PREAMBLE

The Association recognizes that the Board, under the law, has the final responsibility for establishing policies for the district and administering the operation of the schools in said district; and

WHEREAS, the Board recognizes the skills and expertness of the secretaries and views their contribution to educational matters as a mutual concern; and

WHEREAS, Act 379, Public Acts of 1965, as Amended, authorizes public employees and public employers to enter into collectively negotiated agreements concerning rates of pay, hours of employment, and other conditions of employment of such public employees; and

WHEREAS, extensive negotiations between the representatives of the parties have resulted in certain understandings between the Board and the Association; and

WHEREAS, the Board and the Association desire to incorporate such understandings into a written collective negotiations agreement in the belief that such action is in the best interest of the residents of the Ferndale Public Schools, the students attending school therein, and the employees represented by the Association.

NOW THEREFORE, in consideration of the following mutual covenants, the Board and the Association hereby agree as follows:

AGREEMENT

This Agreement is made and entered into this 20th day of August 2018, by and between the Ferndale Public Schools, hereinafter called the "Board" and the Ferndale Association of Educational Secretaries - Michigan Educational Support Personnel Association (F.A.E.S. - M.E.S.P.A.), hereinafter called the "Association."

ARTICLE ONE—RECOGNITION

1.1 Board Recognition

The Board recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, As Amended, for all secretarial and clerical personnel, both full and regular part time, with the exception of a total of four Administrative Assistants assigned to Central Office.

1.2 Exclusive Negotiations

The Board agrees not to negotiate with any organizations other than that designated as the representative pursuant to Act 379, Public Acts of 1965, As Amended, for the duration of this Agreement.

1.3 Association Representation

The Association is required, under this Agreement, to represent all of the employees as delineated in Section 1 of this Article. The terms of this Agreement have been made for all employees in the classifications who are recipients of the benefits and are represented by the Association, which was the choice of a majority of the employees.

1.4 No Discrimination

There shall be no discrimination by the Association or the Board toward any employee(s) because of sex, race, creed, color, marital status, height, weight, age, or number of dependents. All will be equally considered under the provisions of this Agreement and the several laws of the State of Michigan and the United States Government.

ARTICLE TWO—RIGHTS OF THE BOARD

2.1

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including the right:

- A. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees.

- B. To hire all employees and subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment, or their dismissal or demotion, and to promote, and transfer all such employees.

2.2

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE THREE—ASSOCIATION SECURITY

3.1

It is understood that the bargaining unit member positions set forth in Article 1, Section 1, have the responsibility for performing the duties normally associated with those positions. These duties shall be assigned only to a person who is a member of the bargaining unit, except when the Board hires a substitute for a unit member who has reported absence. No co-op student, WIA (Workforce Investment Act) participant, aide or other personnel shall be employed to replace any member of the bargaining unit whose employment is terminated or interrupted because of a reduction in staff. This section is not intended to prohibit teachers from doing their own clerical work. In an emergency, temporary situation, other employees may occasionally be requested to perform work normally assigned to a secretary. An emergency, temporary situation is defined as one that lasts less than 24 hours. If abuse of this agreement is alleged, F.A.E.S. leadership may request a joint review of the alleged abuse by the Deputy Superintendent of Human Resources and Association Leadership. Same day absences that are not filled would be considered an emergency situation.

3.2

- A. Casual labor can be hired to assist with duties related to registration and will not be permitted to perform secretarial work. They will not be working in this capacity or any other capacity thirty (30) days after student count day for first and second semester.

3.3

In the event that the Ferndale Public Schools are forcibly or voluntarily annexed, consolidated, transferred, or through action taken by the courts, the State of Michigan, State Board of Education, Intermediate School District, or electorates to or with another district(s), the Board shall use its best efforts to protect current secretaries' employment rights provided for in this Agreement.

3.4

If the reorganization of the school district, reclassification of secretarial duties, the closing of a school(s), and/or department shall result in layoffs, said layoffs shall be conducted in accordance with Article Eleven, Reduction in Staff and Recall.

3.5

When facilities are desired for Association meetings, requests for such facilities shall be made in accordance with established Board policy.

3.6

Copies of the Agreement shall be provided electronically to all members of the bargaining unit upon request.

