They shall pay dues or a service fee to the Association by the tenth (10th) day after the thirtieth (30th) day following their probationary period.
- Item 3 Employees hired prior to the effective date of this Agreement who are regularly scheduled for twenty (20) or more hours per week are required to become Association members or pay a service fee as a condition of continued employment. They shall pay dues or a service fee to the Association by the tenth (10th) day after the thirtieth (30th) day following their probationary periods.
- Item 4 Association members shall meet the conditions of this Article as long as they are no more than thirty (30) days in arrears in payment of dues or service fee. The Board shall be notified in writing by the Association of employees covered in Items 1, 2 and 3 of this Article who are thirty (30) days in arrears in payment of membership dues or service fee.

ARTICLE 6 HOURS OF EMPLOYMENT

- Item 1 The normal workday for full-time employees shall be 7.25 continuous hours, including a scheduled fifteen (15) minute a.m. rest period, a scheduled thirty (30) minute lunch period, and a scheduled fifteen (15) minute p.m. rest period to be taken after lunch, but not to be taken during instructional time. The normal full workweek for full-time employees shall be 36.25 hours. The Board shall determine the hours of employment for employees within these parameters.
- Item 2 Employees shall be expected to respond to emergency situations during the lunch period and then receive comparable time at the conclusion of the emergency.
- Item 3 A full-time employee is one who regularly works a 7.25 hour day. A part-time employee is one who regularly works less than a 7.25 hour day. A part-time employee who regularly works thirty (30) or more hours per week shall receive the same benefits as a full-time employee.
- Item 4 The Board will not employ two (2) or more part-time employees when it is possible to employ one full-time employee.
- Item 5 With one (1) week's notice, the employee's workday may be expanded to eight (8) hours. In emergency situations this notice may be eliminated and the extra hours required.
- Item 6 Evening or weekend work shall be voluntarily accepted, except in emergency situations.

- Item 7 If employees are required to attend parent-teacher conferences after their regular workdays, the employees' work schedule will be adjusted to cover the required time in a single block.
- Item 8 The scheduled rest period shall be taken and in a manner which does not interfere with the work unit. The rest period is intended to be a recess to be preceded and followed by an extended work period; thus it shall not be used to cover an employee's late arrival to work or early departure, nor shall it be regarded as accumulative if not taken. An employee is expected to respond to emergency situations during the rest period and then receive comparable time at the discretion of the supervisor.

ARTICLE 7 OTHER CONDITIONS OF EMPLOYMENT

Section A Seniority

- Item 1 The first six (6) months of a new employee's employment shall be a probationary period. A probationary employee shall have no security status in the classification in which employed and may be discharged any time during the probationary period, if in the opinion of the Board, the employee is not suited to the District's needs. Such action is nongrievable.
- Item 2 An employee continued in employment for more than six (6) months shall have seniority rights within the District; such seniority shall be computed from the most recent date of employment in this unit.
- Item 3 If two (2) or more employees have the same employment date, seniority shall be determined by the last four (4) digits of their social security numbers. The four (4) digits shall be considered as a whole number. The employee with the highest number (the four (4) digits) will be considered the most senior (e.g., 8888 is higher than 7676).
- Item 4 Seniority shall not be interrupted by reason of transfer, sick leave, or leave of absence authorized by the Board. An employee's seniority shall terminate if he/she:
 - 4.1 Quits, retires or is discharged, unless the discharge is reversed through the grievance procedure.
 - 4.2 Fails to return to work when recalled in accordance with the recall section of this Agreement.
 - 4.3 Is laid off for lack of work or funds for a continuous period equal to the seniority which the employee has acquired in the bargaining unit at the time of lay off or eighteen (18) months, whichever is greater. This item shall not apply to employees laid off prior to the ratification of this Agreement.
- Item 5 The Board shall maintain an up-to-date seniority list at all times and make this list available to employees.

Item 6 If an employee is hired into a regular position after serving as a substitute in that position for six (6) continuous months, that employee's seniority date shall be the date of hire as a substitute in that assignment.

Section B Health Requirements

Item 1 New employees shall provide proof of freedom from tuberculosis no later than fourteen (14) days after employment. It must be current within the last year. In case free service is not available, employees shall furnish proof at their own expense.

Item 2 Current employees shall furnish proof of freedom from tuberculosis as determined by law.

