Agreement

This Agreement is made and entered into this 13th day of June, 2016, between the Board of Education of the Berkley School District (hereinafter called the "Board") and Local Union No. 1084, affiliated with Michigan Council 25 of the American Federation of State, County and Municipal Employees (hereinafter jointly and severally called the "Union").

Purpose and Intent

The general purpose of this Agreement is to set forth terms and conditions of employment covered by this Agreement and to promote orderly and peaceful labor relations for the mutual interest of the Board, the Union, the employees and the community.

The parties recognize that the interest of the community and the job security of the employees depend upon the Board's establishing and maintaining proper service.

To these ends the Board and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives of the Board and the Union and the employees.

All terms of this Agreement shall be administered with the fact and knowledge that Human Beings are being employed, with the rights of Human Beings in this Agreement in law and morality, and to be treated in such a way as to connote this fact of reality.

The Board agrees to continue its policy of not discriminating against any employee on the basis of race, religion, color, national origin, sex, sexual orientation or transgendered identity, age, marital status or family status, disability, height, weight, military status, ancestry, genetic information or any other legally protected category (collectively "Protected Classes"), or membership in, or association with the activities of any organization in the hiring or placement of personnel.

ARTICLE I (1)

Recognition

Section 1 The Board recognizes the Union as the exclusive bargaining agent for the purposes of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for all custodians employed by the Board, excluding the maintenance supervisor and custodial supervisor, as certified by the State of Michigan, Labor Mediation Board, pursuant to Act No. 379 of the Public Acts of 1965.

Section 2 During the first year of this Agreement, the Board agrees that it will not enter into negotiations with any organization other than the Union concerning rates of pay, wages, hours of employment and other conditions of employment for employees covered by this Agreement. For 2017-18 and subsequent years, the Board can enter into negotiations with any organization other than the Union concerning rates of pay, wages, hours of employment and other conditions of employment for employees covered by this Agreement.

The Board agrees to meet with the union and discuss alternative solutions prior to initiating a bid process to contract out custodial/maintenance (bargaining members) work.

ARTICLE II (2)

Management Rights

Section 1 It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are clearly and expressly relinquished herein by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board. Such rights shall include, by way of illustration and not by way of limitation, the right to:

- A. Manage and control its business, its equipment, and its operations and direct the

working forces and affairs of the Board.

- B. Continue its rights, policies, and practices of assignment and direction of its personnel, determine the number of personnel and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement, and the right to establish, modify or change any work or business or school hours or days.
- C. The right to direct the working forces, including the right to hire, promote, suspend and discharge employees with just cause, transfer employees, assign work or duties to employees, determine the size of the work force and to lay off employees, but not to conflict with the provisions of this Agreement.
- D. Determine the services, supplies, and equipment necessary to continue its operations and to determine all methods and means of distributing its services, methods, schedules and standards of operation, means, methods and processes of carrying on the work and the institution of new and/or improved methods of changes therein.
- E. Adopt reasonable rules and regulations after consultation with the Union where the rules and regulations affect the employees in the Union.
- F. Determine the qualifications of employees, including physical conditions. All employees hired after July 1, 2008, must hold a General Education Diploma (GED) or traditional high school diploma. Administration can perform periodic drug and alcohol screening upon suspicion and shall notify the employee's union representative and allow the union representative to accompany the employee to the clinic without loss of pay.

- G. Determine the number and location or relocation of its facilities, including the establishment or relocation of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.

- I. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
- J. Determine the size of the management organization, its function, authority, amount of supervision and table of organization, provided that the Board shall not abridge any rights from employees as specifically provided for in this Agreement.
- K. Determine the policy affecting the selection, testing as jointly developed with the Union, or training of employees providing that such selection shall be based upon lawful criteria.

The above are not to be interpreted as abridging or conflicting with any specific provision in this Agreement.

ARTICLE III (3)

Union Dues and Initiation Fees

Section 1 The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not the employee is a dues paying member of the Union. The terms of this agreement have been made for all employees in the bargaining unit and not only for members in the Union and this Agreement has been executed by the Employer upon approval of Agreement.

During the life of this Agreement and in accordance with the Union membership dues levied in accordance with the Constitution and By-Laws of the Union, members of the bargaining unit who elect to pay Union dues shall submit such payment to the Union directly. It is understood that the payment of dues is solely the employees responsibility and the District is by law, prohibited from processing payment in any manner.

ARTICLE IV (4)

Union Representation

Section 1 The employees shall be represented by a Steward who shall be a regular employee. There shall be one steward representing the day and midnight shifts and one steward representing the afternoon shift.