3.8

The Association, as a group, shall have a maximum twenty (20) scheduled work days per school year of release time as paid personal days to allocate to its members for business of the Association. Association members will apply for such release time on the regular personal leave application form in the usual manner; however, the application form must have the signature of the Association president before it is submitted to the building administrator for approval. Association agrees to reimburse the District for the ORS portion of days.

ARTICLE FOUR—STRIKE PROHIBITION

During the term of this Agreement, neither the Association nor any person acting on its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence, in whole or in part, from the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the condition, or compensation, or the rights, privileges or obligations of employment) for any purpose whatsoever.

The Board will not lock out any employees during the term of this Agreement.

6.6 Time Limits

The time limits set forth above shall be strictly observed. Any grievance not processed to the next level within the time limits shall be considered automatically closed. If the Board fails to render the disposition within the time limits, the F.A.E.S. may automatically process it to the next step in the procedure. The foregoing time limits may be extended by written agreement between the F.A.E.S. and the Deputy Superintendent of Human Resources.

- In the event the student's injury is such it requires emergency treatment by a physician and the parents cannot be reached by the secretary for a decision, the secretary will secure the approval of the person who has been designated by the principal to act in his/her absence, before the student is taken to the physician for the emergency treatment. The Board will support the first aid action taken and the decision to send the student for emergency treatment.
- The Board agrees to make available reasonably necessary safety materials to help protect the secretarial staff.
- 7.8 When schools are closed because of inclement weather or other acts of God, employees are expected to report for work, if it is at all possible, with pay at the regular hourly rate. The secretary shall, within five working days after completion of the evaluation form, be provided a copy of the evaluation form. Failure to give the secretary a timely written evaluation shall be considered evidence that the secretary's performance is at least satisfactory. Concerns about performance shall be brought to the secretary's attention in a timely manner. An improvement plan will be developed with the administrator to address concerns in order to succeed and a timeline will be established at that time.
- 7.12 **Medication**
At least two adults shall be present during any medical procedure or disbursement of medication. All staff shall be properly trained from a certified trainer.
- 7.13 **Employee Physical Assault**

7.15 Firearms

No employee covered under this Agreement shall be required to be trained in the use of a firearm.

7.16 Little Eagles Discount

Secretaries will receive a 20% discount for sending their children and grandchildren to the District's early childhood program (Little Eagles). This discount applies to the 3-day, 4-day, and 5-day programs. Secretaries who enroll their children or grandchildren by March 31st of the prior school year will be bumped to the front of the waiting list. If the District opens an infant/toddler program, secretaries will have the same benefit for that program as spelled out above.

**ARTICLE EIGHT—VACANCIES, TRANSFERS, REDUCTION IN STAFF,
TEMPORARY CLASSIFICATION**

8.1

A vacancy shall be defined for purposes of this Agreement as: a position previously held by a bargaining unit member or a newly created position within the bargaining unit, which the district intends to fill. Such vacancies shall be posted within thirty (30) days.

8.2

Whenever a vacancy occurs (as defined in Section 1) the Human Resources Office shall notify the Association and all bargaining unit members. When such vacancy develops during the summer months, the announcement of such vacancy shall be sent to the Association president(s) and to each member of the bargaining unit via District email. No vacancy shall be filled until it has been posted for at least five (5) working days.

8.3

The Board supports the concept of promotion of qualified applicants from within the bargaining unit when openings occur within the bargaining unit. Experience, competency, qualifications and seniority will be considered in making the selection to fill a vacancy.

When qualifications are equal, the seniority employee will be placed in the opening.

8.4

Written requests may be made for transfer giving the reason for such request, the location requested and personal qualifications. Such requests shall be submitted to the Deputy Superintendent of Human Resources. Employees desiring that requests be kept active shall renew the request annually.

- A. Transfers to another position within the district shall be at the nearest salary schedule step as that held by the employee at the time of transfer. In no case shall the employee make less money unless transferred to a lower classification.
- B. The authority for effecting all transfers shall rest with the Superintendent or the Superintendent's representative.

