be sent to the employee and the Union if the employee is a member of said Union. Among the causes which shall be deemed sufficient for dismissal, suspension, demotion or other disciplinary action are the following:

1. Unauthorized or excessive absence from work.

13. Deliberate falsification of records and reports.

All dismissals and suspensions shall be without pay. No suspension shall be effective for a period of more than ten (10) working days without the prior approval of the Superintendent.

Section 2. An employee may be dismissed, suspended or disciplined pending investigation and discussion, and if the dismissal, suspension or disciplinary action is found to be without justification, the employee shall be reinstated with full back pay.

Section 3. If the dismissal or suspension is sustained under the procedure outlined in Grievance Procedure, the employee shall be deemed dismissed as of the date of dismissal or suspension.

Section 4. Any suspended employee shall leave the premises and shall remain away until such dismissal or suspension is lifted or cleared.

Section 5. In any case of dismissal, suspension or disciplinary action, the employee, if he so desires, may request an investigation. This request must be written and presented to their supervisor within five (5) working days from the date of dismissal, suspension or disciplinary action. Appeal from discharge or suspension must be heard within five (5) working days and a decision reached within fifteen (15) working days from the date of discharge or suspension. If no decision has been rendered within fifteen (15) working days, the case shall then be taken up as provided for in Article VI.

The Teamsters Local 214 Grievance Panel shall have the right to determine whether or not the grievance is qualified to be submitted for arbitration by the Union.

Either party may demand arbitration. The party first demanding arbitration shall give two (2) days notice in writing to the other party of its desire to arbitrate. The arbitration board shall consist of three (3) people, one (1) to be selected by the Employer and one (1) to be selected by the Union, and the two (2) so selected, if they themselves cannot settle the dispute, shall agree upon a third (3rd) person who shall act as chairman of this arbitration board. This board shall be selected within ten (10) days after the request of arbitration is made. If the representatives of the parties cannot settle the dispute and cannot agree upon the selection of third (3rd) person within fifteen (15) days of their appointment, the third (3rd) person shall be designated by the Employment Relations Commission in accordance with its procedures. The decision of the majority of the Board shall be considered a decision of the Board; provided further, that all cases submitted to arbitration shall be disposed of within ten (10) days from the date the issues are submitted to said board of arbitration; there shall be no strikes, lockouts, cessation of employment or change in the employment status during the progress of arbitration.