Section 2 The Stewards will be allowed reasonable time during working hours, without loss of pay, to investigate and present grievances. The Superintendent or Designee shall grant permission to the Stewards to leave their work for a reasonable period of time and no Steward shall leave his work without first obtaining permission from building administration. Stewards shall perform their regularly assigned work at all times, except when granted permission to leave their work as provided herein, and the privilege granted to Stewards to leave their work is subject to the understanding that they will expeditiously devote such time to the proper handling of grievances and will not abuse such privilege. Any claimed abuse by either party shall be a proper subject for a special conference.

Union officers and/or stewards shall be granted time off the job without loss of pay to handle internal union matters such as posting notices, conferring on grievances and meeting with council representatives. Such time shall not be abused.

Section 3 Action on behalf of the union in resolving issues is restricted to persons so designated by the president.

ARTICLE V (5)

Special Conferences

Section 1 Special conferences may be arranged between the Board, or its designated representatives, and the President of the Local Union to discuss matters of mutual concern. A special conference may be requested by either party. The special conference must, however, be agreed to by both parties.

Section 2 Special conferences shall be attended by at least two (2) representatives of the Union and two (2) representatives of the Board. Arrangements for a special conference shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Representatives of Council 25 or the International Union may attend.

Section 3 The Union will advise the Superintendent or Designee, of the names of any employees who will be requested to participate in the special conference not later than the day before the scheduled conference. Any employee who is requested to attend a special conference during his scheduled working hours shall not lose any pay for the time spent in attending the conference. No employee shall be paid for time spent in attending any special conference either before or after his/her scheduled working hours.

ARTICLE VI (6)

Grievance Procedure

Section 1 A grievance is a complaint by an employee or group of employees based upon an alleged violation of the provisions of this Agreement or a difference as to the interpretation or application of this Agreement.

Section 2 All grievances shall be presented in accordance with the following procedure:

Step One: Any employee who believes he/she has a grievance shall discuss the matter with the Principal of the building of primary work assignment, or the Employer Designee in all cases where the primary work assignment is not within a particular school building. The grievance must be presented to the Principal or the Employer Designee within five (5) working days of the event or action upon which the grievance is based. The employee may have his Steward present during the discussion with the Principal or Employer Designee.

Step Two: If the grievance is not resolved at Step One (1), it may be reduced to writing and submitted in triplicate to either the Building Principal or the Employer Designee within ten (10) working days of the event or action upon which the grievance is based. The written grievance shall be signed by the employee and a copy of the grievance shall be distributed to the representative of the employer who was first notified of the grievance, the Superintendent or Designee and the President of Local Union. The Employer Designee shall render his/her decision in writing within seven (7) working days of the receipt of the written grievance.

Step Three: If the grievance is not resolved at Step Two (2), it may be submitted to the

Superintendent of Schools within fifteen (15) working days after the event or action upon which the grievance is based by written request of the President of the Local Union. Such written request shall be accompanied by a copy of the grievance and the written decision rendered under Step Two (2). The Superintendent or his/her Designee shall render his/her decision in writing within ten (10) working days of the receipt of the written request of the President of the Local Union.

Step Four: If the grievance is not resolved at Step Three (3), it may be presented to the Board, upon written request of the President of the Local Union, within thirty-five (35) working days of the event or action upon which the grievance is based. The Board may appoint a Committee of the Board to meet with the Union and/or the aggrieved employee or may consider the grievance at the first regular Board meeting following the date the grievance is submitted to the Board. The Board's response will be presented to the Union within fifteen (15) days.

Step Five: If the grievance remains unresolved at the conclusion of Step Four (4), it may be submitted to arbitration at the request of either party, provided written notice of the request for submission to arbitration is delivered to the other party within forty-five (45) calendar days after the date of the Board's written communication of its decision under Step Four (4).

Following the written notice of request for submission to arbitration the Union and a committee of the Board shall attempt to select an arbitrator. If mutual agreement on the selection of an arbitrator cannot be reached within ten (10) school days after the date of the request for submission to arbitration, the arbitrator shall be selected according to the rules of the American Arbitration Association. The arbitrator shall render his decision only with

respect to the particular grievance submitted to him and such decision shall be binding upon the Board and the Union.

The arbitrator's fees and expenses shall be shared equally by the Board and the Union. The expenses and compensation of any witness or participant in the arbitration shall be paid by the party calling such witness or requesting such participant.

It shall be the function of the Arbitrator, and he shall be empowered, except as his powers are limited below, after due investigation, to make a decision in cases of alleged violations of this Agreement.

- A. The Arbitrator shall have no power to change the legal substance of this Agreement.
- B. The Arbitrator shall have no power to change negotiated salary scales.

Section 3 All grievances must be processed within the time limits provided above and failure to process a grievance within such time limits shall mean the grievance is withdrawn. The failure of a supervisor or administrator to render a decision on a grievance within the time limits provided in the grievance procedure shall permit the Union to proceed to the next step.

