EMPLOYEE AND ASSOCIATION RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee covered by this Agreement shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee covered by this Agreement in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any employees covered by this Agreement with respect to hours, wages or terms or condition of employment. The Association also agrees that it will not discriminate against any member of the Association with respect to hours, wages or terms or conditions of employment.
- B. The Board shall grant the Association use of school buildings for Association meetings. The use of these buildings shall be at reasonable hours. Any use of buildings shall be governed by Board policy.
- C. Employee representatives of the Association shall be permitted to transact official Association business on school property, provided this shall not interfere with or interrupt normal school operations.
- D. The Association shall have the right to post notices of Association activities on a bulletin board in a mutually agreed upon location, provided, further, that the bulletin board shall not be used by the Association for political material or the like.
- E. No employee shall be prevented from wearing reasonable insignia, pins, or other identification of membership in the Association either on or off school premises.
- F. Association Leave:
1. There shall be five (5) days per year to be used for association business if needed, to be used in increments of one (1) hour or more. These days must be approved by the Association President and will require a five (5) day written notice to the immediate supervisor. Under extenuating circumstances, the five (5) day written notification period may be waived by the Superintendent. An employee approved to use a day will be paid at the employee's base rate (not overtime) and no deduction in the employee's paid leave will result. The district reserves the right to deny association days when the absence of an employee would cause an extreme hardship to the district.
 2. Additional days, if needed, may be granted by the Superintendent/designee upon request of the Association President.
 3. If the Association President/designee is called in during uncompensated time by the administration, the President/designee will be paid at base rate for a minimum of one-half (½) hour.

- D. Time lost due to action taken by the district in connection with any incident mentioned in this Article shall not be charged against the employee if exonerated of the charge.
- E. Employees shall be verbally notified of complaints made against them by parents. No action shall be taken nor shall any notice thereof be included in said employee's personnel file unless such matter is promptly reported in writing to the employee concerned. Assistance of the administrative staff will be given in the disposition of the complaint.

ARTICLE VI

JOINT COMMITTEE

- A. When important matters of mutual interest to the employer and the Association occur, a Joint Committee may be created to discuss alternatives available.
- B. Should it become necessary that the representative(s) of the Board and Association meet to discuss a problem of mutual interest, the parties, through mutual consent (and with the approval of the Superintendent/designee), may schedule meetings during duty hours. In such cases, the employee(s) representing the Association shall not suffer loss of pay or paid leave.

ARTICLE VII

JURISDICTION

- A. The employer agrees to respect the jurisdictional request of the Association and shall not require employees, other than employees of this Association, to perform work which is recognized as the work of the Association in the units in which they are employed, except in cases of emergencies, acts of God, or unavailability of an employee or substitute employee. The Board's use of judgment and discretion shall be limited only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.
- B. The Association agrees that when employees are placed on a return-to-work program from a Workers' Compensation leave or injury leave, those employees of this Association may be assigned work to a light-work position in any unit of this Association or to a non-union position during their period of recovery. The rate of pay would be at the rate of the employee's regular position.
- C. The Association agrees that head custodians may perform custodial work of this Association as long as such performance does not decrease the number of members in the Association from the July 1, 1985 level, and such work is not done on an overtime basis, unless in an emergency situation.
 - 1. In the event of a layoff in accordance with Article XIII, the provisions of Section C, above, will continue in full force and effect.
- D. Programs that would have local, county, state, or federal workers doing bargaining unit work will only be implemented with the understanding that no employee of the affected unit will lose their job.

