AGREEMENT

This Agreement, entered into this 1st day of September, 2021 by and between the West Bloomfield Board of Education, West Bloomfield, Michigan, hereinafter called the "Board", and the West Bloomfield Education Association, MEA-NEA, hereinafter called the "Association",

WITNESSETH:

WHEREAS, the Board has a statutory obligation, pursuant to the Public Employment Relations Act, Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment; and

WHEREAS, the Board agrees not to negotiate with or recognize any teachers' union other than the West Bloomfield Education Association, MEA-NEA, for the duration of this Agreement; and

WHEREAS, the Board and Association, following extended and deliberate negotiations, have reached certain agreements with respect to wages, hours, and other terms and conditions of employment;

THIS agreement is subject to the provisions of the Public Employment Relations Act, MCL 423.201 *et seq.*, including Section 15(7) thereof, MCL 423.215(7), and therefore may be rejected, modified or terminated by an emergency manager appointed under the Local Financial Stability and Choice Act, 2012 PA 436, MCL 141.1541 to 141.1575.

This agreement shall include changes due to Public Act 103 of Public Acts of 2011. The highlighted and "*italicized*" sections of the contract will not be enforceable under law for tenured teachers bargaining unit members whose employment is regulated by the teachers' tenure act, but will remain in full force for non-tenured staff bargaining unit members whose employment is not regulated by the teachers' tenure act.

IT IS HEREBY AGREED AS FOLLOWS:

ARTICLE I RECOGNITION

- A. The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all contract classroom teaching personnel, including those on leave, to the extent required by Act 379 of the Public Acts of 1965, as amended, for purposes of collective bargaining in respect to rates of pay, wages, hours of employment, and other terms and conditions of employment.

"Contract classroom teaching personnel" includes the following certified personnel: classroom teachers, art, physical education, music teachers, special education classroom teachers and special education teaching consultants, Oakland Early College teachers, media consultants (librarians), reading and development consultants, counselors, social workers, school psychologists and speech therapists.

Excluded from the bargaining unit are administrative and supervisory personnel, substitute teachers, teachers of adult education, certified employees working in a non-certified position, and non-certified personnel employed by the Board of Education.

The term "*teacher*", when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining unit as above defined.

For the purposes of this Agreement, the term "certified" includes certification for classroom teachers and approval for special education personnel as construed and defined by the Michigan Department of Education.

- B. Teachers employed and appointed to teacher bargaining unit positions on or before March 1 shall enjoy all benefits of the Master Agreement. After the date of March 1, teachers employed and appointed to the teacher bargaining unit shall be accorded the rights and benefits extended by the Master Agreement except for the following:
- (1) Appointment shall be made by Letter of Appointment for the remainder of the school year only (employment automatically terminates as of the end of the school year), and Board payment of fringe benefits shall cease as of the end of the school year. If, however, said teacher is offered a contract for the following year before the end of the current school year, any fringe benefit coverage normally extended to members of the teacher bargaining unit during the summer shall be paid by the Board.
 - (2) Such teachers do not receive seniority for purposes of layoff and recall.
 - (3) It is expressly understood that substitute teachers may temporarily fill teacher bargaining unit positions in order that the Board can meet its obligation to post positions and to consider applications. If at all practicable, such temporary assignment of a substitute teacher shall not exceed ten (10) school days for any one teacher.
- C. Teachers who have retired from the West Bloomfield School District and are subsequently rehired for a part-time position shall be issued a one year contract which will be considered for renewal annually.
- D. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement.
- E. Whenever the term "Board" is used, except in the grievance procedure provisions, Board means the Board of Education of the West Bloomfield School District or the Superintendent or Assistant Superintendents, Deputy Superintendent, or other authorized representatives.
- F. The provisions of this Agreement and the wages, hours, terms and conditions of employment set forth herein shall be applied without regard to sex (including sexual orientation and transgender identity), race, color, religion, age, marital or family status, national origin, weight, height, military status, ancestry, genetic information or any other legally protected category, (collectively, "Protected Classes"). The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to sex (including sexual orientation and transgender identity), race, color, religion, age, marital or family status, national origin, weight, height, military status, ancestry, genetic information or any other legally protected category, (collectively, "Protected Classes").
- G. The headings used in this Agreement neither add to nor subtract from the meaning of the provisions herein, but are for reference only.

ARTICLE II

TEACHERS RIGHTS AND DUTIES

- A. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided by law.
- B. In the course of normal school business, including evaluations, a teacher should not request association representation when asked to meet with an administrator. However, when a teacher has reasonable grounds to believe that an interview with an administrator is an investigatory interview in which the risk of discipline reasonably inheres, he/she may request that an Association representative be present as a witness for the teacher.

C. A teacher will have the right to review, upon request, the contents of all records of the employer pertaining to said teacher originating after initial employment and to have a representative of the Association accompany him/her in such a review. With the exception of employees of the Human Resources Department and the Superintendent, a record shall be made in each file indicating who has reviewed the file and on what date.

D. *Any complaint lodged against a teacher, judged by a supervisor to have substance, shall be brought to the teacher's attention within ten (10) school days of receipt in a personal conference. Such complaints shall be put in writing along with name(s) of the complainant(s), and any administrative action taken. The supervisor shall offer the teacher an opportunity to meet with the complainant. The teacher may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. No complaints shall become a part of the evaluation or placed in any file unless it is serious in nature or regularly occurring.*

E. No non-tenure teacher whose employment is not regulated by the teachers' tenure act shall be disciplined or reprimanded, reduced in compensation, suspended, demoted, or discharged without just cause. Any such discipline shall be subject to the grievance procedure.

The non-renewal of an appointment to an annual assignment of extra duty for extra pay shall not be construed as discipline, reprimand or reduction in compensation.

The discharge, or more than a fifteen day demotion, of a tenure teacher is not subject to the grievance procedure, but is subject to the appeal procedure as provided for in the Michigan Teacher Tenure Act.

In case of the contemplated discharge of a probationary teacher, such discharge shall not be subject to the grievance procedure. *However, at the request of the affected employee, he/she shall be granted a hearing by the Board of Education. The decision of the Board of Education shall not be subject to arbitration.*

The parties agree that the object of any discipline is to improve performance/behavior with the least disruption. Therefore, a system of progressive discipline shall be instituted. Such program will begin with an oral warning and proceed to written warning, a written reprimand, suspension, discharge. Any of the steps, prior to discharge, may be repeated and, in extremely serious instances, steps may be skipped. A teacher shall be entitled to have an Association representative present during any meeting which will or may lead to disciplinary action by the Employer. Any document not previously made known to a teacher must be made known to the teacher at least twenty-four (24) hours before any disciplinary action is taken.

F. Teachers shall be responsible for furnishing information requested by the Administration. Examples of such necessary information are:

(1) Timely proof of freedom from tuberculosis, a communicable disease, or transmissible disease as required by State law or State regulation.

(2) Medical Examination. The Board may require a medical or psychiatric examination if the Board determines to consider granting a medical leave pursuant to the Teacher Tenure Act. The doctor administering said examination shall be selected from a list of certified practitioners in the appropriate specialty provided by the Board and shall be at Board expense. *In the event the teacher refuses to present a physician's report as required by the Board as provided above, such refusal shall be considered as just cause for discharge.*

If a teacher requests medical leave, failure to provide, upon request, appropriate reports of medical examination shall be grounds for refusing the leave.