Section 4 The Local Union President may seek advice from and have present at any hearing or grievance meeting a representative of the Council or the International Union.

Section 5 No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular rate and no claim for wages shall be valid for more than ten (10) working days prior to the date a grievance is filed by the employee.

ARTICLE VII (7)

Discharge and Discipline

Section 1 Any employee may be discharged or disciplined for just cause. The Superintendent of Schools or Designee representative, will promptly notify the President of the Local Union, in writing of any discharge or disciplinary action. The Board agrees that enforcement of discipline shall generally be progressive and in all cases will be for just cause.

Section 2 Any employee who is discharged or given a disciplinary suspension will be allowed to discuss the matter with his Steward before he is required to leave the School District's premises. The building principal or the Superintendent or Designee will designate an area where such discussion may be held. Upon request, the building principal or Superintendent or Designee will discuss the discharge or disciplinary action with the employee and the Steward.

Section 3 Any claim of improper discharge or discipline may be submitted to the grievance procedure within five (5) working days of the date the employee is notified of such discharge or discipline.

Section 4 Any disciplinary action, including suspensions or termination, forty-eight (48) months or older, shall not be used against the employee or made available to individuals or businesses outside the Berkley School District.

ARTICLE VIII (8)

Seniority

Section 1 Seniority is the length of continuous service from the employee's last hiring date, as approved by the Board of Education. Seniority shall be applicable in determining the order of layoff and recall as provided in this Agreement.

Section 2 New employees shall be considered as probationary employees until they have worked a period of one hundred eighty (180) calendar days. The one hundred eighty (180) calendar day probationary period shall be completed within one (1) year. When a new employee completes his/her probationary period, by completing one hundred eighty (180) calendar days within one (1) year, he/she shall be placed on the seniority list and his/her seniority shall date from the day one hundred eighty (180) calendar days prior to the day he/she completed his/her probationary period. Employees shall be eligible for all insurance benefits inclusive of health, prescription, life, dental, and vision after ninety (90) calendar days during probation.

Section 3 The Board may discharge or discipline any probationary employee and such action shall not be subject to the grievance procedure unless it is claimed that such discharge or discipline was for Union activity. The Union shall represent probationary employees for purposes of collective bargaining with respect to rates of pay, hours of employment and other conditions of employment as provided in this Agreement.

Section 4 Seniority shall be on a school district-wide basis based on the employee's date of hire.

Section 5 Any employee, who, in the opinion of the administration, does not

satisfactorily complete his probationary period in the classification to which he/she has been promoted, will be returned to the classification from which he was promoted and his salary shall revert to the classification from which he was promoted.

Section 6 Seniority shall not be affected by the race, sex, age, marital status or dependents of the employee.

Section 7 The Board shall maintain an up-to-date seniority list showing the names and job titles of all employees entitled to seniority. If any employee is laid off or retires, he/she will receive any unused vacation credit including that accrued in the current school year. A recalled employee who received credit at the time of layoff for the current calendar year will have such credit deducted from his vacation the following year.

Section 8 The seniority and employment of an employee shall be terminated for any of the following reasons:

- A. The employee resigns or retires.
- B. The employee is discharged for just cause and such discharge is not rescinded.
- C. The employee is absent for three (3) consecutive working days without notifying employer. In proper cases, exceptions may be made by the employer. After such absence, the employer will send written notification to the employee at his last known address that his seniority and employment have been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.

ARTICLE IX (9)

Layoff and Recall

Section 1 Should a layoff become necessary, the following provisions shall apply:

- A. All temporary employees shall be laid off first.
- B. Regular employees shall be laid off in order of their seniority in the following manner:
 - 1. Any employee to be laid off shall, in lieu of layoff be able to transfer, based on seniority, to a job of equal or lower grade provided he/she is able to perform the job claimed or to any job higher grade previously held provided the employee was not demoted from that job for reasons of inability to perform the job. Employees shall be entitled an upgrade to a position from which they were previously bumped and for which an opening occurs within twenty-four (24) calendar months from the date they were bumped from a position in such classification.
- C. Employees being laid off shall be given at least thirty (30) calendar days notice of layoff registered or certified mail. The employer shall furnish a copy of such notice to the Union immediately.
- D. Employees on layoff shall be recalled in reverse order of their seniority to their same jobs or to jobs of equal or lower grade provided they are able to perform the jobs.
- E. No new employees will be hired by the Employer as long as there are

employees laid off who have seniority, except to fill positions those on layoff are not qualified to fill.

- F. In the event two (2) or more employees shall have the same seniority date, their placement on the seniority list shall be determined by comparing the last four (4) digits of each employee's social security number, and next, a flip of the coin conducted by the Employer with a representative of the local union present. The employee with the lower four (4) digit numbers shall be placed highest on the seniority list.

