**ARTICLE III  
PROFESSIONAL NEGOTIATIONS**

Beginning not later than May 1 of the calendar year in which this Agreement expires, the Association and the Employer agree to negotiate over a successor Agreement in accordance with the laws of the State of Michigan.

**ARTICLE IV  
ASSOCIATION RIGHTS**

The Association shall have, in addition to other rights expressly set forth herein or provided by statute, the following rights:

Section 1. Special Discussion Meetings. Special discussion meetings for important matters will be arranged between the president and the designated representative of the Employer upon the mutual agreement of both parties. Such meetings shall be between two representatives of the Association and representatives of the Employer.

Section 2. Bulletin Boards & School Mail. The use of designated bulletin boards, or sections thereof, for the purpose of giving notice of Association activities, and the use of school mail to distribute Association materials. The Association shall assume responsibility for all such material posted, and in no event shall anything derogatory to the Employer be placed or allowed to remain on such bulletin boards. A copy of such materials will be furnished to the Employer upon request.

Section 3. Use of Facilities. The Association shall have the right to use school facilities with prior approval for meetings and equipment, when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies incidental to such use and shall be responsible for proper operation of all said equipment.

Section 4. State Association Representatives. Duly authorized representatives of the state Association shall be permitted, with prior administrative approval, to transact official Association business on school property.

Section 5. Association Representatives. Employees shall be represented by representatives who shall be regular employees of the bargaining unit. With prior Administration approval, the representative, during working hours without loss of time or pay, may investigate and present grievances to the Employer. This provision shall not be abused by the representative and, if possible, attempts should be made to hold investigations outside business hours.

An alternative representative shall be appointed in the absence of the regular representative. The Association shall furnish the Employer, in writing, the names of the Association representatives upon their election or appointment by the Association.

Section 6. Agency Shop.

A. Any employee, except those exempt under sub-paragraphs (1) and (2) of this paragraph, who is not a member of the Association in good standing, or who does not make application for membership within thirty (30) days from the date of commencement of secretarial duties, shall, as a condition of employment, pay as a Representation Benefit Fee to the Association, MEA and NEA, provided, however, that the employee may authorize payroll deduction for such fee in the manner as provided in Article IV, Section A.

In the event that a employee not covered in sub-paragraphs (1) and (2) below shall not pay such Representation Benefit Fee directly to the Association or authorize payment through payroll deductions, the District shall, pursuant to MCLA 408.477, MSA 17.277(7), and at the written

request of the Association, deduct the Representation Benefit Fee from the employee's wages and remit the same to the Association, in accordance with the procedures specified in ¶B. of this Article.

The parties expressly recognize that the establishment of said Representation Benefit Fee is herewith deemed to be the sum required to insure that non-members pay their proportionate share of the costs of obtaining and administering the benefits to be received under this Agreement. Part-time employees are required to join the Association or pay a service charge thereto. Such dues will be pro-rated in accordance with NEA, MEA, and LSA formulas.

- B. The procedure in all cases of non-payment of the Representation Fee shall be as follows:
1. The Association shall notify the employee of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance, and shall provide ten (10) days for compliance, and shall further advise the recipient that the Association has the right to file a request for wage deduction with the Board, under the procedures specified in this Article, in the event compliance is not effected.
  2. If the employee fails to comply, and the Association exercises its right to file a written request with the Board seeking to effectuate involuntary deduction of the Representation Benefit Fee, a copy of the notice of non-compliance and proof of service shall be attached to said request.
  3. The Board, only upon receipt of a request for involuntary wage deduction shall conduct a hearing on said request if the affected bargaining unit member requests such a hearing. The hearing shall be limited to the question of whether the employee has paid the required dues or Representation Benefit Fee. If the bargaining unit member does not request a hearing or if it is otherwise determined that the bargaining unit member has not authorized payroll deduction for or has otherwise not paid the required dues or Representation Benefit Fee, the Board shall make the required deduction from the employee's wages. In the event of compliance at any time prior to the completion of this hearing, the request for involuntary deduction shall be withdrawn. The Association, in processing such requests for involuntary wage deductions, agrees not to discriminate between various persons who may have refused to pay the Professional Dues and/or Representation Benefit Fee.