ARTICLE VIII

DISCIPLINE, SUSPENSION AND DISCHARGE

- A. The employer shall not discipline, suspend or discharge any employee without just cause.
- B. In imposing any discipline on a current charge, the employer will not take into account any prior infractions which occurred more than twenty four (24) working months previously, provided however, that any offense involving moral turpitude shall be grounds for dismissal whenever discovered. Oral step 1 reprimands will remain in the personnel file for twelve (12) months. All other written reprimands (step 2 and beyond), warnings or suspensions, with or without loss of pay will remain in the personnel file for twenty four (24) months.
- C. An employee will be notified of discipline regarding violations of the contract within five (5) working days of the incident. The five (5) working day limit shall not apply when an employee is not working while on sick leave, vacation, holidays, etc. An employee can be disciplined only once for the same incident unless an investigation supports further action.
- D. Oral or written reprimands or warnings, suspensions, with or without loss of pay, or other discipline, including discharge, will be discussed with the employee in private. An Association Representative may be present at the option of the employee.
- E. Should the discharged, suspended, or disciplined employee consider the action to be improper, a complaint shall be presented in writing through the Association Representative to the employer within five (5) regularly scheduled working days after receiving the notification. The Board, or its designated representatives, shall review the discharge or discipline and give their answer within five (5) regularly scheduled working days after receiving the complaint. If the decision is not satisfactory to the Association, the matter shall be referred to the grievance procedure. In situations where a discharge is involved, the matter will be referred to the Superintendent's level of the grievance procedure.
- F. Discipline, suspension or discharge of a probationary employee shall not be subject to the grievance procedure. In cases of discharge, the Superintendent or his designee agrees to hold a hearing upon written request of the employee involved. The Superintendent or his designee shall render a written decision to the employee within ten (10) working days following the hearing. The decision of the Superintendent will be final.
- G. Employees may review their personnel file pursuant to the Bullard Plawecki "Employee Right To Know Act," Public Act 397, as per school district procedures.

ARTICLE IX

PROBATIONARY EMPLOYEES AND SENIORITY

- A. Employees hired new to the district, or rehired after having resigned, who are members of this bargaining unit, as defined, shall serve a probationary period of ninety (90) actual working days in their job assignment. The ninety (90) working day probationary period shall be accumulated within not more than one (1) year. The ninety (90) working day probationary period shall be extended for any absences (excluding jury duty) of the employee during that period, by the number of said absences, which will result in the adjustment of the employee's seniority date. Based on the employee's written evaluation and at the discretion of the Administration, the ninety (90) work day probationary period may be extended up to an additional ninety (90) work days.
1. Custodians who worked as a substitute employee for 90 work days or more within the previous twelve months shall serve a 45-work day probationary period if hired as a permanent employee.
- B. After ninety (90) work days in their job assignment, credit for vacation allowance, paid leave and holiday pay shall be granted to the employee for whom this agreement provides vacation allowance, holiday pay and/or sick leave. Such benefits shall not be retroactive to their date of hire.
- C. Seniority will be figured from the date of hire. If an employee has seniority in the bargaining unit, leaves the bargaining unit for another job within the district, and later returns to the bargaining unit, previously acquired seniority shall remain in effect. No seniority shall accrue for time spent working outside the bargaining unit. Any time spent working for the district, outside the bargaining unit, as a fulltime employee (forty (40) hours per week) shall count fully for salary schedule placement, longevity pay and vacation allowance. Return shall only be to an open position after transfers, recalls, and/or returns from leave, if any, have been completed.
- D. Seniority will be determined as follows when more than one employee in a classification has the same seniority date.
1. Custodians hired on or after July 1, 1990 shall have seniority determined by date and time of hire. Before that date, seniority will be determined by alphabetical sequence of last name at date of hire, with the last name starting with "A" having the highest seniority.
 - All members will have their seniority determined by date and time of hire.
- E. The Board will provide annually to the Association a seniority list showing the names of all employees in the bargaining unit, salary step, hourly rate, and date of hire as of the effective date of this Agreement. The Board will provide all information needed to keep the seniority list current to the Association President/designee.

ARTICLE IX PROBATIONARY EMPLOYEES AND SENIORITY (con't)

F. Loss of Seniority: Employees shall lose seniority for the following reasons:

1. If the employee quits or retires.
2. If the employee is discharged and the discharge is not reversed through the grievance process of this Agreement.
3. If the employee fails to return to work from layoff when recalled from layoff, as set forth in the recall procedure provided herein, unless explanations for the absence and lack of notice which are satisfactory to the employer are given.
4. Any absences during the probationary period, excluding worker compensation and jury duty, will result in an adjustment of the employee's seniority date by the number of said absences. (Example: Hire date of November 15, probationary employee has five absences, the new seniority date will be November 20.)

ARTICLE X

PROFESSIONAL GRIEVANCE PROCEDURE

A. Definition of Terms:

1. Grievance An individual or Association claim stipulating a violation, misinterpretation or misapplication of any provision of the Master Agreement.
2. Grievant Term used to specify one person, a group of persons, or Association, whichever the case may be.
3. Association Term used to specify the Clarkston Association of Support Personnel.

