Except for the purpose of collecting dues or service fees from employees, the Union and its representatives shall have the use of school facilities according to the written policies of the Board of Education, which govern other community citizens' groups. The cost of hourly personnel required, materials, equipment use, additional maintenance and other expenses related to such use shall be charged to the Union at school district cost. The Union shall provide a list of Union Representatives and Union officers to the Board within ten (10) working days of an election and/or change of representatives or officers.

- C. Except for the purpose of collecting dues or service fees from employees, the Union shall have the privilege to use school business machines, school mail systems and audio-visual equipment for Union business, when such equipment isn't otherwise in use, after prior approval has been obtained from the supervisor of the equipment. The Union will pay for the cost of all materials and supplies incidental to such use based on school district cost. It is understood that use of district equipment will not interfere with student services.

Subject to the provisions of this Agreement, the Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves upon itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including but not limited to the following, the right to:

- B. Executive management and administrative control of the school system and its properties and facilities, and the school activities of its employees;

The exercise of the foregoing powers, the adoption of policies and the use of judgment by the Board shall be limited only by the terms of this Agreement, the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

ARTICLE 4 SPECIAL CONFERENCES

A. There shall be established under this Article a closed forum, hereinafter called "special conferences", for the purpose of improving Employer-Employee relationships. It is understood by the parties, however, that the special conferences are not to be construed or utilized as a grievance or "gripe" session. It is not to be considered as negotiations.

B. Special conferences will be arranged between the Union and the Employer or its designated representatives by mutual consent of the parties. Such conferences shall normally be between three representatives of the Employer and an equal number for the Union. Arrangements for the conference shall be made in advance; and a written agenda of the matters to be taken up shall be presented at the time the conference is requested. The names of the persons to be present shall be submitted prior to the conference. Matters taken up at special conferences shall be confined to those included in the agenda. If the special conference takes place during an employee's working hours, he/she shall not lose time or pay for reasonable time spent in such special conference.

C. The Union representatives may meet at a place designated by the Employer on the Employers premises for at least one-half hour (but not to exceed one hour) immediately preceding the special conference.

ARTICLE 5

GRIEVANCE PROCEDURE

- A. The primary purpose of the grievance procedure is to provide an amicable means of resolving conflicts, which may arise during the term of this Agreement without interruption of the school program. Further, it is the purpose of this procedure to secure at the lowest level possible equitable solutions to the concerns of the parties and to assure that a concern is processed and considered fairly, with all due speed, and without prejudice or reprisal.

- B. The Board and the Union agree that grievance proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Further, it is agreed that the use of the grievance procedure shall not be cited as a factor in the evaluation of an individual's character or performance.

- C. A "Grievance" is a claim based upon an employee's, a group of employees, or the Union's belief that there has been a violation, misinterpretation or misapplication of Articles 1 through 32 and the appendixes of this Agreement.

The grievance procedure shall not apply to any matter, which is prescribed by law, or state regulations over which the Board is without power to act. In addition, the Board shall not be liable when a problem arises from specific provisions of any insurance carrier's policies; however, the Board will exert every effort to assist in resolving such problems. An "aggrieved person" is the person or persons making the claim. An aggrieved employee may file a grievance. A grievance may also be filed by the Union whenever the grievance applies to more than one building or a group of employees.

- D. During each level where a grievance is reduced to writing, the written statement shall clearly specify:
 - 1. The specific section of the Master Agreement allegedly violated.

 - 2. When this alleged violation occurred.

3. In what way there has been a violation, misinterpretation, or misapplication of this Agreement.
4. The results of the previous level in the grievance procedure and why such results were unsatisfactory.
5. The name or names of the aggrieved person or persons, the manner in which they have been injured, and the proposed remedy or remedies for resolution of the grievance.

