- D. When filling a Category 1, Group 2, 3, or 4 and a Category 2 vacancy, the following factors shall be given consideration:

- * Seniority
- * Qualifications / necessary skills

In the event two or more applicants are equally qualified for the position as posted in Category I, Group 2, 3, and 4, priority shall be given in filling the vacancy for:

- a. Seniority within the position/group
- b. Seniority within the category
- c. Seniority within the bargaining unit

In the event two or more applicants are equally qualified for the position as posted in Category II, priority shall be given in filling the vacancy for:

- a. Seniority within the category
- b. Seniority within the bargaining unit

At the Employer's discretion, a new assignment may not begin until all vacancies created by the original vacancy have been filled.

- E. Any employee who is a successful bidder for transfer or promotion, once school has started, may not bid on any job for twelve (12) months from the date of the successful bid. For the purpose of this Agreement, the date of the notification of success would be sufficient. The twelve (12) month eligibility clause may be waived by mutual consent of the Union and the Employer.
- F. An employee who has been granted a transfer to a vacancy may have a trial period in the new position not to exceed thirty (30) work days. This excludes Group 1 transfers. If for any reason the employee cannot meet the requirements of the new position, he/she may return to his/her former position. During the trial period, a substitute employee may be hired for the vacated position, or if feasible, the Board may, by way of temporary transfer within the group, move people up, with mutual agreement, so that a substitute is hired for the lowest position.
- In the event an employee accepts a transfer to a position in another category or group, seniority will not accrue until completion of the 30 workday trial-period. Upon completion of the 30 workday trial-period, seniority will be determined as the first day of work in the new position. If the employee returns to the original position, they will suffer no loss of seniority.
- G. A temporary employee shall be an employee hired to replace an employee who is temporarily absent due to illness, disability, vacation, or to fill a job that cannot be posted as a permanent vacancy until the next bid posting. Temporary employees shall not accrue any benefit under the terms of this agreement and are not members of the bargaining unit.

- I. When filling summer positions, the district will use the same criteria as determined for filling vacancies during the school year.

ARTICLE 12

REDUCTION IN PERSONNEL, LAYOFF, AND RECALL

- A. No employee shall be laid off pursuant to a necessary reduction in the work force unless the employee shall have been notified of said layoff at least fourteen (14) calendar days prior to the effective date of layoff. In the event of a necessary reduction in the work force, the Employer shall notify the employees in those positions in writing (personally delivered or by certified mail). Employees whose positions have been eliminated or reduced in hours or who have been affected by a layoff/elimination of position shall have the right to assume a position in their group or category for which they are qualified, which is held by any employee with less seniority. No employee may bump to another category unless said employee has seniority in the other category. In no case shall a new employee be employed by the Employer while there are laid off employees who are qualified for a vacant or newly created position.

- B. Substitute or temporary employees shall be eliminated first, then the employees within the affected group(s) with the least seniority shall be laid off.
- C. When an employee has personally received written notice of job elimination or hour reduction (i.e., personally delivered or by certified mail), the affected employee shall notify the Employer in writing within three (3) days, excluding Saturdays, Sundays, and holidays (when school operations are completely closed) of his/her desire to exercise bumping rights.
- D. Bumping Procedure. The Administration will determine the placement of Group 1 staff in the event of a lay-off. The laid off staff member may not be the least senior Group 1 employee. A Group 1 staff member on lay-off can bump into a Group 2, 3, or 4 position based on their District Seniority. If an employee in Group 1 must bump down a group, his/her seniority in the higher group shall follow.

- 1. Bumping shall occur only within a Category as set forth below:

Office Personnel (Category I Group 2, 3, and 4)

- a. Group 2 Secretary/LMC/Technician
- b. Group 3 Secretary
- c. Group 4 Receptionist

Paraprofessional (Category II)

- a. Group 5 General Education Title 1 / Paraprofessional Meeting State Mandated Requirements.
- b. Group 6 Special Ed. Classroom Assistant Paraprofessional
- c. Group 7 Special Ed Student(s) Assistant Paraprofessional
- d. Group 8 Student Monitor

- 2. In the event of a layoff, all bumping may be done at a meeting of the entire category called by the administration.

In Category I, Group 2, 3, and 4 bumping shall take place in order of seniority within the group. A laid off employee, an employee reduced in hours, or an employee who has been bumped can bump any person in their group with less seniority that keeps them whole in benefits (whole in benefits meaning health insurance). If that employee cannot stay whole in benefits within their group, they may bump down to the next group wherever their seniority within their group and the group they are bumping into (if they have seniority in that group) places them to keep them whole in benefits. The end result must be that the least senior person(s) is laid off.

In Category II bumping shall take place in order of seniority. A laid off employee or an employee who has been bumped may bump any person with less seniority. The end result must be that the least senior person(s) is laid off.

- 3. It is agreed that assignments to a specific student(s) will be for the school year only. The Special Education Student Assistant shall be employed for the ensuing school year provided an assignment is available. If an assignment is not available, the Special Education Student Assistant shall be permitted to bump according to the terms of this contract.

The right of the Special Education Student Assistant paraprofessional to apply for a transfer any time this contract allows shall not be waived.

In the event a student receiving the services of a Special Education Student Assistant paraprofessional terminates his/her enrollment and the employee is laid off, the laid off employee may bump another employee during the semester.

* If the Special Education Student Assistant paraprofessional is assigned to an Autism Spectrum Disorder Student, they cannot be bumped until the semester change.

E. Recall

If a vacancy occurs after the bid meeting and employees remain on layoff, notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records. Laid off employees shall be recalled in order of seniority within the category or group, with the most senior employee being recalled first to any position within their category and group.

The recall notice shall state the time and date on which the bargaining unit member is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given five (5) workdays from receipt of notice, to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work, providing the employee reports within the five (5) day period. Employees recalled to full time work for which they are qualified are obligated to take said work. An employee who declines recall to full time work, in their group, for which he/she is qualified shall forfeit his/her seniority rights. For the purposes of this subsection full time work shall mean work with hours equal to or greater than the hours the employee was regularly working prior to layoff.

Employees shall remain on the recall list for three (3) years from layoff or the length of seniority, whichever is less. Employees on layoff shall accrue seniority during the period of such layoff.