8.5

Bargaining unit members who are currently employed and have requested, in writing, that they be

considered for the posted vacancy, shall be interviewed before laid off bargaining unit members are recalled and prior to outside applicants being interviewed. Bargaining unit members shall be notified, in writing, if the request for transfer has been denied. If the transfer is made laterally, no further postings shall be required. The vacated position shall be posted immediately. An employee receiving a lateral move, under this provision shall not be eligible to request another lateral transfer for a one-year period. Outside candidates will not be hired to fill vacancies if qualified laid off bargaining unit members in equal or higher classifications are available.

8.6

In the event a new permanent secretarial or clerical position covered by the bargaining unit is established not presently covered in the classification schedule, the Association will be invited to discuss the classification before the position is filled on a permanent basis. The decision of the Superintendent, or the Superintendent's representative, shall be final.

8.7

An employee assigned to a higher level classification on a temporary basis for ten (10) or more consecutive working days shall be paid at the wage rate of the higher level classification. Such payment shall be retroactive to the first day of the temporary assignment.

8.8

An employee may be assigned work of another bargaining unit position for less than a ten day period regardless of classification so long as the temporary assignment does not result in additional work time for the employee unless compensated for the additional time. Travel time from the employee's regular work location to the temporary location and back shall be part of the regular workday. Mileage shall be paid at the effective IRS maximum allowance.

ARTICLE NINE—PROBATIONARY PERIOD

9.1

New employees hired into the bargaining unit shall serve a probationary period of ninety (90) continuous calendar days, uninterrupted by any type of service break, during which time they will be termed "probationary employees". For ten (10) month employees the months of July and August shall not count toward the probationary period, nor shall July and August be considered a service break.

9.2

Probationary employees' service with the Board may be terminated at any time by the Superintendent, or the representative, in his sole discretion and neither an employee so terminated nor the Association shall have recourse to the grievance procedure over such termination.

ARTICLE TEN—SENIORITY

10.1

Seniority shall be on a classification and district-wide basis, in accordance with the employee's last date of hire in the district and classification to which the employee is presently assigned.

10.2

The Board shall keep the seniority lists up to date at all times and shall provide the employees with up-to-date as requested by the association.

10.3

- A. The employee quits or retires
- B. The employee is discharged and the discharge is not reversed through the grievance procedure set forth in this Agreement
- C. The employee is absent for three (3) consecutive days without notifying the immediate supervisor, unless such notification is determined to have been impossible for physical reasons. - D. The employee obtains a leave of absence under false pretenses.
- E. The employee does not notify the Deputy Superintendent of a desire to return to work within thirty (30) days of the expiration of leave of absence.

10.4

Seniority credit shall be granted for any period an employee is on an approved leave of absence.

10.5

An employee's seniority shall entitle the employee to only such rights as are expressly provided in this Agreement.

10.6

- A. Each additional year of experience shall advance the employee one step on the salary schedule effective July 1st. Such advancement shall take place in the following manner.
- B. Each additional year of experience shall advance the employee one step on the salary schedule, effective each July 1st.
- C. Employees hired between July 1st and December 31st of any school year will receive their first step increase effective July 1st of the following school year and each successive July 1st thereafter. Employees hired between January 1st and June 30th of any school year will receive their first step increase effective the second July following their date of hire and each successive July 1st thereafter.

ARTICLE ELEVEN—REDUCTION IN STAFF AND RECALL

11.1

In the event of a necessary reduction in staff, probationary employees shall be laid off first in the affected classifications. Next, employees will be laid off in the affected classifications according to their bargaining unit seniority.

- A. An employee affected by a reduction in force, exercising bargaining unit seniority, must be qualified and capable of performing the remaining work and must displace the least senior employee in the classification regardless of 10, 11 or 12 month status. If the affected employee has less seniority in the category than the remaining employees, then he/she shall exercise his/her seniority in the next lower category regardless of 10, 11, or 12-month status. Employees involuntarily moved from 12 month to 10 or 11 months status will have first rights to any summer clerical work available if they are qualified for the assignment at their current hourly rate. Full time employees can displace part time employees. Part time employees cannot displace full time employees.
- B. A full time employee that experiences a reduced schedule will displace the least senior employee in their classification as described in article 11.1.A or have the option to accept the reduced schedule and waive displacing rights until the next available position is posted.
- C. An employee being laid off shall not be permitted to exercise seniority to bump into a higher classified position.