However, failure to include items one (1) through four (4) above shall not be cause for denying the grievance or contesting its arbitrability. Reasons and/or missing information needed shall be communicated in writing by the Supervisor to the Union within five (5) working days of receipt of the grievance. The Union shall have five (5) working days after receiving the aforementioned request to furnish the missing information to the Supervisor. The parties shall return to the herein outlined procedures thereafter.

- E. An aggrieved person or the Union believing that they have a grievance as defined in Section C. may file the grievance as follows:
With the understanding that no grievance shall be processed unless it is presented within twenty (20) working days of its occurrence.

Level 1

The aggrieved person shall first discuss the matter with the immediate supervisor with the objective of resolving the matter informally. A representative of the Union may be present. The aggrieved person shall clearly state that he/she is instituting Level 1 of the grievance procedure.

Level 2

In the event the matter is not resolved informally, the grievance may be reduced to writing and presented to the immediate supervisor within ten (10) working days. Fourteen (14) calendar days shall be substituted for ten (10) working days during the summer vacation period. The supervisor shall, within ten (10) working days, meet with the aggrieved person in

an attempt to resolve the matter. Within ten (10) working days after such meeting the immediate supervisor or other designated representative of the Board shall render a written decision detailing the disposition of the grievance. A representative of the Union may be present at any meetings held at Level 2.

Level 3

If the grievance is still unresolved, it can be appealed to the Superintendent or designee within ten (10) working days. The Superintendent or designee shall within ten (10) working days after receipt of the written grievance meet with the aggrieved person in an attempt to resolve the matter. A representative of the Union may be present at this meeting. Within ten (10) working days following the meeting, the Superintendent or designee shall answer the grievance in writing and shall forward said answer to the Union.

Level 4

If the Union is not satisfied with the disposition of the grievance by the Superintendent or the Superintendent's designee the grievance may be submitted to arbitration before an impartial arbitrator.

Within ten (10) school days after the date of a written notice of submission of a grievance to arbitration, representatives of the Board or the Union shall file a request with the American Arbitration Union for a list of qualified arbitrators. The arbitrator shall be selected in accordance with the rules and regulations of the American Arbitration Union. The Board and the Union shall be permitted to present only issues, concerns and evidence previously disclosed to the other party as admissible evidence at a hearing before an arbitrator. It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below after due investigation, to make a decision in cases of alleged violation, misinterpretation or misapplication of the Master Agreement between the Board and the Union.

1. The arbitrator shall not have the right or power to add to, subtract from or otherwise alter the terms of this contracted Master Agreement.
2. All claims for back wages shall be limited to the amount of wages that the employee

would otherwise have earned less any compensation that he/she may have received from any sources during the period of back pay.

3. Any grievance occurring during this agreement period shall be processed according to this Master Agreement.

4. Additionally, both the Board and the Union agree to:

a. Be bound by the award of the Arbitrator and agree that judgment thereon can be entered into any court of competent jurisdiction.

b. Share the fees and expenses of the Arbitrator equally. Employees called by the Union as witnesses will be granted leave with pay for the time required. The Union may be billed for the cost of a substitute, if such substitute is necessary. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expenses of a witness called by the other.

F. It is understood that the steps set forth in Section D. relating to the specific procedure for processing grievances and the time limits set forth in Section E., Levels 1 through 4, shall be strictly adhered to. The time limits set forth above in Levels 1 through 4 may be extended as may be mutually agreed to by the parties. Failure to comply with the aforementioned provisions of this grievance procedure at any Level shall be considered substantive and shall mean default by the party failing to conform unless by previous mutual consent of the parties. Such instances shall not set precedent and shall not cost the employee or the employer more than \$500. Defaults of a grievance valued at more than \$500 may be moved to the next level of the Grievance Procedure.

G. Any grievance initially presented at the wrong Level of the grievance procedure will be referred back to the appropriate Level without faulting the grievance.

H. For administrative convenience, the Board may cause complaints, which may be the subject of a grievance in Level 1 of Section E., to first be presented to a central office administrator or designee for informal grievances handled under the grievance procedure

herein established.