B. Procedure in Registering a Grievance:

1. It is the grievant's responsibility to bring the grievance to the awareness of the immediate supervisor within five (5) work days of the alleged violation. The grievant, if desired, may be accompanied at any time during the proceedings by an Association Representative.
2. If no solution to the grievance is found in Step 1., the grievant must, within five (5) work days, resubmit the grievance, in writing, to the immediate supervisor or building principal, utilizing the Professional Grievance Report Form (form on file in buildings). Within five (5) work days of receipt of the written grievance, the immediate supervisor or the building principal shall meet with the grievant in an effort to resolve the grievance. The immediate supervisor or the principal shall indicate their disposition of the grievance in writing within five (5) work days of such meeting. If the grievance is not filed within the designated time limit, the grievance shall be considered waived. All grievances submitted must indicate the Article and Section of the Master Agreement being violated, the nature of the grievance and the remedy requested.
3. If the grievant is not satisfied with the immediate supervisor's or building principal's disposition of the grievance, or if no disposition has been made within five (5) work days of such meeting, the grievance shall be transmitted to the Superintendent within five (5) work days. The Superintendent or the designee, within ten (10) work days, shall meet with the grievant, the immediate supervisor, or the building principal and shall indicate the disposition of the grievance in writing and shall furnish a copy thereof to the Association.
4.
 - a. If the grievance is not settled in Step 3., the Association may, within ten (10) work days after receipt of the written decision, request that the grievance be submitted to arbitration. The request for submission to arbitration shall be made by written notice delivered to the Board of Education office.
 - b. Within ten (10) work days after the date of a written request for arbitration, a committee of the Board, or its designated representative, and the Association shall make every reasonable effort to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator within the ten (10) work day period herein provided, either the Board or the Association may, within twenty (20) work days after the date of the written request for arbitration, request the American Arbitration Association to submit a list of qualified arbitrators.

ARTICLE X - PROFESSIONAL GRIEVANCE PROCEDURE (con't)

The arbitrator shall then be selected according to the rules of the American Arbitration Association, and the hearing shall be conducted under the rules of said Association.

- c. The arbitrator shall hear the grievance in dispute and shall render a decision in writing and shall set forth the findings and conclusions with respect to the issue submitted to arbitration. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction, if within the scope of the authority as set forth herein.
 - d. The arbitrator shall have no authority except to pass on alleged violations of any express provision of this Agreement and to determine disputes involving the application or interpretation of any express provision of this Agreement.
 - e. The arbitrator shall have no power or authority to add to, subtract from or modify any of the terms of this Agreement and shall not substitute his/her judgment for that of the Board where the Board is given discretion by the terms of this Agreement. No matter involving a probationary employee shall be considered or decided upon by an arbitrator. Any matter involving the content of employee evaluations shall not be subject to arbitration.
 - f. The arbitrator's fees and expenses shall be shared equally by the Board and the Association. The expenses and compensation of any witness or participant in the arbitration shall be paid by the party calling such witness or requesting such participant.
 - g. During the arbitration proceedings, introduction of evidence and issues not previously disclosed during the defined steps of this grievance procedure shall be prohibited to both parties unless by mutual consent.
5. Nothing contained herein shall be construed to prevent any grievant from presenting a grievance and attempting to arrive at a solution without intervention of the Association, if the solution is not inconsistent with the terms of the Master Agreement.
 6. Grievance procedures as discussed in this Article of the Master Agreement will be adhered to during hours that do not conflict with normal working duties, unless time adjustments are mutually agreed upon by both parties.
 7. Notwithstanding the expiration of this Agreement, any grievance arising during the term of the Agreement may be processed through the grievance procedure, so long as the time limits set forth above are complied with.

ARTICLE XI

CONDITIONS OF EMPLOYMENT

Therefore, vacancies and new positions posted after July 1, 1997, are subject to the provisions of Article XII, Section B. 2.
 - a. Lunch Period:
 - (1) The lunch period will be thirty (30) minutes in length, duty free. If an employee's lunch period is interrupted, that employee will be allotted additional time during that shift to make up the difference.