11.2

As job openings occur within the bargaining unit, employees on layoff status, laid off from classified positions equal or higher than the open positions, and qualified to perform the duties of the open positions, will be recalled and placed in the open positions in reverse order of layoff. That is, the last laid off will be the first recalled.

- A. Rights to recall of seniority employees shall be equal to the employee's length of service or twenty-four (24) months, whichever is less.
- B. Employees being recalled from layoff will be given ten (10) days from the mailing date of a certified letter of recall, return receipt requested, to report to the positions. Failure to report within the ten- (10) day period will terminate the employees' seniority and rights to recall. The certified letter will be sent to the latest recorded address of the employee.
- C. No employee shall be laid off without a thirty- (30) day written notice.

11.3

The authority for effecting all reductions in staff, transfers, and promotions shall rest with the Superintendent or the Superintendent's representative after advising the bargaining unit of the Superintendent's decision.

11.4

No co-op students, WIA participant, aides, and/or employees of outside agencies shall be employed to replace any member of the bargaining unit whose employment is terminated or temporarily interrupted because of a reduction in staff.

11.5

The Board agrees to provide the Association at least thirty (30) calendar days written notice prior to the close or potential for closing of any building or department.

ARTICLE TWELVE—DISCIPLINE AND DISCHARGE

12.1

Disciplinary action or measures shall include the following:

- A. Oral reprimand
- B. Written reprimands

- C. Suspension (notice to be given in writing)
- D. Discharge

If it becomes necessary to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. The administration will notify the Association president or the Director in the event a unit member is to be disciplined.

12.2

The Board shall not suspend or discharge any employee without just cause. If, in any case, the Board feels there is just cause for discharge, the employee involved will be suspended for five (5) days. The employee and the Association will be notified in writing that the employee has been suspended and is subject to discharge.

Any employee found to be suspended or discharged without just cause shall be reinstated with back wages and full restoration of all other rights and conditions of employment.

ARTICLE THIRTEEN—LEAVES OF ABSENCE - PAID AND UNPAID

13.1 General Provisions

Leaves of absence, except military leave, shall be subject to the following provisions:

- A. By the approval and adoption of this Agreement, the Board hereby rescinds all other leave policy and policies relative to leaves of absence of secretarial employees previously adopted.
- B. A second leave, or an extension of any type of leave, shall be granted only at the recommendation of the Superintendent.
- C. While on leave, a secretarial employee shall maintain full seniority status and upon return from the leave of absence shall be eligible for all benefits of this "Agreement," and shall return to the point on the salary schedule at which he/she left at the start of the leave.
- D. Notice of intention to return or resign must be submitted, in writing, to the Deputy Superintendent of Human Resources at least thirty (30) calendar days prior to the end of the leave period. Failure to provide such notice shall be the equivalent of resignation.
- E. All employees returning from leave, having complied with the provisions of this Agreement, shall be given an assignment by the Deputy Superintendent of Human Resources for which the employee is qualified if a vacancy exists or if a position is filled by an employee in the same or lower classification who has less seniority.

A leave will be considered unpaid upon exhaustion of FMLA, sick and personal days. Childcare leave beyond the medical portion under FMLA will be unpaid. All other approved leaves will be unpaid.

PAID LEAVES

13.2 Sick Leave

New employees will be granted sick leave after initially reporting for work. Thereafter, sick leave will be granted with pay at the beginning of each school year on a full work year basis. Leave will be prorated at one day per calendar month to a maximum of ten (10), eleven (11), or twelve (12) days per year. In cases where the employee leaves the school system before the completion of the school year and has used leave in excess of that actually earned on a monthly basis, a deduction will be made from the final pay and/or the Board will pursue other legal means of recovering the overpayment.

Any unused portion of the current year's allowance will be accumulated and credited to the employee's future sick leave.

The accumulated bank of sick leave days may be used in the event of sickness, illness or death in the immediate family of the employee. The Board may require proof of illness for any days taken as sick leave days providing the Board has notified the secretary, in writing, of its intent to request such proof after the next absence or the secretary has been absent for more than three (3) consecutive days.

13.3 Personal Business

Personal business leave, to a maximum of three (3) days for ten month employees, three and one-half (3.5) days for eleven month employees and four (4) days for twelve month employees per year, must be

requested and approved through the District online absence tracking system, with specific reason a week in advance, whenever possible.