Section 2 When the working force is increased after a layoff, employees will be recalled according to seniority. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within five (5) working days from the date of mailing of notice of recall, he/she shall be considered to have quit. Extension will be granted by the employer in proper cases.

ARTICLE X (10)

Transfers

Section 1 If an employee is transferred to a position not included in the bargaining unit and is thereafter transferred again to a position within the unit, he/she shall accumulate seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purposes of any benefits provided for in this Agreement.

Section 2 If and when operations, or divisions, or fractions thereof are transferred from one (1) location to another, for a period of more than seven (7) calendar days, employees affected will be given the opportunity to transfer on the basis of ability, seniority, desire and

classification. Location exchange will be considered in such cases.

Section 3 When a shift transfer is necessitated, either by a change in work schedule or due to absenteeism, every effort will be made to accomplish such a transfer on a minimum basis of a week, with notification of such change being given prior to a weekend. Should a shift transfer for a shorter period become necessary, the transferred individual will be permitted to complete his/her regular shift on the day of notification, and receive overtime pay for time worked on the shift to which he/she is transferred.

Section 4 Transfer from one (1) building to another shall be in the best interest of the operation of the District. Such transfers will be discussed with the involved employees and the Union prior to the move. All employees will be given twenty-four (24) hours notice before being transferred. Only one (1) transfer request by a custodian will be considered within any ninety (90) day period after permanent assignment of a job, unless such transfer is promotional in nature.

Section 5 During periods of school recess, employees will be subject to location change on a temporary basis when such change is deemed in the best interest of District operation. Such change will be only on a temporary basis of no more than ten (10) days and advance notification will be made.

Section 6 The employer agrees any movement of work not covered above will be discussed with the Union in order to provide for the consideration of the seniority of the employees involved.

Section 7 Should a shift/position change by more than two hours, and the incumbent does not want to remain in the changed position, that job shall be posted under the provisions of Article XI. The incumbent has the ability to bump a less senior employee in the classification.

If there is no less senior employee in that classification, the employee may bump a less senior employee in the next lower classification.

ARTICLE XI (11)

Promotions

Section 1 Promotions within the bargaining unit shall be made according to the following procedures:

- A. Job vacancies will be posted for a period of five (5) working days in a conspicuous place in each building. Employees interested shall apply within the five (5) working day posting period. Transfers shall be considered first when filling vacancies prior to filling by promotion. If a transfer is not granted, the reason shall be given to the bargaining unit member in writing with notification to the Union Steward.
- B. Applicants will be interviewed by the supervising administrator. The supervising administrator will judge the applicant's ability to perform the job. 21-30 points will be awarded to the top applicant, 11- 20 points to the second applicant, and 0-10 points to the third applicant. Other applicants will not be awarded any points.
- C. The Superintendent or Designee will evaluate the applicant's qualifications, past performance and attendance. Point values not to exceed thirty (30) will be awarded.
- D. A maximum of thirty (30) points may be earned for testing. Test(s) scores will be equated to a percentage score. That percentage score will be multiplied by thirty (30) to get the score for the points category, e.g.:

One hundred percent (100%) - thirty (30) points

Ninety percent (90%) - twenty-seven (27) points, etc.

- E. Five (5) points will be awarded for each license, certificate or class completed up to a maximum of thirty (30) points. Classes, etc. must be related directly to job requirements and pre-approved by administration after hire.
- F. Applicants will be granted two (2) points for each year of seniority for the first fifteen (15) years of service.
- G. The applicant with the greatest number of points will be granted a thirty (30) day trial period to determine:
 - 1. Employee's desire to remain on the job; and
 - 2. Employee's ability to perform generally the job.

Section 2 During the thirty (30) calendar day trial period, the employee shall have the opportunity to revert back to his former classification. If the employee is unsatisfactory in the new position, notice and reason shall be submitted to the employee in writing by the employer with a copy to the Union. The matter may then become a proper subject for the second step of the grievance procedure. The position the employee vacated will not be posted until the thirty (30) calendar day trial period has expired.

Section 3 During the trial period, employees will receive the rate of pay of the job they are performing.

Section 4 When an employee is assigned temporarily to fill a position of a higher pay classification, he/she shall receive the higher pay rate. If a head custodian is to be off for less than two (2) weeks, his/her job is to be given temporarily to the employee in the building

with the most seniority that has the qualifications. If more than two (2) weeks, it will be temporarily posted. The employee who is temporarily assigned shall be afforded the opportunity to also work his/her normal shift for one (1) day.

If the temporary vacancy is in the custodian classification, and no other custodian is temporarily assigned, head custodians may be afforded an opportunity to work the additional shifts at the custodial rate, for up to three (3) days.

