If a secretary works on a Sunday, he/she shall be paid at double his/her straight time rate of pay. If a secretary works on a holiday, he/she shall be paid at triple his/her straight time rate of pay, with no additional amount for the holiday.
- D. Any secretary who subs for another secretary in a higher paying classification for five (5) consecutive days shall be paid (retroactively) at the higher rate. In order for this section to apply, the arrangement must be approved in advance, in writing, by the secretary's supervisor. If the supervisor denies approval, the secretary shall be expected to continue to do normal duties as well as essential duties of the absent secretary as assigned, as long as the secretary does not assume substantially all of the responsibilities of the other secretary on a full-time basis.
- E. The salaries of secretaries shall be paid out in either twenty (20) or twenty-four (24) equal installments with the initial pay period commencing July 1 for those choosing twenty-four (24) pays and September 1 for those choosing twenty (20) pays of each calendar year. The number of pay periods shall remain the same for each subsequent year unless the secretary notifies the District by June 1 to change the number of pay periods for the following year.
- F. In the event of a change in the method or amount of funding to Walled Lake Schools which results in significant reduction in anticipated revenues to the District, or in the event of the failure of any renewal of operating millage or similar economic hardship on the District, the Board may elect to reopen Article VI and Appendix I. The Board will not exercise this option unless or until other reasonable alternatives have been evaluated, as determined by the Board. The parties shall immediately commence collective bargaining to negotiate an agreement to resolve the problem. Whichever wage rate is in force at the time of the change shall remain in full force and effect at the level in existence on the date on which the hardship event occurs until such time as agreement has been reached. Contractual increases in salary which have not yet occurred shall be void and of no effect.
- G. Any laid-off secretary, who substitutes for a bargaining unit member for more than five (5) consecutive days, will receive their contract rate of pay, retroactive to the first day.

ARTICLE VII - PROFESSIONAL DEVELOPMENT

- A. The parties agree that it is mutually beneficial for secretaries to receive training and education to assist in the performance of their work assignments. Such training can be in the form of in-service education, outside seminars, workshops or training sessions or other forms of professional development. The Board shall budget an annual appropriation for such education and training.
- B. 1. During the term of this Agreement, elementary secretaries shall receive first aid training as determined by mutual agreement between the Association and the District. Other secretaries who have exposure to or who may handle accident victims may also receive such training if approved by the supervisor.

When possible, share-the-ride should be the practice. Secretaries shall be released from regular duties for in-service training or approved conferences without loss of salary or vacation.
- E. The district will schedule one day a year for professional development activities, with Association input, on a day when students are not in session, prior to May 1. Employees will work in the morning and be released from their assignments for professional development activities in the afternoon beginning with the lunch hour. - B. The Board recognizes the principle of a normal forty (40) hour work week and will set work schedules and make work assignments which can reasonably be completed within such normal work week. The Board will not require secretaries regularly to work in excess of such normal work week within or outside of any school building. The parties recognize that circumstances do arise which require secretaries to work overtime.
- C.
 - 1. The normal work day and work week are not to be construed as a guarantee of hours worked per day or per week. The Board has the right to establish the daily or weekly work schedule and reduce them below the normal schedules indicated above in Sections A and B.
 - 2. Prior to modification of the work schedule, fourteen (14) calendar days' written notice shall be given to a secretary whose work schedule is modified except if the basic work year is increased by three (3) weeks or more, he/she shall receive at least thirty (30) calendar days' advance written notification.
- D. All secretaries shall have a duty-free, unpaid, uninterrupted lunch period of not less than thirty (30) minutes. In no event shall the total time of lunch and break periods exceed sixty (60) minutes in any day, including travel time.
- E.
 - 1. When school is cancelled, either District-wide or any individual school building, due to an act of God situation (i.e., inclement weather, mechanical problems at a particular building, etc.) and official public notice is announced, secretaries will not be required to report for duty and shall not suffer loss of pay subject to Section 6 below. This provision shall not apply when, in the judgement of the immediate supervisor, the attendance of the secretary is required or other emergencies dictate the need for a secretary as determined by the Administration.
 - 2. If Administration requires a secretary to work on a day when school is cancelled (before classes start), she/he will receive two (2) times their current rate of pay for all hours worked.
 - 3. In the event of adverse conditions on days when students are not scheduled to report, but secretaries are, secretaries shall report unless otherwise directed by the immediate supervisor or his/her designee.
 - 4.
 - a. District Shutdown - In the event of adverse conditions when all students and teachers are released early, all secretaries (except those who remain at work per section 4. c. below) will be released within one and one-half (1-1/2) hours of the dismissal time for students in their building, with no loss of pay. If a secretary is required to stay beyond one and one-half (1-1/2) hours, 4. c. below will be followed.