Personal business may cover the following areas:

- A. Court cases, government or other legal business that must be transacted during school hours.
- B. Moving, house closing, and/or governmental code inspection of the private residence of the employee (limited to two- (2) days-combined entitlement).
- C. Religious observance of an IRS approved tax-exempt religion; providing, however, such day requires the employee's absence from work.
- D. Graduation from high school or college of members of the immediate family.
- E. Marriage of the employee or a member of the immediate family.
- F. Birth of a grandchild (limited to 2-day entitlement).
- G. Matters of an emergency nature allowable at the discretion of the Superintendent, or the designated representative.

A personal business leave day with pay shall not be granted for the day preceding and the day following holidays or non-work days, the first and last day of the work year, except for matters of an emergency nature allowable at the discretion of the Superintendent or the designated representative.

Any unused portion of the current year's personal business leave allowance will be accumulated and credited to the employee's future paid sick leave. This accumulation, however, will not increase the succeeding year's personal business day allotment.

13.4 *Job Related Injury*

The District will provide worker's compensation insurance as provided by law. In the event of any on-the-job injury, the secretary shall notify their administrator as soon as possible after the occurrence. He/she shall complete any required forms necessary in connection with such injury.

13.5 *Conferences*

Members of the Association may be able to attend conferences, when economically feasible. Application to attend a conference will be processed through the Association to the Superintendent or his/her designee in a manner similar to that employed in processing conference applications for other personnel. The Superintendent, or the designated representative, shall approve or not approve the application, based upon the content of the conference and its value to the district, and whether funds are available or not. Reimbursed conference expenses include mileage, registration fee, and meals provided these costs fall within the Board's conference attendance procedures and policies.

13.6 *Jury Duty*

A secretary required to serve as a juror in any proper court of jurisdiction will continue to be paid his/her regular rate of pay during such term of jury service. To qualify for salary payment, the employee must endorse and deliver all checks of payment for jury duty over to the school district.

13.7 *Child Care*

Child Care Leave may be granted for the balance of the school year plus the next school year or for a lesser period. Request for child care leave shall be given, in writing, to the Superintendent at least thirty (30) days prior to the effective date of the leave. The thirty- (30) day requirement shall be waived in the event of an emergency. Notice of intent to return shall be filed in accordance with Section 1.E.

13.8 *Foster/Adoptive Leave*

Foster/Adoptive Leave, if requested by the foster/adoptive parent within thirty (30) days before the expiration of FMLA, shall be granted for a period not to exceed one (1) year. The employee shall provide notice on intention to return by May 1st of the leave year.

13.9 *Family Illness*

A leave of absence shall be granted for a period not to exceed one (1) year beyond the expiration of FMLA for illness in the immediate family. An employee requesting such leave shall file such request with the Superintendent, in writing. The Superintendent shall give an assignment for which the employee is qualified within thirty (30) days of notice of desire to return if a vacancy exists or if a position is filled by

an employee in the same or lower classification who has less seniority. Notice of intent to return shall be filed in accordance with Section 1.E.

13.10 Health Leave

Health Leave, upon the recommendation of a physician, shall be granted up to one (1) year beyond the expiration of FMLA. An extension may be granted only upon the recommendation of the Superintendent. When the employee's health permits a return to work, the employee shall so notify the Superintendent, in writing, and submit a statement from a physician certifying fitness to return. The Board may request an additional exam from a Board appointed physician prior to allowing the employee to return. The Superintendent shall give an assignment for which the employee is qualified within thirty (30) days of final notice of fitness and desire to return if a vacancy exists or if a position is filled by an employee in the same or lower classification who has less seniority.

13.11 Military Leave

Any employee in the unit who terminates employment in the school district to perform active service in the armed forces of the United States is entitled to re-employment rights in accordance with state and federal laws governing military leaves of absence.

13.12 Association Leave

Elected or appointed officers of the MESPA shall, upon request, be granted a professional service leave of absence without pay for a period of one (1) year. Such leave may be extended, upon request, for an additional one- (1) year period. No further extensions will be granted, and the individual must either return to work or resign.