Section 5 All vacancies, which constitute a promotion or a lateral transfer shall be posted as provided in Section 1. A lateral transfer is one in which there is no increase or decrease in compensation. Movement between shifts, regardless of shift premium differentials, shall not constitute promotion or demotion. Administration will make every effort to post open positions within thirty (30) days of the vacancy or if a sub is working in the position for thirty (30) days. The Union shall be notified if there are reasons to extend these time frames.

ARTICLE XII (12)

Military Service

Section 1 Any employee who enters into active service in the armed forces of the United States, upon honorable discharge from such service, shall be offered reemployment in his/her previous position or a position of like status and pay, unless the circumstances have so changed as to make it impossible or totally unreasonable to do so. In such an event, s/he will be offered such employment in line with his/her seniority in an available job which s/he is capable of doing, at the current rate of pay for such work, provided he reports for work within the time frame described in federal legislation (The Uniformed Services Employment and Reemployment Rights Act).

Section 2 A probationary employee who enters the armed forces and meets the foregoing requirements, must complete his/her probationary period and upon completing it, will have seniority equal to the time he/she spent in the armed forces, plus six (6) months.

Section 3 Except as herein before provided, the reemployment rights of employees and probationary employees will be limited by applicable laws and regulations.

Section 4 Employees who are reinstated in accordance with the Universal Military Training Act, as amended, or the USERRA and other applicable laws and regulations, will be granted leaves of absence for a period not to exceed a period equal to their seniority, in order to attend school full time under applicable federal laws in effect on the date of this Agreement.

Section 5 Employees who are in some branch of the Armed Forces Reserve or the National Guard will be paid their vacation time, if requested, when they are on full time active duty in the Reserve or National Guard.

ARTICLE XIII (13)
Leave of Absence

Section 1 Leaves of absence for reasonable periods not to exceed one (1) year may be granted by the Board for good reason without loss of seniority. Employees returning within one (1) year from a leave of absence shall return to their classification and building at the time of leave. The vacancy may be posted on a temporary basis. Employees returning within one (1) year from a leave of absence shall return to their classification at the time of the leave. If no position is available at the time the leave terminates, the member may request an extension of the leave or be placed on layoff status with all rights pursuant to provisions outlined in the contract.

An employee on leave of absence must provide notice of his/her intention to return to work at least 30 days prior to the expiration of the leave. Failure to respond to this request or report to work at the end of the leave are subject to discipline up to and including discharge. Staff members do not accrue seniority during a leave of absence.

Section 2 Members of the Union elected to Local Union positions, or selected by the Union to do work which takes them from their employment with the employer, shall, at the written request of the Union, receive temporary leaves of absence for periods not to exceed one (1) year or the term of office, whichever may be shorter, and upon their return shall be reemployed with accumulated seniority.

Section 3 Leaves of absence with pay, not chargeable against the custodian's sick leave allowance, shall be granted as follows:

A maximum of five (5) days per occurrence for a death in the immediate family. The immediate family shall include father, mother, spouse, sister, brother, son, daughter,

son-in-law, daughter-in-law, grandparents, grandchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law, and any member of the employees' household.

Section 4 Jury Duty - A leave of absence may be granted for jury service. The Board will pay an amount equal to the difference between the employee's daily salary and the daily jury fee paid by the Court (not including travel allowances or reimbursement expenses) for each day on which the custodian reports for or performs jury duty and on which he/she would otherwise have been scheduled to work, under the procedure established by the Business Office.

Section 5 Childbearing and/or Child Rearing Leave

- A. The Board shall grant a leave of absence for maternity, adoption, or child care reasons, without salary, to any member of the bargaining unit upon written request for such leave up to a maximum of one year. An extension of the leave of absence may be granted upon the recommendation of the Superintendent. Whenever possible, a bargaining unit member requesting such leave shall file, a request in writing at least thirty (30) days prior to the expected birth, adoption of the child, or the commencement of the child care leave.
- B. The leave for maternity reasons shall commence when the employee and her physician determine that the employee can no longer carry out the necessary job responsibilities and duties. The normal leave shall be through the post-natal examination. Before returning to work, the employee must be certified by her physician as ready and able to return to her full work assignment.
- C. In the event of a miscarriage or abortion, the school District's sick leave policy shall apply.

D. An employee adopting a child shall be entitled, upon request, to a leave to commence at any time during the first year after receiving custody of the child, or prior to receiving such custody if necessary, in order to fulfill the requirements for adoption. Whenever possible, the thirty (30) day notice period shall apply in these situations.

Section 6 The parties agree to recognize and adhere to the provisions of the Family Medical Leave Act.

ARTICLE XIV (14)

The Board will provide bulletin boards in each building unit which may be used by the Union for posting Union notices.