ARTICLE VIII - HOURS OF WORK (Continued)

- b. **Partial Shutdown** - In the event a building is closed early, the secretaries in the affected building(s) only (except those who remain at work per section 4c below) will be released within one and one-half (1-1/2) hours of the dismissal time for students in that building with no loss of pay. If the building to be closed is a non-student building, the secretaries in the affected building(s) only (except those who remain at work per section 4c below) will be released within one and one-half (1-1/2) hours of the decision to close the building.
 - c. If, in the judgment of the immediate supervisor, the attendance of the secretary is required or other emergencies dictate the need for a secretary as determined by the Administration, secretaries who are required to work past the release time, will receive one and one-half (1-1/2) times their current rate of pay for all hours worked after the release time.
 - d. In the event it is necessary to close a building for part of a day (less than one and one-half ((1-1/2) hours), secretaries may be asked to leave the building during that time and report when the building re-opens. This time will not be included in the secretaries' lunch or break(s) time. If the building cannot be re-opened at the end of the one and one-half (1-1/2) hour time period, the secretaries will be sent home with no loss of pay. If a building needs to be closed within one and one-half (1-1/2) hours of the end of a secretaries day, the secretary will be sent home with no loss of pay. In any event, when a building needs to be closed for more than one and one-half (1-1/2) hours, secretaries will be sent home (except those who remain at work per section 4c above) with no loss of pay.
 - e. The Association President shall receive notification as soon as possible of any and all building closings.
 - f. If no administrator is present in a building and a need arises to close the building, secretaries will contact the superintendent's office for direction. The superintendent or designee will direct secretaries regarding their responsibilities pursuant to this article.
5. When a secretary has a scheduled vacation day, personal day, approved unpaid leave day or other paid leave day and that day turns out to be a day when school is cancelled, the employee will not be charged for the time off. When a secretary has a scheduled dock day and that day turns out to be a day when school is cancelled, the employee will be charged for the time off and will not benefit from school cancellation.
 6. All school year employees will be entitled to three (3) paid act of God days and will receive pay for any additional days when and if they are made up. After three (3) school closings, any school year secretary who contacts and receives Administrative approval may voluntarily work on a day when school closings occur and shall receive their regular rate of pay and not have to make the day up. In lieu of receiving Administrative approval, a school year employee may apply a vacation day or a docked day.
 7. All full year employees will be entitled to five (5) paid act of God days. If more than five (5) act of God days occur, full year employees will be required to take a vacation or personal day in order to receive compensation for this day with the understanding that one (1) day can be taken out of the existing sick bank to be used as a personal day for this purpose.

ARTICLE IX - WORK ASSIGNMENTS

- A. At the beginning of the school year each principal shall designate a person to act in his/her absence. The Secretary is not to be the designee. This provision shall not in any way affect the work schedule or assignments of secretaries.
- B. The Board recognizes that secretaries are not disciplinarians. If a serious problem develops while the principal is out of the building, his/her designee should be notified.
- C. Secretaries will not be requested to transport children.
- D. Secretaries will be notified of their working calendar by Central Office by May 30th of each year there is a settled school calendar. In addition, when secretaries perform routine first aid and/or emergency assistance, they shall also be covered under the liability policy of the Board. The primary responsibility for providing first aid treatment and emergency assistance rests with Administration.
- I. All full-year (52 week) secretaries, normally scheduled to work, may request time off without pay for Winter Break, Mid-Winter Break and Spring Break, with the approval of his/her immediate supervisor with written notice being provided to the Director of Personnel and Community Relations.