- I. An employee engaged during the school day on behalf of the Union for any of the grievance procedures detailed in this Article shall be released, upon approval of the immediate supervisor, from regular duties without loss of salary and without charge against any leave allowance.
- J. If the Board and/or its representatives believe there has been a violation, misinterpretation, or misapplication of any provisions of this Agreement, they may file a grievance with the Union. Such grievance shall be in writing and shall set forth the issue involved. Any item introduced into the grievance procedure shall be resolved within the confines of this Article. Representatives of the parties shall meet within fifteen (15) working days after receipt of such grievance and work toward the resolution of the issue.
- K. The records of grievances must be kept separate from the personnel file.
- L. The time limits set forth above may be extended by written mutual consent.
- M. A grievance may be withdrawn at any time without prejudice.
- N. Union representatives may meet at a place designated by the employer on the employer's property for at least one-half hour immediately preceding any meeting provided for in the Grievance Procedure.

ARTICLE 6
RESIGNATIONS, DISCIPLINE AND DISCHARGE

A. Resignations

1. Employees shall be required to give two (2) weeks' written notice of resignation to the Employer.
 - a. Such written notice of resignation shall be furnished to the immediate supervisor of the employee involved.
 - b. A copy of each resignation shall be furnished to the Executive Director of Human Resources by the employee.
 - c. Upon request to the Executive Director of Human Resources, the Union shall be furnished a list of employee resignations. Such lists shall be for the period of time since the last such information was furnished, but not longer than a period of twelve (12) months.
2. Employees may seek to terminate services with the Board upon less than two (2) weeks' notice to the Board.
 - a. Such employee(s) may choose to contact the Union and counsel with a Union representative.
 - b. Employee(s) who terminate services upon less than two (2) weeks' notice to the Employer and after compliance with other applicable sections of this section of the Agreement, shall forfeit any and all benefits due or to become due.

B. Discipline and Discharge

1. The Employer shall not discipline or discharge any employee without just cause, except that the discharge of a probationary employee shall not be subject to the just

cause standard.

- a. The Employer agrees, promptly upon discharge or suspension of an employee, to notify in writing the Union of the discharge or suspension.
 - b. An employee is entitled to Union representation at any employer interview with the employee if the employer reasonably believes the interview may result in discipline. However, if the conversation is of a preliminary or general nature prior to any indication of possible discipline, there is no such right. This section shall not prevent the employer from taking appropriate disciplinary action should it be required by unusual circumstances.
2. Grievances pursuant to this Article shall be initiated at Level 2 of the Grievance Procedure.
 3. The employer agrees that discipline shall be carried out in a timely fashion.
 4. A written reprimand shall include notice that the item is being placed in the employee's personnel file.
 5. Except for offenses which include serious misbehavior or patterned behavior which interferes with an individual's employment or work assignment, the parties adopt the concept of progressive discipline designed to necessitate corrected behavior and agree with the concept that the severity of the infraction should determine the degree of discipline to be imposed.

The following steps shall constitute the progressive discipline plan:

- Verbal warning
- Written reprimand
- Short-term suspension without pay (5 working days or less)
- Long-term suspension without pay (more than 5 working days)
- Termination of employment

ARTICLE 7 SENIORITY

Section I - Probationary Period

- A. The probationary period for all employees covered by this Agreement shall be ninety (90) calendar days. However, the ninety (90) day probationary period may be extended for the period of time an employee was absent during the probationary period. It is further understood the probationary period begins when the employee begins the first day of permanent employment. Time spent as a substitute or temporary employee shall not constitute any part of the probationary period.

- B. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and all other terms and conditions of employment as set forth in this Agreement, except that the Employer will have the right to discharge, for other than for Union activities, a probationary employee without a grievance filed or processed.

Section II - Seniority

- A. Definition:
 - 1. Bargaining Unit Seniority – begins on the first day of continuous employment as a bargaining unit member.
 - 2. Departmental Area Seniority (Transportation Only) – begins on the first day of continuous employment within a department/classification.