ARTICLE XV (15)

Section 1 Four (4) personal leave days, with pay, non-accumulative, may be granted annually upon approval of the administration as excused absences from school in circumstances of unusual nature and extreme need. This applies to absences which are necessary, and unavoidable, because of matters which cannot be attended to outside of school hours. Unused personal leave days shall be added to the individual sick leave bank.

Section 2 Some examples of legitimate reasons for granting such leave days are:

- A. Legal matters concerning the settling of an estate or the purchase of a home.

- A. At the employee's option, overtime worked can be either paid or banked as compensatory time at the custodian's option, at the appropriate rate. Compensatory time must be used by April 30 of the current year and no additional compensatory time can be earned during the months of May and June.
- B. Sick, vacation, holidays and personal days shall be considered as time worked for any pay purposes.

ARTICLE XIX (19)

General

Section 1 All custodians will be evaluated at least once every three (3) years. Such reviews can commence and end at any time during a twelve (12)-month period. Following a conference with the administrator responsible for his/her assignment, each custodian will participate in one of the evaluation levels as determined by the administrator. Employees may request and if requested, have union representative present at any evaluation meeting. Head custodians will not be required to evaluate employees for annual performance reviews, however, the building administrator may consult with the head custodian for evaluation input. Inspections may be conducted by the head custodian. Data may be collected and submitted to the supervising administrator in an objective manner.

Section 5 A custodian may be assigned to work whenever a building is in use for a school activity or where such use involves tasks normally considered custodial functions. An administrator or his/her designee shall have access to a building at any time deemed necessary, without a custodian on duty, and said administrator shall assume responsibility for such building usage.

Section 6 During summer vacation, there shall be no change in pay for classifications worked and there shall be no questions about assignment to classifications.

Each eligible employee shall contribute one (1) day of his sick leave to the bank at the beginning of the contract year. The Board will contribute an equal

number of days to the bank up to a maximum total of one-hundred and eighty (180) days. No further contribution will be made to the bank during the contract year. Additions will be made to the bank, according to the above formula, at the beginning of each contract year. In the event of illness or injury, any participating member may make application to withdraw days from the bank, subject to the following regulations:

- A. An employee shall contribute one (1) sick leave day to the sick leave bank at the onset of his 13th month of employment and one (1) additional day each July 1st thereafter. The employee shall become eligible for sick leave bank participation at the time of his/her initial contribution.

Effective with the execution of this agreement, employees returning to work after being on a medical leave of absence for more than twelve (12) months shall return to an open position at the level previously held or bump a less senior person in that classification. If there is no less senior person in that classification, the employee may bump a less senior person in the next lower level. Seniority and benefits, excluding LTD, shall continue for two (2) years.

ARTICLE XXI (21)

Supplemental Agreement

Any supplemental agreement to this Agreement shall be subject to approval of the Board and Council 25 of the International Union.

ARTICLE XXII (22)

Strikes and Lockouts

Section 1 The Union shall not cause, engage in or sanction any strike, picketing or refusal to perform the duties of employment by any employee covered under this Agreement and no employee covered under this Agreement shall cause, or participate in any strike, picketing or refusal to perform the duties of his employment.

Section 2 The Board shall not cause or permit any lockout of its employees covered under this Agreement.

ARTICLE XXIII (23)

Insurance and Severance Pay

Section 1.

A. The Board shall provide all insurance benefits listed in Section A for a full twelve-month period of each school year for all AFSCME Members in the bargaining unit, except for those AFSCME Members electing benefits under Section B below. Such benefits shall be provided to each AFSCME Member and his/her dependents, as defined by MESSA.

The District shall pay the annual amounts towards the total cost of the MESSA medical premium and Health Equity (HEQ) Health Savings Account (HSA) funding described below for each plan year:

\$6,142.11 for Single Subscribers

\$12,845.04 for Self and Spouse Subscribers

\$16,751.23 for Self and Child* and Family Subscribers

These annual District paid amounts shall adjust annually beginning on October 1, to the maximum payment permitted by Section 3 of the Publicly Funded Health Insurance Contribution Act. Members will have the option to select medical/prescription coverage from one of the following options:

1. MESSA CHOICES II – \$1,000/\$2,000 in network deductible, \$20 OV and Saver Rx Prescription coverage.
2. MESSA CHOICES II - \$2,000/\$4,000 in network deductible, \$20 OV and Saver Rx Prescription coverage.
3. MESSA ABC Plan 1 (HEQ/HSA) – \$1,300/\$2,600 in network deductible, Saver Rx Prescription coverage.