ARTICLE XI - SENIORITY, LAYOFF AND RECALL

- A. Seniority shall be defined as the length of service within the bargaining unit as an employee in the Walled Lake Consolidated School District and shall begin on the date on which the employee first assumes his/her duties. Seniority shall not accrue for unpaid leaves or while on layoff. All secretarial services to the Walled Lake Consolidated School District effective as of the ratification date of this Agreement shall be applied for purposes of defining seniority for employees covered by this Agreement.
- B. Upon the Association President's written request, the Board shall provide one copy of the seniority list of all bargaining unit employees for each contract year.
- C. Secretaries who resign or retire shall sever their seniority rights and, if later rehired, will have their seniority determined by a new date of hire. Secretaries who move out of the bargaining unit shall retain their seniority rights and will have this time counted if they are rehired to the bargaining unit at a later date. In cases of layoff or unpaid leave, secretaries shall retain all seniority accumulated as of the effective date of layoff or leave.
- D. If two or more secretaries have an equal amount of seniority, the tie shall be broken by a drawing to be held by Administration in the presence of the Association president or his/her designee. The drawing shall take place within ten (10) working days of the hire date, if possible, and written notification of the outcome shall be sent to the affected secretaries. Affected secretaries may attend.
- E. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to decreased enrollment, severe financial distress, school closings, elimination of program or other emergencies as determined by the Board of Education. If it is necessary to reduce staff, layoffs will be made on a seniority basis, by classification.
- F. Displacement shall be defined as any person whose position within a classification and work site is eliminated by reduction and the employee has sufficient seniority to avoid layoff.
- G. Before official action is taken with respect to any layoff or displacement, written notice of the contemplated reduction shall be provided to the Association. An announcement of each position and employee affected by such action shall be made at the Board meeting immediately following the written notice of contemplated reduction or recall.
- H. Any secretary who currently holds a position to be eliminated shall be notified in writing of the impending displacement or layoff no less than twenty (20) calendar days prior to the effective date of the displacement or layoff. Said written notification for displacement shall include the job description and number of work days of the available position into which the employee may bump.
- I. A secretary who is on leave and who has requested a return to work prior to the time notice of any recall has been provided, shall be placed on the recall list in seniority order along with any laid-off employees in the same classification and full time or part time status.

ARTICLE XI - SENIORITY, LAYOFF AND RECALL (Continued)