- B. When more than one employee is hired on the same day, seniority will be determined by blind draw. The Union and/or effected employee(s) shall have the opportunity to be present for the blind draw. In the event that a bargaining unit employee and a new hire are hired into a department on the same day, the Bargaining Unit employee shall be placed ahead of the new hire on the seniority list.

- C. In the event of layoff the employee shall continue to accrue seniority during that period.

- D. Effective July 1, 2006, bargaining unit employees may not work in food service and the transportation department concurrently even in a substitute position unless previously grandfathered prior to July 1, 2006. It is acknowledged that employees who worked in both departments and/or dual classifications prior to July 1, 2006, within the bargaining unit, accumulated department seniority concurrently.
- E. Transportation Department Only: Employees working in the Transportation Department shall accumulate and exercise "classification seniority" for the purposes of bidding and or layoff/recall. If an employee takes a position in another department, then the employee's seniority in the new department will commence on the first day worked. The employee's seniority in his/her original department shall be frozen at the time of change.
- F. In the event that an employee returns to a department where his/her seniority has been frozen, the employee's department seniority shall be "unfrozen" and the seniority date adjusted to exclude the period of time that seniority was frozen, provided that, within twenty (20) workdays of return to the department, the employee requests that the Human Resources Department make such adjustment. In the absence of the request, the seniority date will be the date of his/her return to the department.
- G. Seniority shall not be affected by race, color, creed, national origin, sex, marital status, or dependents of the employee.
- H. The Employer will keep the seniority list up to date and provide updated copies twice each year. The employer will make available to the Union a list of changes upon request.
- I. The process for a Transportation Department employee to exercise his/her seniority rights within a classification and/or within multiple classification is:
1. Employees shall be allowed to maintain and exercise seniority in multiple classifications. However, seniority within the employee's predominate classification (classification they work the most hours) shall not be applied to seniority for layoff or bidding purposes in any other classification in which they work. In other words, seniority is earned for all time worked only in that classification as it relates to layoff

and bidding.

2. The Classifications within the Food Service Department shall be:
Cooks, and Head Cooks
3. The Classifications within the Transportation Department shall be:
Bus Attendants, Bus Drivers, Bus Washer/Fuelers, Dispatchers, Alternate Dispatchers, Permanent Relief Drivers, Lead Technicians, Vehicle Technicians, and Vehicle Technician Helpers
4. Extra work and overtime shall be awarded in accordance with guidelines that have been mutually agreed upon by both parties.
5. Open positions shall first be awarded to an employee that holds a position within a classification, then to an employee from another classification within the same Department.
6. When an employee bids on an open position outside of his/her current classification the employee shall not exercise his/her seniority in the new classification until employees within that classification have had the opportunity to bid on the open position. Once this process has been followed, and the member is awarded a position within the new classification, they are considered in that classification and may exercise his/her seniority within the new classification.
7. Loss of classification status occurs for an active employee when an employee no longer holds a position within the classification. An employee on lay-off shall maintain his/her classification status during lay-off.
8. Department seniority, exercised within a classification shall be used to determine the successful bid on a posting/package.
9. The date of "Summer Bid Day" shall be used to determine the status of which classification or classifications an employee for the purposes of placing a bid on a posted position, selecting summer work, and selecting packages for the "Traditional Bid Day". (Work performed during the summer shall have no effect on an employee's classification status for "Traditional Bid Day")

- J. As of July 1, 2011, Food Service will no longer have "bid day" unless management and the union determine a bid day is necessary. Open positions will be filled through postings per contract.

Section III - Seniority of Union Officers and Representatives

Notwithstanding their position on the seniority list the Chief Steward and Union Stewards in each department shall have "super-seniority" in the event of a lay-off of any type and be continued at work as long as there is a job in their department for which they are qualified and able to perform and shall be recalled to work in the event of a lay-off on the first open job in their unit which they are capable of performing.