Item 3 In the event a partial disability could affect an employee's ability to perform assigned responsibilities, the Board may request the employee to provide a physician's certification that the employee is able to perform assigned responsibilities. The Board may require the employee to see a physician of its choice to verify ability to perform assigned responsibilities.

Section C Employee Performance

Item 1 Employees are expected to perform their required duties in an acceptable manner, to carry out all duties and responsibilities and to demonstrate appropriate behavior. It is recognized that the Board has the right to discipline to achieve such.

Item 2 Disciplinary action shall include any or all of the following: warning, reprimand, suspension and dismissal. Suspension and dismissal shall be only by an official in the Personnel Department, acting on the authority of the Board of Education.

Item 3 No employee shall be disciplined without just cause.

Item 4 An employee may request and shall be entitled to have an Association representative present when being disciplined. Any disciplinary action shall be done in privacy and in a discreet manner.

Item 5 At any time that deficiencies in performance are recognized, such deficiencies shall be immediately set forth in specific terms in writing and discussed with the employee. Specific ways shall be identified in which performance is to be improved and assistance shall be given. The employee shall receive a copy of any documents.

Item 6 After reasonable time for improvement, but within sixty (60) workdays, a follow-up review of any areas where performance deficiencies were reported shall take place. This follow-up shall be done by the supervisor who originally noted the deficiency, if possible.

Item 7 All material regarding employee performance shall be filed in the employee's personnel file and a copy provided the employee, subject to limitations in Article 7, Section D, Item 8.

Item 8 The employee shall be required to sign that a copy was received. Following a two (2) year period of satisfactory performance all record of disciplinary action shall be expunged from the personnel file.

Item 9 The employee shall be provided written notification at the conclusion of the investigation when the decision is to take no disciplinary action.

Section D Formal Evaluation Process

Item 1 Each employee will be evaluated every third (3rd) year after the completion of the probationary period. Probationary employees will be observed and/or evaluated at the absolute discretion of the Board.

Item 2 Those employees being evaluated in a given school year will be notified individually in writing by the evaluating administrator no later than October 1.

Item 3 The administrator and the employee shall meet in a pre-evaluation conference as soon as possible after October 1. The employee shall bring to the conference a professional goal, which she/he wants to work on during the year. During the conference the administrator and the employee will discuss the goal. Alternatively, the administrator and the employee may develop another mutually acceptable goal. If it is not possible to determine a mutually acceptable goal, the administrator and the employee shall each develop a goal, and the employee shall be responsible for both. The administrator and the employee shall discuss strategies for accomplishing the goal(s), resources available to aid in the accomplishment of the goal(s), and the desired outcomes. They shall set a mutually agreeable date for the submission of the employee's written plan for accomplishment of the goal, no later than five (5) workdays after the pre-evaluation conference.

Item 4 The administrator shall make two (2) formal observations of the employee during the evaluation year. The two (2) observations shall be scheduled at least one (1) month apart. The time of the observation shall be determined by the administrator in consultation with the employee. Each observation shall last no less than thirty (30) minutes, but no longer than sixty (60) minutes. The time may be extended at the request of the employee. Consideration shall be given to the type of activity that is expected to take place during the observation period.

Item 5 After each formal observation, within five (5) workdays, the administrator and the employee shall meet and discuss the observation. The post-observation conference shall focus on the activities of the observation period and the employee's progress towards the accomplishment of the previously established goal(s). The administrator shall discuss with the employee any concerns and expectations for change. At the request of the employee, a teacher with whom the employee works may attend the post-observation conference to provide input on the employee's performance.

Item 6 The administrator shall provide the employee with an observation report. The report shall include the date and time of the observation, the location, the other persons in the room during the observation, a statement of the activity(ies) observed and the administrator's comments on the employee's performance. After discussion of the observation, the administrator and the employee shall both sign and date the observation report. The

employee's signature is an indication of receipt of the report, not necessarily agreement with its contents. The employee may append comments to the observation report if she/he wishes. The employee shall return the report to the administrator, with added comments if desired, within three (3) workdays.