The employee working a split assignment has the option of building if the split is discontinued the other position shall be posted.

ARTICLE XI - CONDITIONS OF EMPLOYMENT (con't)

If the position is one that typically has that shift adjustment, then it will be posted as such. If no one accepts the position, the current employee in that position will have their hours adjusted.
- e. An involuntary adjustment of hours may be made when relationships of co-workers create situations that may negatively affect the work place. The Superintendent or the Executive Director of Human Resources shall notify the employee of the reasons for such adjustment of hours. If the employee objects to such adjustment for the reasons given, the dispute may be resolved through the grievance procedure.
- f. In the event a second shift custodian is called to work days, such occasional shift change is to be rotated among second shift custodians in that building on a seniority basis. This provision shall not apply to emergency situations.

 - (1) A custodian may request, in writing, a change of shift starting time to the immediate supervisor. If denied, the custodian may appeal the decision to the Director of Buildings and Grounds within five (5) working days. Within five (5) working days, the Director of Buildings and Grounds will respond. If denied, reasons will be given.
- d. An employee with seniority shall have the option of the earlier shift time.

B. OVERTIME

- 1. Overtime shall be defined as assigned hours, exceeding forty (40) hours per week, or eight (8) hours per day, and will be paid at the rate of one and one half (1½) times the regular rate.

Anytime the contacted employee is available and accepts an overtime opportunity, his/her name is placed at the bottom of the rotation list. The next overtime opportunity that becomes available, the head custodian will contact the person at the top of the list, which would be the person following the last person that accepted an overtime opportunity.

ARTICLE XIII

LAYOFF AND RECALL

- A. If it becomes necessary to reduce the number of employees through general layoff, probationary employees will be laid off first. All other employees will be laid off in order of seniority in their classification. (The employee having the least seniority will be laid off first.) Recall will be in reverse order of layoff.
1. If, as a result of layoff, a seniority employee would be moved to a position that the employee feels would be unacceptable, that employee may choose to be voluntarily laid off and the highest seniority employee scheduled to be laid off would be recalled to such position.
 2. If, as a result of layoff, a seniority employee is moved to a position not previously occupied by said employee, a thirty (30) working day trial period will be in effect. If, within twenty (20) working days of the start of the trial period, the employee, the supervisor, or the Executive Director of Business Services determines that the employee is having difficulty with the assignment, one of the following options will apply:
 - a. The employee may be transferred voluntarily or involuntarily if such transfer would not result in the layoff of an employee of higher seniority.
 - b. The employee may be voluntarily laid off and the highest seniority employee on layoff will be recalled.
- B. All employees will be given a minimum of thirty (30) calendar days notice if layoff becomes necessary. In the event of a severe financial emergency, and after consulting with the Association President, the thirty (30) day notice provision may be shortened to no less than ten (10) work days.
- C. If a laid off employee resigns during layoff, the laid off employee will receive severance pay for unused paid leave days according to Article XIX, Compensation, Section F.
- D. A recall notice will be sent by registered mail to the address currently recorded in the Board of Education Office. Failure to respond within ten (10) working days will be deemed a resignation. Each employee on layoff will be responsible for informing the Personnel Department of any change of address for notification.
- E. Laid off employees will remain on recall status for a time equal in length to their seniority in the district or three (3) years, whichever is lesser, but no less than twelve (12) months. No laid off employee shall be obligated to accept a part-time position to maintain their recall rights. However, acceptance of an interim part-time position will not prevent the employee from being recalled to his/her regular position.
- F. In the event, that the Board elects to layoff all or substantially all bargaining unit members working in a job classification, the members shall be given at least seventy-five (75) calendar days written notice, except in the event of a severe financial emergency as stipulated in Section B of this Article.