- (3) The return of teacher contracts and/or supplements on or before the date or dates specified by State law, State regulation, Board policy and/or administrative rules.
 - (4) Written records of student performance and behavior such as report cards, grade record book and attendance records, CA-60's in the elementary schools, and special education reports when necessary.
 - (5) Usable written daily lesson plans must be available for any time the teacher is absent.
 - (6) Up-to-date transcripts and records of educational preparation.
- G. Teachers will prepare and plan, in writing and in advance, the teaching they will be doing. The lesson taught should reflect the written plans. Teachers should be prepared to explain the concepts covered, procedures used, expected outcomes and methods of measuring outcomes.
- H. It is the right and duty of a teacher to determine the academic level of achievement of all students assigned to his/her class and establish a grade or symbol indicating their levels in accordance with Board approved evaluation systems. Grading shall not be used for disciplinary reasons. At the high school level this indication of achievement is unalterable except by agreement between two building administrators and the department chairperson. At the middle school level this indication of achievement is unalterable except by agreement between two building administrators and the Assistant Superintendent of Instruction. At the elementary level, this indication of achievement is unalterable except by agreement between the building administrator and the Assistant Superintendent for Instruction. Once the process is completed, the teacher will be notified of the outcome in a timely manner. Assignments of students to grade level or class shall be according to Board Policy 5420.
- I. The following provisions shall be applied to all requests for information regarding a bargaining unit member under the Freedom of Information Act (FOIA):
- (1) All requests must be made in, or reduced to writing, and forwarded to the office of Human Resources and include the name, address and phone number of the person making the request. Should the request be made by an organization, it must include the name of the organization, address and a list of officers.
 - (2) To be honored, all requests must identify the specific public record wanted.
 - (3) Once a FOIA request is received by the Office of Human Resources, the involved bargaining unit member(s) and the Association President shall be notified immediately and provided with a copy of the FOIA request.
 - (4) If requested by the teacher and as soon as possible, the district will meet with the affected teacher (and Association representatives if the teacher requests such representation) to review the FOIA request and the document(s) requested.
 - (5) Unless the parties agree otherwise, and provided an extension is allowed by law, the District will notify the requesting party that timelines for disclosure will be extended for the ten (10) additional business days.
 - (6) The District shall attempt to honor all exemptions regarding production of documents as identified in FOIA to the extent that they apply.
 - (7) Disciplinary reports, letters of reprimand and other records of disciplinary action which are more than four (4) years old may not be released to third parties unless required by law.

(8) Records relating to unsubstantiated complaints against a teacher and/or investigatory records into a teacher's conduct where disciplinary action is not taken shall not be released to third parties unless required by law.

(9) On any document that may be released under a FOIA request, exempt material will be redacted if identified and if such action does not violate FOIA requirements.

J. Report card procedures shall be consistent throughout the elementary buildings.

K. A teacher will be provided with at least twenty-four (24) hours-notice if his/her classroom/facility is to be used for other purposes with the exception of an emergency situation.

L. No probationary teacher will be asked to serve on more than two (2) district and/or building committees at the same time.

ARTICLE III RESERVATION OF RIGHTS

The Board reserves all the rights and powers conferred upon it by the constitution and laws of the State of Michigan, except as the same are expressly and specifically limited by the Agreement. Such rights include by way of illustration and not by way of limitation the right to:

(1) Manage and control the business, equipment and operations of the school district.

(2) Assign personnel, determine number of personnel and their schedules and establish or modify school hours.

(3) Select, promote and determine qualifications of personnel.

(4) Determine the number and location of its facilities, including buildings, departments, offices and divisions thereof.

(5) Determine the services, supplies and equipment necessary for the operation of the district and establish financial policies and procedures.

(6) Determine the number, function, authority and organization of its administrative staff.

The exercise of the foregoing powers, rights, authority and duties by the Board shall be limited only by the terms of this Agreement.

ARTICLE IV TEACHING HOURS/CLASS LOAD

A. The regular school day for teachers shall not exceed seven (7) hours, excluding the lunch period, except for parent and/or pupil conferences, which may necessitate an extension of the regular school day. Faculty meetings shall normally be held during the regular school day whenever possible.

If there are complaints from the Association that there is abuse of this section in terms of frequency or relevancy of meetings, or a lack of opportunity for input on the part of the Association representatives, the Association President and the Human Resources Administrator shall meet to attempt to resolve the problem. In addition, teachers may be required to attend open houses outside of the regular school day to the extent of one (1) open house per building during a school year.

Teachers are also encouraged to attend other meetings outside of the regular school day, i.e. plays, concerts, presentations and performances which involve students with whom the teacher comes in contact. Interest and attendance at such meetings helps establish a positive image for West Bloomfield Schools and the teaching staff.

- B. Kindergarten teachers and ECSE (Early Childhood Special Education) teachers who teach two (2) different sections (A.M. and P.M.) shall be released from their regular teaching duties one additional day (if needed) at parent/teacher conference time to meet with parents. In addition, if p.m. kindergarten classes are scheduled when other students are dismissed for in-service, meetings, record days or parent-teacher conferences then kindergarten teachers shall be released from their teaching duties for planning/preparation purposes during the a.m. session.
- C. District-wide department meetings (i.e. art, physical education, music, media, special services or other non-classroom teachers) may take place during the regular school day.
- D. Parent/teacher conferences will be held online. Teachers may be at home or in a classroom. Fall parent/teacher conferences at the secondary level will be scheduled from 3:30 p.m. until 7:30 p.m. on one (1) evening. A break from 5:30 p.m. to 6:00 p.m. will be scheduled within this timeframe. Fall parent/teacher conferences at the elementary level will be scheduled from 4:45 p.m. until 8:45 p.m. on one (1) evening. A break from 6:45 p.m. to 7:15 p.m. will be scheduled within this timeframe. The second parent-teacher conference for secondary and elementary will be a half (1/2) day students and a half (1/2) day parent-teacher conferences. A thirty-minute lunch shall be scheduled prior to the afternoon conferences. Conference times on the half (1/2) day will end at the regular end time for each school. Conference dates will be reflected in the calendar section of this agreement. A building shall not hold Open House on the same day of the week as parent/teacher conferences. Traveling teachers shall attend open house and conferences in their designated home building.
- E. On the secondary level, a daily period will be provided for preparation. An assignment to a supervised study hall shall be considered a teaching period for the purpose of this article. No secondary teacher will be required to teach an additional class during said preparation period on other than a temporary basis.
- F. All teachers will teach five (5) of the seven (7) block classes in the West Bloomfield High School block-scheduling program. Each secondary teacher will be provided with a daily planning period of no less than fifty-three (53) minutes. The administration will balance classes wherever practicable, if needed, the Association and District will meet to attempt to resolve any issues. Vocational classes shall not exceed the number of workstations available per classroom.

Administration will attempt to maintain life management food classes to four (4) per teaching station and no more than thirty-six (36) students per class. Physical Education, Band, Strings, and Choir teachers are excluded from these student maximums. However, the student count in physical education classes shall not exceed 40 when multiple physical education classes are scheduled at the same time in the gym.

Planning time will be adjusted to meet the adjusted daily class meeting time on those days where the student day is reduced such as early release days. On the days where the following testing is administered (State mandated assessment, Mid-term and Final exams) a teacher may lose a maximum of one prep period during each of the testing windows.

On days when students do not report but teachers do, such as professional development days, no planning time will be issued.

Classes using the pool will be limited to no more than thirty (30) students per teacher.

If the district decides to explore alternative scheduling formats at West Bloomfield High School, a joint committee including representation from the association and district administration will be established to review feasible options.