Item 7 Based on the two (2) formal observations and the employee's performance of all duties and functions required in her/his position, the administrator shall provide a single evaluation of the form provided in Appendix A. The evaluation shall be completed and delivered to the employee no later than May 15 of the evaluation year. The administrator shall provide on the evaluation form information on the extent to which the employee's goal has been met. Failure to complete one hundred (100%) percent of the goal(s) will not necessarily result in an unsatisfactory evaluation. The evaluation shall give due consideration to the employee's efforts and significant progress towards the goal(s) as well as any outside obstacles preventing the accomplishment of the goal(s). The employee shall sign and date the evaluation and return it to the administrator within five (5) workdays after receiving it from the administrator. The employee's signature on the evaluation form is an indication of receipt of the evaluation and not necessarily agreement with its contents. The employee may append comments to the evaluation, if desired. At the request of the employee or the administrator, a post-evaluation conference shall be held within five (5) workdays after the employee receives the evaluation form, for the purpose of discussing the evaluation. After the conference, the employee shall have three (3) workdays to add comments, sign and return the evaluation to the administrator.

Item 8 The evaluation form, but not the observation report forms, shall be placed in the employee's personnel file.

Item 9 Deficiencies that remain or arise after a formal evaluation shall be handled according to Article 7, Section C, Items 5, 6 and 7.

Section E Maintenance of Standards

Item 1 The Board agrees that the general working conditions shall be maintained at least at the standard in effect at the time of signing this Agreement. This shall include types of duties, workload and general responsibility of employees. Conditions of employment shall be improved wherever specific provisions for improvement are made in this Agreement.

Item 2 During the term of this Agreement all work currently performed by employees, and all new like work shall be performed exclusively by employees.

ARTICLE 8 GRIEVANCE PROCEDURE

Definition

Informal Appeal

Discuss the complaint with the immediate supervisor with the object of resolving the matter informally.

Level I

The grievance must be presented to the immediate supervisor within ten (10) workdays after the date of the occurrence. A written response will be provided within five (5) workdays. A claim arising from a decision not the responsibility of the immediate supervisor may be filed by the Association at Level II.

Level II

If the employee is not satisfied at Level I, a written grievance shall be filed with the appropriate Personnel Director within five (5) workdays of the Level I Hearing. An official in the Personnel Office shall review the claim and provide a hearing within five (5) workdays of receipt of claim. The Association representative and grievant shall be present at this hearing. A written decision shall be issued to the Association and the grievant within five (5) workdays after the hearing.

Level III

If the Association is not satisfied at Level II, a written grievance shall be filed with the Board representative within five (5) workdays of the written decision at Level II. The Board representative shall review the claim and provide a hearing within five (5) workdays of receipt of the claim. Association representative(s) not to exceed five (5), Board representative(s) and the grievant shall be present at this hearing. A written decision shall be issued to the Association and the grievant within five (5) workdays after the hearing.

Level IV

If the Association is not satisfied at Level III, the Association shall within twenty (20) workdays of the written decision at Level III and by written notice to the Board, request arbitration. The cost of the arbitrator's services, including expenses, if any, shall be borne equally by the Association and the Board. Necessary witnesses shall be released from assigned duties when arbitration is scheduled during work hours.

Within ten (10) workdays after such notice to arbitrate, the Association and the Board shall endeavor to agree upon a mutually acceptable arbitrator. If the parties are unable to agree, a request for a list of arbitrators will be made to the American Arbitration Association by the party seeking arbitration. The parties shall be bound by the rules and procedures of the American Arbitration Association. The arbitrator so selected will hear the matter as promptly as possible and will issue the decision within thirty (30) days from the date of the close of the hearings. The arbitrator's decision shall be in writing and will set forth findings of facts, reasoning and conclusions on the issue submitted.

The arbitrator's powers stem from this Agreement. The arbitrator's function is to interpret and apply the Agreement and to pass upon alleged violations thereof. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement, nor to interfere with the exercise of the Board's rights and responsibilities, except as these are expressly limited by this Agreement. The arbitrator's decision shall be final and binding upon the Board and Association.

Exception

Nothing contained herein shall limit the right of an employee with a grievance to discuss the matter informally with any supervisory or administrative personnel, or to have the

grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement. No written grievance shall be adjusted without prior notification to the Association and opportunity for a representative of the Association to be present. In the administration of the grievance procedure, the interest of the employee shall be the sole responsibility of the Association.