- G. Supersedence of Policy This Agreement shall supersede any rules, regulations, policies or practices of the Board which shall be contrary to or inconsistent with its terms.
- H. Notification The Association will notify the personnel office of currently elected officers or changes in officers or representatives. The personnel office will notify the current Association President of any new personnel hired, upon written request.
- I. Medication Employees of this bargaining unit are covered under the School District Liability Policy. If any employee is complained against or sued in conjunction with first aid and/or administering medication, the Board shall render all justifiable assistance to the employee in defense of such complaint or suit according to the terms of the liability policy.
- J. Free Checking Account A free checking account shall remain in effect up to one (1) year while on sick leave or layoffs. However, bank rules and regulations shall control.
- K. Employee Handbooks Any changes in a current Employee Handbook or the Bus Code of Conduct will be shared with the Association prior to implementation.
- L. School Closing: (Following successful completion of probationary period)
 - 1. Custodians
 - a. When schools are closed due to snow or ice, acts of God, or lack of power, custodians are to report to work as soon as possible. They must contact the Executive Director of Buildings and Grounds if they are having difficulty getting to work. If the Executive Director of Buildings and Grounds cannot be reached, a message must be registered with the Board of Education office.
 - (1) All custodians would report on a day shift schedule.

If, on a day school is closed, it is determined by the Administration that a scheduled activity in any building requiring custodial services will continue during the second shift hours, the Administration would first seek volunteers to work the time needed for such activity. If there are no volunteers, a custodian or custodians that normally work second or third shift shall be assigned by seniority (lowest first) to report for this assignment. Recurrences during any contract year will be rotated between the second and third shift custodians on a seniority basis.

ARTICLE XX - MISCELLANEOUS PROVISIONS (con't)

- (2) Overtime will only be paid according to Article XI, Section IV, B. (Custodial Section). If a split shift occurs on an inclement weather day, it is expressly understood that overtime will only be paid if more than eight (8) hours are worked and such overtime is authorized.
- b. A non-designated day may be used in case the custodian cannot report to work so as to avoid loss of pay.
- c. The custodian will have the option of applying earned vacation time to avoid loss of pay if he/she cannot report to work.
- d. Employees not electing to use vacation time will be paid only for hours worked that day.
- e. If the Administration determines that conditions such as loss of heat, power or water in a building do not warrant custodial presence, custodians will be relieved of their shift obligation without loss of pay or paid leave. It is understood that if custodial presence is required in particular situations, only the minimum number of custodians needed will be required to stay. This decision will be made by Director of Buildings and Grounds or Superintendent/designee.
- f. If it is determined by the Administration that weather conditions are hazardous to the custodians' safety and wellbeing, the custodians will be relieved of their shift obligation without loss of pay or paid leave.

M. Student Discipline

1. The Employer shall support and assist bargaining unit members with respect to the maintenance of control and discipline of students in the bargaining unit members' assigned work areas. Bargaining unit members may use such reasonable physical force with a student as is necessary to protect the personal safety of themselves or staff members, visitors, or other students, or to prevent damage to district property. Employees should be familiar with alternatives to corporal punishment as listed in Board of Education Guideline 5630.

N. Summer Unemployment Compensation Pay-Back

1. An employee of this Association who is less than a 52 week employee and who is laid off and who is paid unemployment compensation benefits, chargeable to the district during the summer immediately following the layoff, and who is subsequently recalled to a position during the next school year within two (2) calendar weeks of the beginning of the next school year, shall have his/her compensation adjusted by the gross dollar amount of the unemployment compensation benefits received for all periods and/or days during the summer recess. The adjustment will occur over the first three (3) pay periods after recall or after the district becomes aware of the unemployment compensation payments.

ARTICLE XX - MISCELLANEOUS PROVISIONS (con't)

- O. The Board and Association agree to mutually work toward reducing absenteeism among employees. Excessive absenteeism may be grounds for disciplinary action, including dismissal.
- P. Any member who is to meet for discipline or contract concerns will have a CCA representative present if desired. Any other meetings with a supervisor or parents may be rescheduled or delayed if the member has need of representation after the meeting has started.
- Q. Each member shall wear the assigned uniform to work, which consists of shirts and pants/slacks. Approved uniform shorts, no more than two (2) inches above the knee, may be worn from June 1 – September 15. An employee may not wear shorts while working with chemicals and/or certain equipment for safety reasons.

GRIEVANCE REPORT FORM (continued)

APPENDIX A

ANTI-DRUG AND ALCOHOL ABUSE POLICY

The following anti-Drug and Alcohol Abuse Policy states:

I. ILLEGAL, UNAUTHORIZED DRUGS AND ALCOHOL:

No employee can report to work displaying the effects of illegal, illicit, controlled or unauthorized drugs while on duty. No employee will take, make, sell, give, transport or possess a controlled or illegal substance which is considered a covered substance under the Controlled Substance Act (CSA). This, specifically, includes all Schedule I and II substances identified on page 48 and 49 and Schedule III through V substances being used or possessed without approval, legal prescriptions or authorization.