G. Since it is recognized that elementary teachers need preparation time; it is agreed that:

1. All elementary teachers, including specialists, and excluding early childhood special education teachers shall be provided a minimum:

Fifty-one (51) continuous minutes preparation time per day. Teachers report to their building for an assigned duty no later than 15 minutes prior to the start of the student day. The principal and building rep will meet and agree on the year's staff meetings and committee dates with times before the school year starts. An emergency meeting may occur if needed. Should there be any concerns with creating the staff meetings schedule, the WBEA President and Human Resources will meet to discuss the issues. Any time before school, after school, passing time and recess time shall not be considered as preparation time.

4. On days when students do not report but teachers do, such as professional development days, no planning time will be issued. On early release days planning time will be adjusted proportionally resulting in the possibility of teachers receiving less than fifty-one (51) minutes and the time will be adjusted proportionately.
5. Elementary teachers shall utilize time during which their classes are receiving instruction from various teaching specialists for instructional preparation.

H. Each teacher shall have not less than a thirty (30) minute (including passing time) duty free uninterrupted lunch period. Travel time for itinerant teachers shall not be considered as part of their preparation or lunch time. Reasonable efforts will be made to give itinerant teachers fifty-three (53) continuous minutes preparation time, in cases where scheduling does not permit this, no planning time shall be in increments of less than thirty (30) minutes.

I. When a teacher's preparation period must be reassigned for other purposes, the assignments shall be rotated so that all of the staff share these responsibilities equitably.

J. The Board will provide, whenever and wherever practicable, paraeducators to handle noon lunch, recess, and playground duties for elementary teachers; study hall, noon lunch duties, parking lot attendants, restroom checks, and lounge checks for secondary teachers; and clerical assistance at all levels.

K. The following pupil-teacher ratios represent desired objectives dependent on the availability of teachers, facilities and funds:

Each elementary teacher should be assigned no more than the following:

Kindergarten and First Grade	27 Students
Second and Third Grade	28 Students
Fourth and Fifth Grade	30 Students

The administration will balance classes wherever practicable, if needed, the Association and the District will meet to attempt to resolve any issues. Elementary split classes shall not exceed twenty-six (26) pupils.

Art, physical education, music, special education classroom teachers and special education teaching consultants and reading and development teachers are excluded from the above average. If the class size defined above is exceeded in a classroom or if a split class exceeds twenty-six (26), the involved principal, teacher involved, Association representative, and Board representative shall meet and recommend one of the solutions below to the Administration in order to resolve the situation.

- (a) Hire a paraeducator except that class size exceeding the maximum shall not be alleviated by use of a paraeducator in more than one (1) room for each grade level per building unless no other solution is possible due to the size of the building or financial distress.
- (b) Reschedule students.
- (c) Teacher and Association consent, the teacher will be paid overload compensation at the rate of \$10.00 per student enrolled, per day.
- (d) Hire additional teachers.
- (e) Other solutions as determined by Board and Association agreement.

The administration will consider the situation and make a final decision within eleven (11) school days. The decision of the Administration is not subject to the grievance procedure so long as the solution is one of the above.

- (1) Each secondary teacher should be assigned no more than a class of thirty six (36) students. The total number of student contacts per semester should not exceed one hundred eighty (180) students. The administration will balance classes wherever practicable. Keyboarding, computer, music technology, and vocational classes shall not exceed the number of workstations available per classroom. In addition, the Video Production class will maintain a 5:1 student to workstation ratio with a maximum of 28 students. Administration will attempt to maintain life management food classes to four (4) per teaching station and no more than thirty-six (36) students per class. Physical Education, Band, Strings, and Choir teachers are excluded from these student maximums. However, physical education classes shall not exceed 40 students when multiple physical education classes are scheduled at the same time in the gym. Classes using the pool and the Weight Room will be limited to no more than thirty (30) students. Classes using the Aerobics Room will be limited to no more than thirty-six (36) students. High School Counselor's case load will not exceed 350 students and Middle School Counselor's case load will not exceed 400 students.

If the class size maximum is exceeded the involved principal, teacher, Association representative, and Board representative shall meet and recommend one of the solutions below to the Administration in order to resolve the situation. The Administration will consider the situation and make a final decision within eleven (11) school days.

- (a) Reschedule students.
- (b) Hire a teacher.
- (c) Teacher and Association consent the teacher will be paid \$5.00 per student enrolled, per section, per day. There will be a maximum of two students.
- (d) Other solutions as determined by the Board and the Association.

L. If it is anticipated that a student's I.E.P. may result in unusual program scheduling or necessitate unique arrangements regarding personnel or equipment, the general education teachers who might be impacted by such a placement should be invited to attend the I.E.P. meeting.

M. No bargaining unit member shall be required to provide medical/health services except in emergency situations, or unless he/she has received appropriate training as determined by the Board/Administration. If a bargaining unit member believes he/she should not be trained to provide a particular medical/health service, he/she may request a meeting with his/her supervisor and the Director of Student Support Services to discuss and resolve the issue.

N. General education classroom teachers (all teachers; art, music, physical education, media specialists) who have inclusion students placed in their classrooms shall be provided with appropriate support for these students as defined by the I.E.P.

O. A school social worker who conducts parent training sessions after the regular work day shall be paid at the hourly curriculum rate or may work out a compensatory time arrangement with his/her supervisor prior to the activity.

P. During the first ten (10) days (per semester) of scheduled class, students may be added and removed from any teacher's class roster. Starting on the eleventh (11th) day of scheduled class (per semester) and continuing until the completion of the fifteenth (15th) day of class, students may be added and removed to a teacher's class roster, provided a reason (in writing) for the transfer is given to the affected teachers. Starting on the sixteenth (16th) day of scheduled classes (per semester) and continuing until the completion of the twentieth (20th) day of class, a student may be added or removed only after a meeting of the teacher, counselor, and principal. The decision to remove or add a student at this meeting will be made by the building principal and the decision and reasoning communicated to the teacher and the Association President. After the twentieth (20th) day of scheduled class (per semester), there will be no movement of students without a principal consultation with the Association President. Students new to the building or district, after the start of each semester, and students with an updated IEP are exempt from the above provisions.

Q. To determine the amount of time Special Education Teacher Consultants at the high school will have to service students the following will be used:

When a caseload reaches 14 students (55% of the 25 students allowed by State law) or 134 minutes (55% of the weekly high school class periods) of service, (whichever comes first) a high school classroom period will be provided to the teacher Consultant so as to perform legally mandated an department/building directed services for their assigned caseload.

If, in the future, caseload maximums change and/or planning/conference times change the district will continue to provide the time as specified above at the 55% calculation.

 - b. Where to return form
 - c. Reasons for desiring position

- (2) Interview each bargaining unit member who applies and meets the qualifications for the position as determined by the administrator(s) who is interviewing.
- (3) Notify each applicant of the decision concerning assignments to the position.

C. *In filling vacancies in full-time positions, part-time teachers having the posted qualifications for full-time positions, and satisfactory evaluations, shall be given preference in selection and part-time teachers will be guaranteed an interview for positions for which they are qualified. For the purpose of this section, "posted qualifications" may include, but are not limited to, certification and experience after certification.*

Part-time teachers, less than five (5) days per week, shall, upon request, be placed at the head of the available substitutes for those days not scheduled.