Section IV - Loss of Seniority

An employee shall lose seniority for the following reasons only:

1. The employee quits.
2. The employee is discharged and the discharge is not reversed through the grievance procedure set forth in this Agreement.
3. The employee is absent for three (3) consecutive working days without notifying the employer, unless completely unable to notify the Employer. The employee does not return from sick leave or from a leave of absence within three (3) days after expiration of such, unless completely unable to notify the Employer and return to work. After such absence, the Employer will send written notification to the employee's last known address that the employee's seniority is lost and employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.
4. The employee does not return to work when recalled from lay-off as set forth in the recall procedure.
5. The employee retires.

ARTICLE 8 LAYOFF AND RECALL

Section I - Layoff defined

- A. The word "Layoff" means a reduction in the working force due to a decrease of work or limitation or reduction in operating funds or other reason determined by the board. The Board shall have the sole responsibility for determining the positions to be reduced and the extent of such reductions subject only to Section F below. However, at least five days (5) prior to the notice of layoffs, the Board shall meet with the Union in a Special Conference to provide the reasons in writing.

- B. If it becomes necessary for a layoff, the following procedure will be mandatory. Temporary employees will be laid off first. Next, Probationary employees will be laid off on a department-wide basis. Employees will be laid off according to seniority. Seniority employees laid off shall be able to move into any classification within the department where their seniority will allow provided they are qualified and can perform the job.

- C. In the Food Service Department, those being reduced/displaced can only bump someone with the same number of hours or less (as established at the beginning of the current school year).

- D. The Board may further reduce the work force by requesting voluntary layoffs from members of the bargaining unit. The Union will be notified when this section of the contract is to be implemented and the request(s) shall include the specific length of time involved in each proposed voluntary layoff. Employees taking voluntary layoffs shall continue to accrue seniority during such layoff.

- E. During a period of layoff within a given classification, temporary employees shall not be utilized for other than normal employee absences unless all eligible employees on layoff decline temporary work.

- F. Employees who are to be laid off will have at least eighteen (18) calendar days notice of layoff. The Union President shall receive a list from the Board of such employees being laid off on the same date the notices are issued to the employees.

- G. In the event of a work stoppage implemented by another employee unit, the employees affected may be laid off on an emergency basis without regard to Section E. above. However, if the full work year for the affected employees can still be scheduled, then such temporary layoff shall be considered an emergency work schedule change and shall not constitute a period of unemployment.

Section II - Recall Procedure

- A. Laid off employees shall be placed on a list for a period of two (2) years and recalled in the order of seniority to vacant or newly created positions within the department in which they were laid off and for which they are qualified and can perform the job. Any such reinstatement shall not impede the opportunity for transfer or promotion as outlined in Article 11 of this Agreement.

- B. The District shall post, on the HVS website, notices of job vacancies which occur while employees are away from their jobs. Employees may also call the Human Resources Department to receive information on current postings.

- C. Notice of recall shall first be attempted by telephone; recall shall then be by written notice and sent to the employee at his or her last known address by registered or certified mail. Within seventy-two (72) hours after receipt of the recall notice, the employee shall notify the Board in writing of his or her intention to return to work and within seven (7) days after receipt of the notice of recall, the employee shall return to work. In proper cases, exceptions may be made.

- D. Employees recalled shall be reinstated with their accumulated sick bank and vacation entitlement in effect at the time of the employee layoff.

- E. An employee may refuse to accept a position in a classification other than the classification

at the time of layoff, and remain on the layoff list. If no employee on layoff accepts the recall, the lowest senior employee in that classification, who is qualified and can perform the job, must accept the recall or be dropped from the recall list. An employee will be removed from the list if they refuse to accept a position in the classification from which the layoff initially occurred.