13.13 Family Medical Leave

Employees requesting leaves of absence, pursuant to the Family Medical Leave Act of 1993 (FMLA), who are found eligible, will be required to exhaust certain paid leave entitlements for which they may otherwise be eligible under the terms and conditions of the collective bargaining agreement during the FMLA leave time. The rights established by the FMLA will not diminish any employee benefit programs or plans or paid leave provisions dictated by the terms of the collective bargaining agreement. Further, any rights afforded by the FMLA will not be used to expand an employee's contractual rights and benefits provided those rights and benefits meet or exceed the basic requirements of the FMLA.

ARTICLE FOURTEEN—HOLIDAY & VACATION DAYS

14.1

The following days shall be recognized and observed as unpaid holidays or holiday related days when they occur within an employee's normal work year.

Labor Day	New Year's Eve Day
Thanksgiving	New Year's Day
Day following Thanksgiving	M. L. King, Jr.
Christmas Eve Day	Good Friday
Christmas Day	Memorial Day
*Independence Day	*Day preceding or following Independence Day

* When July 4 is Monday or Thursday, the 5th shall be off; July 4 is Tuesday or Friday, the 3rd shall be off; July 4 is Wednesday, the 3rd shall be off; July 4 is Saturday or Sunday, the following Monday and Tuesday shall be off. The Board, at its discretion, may invoke the July fourth (4th), Independence Day week as a week in which the facilities of the district are shut down for vacation. The Board may require when the facilities are closed for vacation that individual employees work in order to carry out the normal business of the district.

Employees scheduled to work on the Friday preceding Labor Day shall have those days applied toward the required number of work days, not to reduce the required number of annual days. An employee shall not be compelled to work either of these days unless he/she is willing to do so.

14.2

When holidays or related days fall on Saturday they will be observed but not paid on the preceding Friday, and if they fall on Sunday, they will be observed but not paid on the following Monday.

ARTICLE FIFTEEN—INSURANCE PROTECTION

15.1

The District has adopted the hard cap language as provided by State law and secretarial contribution obligations will be calculated pursuant to said legislation. This calculation shall only be made toward the health portion of the insurance premium and does not prohibit additional contribution by secretaries for dental, vision, life, etc. The Board shall provide coverage for hospital-surgical medical benefits in addition to long term disability, dental, negotiated life insurance and vision for those employees who require health coverage as outlined below. Changes to the level of coverage or insurance carrier, for any benefit, will only take place upon mutual agreement by the Board and FAES.

Plan Option A: Employees Electing Medical Coverage

Medical

- PPO \$500/\$1,000 with 0% coinsurance
- PPO \$500/\$1,000 with 10% coinsurance
- PPO \$1,000/\$2,000 with 0% coinsurance
- PPO \$1,000/\$2,000 with 10% coinsurance

Dental

- 80/80/80/80: \$1,300 annual max
- 50/50/50/50: \$1,300 annual max (coordinating)

Vision

- Annual exams: 100% in network
- Frame: \$65 allowance
- Contact Lenses: \$115 allowance

Life

- \$50,000 term life and AD&D

Long Term Disability

- 66.66% of base salary
- \$3,000 maximum
- 180 calendar days – modified fill
- Alcohol/drug and mental/nervous – same as any other illness
- COLA

Plan Option B: Employees Declining Medical Coverage

Dental

- 100/90/90/90: \$1,500 annual max
- 50/50/50/50: \$1,500 annual max (coordinating)

Vision, Life, and Long Term Disability

- Same as above

Cash / TSA payment:

- \$1,500 annually – (4 or less employees)
- \$3,000 annually – (5 or more employees)

The Cash/TSA payment is based on the number of employees opting out of insurance at September 1st and February 1st of each year. All payment will be prorated based on the school year (ten (10) months – September through June).

Any part time employee will receive Plan B (benefits for employees not electing health insurance) at no cost to the employee. Part-time employees will have the option to enroll in medical benefits and will be responsible for costs above the District hard cap relative to the percentage of time they are working. Example: The District will pay 50% of the insurance hard cap, applicable to the level of coverage, for an employee that is working 50% or 18.75 hours per week. Any medical costs above this percentage will be the responsibility of the employee.