- J. 1. The displacement and bumping procedure shall be:
- a. Displacement Within Classification. Displaced secretaries with greater seniority will be given preference for continued employment over secretaries with the lowest seniority. The displaced secretary (or secretaries) may bump the secretary (or secretaries) with the lowest seniority in the same classification with the same or similar hours.
 - b. If no jobs are available in the same classification with the same or similar hours, a secretary (or secretaries) may bump the secretary (or secretaries) of lowest seniority in a lower classification with the same or similar hours.
 - c. If no jobs are available in the same classification with the same or similar hours, and no jobs are available in a lower classification with the same or similar hours, then a displaced secretary (or secretaries) may bump the secretary (or secretaries) with the lowest seniority in the same classification with less hours.
2. A secretary that bumps into another position shall serve a thirty (30) school day trial period. At the end of the first fifteen (15) school days, the immediate supervisor will inform the superintendent or his/her designee, the employee concerned and the Association, by letter, whether the employee's work has been satisfactory or unsatisfactory. In the event the employee's work is deemed unsatisfactory, the employee, Association representative and immediate supervisor will sit down and create a corrective plan. If, at the end of the thirty (30) school day period, the employee's work has been unsatisfactory, he/she will be notified in writing of the impending layoff no less than ten (10) work days prior to the effective date of the layoff.
- K. 1. Within five (5) school or working days of receipt of written notification of impending displacement, the secretary will indicate in writing to the Director of Personnel either of the following:
- a. The decision to exercise the bumping process and the position they are eligible to assume; or
 - b. The decision to forfeit the bumping process, accept the layoff and retain recall rights until such time as recall is effected or the secretary terminates the employment relationship with the District. In the event the employee exercises this option, the District shall report to any inquiring agency, that the employee has invoked his/her contractual rights to a seniority layoff.
2. In order to accommodate the various employee work schedules, the parties agree that an employee affected by the bumping process need not be working in order to be accorded the above notification and bumping period.
- L. When a layoff, displacement or reduction in the bargaining unit occurs, the Board agrees not to assign the work of those affected positions to co-op students, para-professionals, or non-bargaining unit members as long as a qualified member of the bargaining unit remains on layoff. All FERPA regulations must be followed.

ARTICLE XI - SENIORITY, LAYOFF AND RECALL (Continued)

- M. Request for Placement Into Higher Classification. During a period when secretaries are being notified of layoff and if no jobs are available for secretaries eligible to bump into the same or lower classifications, a secretary may request consideration for placement into a position occupied by the lowest seniority secretary in a higher classification. The Administration has complete discretion as to whether the requesting secretary will be granted the requested position. The Administration's decision will be non-grievable and will be final and binding.

- N. Recall from layoff shall be made in the reverse order of layoff within classification or lower classification. Employee shall retain recall rights for a period of three (3) years unless they terminate their employment relationship with the District earlier. Recall or bumping into a less-than-full-time position or lower classification, may be waived by a laid-off employee and will not affect his/her position on the recall list. The recalled employee shall have ten (10) working days to respond to the recall notification which will be sent by registered mail. Failure to respond within ten (10) working days after registered notification is mailed, may be considered a voluntary quit.

- O. Employees with at least one year participation in a health care plan provided by the District will be provided with three (3) months insurance coverage, following the layoff, to the same extent as that provided during employment.

ARTICLE XII - VACANCIES, TRANSFERS, PROMOTIONS

- A. 1. For the purposes of this Agreement, a vacancy shall be defined as any current bargaining position which is vacated due to a resignation, retirement, an approved leave of absence of six (6) months or over, a transfer, a promotion or any new position which may be created where the duties and responsibilities are secretarial-clerical in nature.
2. All vacancies shall be filled at the discretion of the Board. When the Board decides to fill a vacancy, it shall be posted and filled within fifteen (15) days if possible. With agreement of the Association the obligation to post may be waived.
3. For purposes of this Agreement, a transfer shall be defined as a lateral move within a classification or to a lower classification.
4. For purposes of this Agreement, a promotion shall be defined as a move to a higher paying position within the bargaining unit.
- B. Whenever any vacancy or other special opportunity in any secretarial or clerical position in the District shall occur, the Superintendent or his/her designee shall publicize the same by giving written notices of such vacancy to the Association and providing for appropriate posting in every school building. Before any vacancy can be filled by a laid off bargaining unit employee or be posted externally, a one time internal posting/transfer will take place for any member in the bargaining unit. If no bargaining unit member is selected to fill the vacancy, then a recall will occur in accordance with Article XI, Section O. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been posted for at least five (5) working days.
- C. In reviewing an employee's request for transfer or promotion, the employee must have no recorded disciplinary actions in the past two (2) years. Due consideration will then be given to qualifications, job performance, attendance and other considerations as determined by Administration. When these are judged to be equal by Administration, the employee with the greatest seniority will be selected.
- D. Employees granted a transfer or promotion shall have a thirty (30) working day trial period during which she/he may revert back to her/his former position with written notice to the Human Resources Department on or before the thirtieth (30th) working day. On or before the thirtieth (30th) working day, the District may disqualify the employee from the position, for just cause, and the employee shall be returned to her/his former position.
- E. When a secretary applies for a transfer or promotion, he/she shall be notified in writing regarding the disposition of the application. A maximum of ten (10) internal applicants, by seniority, shall be provided an interview. The Board agrees that all unsuccessful candidates may request and shall be granted a conference with the Human Resources Manager or his/her designee to discuss specific reasons why the applicant was not selected.
- F. The Association shall be notified in writing by the Human Resources Department when a new or existing position has been filled, by whom it has been filled and the salary step.