ARTICLE 9 TEMPORARY WORK

- A. A temporary position within the Bargaining Unit shall be defined as a position based on the needs of the students or District which is limited to a duration of twenty (20) working days. After twenty (20) working days, the temporary position shall be posted as a regular bargaining unit position. This section shall not apply to summer work. The Union shall not unreasonably deny a Board request to extend the twenty (20) day limit.

ARTICLE 10 TRANSFERS AND PROMOTIONS

Section I - Transfers, Vacancies and Promotions

- A. A transfer is a lateral change within each departmental area (Food Service or Transportation) where there is an opening and there is no increase in wage rate. Transportation bidding is not included in the above definition of a transfer but shall be provided for in Article 29, Transportation Bid Days.

Transfer Procedure

Transfers to vacant positions within a departmental area shall be awarded to the most senior qualified applicant with consideration of the factors listed below. These factors are all equal in status.

1. Performance evaluations
2. Work history and experience
3. Ability to perform the work available

- B. If the transfer results in the employee assuming a position within a new classification the employee transferred in accordance with this Article will receive a twenty (20) working day trial period to determine his/her ability to perform in the new area or shift. It is understood that the twenty (20) working day trial period is the maximum timeline, while there is no intended minimum time for such trial period. However, the trial period shall be of such duration as to afford the employee a reasonable opportunity to demonstrate his/her competency and ability to perform in the new area or shift. In the event the trial period proves unsatisfactory the employee shall revert back to the same or similar position as was held prior to the transfer. Bargaining unit members in the Transportation Department Only will be limited to one transfer per twelve month period.
- C. Unsatisfactory attendance and/or discipline records may be grounds for not granting an employee a transfer.
- D. The Employer may reassign an employee who is not within the bargaining unit into the bargaining unit, providing there is an open job within the bargaining unit which has been posted and not been filled, providing such employee shall start earning seniority from the date of reassignment into the unit. (Seniority not related to Salary Schedule steps.)
- E. If an employee is transferred to a position not in the bargaining unit and is thereafter transferred back again by either the Employer or by his/her own volition, the employee shall not lose seniority accumulated prior to the promotion/transfer. It is further understood that should a bargaining unit employee be promoted or transferred outside the bargaining unit and thereafter return to the bargaining unit, the time spent in the non-bargaining unit assignment shall not be considered for seniority accrual within the bargaining unit for the purposes of advantages that may be applicable and granted under the Master Agreement.
- F. It is recognized by both parties that un-requested transfers may be necessary. The Employer agrees to avoid unnecessary unrequested transfers. In the event of such a transfer, the employee shall have at least one (1) week notice, when reasonably possible. Also the Executive Director of Human Resources or a designee along with the Chief Steward or a designee shall meet with the employee to explain the need for the transfer. It

shall be up to the Executive Director of Human Resources as to whether the unrequested transfer is necessary.

G. Vacancies and Promotions

1. A vacancy is a current or a new position that the employer intends to fill. Whenever a vacancy occurs it shall be posted for five (5) working days. Vacancies shall be posted within five (5) working days of the position vacancy.
2. A promotion is a change to job classification within each representational area (Food Service or Transportation) which results in an increase in wage rate during the regular work day. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving overtime.

Awarding of Vacancies and Inter Representational Area Transfers

Vacancies filled by promotion or inter representational transfers (Food Service/Transportation) shall be awarded to the most qualified applicant after consideration of the factors listed below. These factors are all equal in status.

- a. Performance evaluations
- b. Work history and experience
- c. Ability to perform the work available
- d. Previous education/training
- e. Personal interview

When two or more applicants are found to be equally qualified for the vacancy based on the factors defined above, the position will be awarded to the most senior applicant.