At the member's option, the District will pre-fund \$1,000/\$2,000 of the deductible amount annually to each member's HEQ HSA. One-half of the amount shall be paid no later than the first full payroll date in January and the other half no later than the first full payroll date in July. The District shall pay the remainder of the hard cap cost towards the MESSA annual medical premium up to the amounts specified above for single, self/spouse, self/child and family. Members may contribute additional money towards their HEQ HSA up to the maximum amount allowed by Federal law.

For example, those members selecting the MESSA ABC Plan 1, the District will allow for the adjustment of their contribution amounts toward their individual health savings account. This would allow for flexibility and the ability for staff members to react to "Qualified Life Event Changes" as well as to accommodate for the difference in the medical plan year (July 1) and the deductible calendar year (Jan. 1), among other potential beneficial reasons to allow for these quarterly changes.

The remaining annual cost for the member's elected medical plan premiums and the pre-funded balance that exceeds the Hard Cap amounts, if applicable, shall be paid by the member and will be payroll deducted in equal bi-weekly amounts through a qualified Section 125 Plan.

The following ancillary benefits shall be provided to each member, at no premium cost to the member:

2. Dental – A.D.N., self-funded with the following coverage:
 - Class I – 80%
 - Class II – 80%
 - Class III – 80%
 - Class IV – 80% Orthodontics
 - Annual maximum - \$1,500
 - Ortho maximum - \$1,500
 - 2 cleanings/yr.
3. Reliance Term Life insurance in the amount of fifty thousand dollars (\$50,000.00) (inclusive of any life insurance associated with the Health Insurance coverage described above) for the member only. Such insurance protection shall be paid to the member's designated beneficiary. In the event of accidental death, the insurance will pay double the specified amount; in the event of accidental dismemberment, the insurance will pay according to the schedule.
4. Vision - National Vision Administration (NVA) coverage including internal and external coordination of benefits.
5. Each AFSCME Member, upon his/her date of employment and annually thereafter, is eligible to participate in the School District's Cafeteria Plan, Healthcare Reimbursement

Plan and Dependent Care Reimbursement Plan.

Section 2 Employees electing not to receive board provided health insurance shall be granted a TDA payment of two hundred and fifty (\$250) dollars per month.

Section 3 The Board will provide each regular employee with a Long-Term Disability Insurance coverage at Board expense, under the following terms:

- A. Eligibility - Each active, full-time employee who works a minimum of thirty (20) hours per week, except temporary employees.
- B. Qualifying Period - Benefits accrue with respect to any one (1) period of total disability after the expiration of a qualifying period of three (3) consecutive months.
- C. Benefit Period - Monthly benefits are payable during the continuance of total disability as follows, but in, no event are benefits payable beyond the attainment of age seventy (70):
 - 1. Total disability due to sickness - to age seventy (70).
 - 2. Total disability due to accident - to age seventy (70).
- D. Monthly Schedule Amount – sixty-six and two thirds (66-2/3%) of normal monthly earnings up to two thousand five hundred (\$2500) dollars.

Section 4 Each employee upon retirement shall receive a sum equal to one percent (1%) of his base of classification in force that year he retires for each year of custodial service in the Berkley School District to be eligible for severance pay. This payment is applied to the employee's existing 403(b) account, or, if necessary, a newly created account. An employee must retire under the Michigan Public School employees Retirement Program to be eligible for severance pay. For the purposes of the administration of this policy, retirement shall be defined

as eligibility of the employees to draw a pension from the Michigan Public School Employees' Retirement Fund Board. Effective 2010-2013 agreement (August 9, 2010), employee must have fifteen (15) years of seniority to the district to qualify for payment.

Should a member terminate or separate employment from the District prior to the end of the school year, compensation and benefits will be pro-rated based on the portion of the school year worked prior to termination or separation from the District, i.e. salary/benefits, longevity, excluding clothing allowance.

Section 5 Employees injured on the job will be paid twenty-six (26) weeks full pay minus Workers' Compensation. Any monies received by an injured person from Workers' Compensation shall be deducted from the member's regular salary and the time pro-rated against the bank. After twenty-six (26) weeks of absence for such an injury, sick pay may be used, if requested.

Section 6 Emergency Closing of School

Employees needed to work when schools are closed due to an emergency will be notified by an administrator or his/her designee.

On the first and second day of such closing, all custodial employees will receive the day's pay at the regular hourly rate. Those custodial employees who do report and work will, in addition, receive compensatory time, equivalent to the hours worked, to be used within twelve (12) months of the time being credited. At least two (2) persons at the elementary, three (3) persons at the middle school and five (5) persons at the high school will be notified to report for duty. Insofar as possible, assignment will be scheduled on a rotational basis. On Snow Days, custodians who are needed for snow removal will be notified no later than 8:30 a.m. and shall report to work by 9:30 a.m. to receive compensatory time for any hours worked.