- D. The district will make every effort to notify teachers of their tentative schedules and building assignments for the coming year by the last day of school.
- E. Since pupils are entitled to be taught by teachers who are working within their major area-of competence, teachers shall be assigned within the scope of their teaching certificate and their highly qualified status in the core academic areas.
- F. Assignment of teachers to non-teaching duties, such as homeroom, shall be on an equitable basis for the entire staff.
- G. No regularly assigned teacher shall be used as a substitute teacher except in case of an emergency, it being understood expressly that the failure of a substitute to arrive on schedule, or the inability to secure a qualified substitute, shall be considered an emergency.
- H. *The Board may make all transfers of teachers which it deems necessary, provided: (1) written notice of intent to transfer to be given to the teacher or teachers affected; (2) reasons for transfer in writing be given if requested by the teacher or teachers involved; (3) opportunity to meet with the Superintendent or his/her representative be given to discuss the transfer. Steps one (1) through three (3) shall be provided for before final action is taken. Decisions of the Board on transfers and the necessity, therefore, are final and not subject to the grievance procedure if the above procedure is followed. The Board shall give all notices required by this paragraph as soon as possible.*
- I. Any assignment in addition to the normal teaching schedule and duties during the regular school year, such as extra duties enumerated in Schedule B and C and summer school assignments, shall not be obligatory but shall be with the consent of the teacher.
- J. Teachers who are interested in student teacher assignments will be given the opportunity to make their wishes known on appropriate forms supplied by the Administration. Assignment of student teachers shall be made to qualified tenure teachers except that assignments may be made to experienced, qualified, non-tenure teachers with the agreement of the Association. The Administration shall initiate the request for such agreement prior to the assignment of the student teacher. The supervising teacher is not responsible for the teaching effectiveness of the student teacher.

The parties agree that no more than fifteen (15) student teachers may be placed in the West Bloomfield Schools each year. Additional student teachers may be placed after notification has been provided to the Association and a waiver of the fifteen (15) student teacher limitation has been approved. Student teachers will be allowed only under the following conditions:

- (1) No student teacher shall be placed with any teacher without the teacher's consent. No teacher shall supervise more than one (1) student teacher during one (1) class period.

- (2) If at all possible, the supervising teacher, along with the supervising principal, shall have the opportunity to interview the perspective student teacher prior to the acceptance of the student teacher.
- (3) If the student teaching assignment appears to be unsatisfactory, the supervising teacher may request a meeting with the supervising principal and the college coordinator of student teaching to discuss the situation. If the problem cannot be resolved, the teacher may terminate his/her responsibility with the student teacher.
- (4) The ability to supervise a student teacher and the effectiveness of the student teacher shall in no way be reflected on the teacher's evaluation.
- (5) Any remuneration received by the school district from a college or university for its participation in a student teaching program will be allotted to the supervising teacher.

K. The Board will maintain a Mentoring Program. The purpose of the Mentoring Program is to provide teachers a peer who can offer assistance, guidance, resources and information in a non-threatening, collegial fashion. The following conditions shall apply to the Mentoring Program:

- (1) Each teacher in his/her first three (3) years in the classroom shall be provided with a building mentor.
- (2) Prior to September 15 or within two (2) weeks of the hire date each year a list, by building, of all teachers requiring a building mentor and the mentoring year for each will be developed.
- (3) Each year each building will develop the mentoring plan for the building which could be one-on-one, two- or three-to-one, a panel of building mentors, a combination of any of these or any other plan agreed to by the parties.
- (4) Building mentors shall be volunteers from the bargaining unit. Exceptions may be made, but only if agreed to by the parties.
- (5) Although building mentor teachers would normally be tenured staff, qualified non-tenure volunteers may also serve in the building mentoring role.
- (6) Building mentoring assignments shall be made each year.
- (7) Building mentor teachers shall be provided with training in the mentoring process by the mentor coordinator with support of the building administration.
- (8) Because the purpose of the mentoring program is to provide a peer who can offer assistance, guidance, resources and information in a non-threatening collegial fashion, it is understood that this mentor-mentee relationship shall be confidential and shall not be considered part of, or in any way connected to, the evaluation process of either the mentor or the mentee.
- (9) Building mentor teachers shall be provided with a stipend of \$500 per mentee.

L. All teachers in their first three years in the classroom will be provided with a building mention as described above. In addition, one lead mentor will be identified at each level (high school, middle middle school and elementary school) by the WBEA. Each lead mentor will be a member of a building staff at their level. The lead mentors will be provided a co-curricular stipend.

The mentoring program will provide:

- Observation of experienced teachers by mentees and mentors.
- Review and preparation for parent/teacher conferences, administrator evaluation and other major events in the new teacher's professional life.
- Observation of mentee by mentor feedback (to be arranged as needed).
- Support and help in lesson planning, establishing grading procedures, classroom management, time management, etc.
- Resources for mentee.
- Support and help to both building mentors and all mentees.

- M. A Mentor Program Coordinator will be selected through the process outlined in the Mentoring Program Handbook, which is developed by a joint committee consisting of three members appointed by the WBEA and three members appointed by the Administration. The roles and responsibilities of the Mentor Coordinator will be defined in the handbook. The Mentor Program Coordinator will be provided three hours of release time in their teaching schedule to attend to mentoring program responsibilities. The Mentor Program Coordinator will also be provided a co-curricular stipend.
- N. All teachers who travel between buildings will be given sufficient time, to travel and set-up classrooms between buildings. The district will schedule specials full time whenever possible to lower the number of traveling teachers. Each traveling teacher will be assigned a home building.

**ARTICLE VII
LAYOFF AND RECALL**

- A. In any contemplated layoff of staff within the bargaining unit, the Board agrees to notify the Association of the names of the affected teachers before official action is taken. If the reason for reduction is other than return from leaves or drop in pupil membership, the Board shall offer to meet with the Association to discuss the necessity and reasons for such layoff. A seniority list shall be provided to the Association no later than February 1.
- B. *If the Board acts to lay off staff, teachers to be laid off shall be notified of such action by May 15 preceding the next school year. Teachers to be laid off effective the start of second semester shall be notified of such action at least thirty (30) calendar days prior to the start of second semester.*
- C. SENIORITY. Seniority shall be determined by length of employment in the bargaining unit and shall begin on the first day of work. Seniority shall accrue while on leave except during the second year of a personal, professional or child care leave. Less than full-time teachers shall accrue seniority on the same basis as full-time teachers. Seniority will not accrue on a period of layoff. Loss of seniority shall be effected by change in number of days worked. Seniority rights shall be severed by resignation, retirement or discharge.
- D. *In the event of a layoff, teachers shall be laid off according to the following procedures:*
 - (1) *Teachers may be laid off in the following order:*
 - a. *Teachers with temporary certification;*
 - b. *Probationary teachers (unless no qualified and certified tenure teacher is available for the assignment);*
 - c. Tenure Teachers; Teachers who are not covered by the provisions of the Michigan Teacher Tenure Act will be required to serve a probationary period not longer than that which is required of certificated teachers under the Michigan Teacher Tenure Act. When this Agreement specifies "tenure teachers" in the layoff and recall article and evaluation article, such teachers who are not covered by the Act and who have completed such a probationary period will be afforded the rights of a tenure teacher. All such teachers employed by the Board in August, 1993, shall be considered tenure teachers.
 - (2) *In reaching a decision within categories a, b, and c, in No. 1 above, the following criteria will be following in the order listed:*
 - Qualifications as determined by:*
 - a. *Major or highly qualified areas in secondary school assignments*

b. Seniority as defined in C above

Or, in the event of a tie:

- a. The number of additional highly qualified areas.
- b. The number of hours beyond the B.A. as defined in Article IX.
- c. If all else is equal, the Board and Association will devise a lottery to determine the order of layoff.