15.2

The Board shall carry Workers' Compensation so that an employee disabled from an injury or disease due to his/her employment may receive medical attention and weekly benefits while losing pay. Such insurance

shall cover all benefits required by Michigan Workers' Compensation Act. Probationary employees shall be covered under this section.

ARTICLE SIXTEEN—COMPENSATION

16.1

Employees will be paid based on the salary schedule. The hourly rate is for the purpose of determining over-time payment and shall be computed as follows.

The number of hours worked per day shall be multiplied by the number of days per year and that sum shall be divided into the total annual compensation to arrive at the hourly rate. By way of example a 10 month Group II employee on Step 5 working 7.5 hours per day and working 197 days per year will have their annual salary of \$24,594 divided by the sum of 7.5 times 197. Thus, \$24,594 is divided by 1477.5 equals an hourly rate of \$16.65. This hourly rate will then be used to compute overtime at a rate of time and half.

2019-20 and 2020-21 Compensation:

- *Wage Re-opener*

Any job classification may have a part time position within the classification. Part time employees will receive the contractually corresponding hourly rate of pay based on that classification. Part time is defined as working less than 37.5 hours per week.

Any present full time position in existence for the duration of this contract will not be posted as part time positions. The total number of part time positions in the unit will not exceed 10% rounded to the nearest FTE of the current membership (i.e. if the unit has 33 full time members, the total number of part time members could not exceed 3).

16.2 Longevity

Eligible employees shall be paid an annual longevity payment for full-year full-time service based on continuous years of service as follows:

	12-Month	11-Month	10-Month
11-15 years	\$650	\$590	\$530
16-20 years	\$1,275	\$1,155	\$1,035
21 years or more	\$2,100	\$1,900	\$1,700

The above amounts are not cumulative. The annual pay out of this longevity provision shall not exceed two thousand one hundred dollars (\$2,100) per eligible employee. Longevity tiers are implemented at the start of 11, 16, and 21 years.

- A. Payment of specific longevity amounts to bargaining unit members will occur on the pay date following the eligible employee's anniversary date as follows.
- B. Payment will be made to eligible employees in the amounts as prescribed in the language; however, should an employee leave bargaining unit work prior to reaching the next anniversary date, the above amount will be prorated based on the percent of the year (anniversary date to the next anniversary date) worked. Paragraph B shall not apply in the case of the death of an employee.

16.3

The Board may grant experience credit on the salary schedule to newly hired employees consistent with outside experience. After initial placement, employees shall be moved one step on the salary schedule for each year of service in the district.

16.4

Secretaries shall have the option of receiving their annual salary in either twenty-two (22) or twenty-six (26) installments. Secretaries must notify the Human Resources Office on or before August 1 of each year as to which period of payment they desire. Such option shall be irrevocable for a period of twelve months. All wages will be processed via electronic funds transfer. No written notification of pay shall occur outside of the Employee Self Service system, available online via a link on the District website.

16.5

Secretaries' overtime Monday through Friday shall begin after the completion of a forty hour work week and shall be compensated at the rate of time and one half. Double time will be paid for work required on Sundays. Double time will be paid for work required on observed holidays as defined in Article 14. In the event of "pressing personal business", overtime work by secretaries may be refused without prejudice. If an employee and his/her immediate supervisor mutually agree to compensatory time, the following shall apply:

- A. Compensatory time for hours worked that would normally be straight time hours shall be straight time compensatory time.
- B. Compensatory time for hours worked that would normally be overtime hours shall be at one and one half (1.5) times the time worked.
- C. The accumulated time must be taken within the current school year.

16.6

The annual rates of pay shown on the salary schedule are based on full-time employment. Any permanent employee regularly employed on a part-time continuing basis shall be compensated on a prorated rate of pay.

16.7

The Board will reimburse secretaries for damage or destruction of clothing or personal property while on duty in a school or in a district office if it is determined to be the result of an action of students, parents, or

outsiders, or unsafe physical conditions within a building. This provision does not include theft of personal property and does not include damage or destruction, which results from the negligence of the secretary. In all cases, the secretarial employee will first seek reimbursement through their personal insurance policy. The Board's liability shall not exceed \$100.00 per occurrence. The total annual liability under this provision shall not exceed \$500.00.