ARTICLE XII – VACANCIES, TRANSFERS, PROMOTIONS (Continued)

- G. Outside experience may be granted on the salary schedule to employees new to the Walled Lake Schools at the discretion of the Administration. Former secretarial employees of the Walled Lake Schools will be granted full experience credit on the salary schedule for their secretarial work in the District. Upon placement of a new or returning bargaining unit employee, the Association will be notified of their salary schedule placement.
- H. Since Administrative transfers of employees from one school to another or within a school may be disruptive of effective administration and interferes with optimum employee performance, the parties agree that Administrative transfers are to be minimized. In the event it is necessary to transfer employees administratively, the employer will attempt to equalize Administrative transfers by hours and days worked.
- I. A secretary who is displaced from their position may request a “first right of refusal” for two years from the date in which they are notified of the transfer. A “first right of refusal” letter must be submitted to the Human Resources Manager within thirty (30) calendar days after being notified they will be displaced.
- J. Any employee desiring to apply for a transfer to another position shall make such request in writing, stating what position is desired.

ARTICLE XIII - DISCIPLINE, DEMOTION, DISCHARGE

- A. Discipline, discharge, suspension or demotion of any non-probationary secretary shall be made only for just cause. Such action may constitute a case to be handled in accordance with the grievance procedure. The parties agree that in general, discipline shall be progressive in nature. Depending upon the circumstances and the severity of the conduct of the employee, progressive discipline will not always be required. The disciplinary action taken shall reflect the degree that is consistent with the seriousness and nature of the offense. Disciplinary action, as set forth in this Agreement, shall be defined as any verbal or written warning, reprimand, suspension, demotion or discharge.
- B. Secretaries may be discharged for inefficiency, insubordination, or violation of Board policies and for cause shown.
- C. Notice of intent to suspend or discharge a non-probationary secretary for cause shall be made in writing by the Superintendent and be delivered to the employee with a copy to the Association.
- D. At the election of the secretary, all disciplinary action against the secretary shall be provided to the Association. In those cases where the secretary elects not to have the Association notified, the Uniserv Director will be verbally advised.
- E. The Board shall honor written requests to remove evaluative and disciplinary information from an employee's file in accordance with the Bullard-Plawecki Act. Negative material will be removed from the file after two (2) years providing there has been no reoccurrence of the type of employee behavior which was reported and placed in the employee's file.

ARTICLE XIV - RESIGNATION AND RETIREMENT

A. Resignations:

1. Secretaries desiring to leave the employ of the District are required to give two (2) weeks written notice of such intent to the Personnel Office. Failure to do so will result in such secretary losing credit for service time for pay purposes and vacation time should the secretary be rehired at a later date. Failure to notify will also result in loss of pay for sick days as described in Section C of this Article.
2. Vacation pay will be forfeited by any secretary who resigns without giving the District at least two (2) weeks notice or who is dismissed prior to June 30th of any year. Should a secretary leave by giving due notice, or should a secretary be laid off because of reduction of staff, such secretary will receive pay prorated according to how much vacation time he/she has accumulated.

B. Retirement. A secretary who retires from the Walled Lake Schools (meaning the employee is eligible to draw monies from the Michigan Public School Employees Retirement System) and who has fifty (50) or more unused sick days prior to the calculations described in C below, shall receive an additional Three Hundred Dollars (\$300) bonus added to the benefits described in C of this Article.