The Board will attempt, by means of transfer, to lay off by seniority, as long as retained teachers are certified and highly qualified for their assignment.

An elementary certified teacher may bump into, or be recalled to, any position in the middle school for which they are highly qualified.

To be eligible to bump into a position in kindergarten or first grade, a teacher must have a ZA endorsement or have previously taught these grades in West Bloomfield.

- (1) Teachers shall be recalled in reverse order of the procedure specified above.
- (2) No new teacher will be employed in a position for which a laid off teacher is certified and qualified and no probationary teacher will be retained in a position for which a laid off tenure teacher is certified.

The parties agree a teacher's eligibility for recall shall terminate if he/she:

- a. Resigns, or his/her employment by the Board otherwise terminates, or;
- b. Fails to respond to his/her recall notice within seven (7) calendar days of his/her receipt of such notice, which shall be sent by first class mail, or fails to report to the teaching assignment he/she is recalled to, or;
- c. Is not recalled within four years.

- E. The position of high school activities director shall not be considered as a separate department or area when applying the contractual language for layoff and recall.
- F. A laid-off teacher who is eligible for recall, at his/her option, may elect to continue his/her health insurance in accordance with the COBRA Act or by direct pay to the carrier, subject only to the rules of the carrier.
- G. All teachers laid off pursuant to a necessary reduction in staff shall be placed at the head of the substitute list of the district, provided that a written request for such placement is made by the affected teacher.

ARTICLE VIII **LEAVES OF ABSENCE**

A. Paid Time Off

At the beginning of each school year, teachers shall be credited with leave days as follows:

First year of employment:	Eleven (11) days
Second year of employment:	Twelve (12) days
Third year of employment and thereafter:	Fourteen (14) days

All days not used during that year will be credited to each teacher's individual paid time off accumulation.

All credited leave days issued at the beginning of the school year must be used prior to the start of, or the continuation of, the WBEA sick leave bank.

The following described compensation days are provided for eligible teachers to protect them from loss of income when they are unable to be present at work due to the conditions described herein.

The following provisions apply to paid time off:

1. In the event of personal illness or temporary disability of the employee. The principal or Human Resources Administrator, at his/her discretion, may request a doctor's certificate stating that the teacher is able to return to work. A physician's verification of illness may be required for an illness of five (5) consecutive school days or longer.
2. When, in the determination of the principal, a teacher may be abusing this paid leave program, a meeting with the teacher shall be held to discuss the employee's responsibility within the paid leave program under this Agreement. An association building representative will be informed and invited to be in attendance at such meeting. Precautionary steps may be outlined at this conference to alleviate any future reason(s) to believe there may be abuse. Such steps may include warning the person, requiring a physician's statement for future illnesses or loss of pay for day(s) missed, or other disciplinary action.
3. The Association's sick leave bank will be administered by the Association. Leave days in the bank shall not exceed the total accumulated unused paid time off of teachers. The Association shall advise the Board in writing of loans to be made and against whom such loans are to be charged. Loans will be available to teachers who have exhausted their paid time off and who, because of personal illness, are unable to return to school. Days shall not exceed one hundred twenty (120) days per teacher in any three (3) year period.

If a teacher shall be declared disabled by his/her physician and is in the waiting period to apply for disability, the district shall allow sufficient days to be utilized from the bank after the employee has used all his/her own paid time off in order to reach the time of going onto disability without loss of pay. Decisions of the Association sick bank are non-grievable. The Association shall hold the Board harmless against any actions against pursuant to this section.

4. Employees who have perfect attendance during the school year shall receive the attendance incentive pay on the final pay in June. Perfect attendance is calculated based on the use of paid time off and days without pay. For the purpose of this section, all partial absences are cumulative.

Attendance incentive pay for teachers who have been in the district for three (3) years or more shall be:

- 0 absences, the teacher may sell up to five (5) days at per diem rate
- 1 absence, the teacher may sell up to four (4) days at per diem rate
- 2 absences, the teacher may sell up to three (3) days at per diem rate
- 3 absences, the teacher may sell up to two (2) days at per diem rate
- 4 absences, the teacher may sell up to one (1) day at per diem rate

Attendance incentive pay for teachers who have been in the district for less than three (3) years:

- 0 absences, the teacher shall receive five hundred dollars (\$500)
- 1 absence, the teacher shall receive four hundred dollars (\$400)
- 2 absences, the teacher shall receive three hundred dollars (\$300)
- 3 absences, the teacher shall receive two hundred dollars (\$200)
- 4 absences, the teacher shall receive one hundred dollars (\$100)

5. Funeral Leave - In addition to the above leave days, a teacher shall be allowed up to five (5) days per incident for the purpose of attending to a death in the immediate family. For the purpose of this section, immediate family shall be defined as father, mother, husband, wife, sister, brother, child, father-in-law, mother-in-law, grandparents and grandparents-in-law, or person living in the same household. Funeral leave for others may be taken, subject to approval, but the days will be deducted from the teacher's leave bank. Employees must state the name and relationship of the person whose funeral the employee wishes to attend. This relationship must be of such a nature so as to warrant the employee's attendance.
6. Whenever possible paid time off must be requested in advance. The teacher may be requested to set forth a specific reason for paid time off.
7. Paid time off cannot be utilized on a school day immediately before or after a holiday, vacation, open house, parent/teacher conferences, or the beginning or end of the school year without prior approval from both the supervisor and the Human Resources office, except in the case of illness or unforeseen circumstances.

Paid leave days are not to be used for personal pleasure.

8. Jury Duty - Teachers who are summoned for jury duty examination and investigation must notify the Human Resources Office within twenty-four (24)-hours of receipt of such notice. If such teacher then reports for jury duty, he/she shall be paid at his/her regular rate, and the daily jury fee paid by the Court (not including travel allowance or reimbursement of expenses) shall be signed over to the district. Such time spent on jury duty shall not be charged against his/her leave days.

The teacher must furnish the Business Office, within forty-eight (48) hours of returning to work, a written statement from the appropriate public official listing amounts of pay he/she received and the days he/she was on jury duty. Any teacher found abusing this privilege shall not be entitled to the pay differential.

9. Teachers will be allowed up to six weeks of paid leave (using the teacher's accumulated leave) for absence for parental leave including adoption.

B. Without Pay

- (1) Peace Corps, Teacher Corps, Job Corps - Leave of absence, without pay, may be granted any teacher who joins the Peace Corps, Teacher Corps or Job Corps as a full-time participant in such a program for a period of up to two (2) years. Experience and salary credit will be granted for the leave provided the Michigan Retirement Fund Board accepts the experience as teaching credit. Accumulated paid leave days at the time of leaving will be maintained.
- (2) Personal or Professional Leave - Leave of absence, without pay or fringe benefits, for good cause shown, may be granted teachers for a period of up to one (1) year subject to a one (1) year extension, upon request of the teacher at least thirty (30) days prior to the anticipated leave except for emergency situations or for good cause and upon approval of

the Board. Such request shall be made at least sixty (60) days prior to the termination of the leave. Neither experience nor salary credit will be granted for the leave, but accumulated paid leave days at the time of leaving will be maintained. Seniority will continue to accrue for layoff purposes for the first year of such leave. The teacher is only eligible to return to a vacant position following his/her second year of leave.