Time Limits

The time limits set forth in Level I through Level IV may be extended upon mutual consent of the parties. The time limits set forth herein or agreed upon shall be adhered to by both parties. In the event that the Association fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed settled on the basis of the Board's last answer. In the event that the Board shall fail to supply the Association with its answer at any Level of the grievance procedure within the specified time limits, the Association may pursue the grievance at the next Level. Notwithstanding the expiration of this Agreement, any grievance arising there under may be processed through the procedure until resolution.

ARTICLE 9 POSTINGS-TRANSFERS-LAYOFFS

Section A Postings

- Item 1 Position openings shall be posted in buildings where employees are assigned for seven (7) days prior to staffing such vacancies. Positions which are not filled because the employee holding the position is on the first six (6) months of a leave or because the employee holding the position is using personal sick leave will not be posted. The Board may staff positions for which funding is pending with substitutes for a period not to exceed six (6) months.
- Item 2 Postings shall include type of position, location, hours of employment, length of work year, job description and date available.
- Item 3 A present position shall be posted within five (5) workdays of certification by the Personnel Department that the position is or will be vacant, but not more than twenty (20) workdays in advance of position availability.
- Item 4 Employees interested shall apply within a seven (7) calendar day positing period. Employees bidding for the job shall file their bid in writing with the Personnel Department. Positions shall be awarded within ten (10) workdays after the expiration of the positing period. Within ten (10) workdays after the notification to the employee that she/he has been selected for the vacancy, the employee will be placed in the new position. By mutual agreement of the Association and the personnel administrator the timeline may be extended.
- Item 5 The principle of seniority shall be applied to posted vacancies where the applicants involved have attained similar levels of qualifications. The Board supports a policy of filling vacancies from within the bargaining unit.
- Item 6 An employee may be considered for a vacancy providing the employee that has applied is not probationary and has served in the present assignment one (1) year or more.

Exceptions may be made if the change relates to a different work year length or if the changes are in the best interests of both the Board and the employee.

- Item 7 Consideration for a transfer is contingent upon an employee's job performance being satisfactory in the present position.
- Item 8 Summer positions in addition to regular assignments shall be posted and filled as required by this Section.
- Item 9 If the filling of a position opening by a bargaining unit member creates a vacancy, that vacancy shall be posted and filled according to Article 9, Section A, Items 1-5, provided the Board determines that there is a continuing need for the position.
 - 9.1 If there are one (1) or more displaced employees, the next vacancy created in the process shall be offered to them in seniority order. Any displaced employee who refuses a vacancy that has been offered shall be considered a voluntary quit and shall lose all rights to further employment in the bargaining unit.
 - 9.2 If the position is not taken by a displaced employee, it shall then be offered in seniority order to employees returning from leave. Any employee returning from leave who refuses a vacancy that has been offered shall be considered a voluntary quit and shall lose all rights to further employment in the bargaining unit unless said employee has leave time remaining and notifies the Board in writing of her/his intent to continue her/his leave.
 - 9.3 If the vacancy is not filled by either a displaced employee or an employee returning from leave, it shall be filled in seniority order by a recalled employee. Any recalled employee who refuses a vacancy that has been offered shall be considered a voluntary quit and shall lose all rights to further employment in the bargaining unit.
 - 9.4 If a vacancy remains after the above procedures have been exhausted, it may be filled by a new employee.

- Item 2 The Board shall only make internal transfers which are in the best interests of the instructional program and upon five (5) days notice to the Association, except in cases of emergency. The Paraprofessional Instructor and the Association shall be informed of the reasons for the transfer and shall be provided the opportunity to meet with the supervisor to review the reasons for transfer. Individuals awarded positions as a result of an internal transfer shall not be transferred from that position during the same school year unless another transfer is necessary in the best interests of the instructional program.

- Item 6 Should there be more displaced employees than positions available, there shall be a layoff as provided in Article 9, Section D, Item 1.

- 6.2 If there are two (2) or more displaced employees and fewer vacancies than there are employees, the most senior displaced employee may choose either to be placed in a vacant position or to displace the least senior employee in the same work year. The same choice shall be provided each displaced employee in seniority order, as long as a vacancy remains.
- 6.3 If there are two (2) or more displaced employees and no vacancies, a group of the lowest seniority employees in the same work year equal to the number of displaced employees shall be identified. In seniority order, the displaced employees shall bid on and be placed in the positions of the lowest seniority employees.
- 6.4 Any displaced employee who does not have enough seniority to displace another employee in the same work year may exercise seniority to displace the lowest seniority employee in the other work year or fill a vacancy created by the layoff of least senior employees.