- H. No vacancy shall be filled, except on a temporary basis until such vacancy shall have been posted for five (5) working days, internally and District-wide.
- I. Unsatisfactory attendance and/or discipline records may be grounds for not granting a employee a promotion. A letter of explanation shall be provided to the Employee and/or the Union if requested in writing within five (5) days of the decision by Management. This response will be provided within five (5) days of such request.
- J. The trial period for promotion shall be twenty (20) working days. It is understood that the

twenty (20) working day trial period is the maximum time line, while there is no intended minimum time for such trial period. However, the trial period shall be of such duration as to afford the employee a reasonable opportunity to demonstrate competency to perform satisfactorily on the job and for management to assess the quality of the employee's work. The employee shall then be required to return to work per subsection c. above. Determination of the disabling effects of pregnancy shall be based upon the medical evidence and/or the employee's inability to perform all the necessary and regular duties and functions of the position.

1. Transportation Department Employees Hired Prior to 3/19/09

The District shall provide one hundred percent (100%) of the employer's contribution as allowed by law toward the healthcare plan as described in "B" for Transportation employees regularly scheduled to work thirty (30) or more hours per week.

Transportation employees hired prior to 3/19/09 working at least twenty (20) hours per week but less than thirty (30) hours per week are eligible for the healthcare plan but shall also pay a pro-rata contribution to thirty (30) hours per week.

2. Food Service Department Employees Hired Prior to 3/19/09

The District shall provide one hundred percent (100%) of the employer's contribution as allowed by law toward the healthcare plan described in "B" for Food Service employees regularly scheduled to work thirty (30) or more hours per week. Food Service employees hired prior to 3/19/09 working at least twenty-seven and one-half (27 ½) hours per week but less than thirty (30) hours per week are eligible for the health care plan but shall also pay a pro-rata contribution to thirty (30) hours per week.

- #### **3. Transportation and Food Service Employees hired after 3/19/09 with established work hours of thirty (30) or more hours per week as of the second pay in October shall be eligible for Board paid single coverage healthcare insurance. The employee shall have the option to buy up in coverage to two-person or family coverage. Healthcare eligibility shall begin on the ninetieth (90th) calendar day in the district.**

B. Healthcare - Upon proper application by employees who are eligible as above, the Board shall select and pay the premium to the extent provided herein for the following healthcare and prescription coverage for all eligible employees and their dependents on a twelve (12) month basis.

1. The Board shall not pay for healthcare insurance if the employee or other family member elects to be covered under another healthcare plan from another source.
2. The Healthcare insurance under this agreement shall be mutually agreed upon between the Employer and the Union. As allowable by the Insurance Provider with the minimum number of enrollees, the District will offer employees the option of one of the following healthcare plans:
 - An HMO plan with a \$500 single and \$1,000 two-person/family deductible; or
 - An HMO plan with a \$1,000 single and \$2,000 two-person/family deductible; or
 - A high deductible low cost Affordable Care Act (ACA) Bronze Plan if needed to comply with "affordability" under the Act.
 - a. The Board may initiate a change in any of the carriers of the insurance programs so long as the benefits of the new program are comparable to the coverage formerly provided.
 - b. The Board may create a "cafeteria plan" or self-insure with a comparable plan. Sixty (60) day's written notice must be given to the Chief Steward and Teamster 214 Business Representative prior to a "comparable" plan being implemented. If the Union requests a special conference regarding any of the proposed changes, the parties will meet prior to implementation to ensure currently specified benefits are maintained.
3. Per Public Act 152 of 2011, as amended, the District will make contributions to a negotiated Medical Benefit Plan for eligible employees. Prior to the start of a new medical benefit plan year, the District will determine whether it will remain a "hard cap" district or elect the optional provision of 80/20 caps on employer/employee contributions toward medical benefit plan coverage. These State of Michigan "hard"

caps will change annually based on the medical CPI index described in Public Act 152 of 2011. Under no circumstance will the District be required to pay more for medical benefit plan costs than those allowed by law.