- (3) Worker's Compensation Leave - An employee who is absent because of a work-related illness or injury disability that is compensable under the Worker's Compensation Act will be paid as follows:
- a. If the absence is for eight (8) calendar days or less, the Board shall pay the employee his/her regular wages, not chargeable to the employee's accumulated paid leave bank.
 - b. If the absence is for eight (8) calendar days or more and the employee is eligible to receive Worker's Compensation payments, the Board shall pay the difference between the amount paid or payable by the Worker's Compensation carrier and the employee's regular wages, chargeable to the employee's accumulated paid leave bank pro rata. The combined payments received by the employee shall not exceed the employee's regular wages or the accumulated paid leave including loans, if any, from the WBEA sick leave bank. If the employee exhausts his/her paid leave bank, but is continuing to receive payment from the Worker's Compensation carrier, the employee's insurance shall be held intact. At such time the employee returns to work, his/her accumulated leave and the paid bank leave, if any, shall be restored to a level equal to that at the onset of the approved Worker's Compensation claim.
 - c. All absences must be verified by a doctor's statement before any payments will commence. The doctor's statement must specify the diagnosis, treatment recommended, and the length of time the employee will be absent.
 - d. If any employee has been released by the doctor to return to work and a follow-up visit is necessary, a doctor's statement must be submitted specifying the date of the visit. The Board shall pay for the absence (since this is not compensable by the Worker's Compensation carrier), not chargeable to the employee's accumulated paid leave bank.
 - e. If the Worker's Compensation carrier disputes the claim filed by the employee, the employee shall retain the right to file an appeal while utilizing his/her paid leave and the WBEA sick bank. An employee not eligible for leave under these provisions will be considered on unpaid leave until he/she is eligible for long-term disability insurance coverage. In such cases the employee will be responsible for payment of his/her own insurance benefits as provided for under the COBRA Act. If the employee is not eligible for long-term disability insurance coverage, he/she should return to work or remain on unpaid leave, subject to annual approval.
- (4) Military Leave - A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the armed forces of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period. The period of said leave shall not exceed the period of one (1) enlistment if the teacher enlists or the period covered by the original induction orders if the teacher is drafted.
- (5) Association Office Leave - A leave of absence of up to two (2) years shall be granted to any teacher upon application for the purpose of serving as an officer of the Association. A

leave of absence of one (1) year may be granted to any teacher upon application for the purpose of serving on the Association staff. Upon return from such leave, such teacher shall be placed at the same position on the salary schedule as when he/she left. Persons on this leave will receive no benefits except they will be allowed to retain sick leave already accumulated. This leave will be limited to not more than one percent (1%) of the bargaining unit.

- (6) Public Office Leave - A leave of absence of up to two (2) years shall be granted to any teacher upon application for the purpose of campaigning for, or serving in, a public office. Upon return from such leave, such teacher shall be placed at the same position on the salary schedule as when he/she left. Persons on this leave will receive no benefits except they will be allowed to retain paid leave already accumulated. This leave will be limited to not more than one percent (1%) of the bargaining unit. This leave will be for a minimum of one (1) semester and must commence at the beginning of a semester.
- (7) Family and Medical Leave - After a full year (at least 1250 hours) of employment, teachers will be eligible to request an unpaid leave of up to twelve (12) weeks for the birth of a child, adoption of a child, foster care of a child, care of a child 18 years or younger, care for a spouse, child or parent if such relative has a serious health condition, or for their own serious illness. To be eligible for the leave, the employee must have been actively employed for one (1) full year prior to the commencement of the leave. The Board may require that the employee exhaust all paid leave entitlement as part of the mandated twelve (12) week leave period.

Application for leave under this provision shall be made by completing the district-provided application form at least thirty (30) days prior to the commencement of the leave. If it is not possible to complete the application form in advance of the leave, the form must be completed and signed within ten (10) days of the start of the leave. The form shall state (1) the reason for the leave; (2) relationship to the individual; (3) expected beginning and ending dates; (4) physician's verification; (5) agreement to reimburse the costs of medical premiums should the employee sever employment, subject to the exceptions as outlined in the Family and Medical Leave Act Rules and Regulations.

The Board may request medical verification or other information verifying the need for the leave. The commencement and duration of the leave may be dependent on the special leave rules set forth for academic institutions in the Family and Medical Leave Act as determined by the employer. Seniority shall continue to accrue during the leave. Health benefits will be continued during the leave under the same conditions and at the same level as if the teacher were at work. If the teacher returns to work immediately following the twelve (12) weeks of leave, he/she shall return to the same position or a position equivalent to the position held prior to the leave. If the leave continues for longer than twelve (12) weeks, the teacher will return under the conditions stated in Section C of this Article.

- (8) Child Care Leave – Leave of absence, without pay or fringe benefits, shall be granted to a teacher for the purpose of child care. Such leave will be requested and shall be granted annually up to a maximum of two (2) school years per child. Seniority will accrue for the first year of the child care leave only and the teacher will be re-employed consistent with his/her certification and evaluation or *seniority* based on position. The teacher is only eligible to return to a vacant position following his/her second year of leave. Should the teacher wish to return and there is no vacant position for which the teacher is certified, he/she shall be considered laid off. While on the second year of leave, the teacher will attend district training or in-service programs at the direction of the building principal with no reimbursement for time required. There is a maximum of two consecutive unpaid child care leaves.

C. Return from Leave

Whenever practical, leaves of absence shall be made to coincide with the school year.

All teachers will be given written notice from the district requesting the status on his/her return by February 1. Teachers on an unpaid leave of absence must notify the human resources office, in writing, of the status of his/her return to work by March 1.

In the event of an agreed upon mid-year return, the returning teacher shall be re-employed in a position for which he/she is certified. When no vacancy exists, the teacher will be offered a regular teaching contract for temporary assignments for the balance of the school year. A teacher returning from leave at the beginning of the school year shall be placed in a vacancy for which he/she is certified or he/she may be assigned a position consistent with his/her seniority and the provisions of Article VIII. If a probationary teacher is returning and no vacancy exists, they will be considered on layoff.

Failure of a probationary teacher on leave to file a written request to return to work within the specified time limits shall be deemed evidence of voluntary resignation on the part of the teacher and all employment obligation of the Board shall expire at the end of the leave. If a tenure teacher does not submit an extension request, or if one is requested but not given, the tenure teacher will be re-employed to a position consistent with his/her certification.

- D. Leave days will not be prorated for approved mid-year leaves. However, if an employee requests and is granted a leave during the school year and has used up all his/her leave days prior to going on leave, a dollar amount equal to a proration of the time on leave will be deducted from the final check before going on leave and will be held in escrow by the school district until the employee returns from that leave. If the employee resigns or terminates employment prior to returning from the leave, the monies held in escrow will remain the property of the West Bloomfield School District. If the employee returns from leave, that money will be paid to the employee. (Any leave days used in excess of the prorated number not "earned" through the actual days on the job would be held in escrow.)

- E. Leave days shall be prorated for:

- (1) Termination of employment during the school year;
- (2) Teachers who have less than full-time positions;
- (3) Teachers who begin employment after the beginning of the school year.

However, should a teacher die during a school year (and hence, cease employment), leave days would not be prorated.