- ### C.
1. After five (5) years of consecutive service and upon resignation, or retirement, pay for one-half (1/2) of the unused sick days, not to exceed sixty (60) days will be given to the secretary.
 2. After ten (10) years of consecutive service and upon resignation or retirement, pay for one-half (1/2) of the unused sick days, not to exceed one hundred twenty (120) days, will be given to the secretary.
 3. Upon the death of a secretary, regardless of length of service, the secretary's estate will receive pay for one-half (1/2) of his/her unused sick days, not to exceed one hundred twenty (120) days, provided he/she was an employee of the District at the time of death.
 4. In this instance, "consecutive service" means employment time with the District in any capacity that is counted toward seniority, i.e. unpaid leaves of absence will not count towards the five (5) or ten (10) years of service unless the secretary is on an approved medical or FMLA leave of absence up to ninety (90) days; any employee whose employment is terminated with the District, will be allowed a one time return without interruption to their "consecutive service" credit. Thereafter returns to work shall begin employment with zero consecutive service credits.

D. An employee with ten (10) years of consecutive service with the District in any capacity who retires after the date of ratification of this Agreement, shall be provided severance pay in the amount of \$150.00 per year of service, up to a maximum payment of \$3,000.00. Retirement for the purposes of this section means a retiring employee who is eligible to draw monies from the Michigan Public School Employees' Retirement System.

E. All monies payable upon retirement will be paid via the Board of Education approved Special Pay Plan, subject to the limitations of the Plan.

ARTICLE XV - LEAVES

- A.
 - 1. Sick leave. Sick leave days will be credited to each secretary at the beginning of each school year at the rate of one-half (1/2) day per pay period, with a maximum accumulation being one (1) sick day per month. Total accumulation will be on an unlimited accumulated basis. By July 1 of each school year, all less than full-year secretaries will receive written notification showing how sick days were calculated for the upcoming school year.
 - 2. If an employee uses more sick days than they earned, those days will be deducted from the following year's days prior to the accumulation credit at the beginning of the next year. An employee must meet a one (1) pay-period-at-work requirement at the beginning of each work year (for less than full year employees the beginning of the school year) to be eligible for the yearly credit of sick leave days.
 - 3. Accumulated sick leave may be used for personal sickness or death in the immediate family of the employee. Before payment for sick leave is made, the school Administration has the right to request a doctor's statement to verify illness should it be deemed necessary.
- B.
 - 1. Personal Business Days. Two (2) days of sick leave may be used each year as personal business days with Administrator approval. Personal business days are not intended to extend a vacation or scheduled break, or for recreational purposes.
 - 2. All requests must be in writing, except when an emergency situation prevails, approval may be obtained by telephone with a follow-up letter stating the date and reason for being off.
 - 3. Written request for the day off must be received at least three (3) days before the day the employee wishes to be off. Requests will be granted only when there is sufficient number of employees to cover the work load.
 - 4. The day before and the day after a paid holiday or a scheduled vacation day cannot be used as a business day.
- C. An employee may request to use vacation days as sick leave days after his/her personal accumulation has been expended with proper request to the Director of Personnel. If an employee has short term disability income protection, he/she may elect to freeze his/her sick days to enable him/her to utilize short term disability, by written notification to the business office with a copy to the Personnel Department.