Should schools be closed on immediately succeeding days, the administration shall determine whether weather conditions are sufficiently inclement to justify additional compensatory vacation days for regular performance of duty.

Section 7 One (\$1.00) per hour shall be added to the hourly rate of any employee, covered by this Agreement, who shall successfully complete a program or course of study leading to a certificate or license in a field directly connected to his /her employment (i.e. electrical, plumbing and HVAC). Fifteen cents (\$.15) shall be added to the hourly rate of employees who have achieved a boiler operator's license. The hourly rate increase for licensing may be deferred until the amount equals any District advanced tuition payment. Prior approval for such program or course of study must be obtained from the Superintendent or Designee. If an employee leaves the district before the district is fully reimbursed for advanced tuition, the employee will reimburse the district and/or the district may withhold any money owed to the district from the employee's pay. The employee receiving this additional pay may be requested by the District to assist with mentorship training opportunities for other unit members.

Section 8 An employee on an unpaid leave shall be allowed to purchase health insurance at the group rate subject to the regulations of the insurance carrier.

ARTICLE XXIV (24)

Custodial/Maintenance Compensation

Salary Schedule:

For each year of this agreement, should the audited Fall count in each of the respective years be equal to or greater than the audited Fall count for the previous fiscal year, the Salary

Schedule will be adjusted to reflect the "true, net" percentage increase to the District's state school aid foundation allowance from the previous school year's, less one-half percent, but in no case will the percentage increase be higher than 2.0%. The "true net" percentage increase will be defined and calculated by determining and considering the state aid funding components the Michigan state legislature utilizes to arrive at the foundation allowance increase. For example, if the District receives a gross \$75 per pupil (PP) increase to the foundation allowance in a given year but the state reallocates a portion(s) of the District's existing state funding (Best Practices \ revenue goes from \$50 in 2014-15 to \$20 to 2015-16) the Salary Formula calculation will utilize the true, net increase to the foundation allowance of \$45 (\$75 increase less \$30 PP reduction to BP funding). The timing of the payment of the increment will be dependent upon when the District is officially notified of the final foundation allowance figure from the Department of Education for each applicable fiscal year of this provision. Should an adjustment(s) happen to the District's official foundation allowance during any year of this agreement, a corresponding adjustment will be made by the District to the salary formula and salary schedule but in no event shall the salary schedule be less than the 2015-16 schedule.

Employees hired after January 1, 2009 will be paid in accordance with a salary schedule (Tier 2) that will initially reflect hour rates twenty-five percent (25%) less than the rates of employees hired before this date.

2016-17 Off Grid Payment:

In 2016-17, all members will receive an off grid payment of \$200 on or before December 31, 2016.

Step Movement:

For 2016-17, members not on the top step will move one full step. For the 2017-18 and 2018-19 school years, the follow table will govern step movement:

True, Net Per Pupil Foundation Allowance Increase:

\$50-74 increase = $\frac{1}{4}$ step

\$75-99 increase = $\frac{1}{2}$ step

\$100-124 increase = $\frac{3}{4}$ step

\$125+ increase = 1 full step

Fund Balance Sharing

Each year of this Agreement, the District will pay each member one percent (1.0%) of their annual base compensation, one time, off schedule, should the District's audited General Operating Fund's **uncommitted** fund balance figure equal or exceed 7.0% of audited expenditures. Timing of payment will occur and be made to all staff members who were on the payroll at the end of the audited school year, as of June 30th, and after the respective fiscal year's financial audit has been completed.

All employees in both tiers are eligible for this payment, each year of the agreement.

Longevity

For all eligible employees hired before July 1, 1999, longevity pay at the rate of one percent (1%) of the employee' annual salary shall be paid to those who have completed five (5) or more years of service, three percent (3%) to those who have completed ten (10) or more

years of service.

For all eligible employees hired after July 1, 1999, the following longevity schedule shall apply:

More than 5 years	1%
More than 10 years	2%
More than 15 years	3%

Longevity eligibility shall be calculated as of September 30 of each calendar year.

Effective 2010-13 contract, longevity was changed. The changes are to be listed below: however, anyone already at a level shall not be reduced and shall continue to receive that level. The new levels shall apply to anyone who has not already reached the respective steps noted above in this section.

10 – 14 Years of Service	1%
15 – 19 Years of Service	2%
20 or More Years of Service	3%

Those members currently receiving longevity payments will continue to do so at their current rate and will reach the next level, if applicable, based on the schedule noted above.

For all applicable benefits within this Agreement, should a member terminate or separate employment from the District prior to the end of the school year, compensation and benefits will be pro-rated based on the portion of the school year worked prior to termination or separation from the District, i.e. salary/benefits, longevity, excluding clothing allowance.

By signing this Agreement, the union does not agree or acknowledge that this provision is binding either on the union or on the employer.