ARTICLE IX
COMPENSATION

- A. The salary of teachers for the school year shall be set forth in Schedule A, which is attached hereto and made a part hereof.
- B. The compensation for athletic assignments is as set forth in Schedule B, which is attached hereto and made a part hereof. Coaches shall be paid for their services within two (2) pay periods after the administration certifies, to the payroll office, that the athletic assignment has been completed.
- C. The compensation for co-curricular positions is as set forth in Schedule C, which is attached hereto and made a part hereof. Teachers employed in co-curricular positions shall be paid for their

services within two (2) pay periods after the administration certifies, to the payroll office, that the assignment has been completed.

- D. If a teacher is absent and a regular substitute is not available, the principal may assign another teacher to that teacher's class on a temporary basis. This will be done with the substituting teacher's consent whenever practicable. For the purpose of this article, auxiliary teachers will have a designated prep time in their home building that can be used to assign the teacher to substitute with his/her consent, when practicable. Teachers who consent, or who are assigned in an emergency, to substitute during their preparation period shall be paid Twenty Seven Dollars and Eighty Five Cents (\$27.85) per hour. All sums payable hereunder shall be paid at the end of each semester.
- E. General education classroom teachers will be compensated in one hour increments per IEP meeting at \$27.85 per hour, according to Article IX, Section D, for each IEP meeting that they participate in beyond five (5) during a school year. The case manager/case load teacher will keep a log of teachers who have attended IEP meetings and payment will be made in one lump sum at the end of the school year.
- F. Traveling teachers required in the course of their work to drive personal automobiles from one building to another or on other approved school business shall receive a car mileage allowance at the established annual IRS rate. Reimbursement shall be requested on no more than a once-per-month basis and shall be requested by June 30 for reimbursement from the previous year.
- G. Regular salary payments will be issued bi-weekly via direct deposit in accordance with the payroll schedule and the direct deposit guidelines. Teachers can choose from one of two pay plans:

- 22 optional pay plan (paid through the school year)
- 26 regular pay plan (paid through the summer)

Teachers must sign a form to choose the optional pay plan, it carries over from year to year unless the teacher initiates a change, no later than August 1st, to the 22 optional pay plan. Based on the selection of pay plans, any deduction for insurance will be evenly deducted in the pays selected by the teacher.

The first payment, 22nd payment and 26th payment of the school year will be issued on the following dates:

2021-22	1 st Payment	September 3, 2021	22 nd Payment	June 24, 2022
			26 th Payment	August 19, 2022
2022-23	1 st Payment	September 2, 2022	22 nd Payment	June 23, 2023
			26 th Payment	August 18, 2023

- H. A teacher who is employed for summer school or for curriculum development, shall be compensated at the rate of Twenty-Six Dollars and Thirty Cents (\$26.30). Teachers who are requested by the Board to extend their contractual year in order to continue their regular assignments and who accept such extended contractual year, shall be paid on a per diem basis (see Section M). For purposes of inventory, librarians may apply where necessary, for one week extended year before and after the regular school year for teachers and, if approved, be compensated at the summer school rate. Summer school teaching and assignments to summer curriculum development projects are excluded from the preceding extended school year provision.
- I. At the elementary level there will be up to one (1) teacher, per lunch period, that will cover 10 minutes per day of recess time paid at his/her per diem rate. Principals shall meet with the teacher(s) to determine the structure of this duty.

All sums payable hereunder shall be paid at the end of each semester.

J. Any teacher who shall be promoted to a supervisory or executive position with the district and shall later return to teacher status shall be entitled to a place on the teacher salary schedule according to his/her total service credit (as determined by Schedule A).

K. Regularly scheduled part-time teachers, excluding substitutes shall be paid an annual salary which is prorated on the step and track of full-time teachers. For example, a teacher working two (2) days a week earns two-fifths (2/5) of the salary he/she would earn as a full-time teacher.

L. The salary schedule (Schedule A) is based upon training and experience and each step of the salary schedule is for full-time teaching for the school year. A teacher working more than one-half (1/2) of the reporting days in a school year will be given credit on the salary schedule.

(1) Teachers new to the district may be granted credit for experience on the salary schedule for past contracted teaching experience or other work experiences as determined by the Board.

(2) Increments become effective the first day of the school year for teachers. When teachers are eligible, they may apply on Board forms for advancement to a new track.

Tracks are defined as the various degree-training levels such as BA, BA+20, etc. In order to be placed on a new track for the full school year, the teacher must apply and submit initial proofs such as grade reports and unofficial transcripts by October 1.

In order to be placed on a new track for a half year, the teacher must make application and submit initial proofs by February 1.

Official action on changes will only be made after the receipt of official transcripts, which must be ordered from the university and paid for by the teacher who is applying for a change in track.

(3) In order to qualify for a higher track:

(a) All hours must be in the area of the teacher's teaching major or minor field or part of an approved graduate program in education.

(b) All graduate semester hours must be in the field of education or the teacher's major or minor teaching field for the BA+20 track. To be placed on the BA+20 track, a teacher must provide evidence that he/she is a candidate for an advanced degree. Courses taken for the MA+30 track may be in any field but all hours must be earned after the completion of the MA degree.

(c) All hours earned prior to the date of this Agreement, which were recognized previously, shall continue to be recognized.

 - (2) *Any disciplinary action not covered by the Michigan Teacher Tenure Act.*
 - (3) No grievance shall be filed under this Agreement for incidents occurring before the effective date of this Agreement.
- B. All time limits herein shall consist of school days except during the summer vacation period (June-August) when the days shall be business days. Time limits may be extended upon good cause shown or upon mutual consent of the parties. It is understood that the time limits set forth herein or agreed upon shall be considered as substantive, and failure to conform to them shall mean default by the party failing to conform.
- C. In the handling and processing of a grievance, the following procedure shall apply:
 - Step 1: Any teacher who believes he/she has a complaint may present such complaint, on an informal basis, to his immediate administrator. If the complaint is not resolved, the matter shall be reduced in writing by the grievance and submitted to his/her immediate administrator. The grievance must be reduced in writing ten (10) days from the time of the discussion between the grievant and his/her immediate administrator. The written grievance may be presented to the immediate administrator either: (a) by the teacher alone, or (b) by the teacher accompanied by an Association representative. In the event the grievance involves more than one (1) building or is filed by the Association, it must be filed at Step 2.
No grievance shall be processed unless it is presented at Step 1 within ten (10) school days of its occurrence or knowledge of its occurrence. The same time restriction applies to a grievance filed by the Association. Within ten (10) days after the presentation of the written grievance, the immediate administrator shall give his/her answer in writing to the grievant.
 - Step 2: In the event the grievant, or the Association, is not satisfied with the disposition of a grievance at Step 1, within ten (10) days after receipt of the administrator's answer, the grievant may appeal the grievance to the Superintendent or his/her designee. Such appeal shall be in writing.

Within twelve (12) days after receipt of such request for appeal, the Superintendent or his/her designee shall meet with the Grievance Committee of the Association. The

parties shall attempt to resolve the dispute at this level. Within five (5) days upon conclusion of such meeting, the Superintendent or his/her designee shall present the grievants and the Association President or his/her designee with a written answer to the grievance.

Step 3: If the grievance is not settled at Step 2, the matter may be referred to arbitration by the Association, provided that notice to refer the matter is given to the Superintendent within twenty (20) days from the date of the receipt of the written decision at Step 2. Within ten (10) days after the date of the written request for arbitration, a designated representative of the Board and the Association or its designated representative shall meet and make every effort to agree upon a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator within five (5) days, the Association or the Board shall file a request with the American Arbitration Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the Rules of the American Arbitration Association, which shall likewise govern the arbitration proceedings.