A. Controlled Substance Acts are contained within Title 21 of the United States Code [Section 802(6). Food and Drugs] and use and possession of these controlled substances is unlawful under Chapter 13 of that title [Section 801 et. seq.].

B. Drug Tests: The District will utilize testing procedures with scientifically valid protocols and that meet the certification criteria of the Substance Abuse and Mental Health Services Administration (SAMHSA), formerly known as the National Institute of Drug Abuse (NIDA). The only approved drug tests are urinalysis samples analyzed by U.S. Department of Health and Human Services-certified laboratories. The District and the laboratories utilized are compliant with 49 CFR, Part 40, Procedures for Transportation Workplace Drug and Alcohol Testing Programs.

1. All urine samples will be subjected to an initial screening utilizing an immunoassay technique.
2. Specimens with negative test results following the initial screening will be reported to our Medical Review Officer (MRO) as negative tests. The initial screening test is designed to eliminate negative tests from any further consideration. The MRO will, in turn, report those tests to us as negative screening tests. The Medical Review Officer servicing our needs is indicated below.

Drug Education and Compliance System
1745 Dacosta Street
Dearborn, MI 48128

APPENDIX A (con't)

3. Specimens with positive test results following the initial screening will be subjected to a laboratory-administered analytical procedure to identify the presence of a specific drug or metabolite.
 - a. This confirmatory test must by definition, be independent from the screening test.
 - b. To ensure reliability and accuracy, the confirmatory test must use a technique and chemical principal different from the screening test.
 4. Gas chromatography/mass spectrometry (GC/MS) is the only authorized confirmation method for cocaine, marijuana, opiates, amphetamines and phencyclidine.
 5. Protested positive test results allow the employee or applicant to submit a split sample portion of the original specimen required by Federal regulations immediately, and without prior notice, for testing.
 - a. If the split-sample urine drug screen test is requested, the applicant will pay for the test.
 - b. If the split sample's test's results overturn a first test positive, the test will be reported as a negative and a copy of the second test results, and only the second test's results, will be placed in the employee's driver's or personnel file and a copy provided to the employee or applicant.
- C. Breath Alcohol Tests: Only those tests with approved protocol issued by the United States Department of Health and Human Services will be permissible. Certified Breath Alcohol Technicians will administer our alcohol tests using devices appearing on the Conforming Products Lists (CPL) and approved by the National Highway Traffic Administration (NHTSA).
1. Initial screening to determine the presence of alcohol in an employee's body will utilize an analytical procedure and device to determine if an employee has a prohibited level of alcohol in his or her system. If the initial screening indicates a breath alcohol concentration of above 0.02 percent, a confirmatory test will be administered.
 2. A confirmatory test following the initial test with a test result of 0.02 percent or greater will be administered within 30 minutes of the initial test result. The confirmatory test will result in a quantitative result measuring alcohol concentration within an employee's body as measured by breath.
 3. At the time of this document, blood testing is not an approved technique for determining the presence of alcohol in one's body.

APPENDIX A (con't)

- D. Reasonable Cause, for Cause or Reasonable Suspicion: is identified within 49 CFT, Part 382 as the employer's determination that, based on specific, contemporaneous, articulable observations, the employee's appearance, behavior, speech or body odors suggest the use of controlled substances and/or alcohol.
1. When a urine drug screen and/or breath alcohol test is required, the supervisor initiating the test action must complete the supervisor's incident report by our independent authority. A copy of the report must be completed within 24 hours or before the results of the test become known to the District, whichever comes first.
 2. A trained supervisor must personally observe the incident leading to a drug and/or alcohol test. We cannot authorize a reasonable suspicion test based on a third party observation or information of alcohol or drug use or possession.
 3. A trained supervisor is one who has received not less than sixty (60) minutes of initial training in detecting the signs and symptoms of drug use and sixty (60) minutes in detecting the signs and symptoms of alcohol use and abuse.