- C. Pursuant to Chicago Employees Union v Hudson, 106 S. Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non- Association bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
- D. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year.
- E. The Association will certify at least annually to the District, fifteen (15) days prior to the date of the first payroll deduction for Representation Benefit Fees, the amount of said professional fees and the amount of the Representation Benefit Fee to be deducted by the District, and that said fee includes only those amounts permitted by this Agreement and by law. The parties agree to cooperatively discuss and exchange information regarding the Association's Representation Benefit Fee collection and objection procedures. The Association agrees, upon request from the District, to provide the District for its review a copy of the Association's current "Policy and Administrative Procedures Regarding Objections to Political/Ideological Expenditures" together with a copy of all materials annually distributed by the Association and its affiliates to bargaining unit members who choose not to join the Association and/or object to the Representation Benefit Fee.

The Association further agrees to certify to the District that the Association and its affiliates have complied with the above policies and administrative procedures prior to requesting enforcement of the Representation Benefit Fee obligation contained in this Article.

- F. Further, the Association agrees to promptly notify the District in the event a Court order, Order of an administrative agency, or arbitration award is rendered restricting the Association from implementing its agency fee objection policy or from charging or allocating any of the Association's expenditures to bargaining unit members who choose not to join the Association. In the event of the entry of such an Order or arbitration

award, the District shall have the right to immediately suspend involuntary wage deduction under this Article and shall promptly give notice to the Association of any decision made by the District with regard to compliance.

- G. A bargaining unit member who, because of sincerely held religious beliefs or due to adherence to teachings of a bona fide religion, body or sect which has historically held conscientious objection to joining or supporting labor organizations shall not be required to join or maintain Association membership or otherwise financially support the Association as a condition of employment. However, such a bargaining unit member shall be required, in lieu of periodic dues, Representation Benefit Fee(s) and/or initiation fees, to pay sums equal to such amounts to a non-religious charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Donation shall be made to one (1) of three (3) such charitable organizations as mutually designated by the District and the Association.
- H. With respect to all sums deducted by the District pursuant to authorization of the employee whether for Professional Dues or Representation Benefit Fee, the District agrees to disburse promptly said sums upon direction of the Association.
- I. This Article shall be effective retroactively to the date of the Agreement and all sums payable hereunder shall be determined from said date.
- J. The Association agrees to assume the legal defense of any suit or action brought against the District, Board of Education, trustees and administrators regarding this Article of the Agreement. The Association further agrees to indemnify and save the District, each individual School Board member, and all administrators, harmless against any and all claims, claims for attorneys' fees, demands, costs, suits, or other forms of liability and all court or administrative agency cost that may arise out of or by reason of, action taken by any and all of the above entities and persons for the purpose of complying with this Article, subject, however, to the following conditions:
  - 1. The damages have not resulted from the negligence, misfeasance, or malfeasance of the Board or its agents.
  - 2. The Association, after consideration with the District, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of this Article or its application.

3. The Board of Education has the right to choose the legal counsel to defend any said suit or action at the Association's sole expense. The District shall not object to the intervention of the Association as a party aligned with the interests of the District, Board of Education, trustees and administrators.
4. The Association shall have the right to compromise or settle any claim made under this section, all at the Association's sole expense.
5. The Association agrees that neither it nor its affiliates will in any proceeding assert that the defense or indemnity provisions of this Article are either unenforceable or void.

Section 7. Dues Checkoff.

- A. The Employer shall deduct dues, or service charges, from any employee from whom they have written authorization. The Association shall submit to the Employer by September 1, of each year, a list of active members of the Association.
- B. The authorized deduction of dues, and service charges, shall be made from a regular paycheck each month - September through June. The Employer agrees to remit to the Association all monies so deducted, accompanied by a list of employees from whom deductions have been made within the month following the month of deduction. In cases when a deduction is made that duplicates a payment that an employee has already made to the Association, or in any other situation where a refund is demanded, said refunds are not the responsibility of the Employer.

Section 8. Association Days. At the beginning of each school year, the Association shall be credited with four (4) days to be used by association members who are officers or agents of the Association to attend meetings or workshops of the Michigan Education Association, the National Education Association, or to attend to business concerning the Lakeview Secretarial Association. The Association president must give the Superintendent three (3) days notice prior to any day(s) needed. The Superintendent may give permission to use Association days with less notice at his/her discretion.