The Arbitrator shall hear the grievance in dispute and shall render his/her decision in writing within thirty (30) days from the close of the hearing. The Arbitrator's decision shall be submitted in writing and shall set forth his/her findings and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the Board of Education, the Association, and the teacher or teachers involved. Neither party shall be permitted to assert any new ground, add any new issues, present any new claims or make new arguments that had not previously been disclosed except where procedural issues arise subsequent to the last grievance proceeding. In this event, at least a five (5) day notice will be provided to the other party.

The Arbitrator shall have no authority except to pass upon alleged violations of the provisions of this Agreement and to determine disputes involving the application or interpretation of such provisions. The Arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she render any decision, which would require any action in violation of Michigan School Law. The fees and expenses of the Arbitrator shall be shared equally by the Board and the Association.

All hearings shall take place at a site no further than five (5) miles from the Board Office. Hearings will not be held at an M.E.A. office.

- D. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
- E. In the event an alleged grievance involves an order, requirement, etc., the grievant shall fulfill or carry out such order or requirements, etc., pending the final decision of the grievance so long as such order, requirement, etc., is not illegal or does not entail a hazard to the teacher or student.
- F. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discussing it and having it resolved informally with the Board's representatives; provided that the Association be given the opportunity to be present at the hearings or meetings of such grievance and that the final decision by the Board is not inconsistent with the terms of this Agreement.
- G. It is understood by the parties that no grievance shall be filed or based upon any prior or previous agreement or upon any alleged grievance occurring prior to the effective date of this Agreement.
- H. It is understood that each grievance will be resolved on its own merits.

- I. Nothing in this Agreement shall deny to any teacher, or to the Association, the right to file a grievance alleging a violation or violations of any term or terms of this Agreement, except those items specifically excluded.
- J. Should the Superintendent or the principal decide to hold any grievance hearing during normal school hours, teachers participating in such hearings shall be released from their regular duties without loss of salary. The expense and compensation for attendance of any teacher, witness or participant in arbitration shall be paid by the party calling such teacher or witness or requesting such participant.

All meetings concerning grievances are to take place at reasonable hours and will not interfere with assigned duties unless said meetings are called by the school administration or Arbitrator.

The grievant and up to two (2) other witnesses and the Association grievance chairperson shall be released from their work responsibilities to be present at such meeting with no loss of pay. If the Association desires additional witnesses, they will be granted Association days in order to attend the hearing. The Association will pay the Board the costs for substitute teachers, if necessary, if such substitutes are required to replace teachers called upon as Association witnesses.

Any matter subject to the grievance procedure which has been filed before the expiration of this Master Agreement shall be processed through the entire procedure, if necessary.

Accordingly, the Association agrees, on behalf of itself and all those whom it represents, that the no-strike provisions of the Public Employment Relations Act (Act 336 of 1947, as amended) will be faithfully observed at all times.

ARTICLE XIX
ASSOCIATION PREROGATIVES

- A. Association officers and representatives shall be entitled as a group to receive a total of twenty-five (25) days of paid leave during the school year without expense compensation to attend Association conventions, meetings, negotiations, arbitration hearings, and for the purpose of presentation. Five (5) of these days may be taken as either whole or half days (to equal 10 half days). The President of the Association shall notify the Human Resources Office at least two (2) school days in advance. In emergency situations, leave may be granted on shorter notice. For the duration of this Agreement the President shall be entitled to up to ten (10) additional days of paid leave, for Presidential Association business, without cost to him or the Association.
- B. The Board shall provide, at no cost to the individual or the Association, half-day release time for the President of the Association. At its discretion, and with the agreement of the Association President, the District may assign to the Association President responsibilities including, but not limited to, the evaluation and curriculum committee liaison.

Part of the release time responsibilities may include workshops with the lead mentor and the district mentoring program, organizing new teacher workshops and trainings, program needs and operating criteria for the mentoring program. Should the legislature, during the effective dates of this agreement, act to limit or prohibit the District supplied release time herein provided, the District shall, throughout the effective dates of this agreement, continue to provide the release time unless such continuation is expressly prohibited by law.

1. Should the President be a secondary teacher, he/she will be released the last half of the day.
2. Should the President be an elementary school teacher or a teacher in a non-classroom assignment, he/she will be released according to a mutually agreed upon arrangement to equal the time specified in item 1.

Should the Association deem it necessary to provide additional release time for the President that is above what is provided in this agreement, the Association will pay the additional cost above the contractual amounts. The Association must notify the Human Resources office of their intent to utilize this clause no later than February 1st for the following year.

The Association President will be provided with a reserved parking space at his/her designated building to be selected by the Association President.

The Association President will have an opportunity to have a printer that is provided and maintained by the association.

- C. Vending machines, approved by the administration as to size, may be installed in the teachers' lounge of each school by the West Bloomfield Education Association, which shall be solely responsible for the maintenance and operation of the machines.
- D. The Board shall make available to the President of the Association, or his/her designee, upon his/her reasonable requests, such statistics or financial information in the possession of the Board as are relevant to the negotiation of collective bargaining agreements succeeding this Agreement. It is understood that the foregoing shall not be construed to require the Board to compile information or statistics not already compiled. Original records of the foregoing specified information are to be examined only at the office of the Board. If the President of the Association or his/her designee requests copies of any such material, then the Association agrees to reimburse the Board for actual expenses incurred in furnishing such copies.
- E. The Association shall have the privilege of using school building facilities at all reasonable hours for meetings, without charge, during normal working hours of the custodians, provided such meetings shall not interfere with other regularly scheduled activities and provided the principal shall designate the location of said meeting within the building. Bulletin Board space in lounges and usual school mail facilities shall be made available to the Association, provided that the Board shall have no responsibility in any way for any material in connection with use of school mail facilities. All Association communications shall be signed by a member of the WBEA Executive Board prior to distribution through the school mail facilities. The Association shall maintain bulletin Boards in an orderly fashion, and bulletin Board postings shall be signed by an Association officer.
- F. The Board shall provide an agenda of each regular and special Board meeting on or prior to the date of the meeting.

The Board shall also provide the Association with a copy of the unofficial (not approved by the Board) minutes of each regular and special Board meeting within five (5) school days of the meeting.

The Board shall continue to provide the Association with copies of the official minutes of each regular and special Board meeting. These copies will be sent within ten (10) school days after the minutes have been approved through the school mail addressed to the Association representative in each building.

The Board shall annually furnish the Association with copies of each building handbook.

- G. The Association shall have the privilege of using computers, other copy equipment, and all types of audio-visual equipment in connection therewith, subject to the following:
 - (1) Such equipment may be used only during other than the normal school day, which includes lunch and planning periods.
 - (2) Such equipment may be used only when such use will not interfere with use of such equipment by the Board.
 - (3) The Association shall provide all materials and supplies incident to such use.
 - (4) The Association shall pay for any and all damage to such equipment caused by its use or misuse.

- (5) Materials and equipment may be used only for Association business, except that it is not to be used for communications containing material derogatory of the Board or Administration.
 - (6) The building principal or his/her designated representative shall be advised prior to the use of the previously mentioned equipment.
 - (7) The Association shall not use services of secretaries, clerks, typists or stenographers hired by the Board.
- H. The hours immediately following the normal school day on the third Monday of each month will be the normal time for Association meetings. Such meetings will take precedence over any other meeting or activity tentatively scheduled for that time.
- I. The Board will provide to the President of the Association daily access to the school district's email and internet system. This email and internet access will be provided in his/her classroom and department office.