ARTICLE XV - LEAVES (Continued)

- D. 1. Funeral leave. Each employee shall be entitled to leave with pay in the following cases without charge to his/her sick or personal business leave bank: Death in the immediate family of the employee and/or a spouse, or persons living in the same household, for a period not to exceed three (3) days. Immediate family shall mean mother, father, brother, sister, child, spouse, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, nieces, nephews, grandchild, grandparents, and grandparents-in-law. Additional time beyond the above three (3) days for bereavement leave, if granted by the Director of Personnel will be deducted from leave accumulation.
2. In the case of death of a secretary's spouse or child the secretary will be granted, upon request, up to one (1) week (5 working days) leave without loss of pay or leave days.
3. Time shall be allowed to attend the funeral of a person whose relationship to the secretary warrants such attendance. The release from work shall be subject to the immediate supervisor's approval. The day lost will be deducted from leave accumulation.
4. Administration (and for work release pursuant to Section D (3) above, the Supervisor) has the right to request and receive appropriate (in the discretion of Administration) substantiation of attendance at the funeral (a funeral home memorial card is one example that may be sufficient), and verification of residence of an individual residing in the household, if applicable, prior to payment for funeral leave.
- E. The amount of pay given when an employee is absent due to illness shall be based on the employee's current hours and rate of pay.
- F. When illness falls on a holiday, no deduction shall be made from the employee for that time which is considered a holiday.
- G. Jury Duty. A secretary who is called to jury duty shall receive the difference between his/her regular salary and the jury fee with no loss of accumulated leave for each day he/she serves on the jury and on which he/she would have otherwise been scheduled to work. On days the secretary is not called to jury duty, he/she will report to work.

UNPAID LEAVES

- H. In all leaves set forth below, accumulated leave days will be maintained. Seniority will not accrue on unpaid leave, however, all seniority accumulated as of the effective date of leave will be maintained. The employee's job will be considered vacant after six (6) months of unpaid leave. Six (6) months means absence for the equivalent of six (6) scheduled months of work during a twelve (12) month period. Under unique circumstances, the District and the Association may agree to hold the employee's position for more than six (6) months during a twelve (12) month period.

ARTICLE XV - LEAVES (Continued)

- I. A leave of absence without pay of up to one (1) year may be granted to any employee at the discretion of the Board. Such requests shall be made in writing to the Director of Personnel at least thirty (30) days prior to the requested beginning date of the leave and shall include the reason for the leave as well as the anticipated date of return.
- J. A leave of absence without pay shall be granted to an employee for the purpose of child caring after the birth or adoption of a child. All such requests shall be in writing to the Director of Personnel at least thirty (30) days prior to the requested beginning date of the leave, and shall include the anticipated date of return. The initial time of the leave will constitute leave time under the Family and Medical Leave Act (up to the period of remaining eligibility for the employee). The total time of the leave shall not exceed a one (1) year period. A second year of leave may be granted upon written request received by the Personnel Department prior to the expiration of the leave.
- K. Any employee whose personal illness extends beyond the period compensated under this Article shall be granted a leave of absence without pay of up to one (1) year. A physician's statement may be required when returning from a leave of absence.
- L. When the employee is scheduled to return from leave, he/she shall first return to his/her original position if the leave is six (6) months or less or if the position is vacant, then the first vacant position in his/her original classification or finally, to a vacant position in a lower classification. No employee shall be forced to accept a position with fewer hours or a lower rate of pay than his/her original position and may choose to continue on an unpaid leave. An employee returning from an unpaid leave shall be assigned subject to provisions of Article X of this Agreement. Should the secretary fail to accept any position within the same classification and with the same number of hours of work, it shall be considered a voluntary quit. If a secretary accepts a position in a lower classification or with fewer hours, and a position opens up in a higher classification or with more hours, the secretary will have the right to apply for a transfer to the new position and will be considered in the same fashion as all other secretaries.
- M. **FAMILY AND MEDICAL LEAVE.**
 - 1. All eligible employees shall be provided up to twelve (12) weeks of family and medical leave during any twelve (12) month period in accordance with the Family and Medical Leave Act of 1993 (FMLA). The leave may be paid, unpaid or a combination of paid and unpaid, depending on the circumstances and as specified in this Section. Such leave will be granted only for one or more of the following reasons:
 - a. For the birth of a child and in order to care for that child, provided that the leave is requested and taken before the child's first birthday.
 - b. For the adoption of a child or the placement of a foster child in the employee's home, provided that the leave is taken within twelve (12) months of the adoption or placement.
 - c. To care for a spouse, child or parent who has a serious health condition.
 - d. Due to the employee's own serious health condition.