Item 7 . Any currently working employee who has been displaced from a position shall have the first opportunity to return to that same position if that same position is re-established within one (1) year of its elimination. If it is unclear which of two (2) or more employees has a right to a new position, rights to the position shall be determined by seniority.

Item 2 Employees to be laid off shall be given at least fourteen (14) calendar days advance written notice of the layoff except when the layoff is caused by circumstances beyond the Board's control, such as an Act of God which would render a building inoperative for an extended period.

Item 3 Laid-off full-time employees shall be voluntarily placed in available part-time positions, with the most senior employee having claim to the longest hour position.

Item 4 All employees placed on layoff status shall have the right to available substitute work before any non-bargaining unit employee. Laid-off employees who volunteer to substitute will be offered such work in order of their seniority.

Section F Recall

Item 1 The most senior employee shall be recalled to the first opening except in the case where a student's IEPC calls for the services of a uniquely skilled person to work with deaf or bilingual students. In such a case, an employee who possesses that qualification may be recalled over a more senior employee who does not have that qualification.

- 1.1 For reasons of personal health, an employee may refuse recall to a position within a category of handicap with which they were not working at the time of layoff. Such refusal shall be without penalty except that the employee shall not be offered recall to other positions within this category of handicap.

Item 2 It shall be the employee's responsibility to keep the Board informed of current address.

Item 3 Recall shall be by written certified letter, return receipt requested, to the employee's last known address on file with the Board and shall require that the employee report for work within fourteen (14) calendar days after the date of delivery or proof of non-delivery. The Board may discharge an employee who fails to inform the Board of his/her intention to return to work within fourteen (14) calendar days after written notice of such recall is sent by certified mail or, having notified the Board of his/her intent to return, fails to do so

within fourteen (14) calendar days after such notice is sent or upon the day established by the Board for his/her return, whichever is later.

- Item 4 The Board may remove an employee from the recall list if he/she has been laid off for lack of work or funds for a continuous period equal to the seniority which the employee had acquired in the bargaining unit at the time of layoff or eighteen (18) months, whichever is greater.

- Item 2 In the event of any such violation of this Article, the Association shall endeavor to return the employees to work as expediently and quickly as possible by:

- 2.1 Delivering immediately to the Board evidence of notice to employees repudiating such acts of the employees and advising them to cease such acts and return to work.

- 2.3 Taking prompt, affirmative action to prevent strikes by notifying the employees and the public that the Association and its officers disavow the action.

- Item 3 There shall be no liability for damages on the part of the Association if it promptly takes such actions indicated herein.

- Item 4 Should differences arise between the Board and the Association and/or employees as to the interpretation or application of the provision(s) of this Agreement or should any dispute of any kind arise, it is agreed that the grievance procedure is the appropriate avenue for resolution.

- Item 1 The Association recognizes that the District may be required by law to provide certain "related services" to special education students. Such may include, but are not limited to, clean intermittent catheterization, tube feeding, tracheotomy cleaning, and non-sterile cauterization. To help ensure the safety of students, training will be provided to employees or other trained professional personnel who are directed to perform such services from a person qualified to provide such training. The training will be made available annually or at such time that the employee is directed to perform the procedure. An adult witness must be made available when the procedure is performed for the student.

- Item 2 An employee shall not be required to administer medication to students except where District medical personnel or other trained professional personnel are unavailable to do so. A bargaining unit member may be directed to administer medication to students only when prior training is provided with regard to medication protocol. An adult witness must be present when the medication is administered.
- Item 3 Communicable diseases shall be defined by the Michigan Department of Public Health (1979 Admin. Code 325.9001). In the event that a child with an ongoing or chronic communicable disease is placed in the school setting, all employees potentially having contact with the student shall be notified in advance of placement. The District shall provide in-service instruction in hygienic practices and management to members expected to have contact with students having such communicable diseases prior to beginning work with said students.
- Item 4 Employees informed by the District of students having a communicable disease shall also be informed of the District Policy and of applicable state and federal statutes which ensure the student's right to privacy as well as the disciplinary action which might result consequent to actions which breach said right.
- Item 5 The District agrees to indemnify bargaining unit members against any damages, fines, legal fees or other costs that may result as a consequence of following District Policy or District in-service instruction when providing medically related services.