II. TEST LEVELS:

- A. Controlled Substances: An employee will be considered to have failed (with a positive test result) an administered urine drug screen if, after confirmed analysis, test levels show a reportable presence more than the allowable cutoff levels defined in 49 CFR, Part 40, 40.29(f). The reportable presence will be for any of five controlled substances included in Schedule I or II and listed on page 48 or 49. These schedules are defined by 802(6) of Title 21 of the United States Code [Section 802(6) of Title 21, Food & Drugs]. The possession of any of these drugs is unlawful under Chapter 13 of that Title [801 et. seq. of Title 21]. The term illegal drug does not mean the use of a controlled substance pursuant to a valid prescription or other uses authorized by law. Valid prescriptions used following the physician's instructions must be recorded and treated as negative test results.
- B. Controlled Substance Levels: All substance testing will be according to the guidelines established by the U. S. Department of Health and Human Services and the Department of Transportation, 49 CFR Parts 40, 382. Testing is required for the five families of drugs consisting of, amphetamines, cocaine, marijuana, opiates and phencyclidine and as further detailed on page 48 and 49. The use of such substances is unacceptable in our business environment.
- C. Alcohol Use: An employee will be considered to have failed (with a test result of 0.04 percent or greater) an administered evidential breath alcohol test administered by a certified breath alcohol technician. To be considered a confirming evidential test, a breath alcohol technician must have administered a preliminary (screening) breath test within the 30 minute period immediately preceding the evidential test. The preliminary test must have resulted in a reading of not less than 0.02 percent to warrant the evidential breath test.

APPENDIX A (con't)

- D. Low-end Alcohol Use: Any employee, testing 0.04 or above, shall be subject to disciplinary action up to and including termination. An employee submitting to a preliminary breath alcohol screening test with a result of 0.02 or higher, but less than 0.04 percent as confirmed by an evidential breath test is prohibited from performing their duties or continuing in a safety-sensitive function for 24 hours and shall be counseled on the availability of Employee Assistance Programs in the District and may be subject to other disciplinary actions.

Any bargaining unit member with an alcohol or drug abuse problem who voluntarily initiates diagnosis or treatment prior to any incident, will not jeopardize his/her job rights or job security and that such problems will be handled in a confidential manner.

Subsequent offenses may be subject to discipline consistent with the just cause provisions of Article VIII of this Agreement.

- E. Test Use: Any urine specimens collected may only be used to test for controlled substances designated or approved for testing and will not be used to conduct any other analysis or test unless otherwise specifically authorized by FHWA regulations. The accompanying Chain of Custody will reflect the nature of the test required.
1. Split Samples. The specimen collected must consist of not less than 45 milliliters of urine, 30 of which is poured into a container for initial testing. The remainder is then poured into a second container for storage. The testing laboratory will retain this sample for at least 60 days from receipt of both specimens by the lab.
 2. The split sample confirms contested test results if the primary sample shows a positive test result.
 3. Further, the program does not prohibit procedures incidental to an analysis of the specimen for controlled substances. The laboratories are authorized to conduct specific tests to determine if, in fact, the sample has been adulterated, diluted or tampered with. Such tests are approved and consist of tests to determine the specific gravity or to measure the creatine present in the sample.

III. UNION REPRESENTATION AND NOTICE

- A. The parties mutually recognize and agree that drug and alcohol testing are investigatory proceedings which may subject the employee to disciplinary action to which the employee is entitled to union representation. In order to assure affected employees of adequate representation, the Employer and the Union mutually agree to the following procedures:
1. The union shall be provided with simultaneous notice of any bargaining unit members who are selected for drug or alcohol testing.

APPENDIX A (con't)

2. Upon notice by the Employer or request by the affected employee(s), the union shall have the right to send a representative to the testing site, unless the employee is off site and required by Federal law to test immediately. Where practicable, such representative shall be one of the individuals trained in drug and alcohol testing.
 3. In the event that the medical review officer (MRO) initiates procedures to contact an employee as a result of a positive drug test, the employee shall have the right to contact a union representative to attend any interview between the MRO and the affected employee, whether in person or by telephone.
- B. All time spent by the union representative attending the testing of bargaining unit members or in investigatory meetings/conferences conducted by the MRO, the District or any of its agents, shall be considered working time and paid in accordance with the union representative's regular hourly rate.