**ARTICLE V**  
**EMPLOYEE RIGHTS**

Section 1. Non-Discrimination. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every bargaining unit member shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Association is present. If the employee believes that material to be placed in her file is inappropriate or in error, the employee may receive adjustment, provided cause is shown through the grievance procedure through the Board level, whereupon the material will be corrected or expunged from the file. If the employee is asked to sign material placed in her file, such signature shall be understood to indicate her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. All recommendations, written or oral, shall be based solely on the contents of the employee's personnel file.

#### Section 4. Employee Protection.

- A. No employee shall be required to work at his/her work site when temperatures in the work site are extreme. The Administration may excuse the employee(s) without loss of pay or assign the employee(s) to another work site.
- B. No employee shall be required to work in a work site when no custodian or administrator is present if he/she is the only employee present in the building. If such a situation arises the employee may immediately contact the Administration which will make arrangements to have an administrator or a custodian come to the building.

- C. The District shall make available to each employee procedures for obtaining help, if an emergency situation arises.
- D. Any case of assault upon an employee shall be promptly reported to the supervisor or his/her designated representative. Each employee shall be entitled to up to two (2) days of personal leave with pay, non-cumulative, each year, to attend to necessary personal business which cannot be attended to at a later time when schools are not in session or at the conclusion of a working day or on weekends. Unused personal leave days will be added to the secretary's accumulated sick leave at the conclusion of the secretary's work year on June 30. A secretary may receive a cash incentive of ninety dollars (\$90) for each unused personal leave day at the end of the fiscal year if he/she has accumulated one hundred (100) or more sick leave days. A secretary must indicate, in writing to the business office, his/her desire to receive the cash incentive by July 5 following the end of the fiscal year. If properly requested, the cash incentive shall be issued on the second payroll date in July.

Any payroll deductions that are required by law or by the Agreement, or that are elected by the employee shall be withheld from the fractional sick leave payment above. In addition, in the event that the employee is responsible for MPERS contributions on workers compensation benefits, the employee's MPERS contributions shall be withheld from the fractional sick leave payment above.

Any premium in excess of what the Board is obligated to pay will be paid by the employee through payroll deduction.

Beginning July 1, 2012 the monthly amounts for payroll deduction shall be as follows: Single - \$116.53; Two Person - \$261.81; Family \$290.87. Beginning October 1, 2012 the monthly amounts for payroll deduction shall be based on an allocation of aggregate premium exceeding the cap for this unit distributed proportionately based on MESSA's rate determination factors (Single - 1, Two Person - 2.25, Family - 2.5), and have been calculated as follows: Single - ~~\$65.60~~ **52.85**; Two Person - ~~\$147.60~~ **118.91**; Family - ~~\$164.00~~ **132.13**. If it is determined that the insurance provider can offer coverage for a single parent plus a child in such a way that it is not considered comparable coverage to that offered for an individual and spouse or is not offered in lieu of such coverage, thus meeting the requirements as addressed in Q12 and A12 in the State of Michigan Department of Treasury Public Act 152 of 2011: Publically Funded Health Insurance Contribution Act Frequently Asked Questions, the District agrees to include a single parent plus a child in the cap calculation at the same rate as family coverage. In June of 2013 the District will reconcile the required amount of employee contributions to comply with Section 3 of the Publically Funded Health Insurance Contribution Act (PA 152 of 2011). Representatives of the District and the Association shall meet to discuss the June reconciliation. If it is determined that employee contributions through payroll deduction do not satisfy the amount required to comply with Section 3 of the Publically Funded Health Insurance Contribution Act (PA 152 of 2011), any additional required employee premium contributions will be made through payroll deduction on the final payroll in June 2013. If it is determined that employee contributions through payroll deduction will exceed the amount required to comply with Section 3 of the Publically Funded Health Insurance Contribution Act (PA 152 of 2011), this excess amount will be distributed proportionately (using MESSA's rate determination factors as listed above) as an adjustment to the required premium withholding from the final payroll in June 2013.