16.8

In the event the Board determines that changes require in-service training, the Board will provide for such training. The Board will assume all expenses necessary for in-service training for which participation is required by all appropriate personnel, including extra pay, when required. The Board will provide training on safety and security protocols on an annual basis.

16.9

Full tuition costs will be paid for successfully completed college courses taken by members of the bargaining unit when such course work has a direct relationship to the present job assignment and has been approved before registration by the Superintendent's office.

Tuition costs will be paid only for approved courses where a grade of C or better was earned. An official transcript and receipted bill must be submitted to the Superintendent's office before reimbursement will be made.

ARTICLE SEVENTEEN—PERSONNEL FILES

17.1

Employees shall have the right to inspect their central personnel file. The employee must make an appointment with the Office of Administrative Services in order that an employee of that department will be available to be present when the employee inspects the file. Privileged information such as personal references normally sought at the time of employment are specifically exempted from review. The administrator will remove these confidential reports from the file prior to a review of the file by the employee.

17.2

If a written record of an incident is inserted in a personnel file the secretary shall receive a dated copy within a timely manner of the administrator's knowledge of said incident. The secretary's copy will note that the item is being inserted into said file. Only those items so processed may be used in disciplinary actions against the secretary. The secretary shall have the right to insert a rebuttal to any item. Any rebuttal so inserted shall be attached to the object insertion by the person responsible for said file.

ARTICLE EIGHTEEN—WAIVER CLAUSE

The parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement and, therefore, agree that negotiations will not be reopened on any item contained herein or not, during the life of this Agreement.

ARTICLE NINETEEN—CONFORMITY TO LAW

This Agreement is subject in all respects to the Constitution and laws of the United States and the State of Michigan with respect to the powers, rights, duties and obligations of the Board, and Association and employees in the bargaining unit, and in the event that any provisions of this Agreement shall, at any time, be in conflict with state and/or federal administrative decrees and/or judgments, or decrees of a court of competent jurisdiction, such provisions shall be void and inoperative; however, all other provisions of this Agreement shall continue in effect. However, prior to the effective date of compliance to such decrees or judgments (as noted above) related to wages, hours and other conditions of employment, the Board shall give the Association reasonable notice in order to afford the Association the opportunity to consult with the Board, or its designated representative, as to the same before its effective date. The parties agree that emergency situations may arise where prior notification and consultation are not possible. The Association and Board shall immediately negotiate a change in any provision determined to be contrary to law to bring said provision into conformity.

ARTICLE TWENTY—ENTIRE AGREEMENT

This Agreement supersedes and cancels all previous Agreements, verbal or written, between the Board and the Association and constitutes the entire agreement between the parties. Any amendment or agreement

supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

ARTICLE TWENTY ONE—SICK BANK

Notwithstanding any other provision, policy, or practice, the Board and Association agree to establish and re-establish the following Sick Bank procedures:

21.1 F.A.E.S. (Secretaries') Sick Bank Plan

The procedure for the establishment and administration of the F.A.E.S. Past history of previous attendance will be taken into consideration when the committee is making the final decision.

21.6 Sick Bank Committee

The Sick Bank Committee shall be composed of an odd number of secretaries to be selected in any manner determined by the Association, who shall hold membership on the committee for such terms as the Association may determine. Any application approval by the committee shall be by a majority vote of the

committee.

21.7 Administration

The F.A.E.S. Sick Bank shall be administered by the Sick Bank Committee in accordance with its procedures; however, an annual audit shall be presented to the Superintendent or his designee.

21.8 Grievance

Decisions of the Sick Bank Committee shall not be held subject to the grievance procedure because of a denial of request.

21.9 Board Retention of Sick Days

All sick leave days accumulated by any secretary in his/her current allowance or those days transferred to the Master Sick Bank from his/her current allowance shall be subject only to the contingent liability of actual sick claim use by the secretary or the Master Sick Bank. 21.11 No increase in Board Liability

Nothing herein contained shall alter or extend, or in any manner increase, the liability of the Board to any secretary in respect to sick day compensation presently existing in any plan or agreement to which the Board is a party.

ARTICLE TWENTY TWO—SEVERANCE

22.1

Any regular employee with more than 10 years of services in the bargaining unit who severs employment or dies shall be eligible for severance pay of one day's pay for each full year of active service or major portion thereof in the Ferndale Public Schools.