- a. If the "hard" cap increase exceeds five percent (5%) in any one year, the employee will be responsible for any increase over five percent.
- b. If the District elects to be an 80/20 district, the employee shall pay 20% of the medical benefit plan costs.
- c. In the event of premium increase, change in family status, or any other event that would cause the District to exceed the limitations established by Public Act 152 of 2011, the District shall make the appropriate adjustments to the payroll deduction for affected participants and shall be the responsibility of the employee.
- d. The participant shall reimburse the District for his/her portion of the medical benefit plan costs through payroll deductions in equal amounts from the participant's regular pay on a pre-tax basis. If pay is insufficient to cover these costs, the District may invoice employee for the balance owed. The employee agrees to have the necessary amounts deducted from the employee's pay or be invoiced in advance including payments for the summer months when an employee may not be working.
- e. If PA152 of 2011 is amended or repealed thereby making any or all of that law unenforceable or should a court of competent jurisdiction issue a decision that all or part of PA152 is unconstitutional or not otherwise legally effective, the District will continue to follow the parameters established under PA152 for the duration of this Agreement.

C. Cash in Lieu of Health Provision

1. Employees eligible to receive the fully board paid healthcare insurance as defined in section "A" above who waive their right to enroll in the Plan will receive \$1200 annually under the cash in lieu of health provision. The method of payment shall be determined by the Board, except that payments shall be made in equal installments and not in a single lump sum. It is the employee's responsibility to complete the necessary enrollment paperwork and waiver of healthcare to be eligible.
2. Any participant who falls below the fully Board paid health insurance eligibility as defined in "A" above shall become ineligible to receive further payments under this agreement on the last day of the month in which they no longer meet the eligibility requirements.

D. Vision Insurance – The Board shall select the vision care plan including coordination of benefits. All employees covered under this Master Agreement are eligible to enroll during the district's open enrollment period in single vision coverage with the employee paying 10% of the total vision cost. The following provisions shall apply to the Basic Dentistry Plan:

The Dentistry Plan shall include the following:

In the event of the accidental death of an employee covered under this policy, the effective amount will be doubled (coverage to specify AD&D). To be eligible for life insurance, an employee must work at least four (4) hours per day as a regular assignment. It shall be the employee's responsibility to submit the necessary forms to obtain such insurance.

Disputes arising out of this section shall be a proper subject of the grievance procedure at Level 2.

For that reason, it is agreed that yearly tests of driving ability and safety may be administered at the discretion of the Employer, provided that the Employer consults with the Union prior to the test. Further, it is understood that such tests of driving competency may be required of an individual driver by the Employer at any time during the employment of such driver.

It was further understood and agreed that drivers/attendants who wish to receive field trip assignments must be present at the weekly field trip assignment meeting. A driver/attendant who does not attend the weekly field trip assignment meeting but who is otherwise eligible for a field trip assignment will be charged with declining the field trip as above.

District Financial Formula

2015-2016 Fiscal Year

- A. If the audited June 30, 2016 Total General Fund Balance is greater than 12.5%, an increase in salary will be determined using a proportionate share calculation (the HVSSP employee group's total employee costs to Total General Fund budget) for the 2016-17 school year.
- B. If the audited June 30, 2016 Total General Fund Balance is not in deficit (greater than \$1.00 or as required by legislative transparency laws), Administration and the HVSSP employee group will negotiate potential changes to compensation for the 2016-17 school year, which could include a new salary schedule, concessions, wage increases, etc.
- C. If the District's audited June 30, 2016 Fund Balance is in deficit (less than zero Total Fund Balance or as required by legislative transparency laws), Administration and the HVSSP employee group will decide how to reduce the deficit through the proportionate share to the HVSSP employee group's total employee costs to total General Fund budget for the 2016-17 school year. [For example, if the June 30, 2016 Fund Balance is in deficit by \$5 Million, compensation concessions will be made (during the FY 2016-17 school year) to reduce the proportionate amount of HVSSP employee group's employment costs for that year. (%# = Total 2015-16 employee group compensation divided by Total 2015-16 General Fund Expenses. \$5M x %# = amount of employee compensation to reduce in 2016-17)]
