Re: Article 12 A (6)

The parties recently concluded Collective Bargaining Agreement at Article 12 A (6) sets forth the method of buying out employee's sick day banks for Bus Drivers. The School District cannot administratively meet the August 30, 2014, deadline for this buyout set forth in the contract.

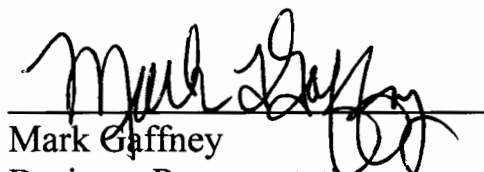

Therefore, the parties agree to change the date by which employees must choose a buyout, a partial buyout or maintain their current bank of sick days. The parties agree to a new date of September 15, 2014 and benefits, if chosen, would be paid out by October 1, 2014.