ARTICLE XV - LEAVES (Continued)

2. Eligibility Requirements:
 - a. In order to be eligible for a family and medical leave, an employee must be employed by the District for at least twelve (12) months prior to the commencement of the leave and must have worked at least 1250 hours during that prior twelve (12) month period.
 - b. All requests for family or medical leave must be submitted in writing to the Personnel Department at least 30 days prior to commencement of such leave, except where the need for the leave is not foreseeable and 30 days notice is not possible and in that event, notice shall be given as soon as is practicable.
 - c. If an employee fails to provide thirty (30) days notice for a foreseeable leave with no reasonable excuse for the delay, the leave request may be delayed until at least thirty (30) days from the date the District receives proper notice.
 - d. Where the necessity for leave is due to the serious health condition of a family member (as defined in Paragraph 1 of this Section) or the employee, and is foreseeable based on planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the work schedule or operations of the District.
3. All requests must set forth specific reasons for the requested leave. A request based upon a serious health condition of a family member or the employee must be supported by written certification of a reputable physician or health care provider. Such certification must be provided to the Personnel Department within fifteen (15) days of the request, if possible, or the employee must provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of leave. The written medical certification must contain the following:
 - a. The date the serious health condition began.
 - b. The expected duration.
 - c. The appropriate medical facts regarding the condition, the diagnosis and a brief statement of treatment.
 - d. If the leave is for the care of a spouse, child or parent, the certification must include a statement that the patient requires assistance and that the employee is necessary to provide such assistance as well as an estimate of the amount of time such need will continue.
 - e. If the leave is based upon the employee's own serious health condition, the certification must include a statement that the employee is unable to perform work of any kind or a statement that the employee is unable to perform the essential functions of the employee's position.

ARTICLE XV - LEAVES (Continued)

4. A family and medical leave may be used intermittently or on a reduced schedule if leave is taken to care for a spouse, child or parent or due to employee's own serious health condition. Prior to taking leave, the employee should try to reach agreement with the Personnel Department regarding the time for intermittent leave or working of a reduced schedule. If this is not possible, then the employee must prove that the use of the leave is medically necessary and the District may require certification of the medical necessity. The District may temporarily transfer an employee to an available alternative position with equivalent pay and benefits if the alternative position would better accommodate (or even eliminate the need for) intermittent leave or a reduced schedule.
 5. A family or medical leave under this section is an unpaid leave. However, the employee must first use all paid leave time (i.e. vacation, sick leave, or available short-term disability leave). Once all paid leave time is used, the remainder of the twelve (12) weeks of leave will be unpaid. Where an employee is eligible to utilize short-term disability benefits during the Family Medical Leave, this section will apply to require the employee to use paid leave (sick time or vacation) during the disability qualification period and for all time (if any) following termination of disability benefits during the leave period.
 6. While an employee is on leave, the District will continue the employee's health benefits during the leave at the same level and under the same conditions as if the employee had continued to work. If the employee chooses not to return to work for reasons other than a continued serious health condition, the District will require the employee to reimburse the District the amount it paid for the employee's health insurance premium during the leave period. For employees obligated to pay a portion of the insurance premium through payroll deduction, all such payments shall be made directly to the Business Office no later than the 25th of the month for insurance coverage for the subsequent month. In the event an employee fails to make such direct payments and the District makes such payments on their behalf, the employee will be obligated to reimburse the District as soon as possible after the leave for all such amounts.
- N. An employee who is absent due to an injury which is compensable under Worker's Compensation may use his/her accumulated sick leave on a proportional basis, to supplement the benefit received from Worker's Compensation, such that the amount of excludable income the employee receives from Worker's Compensation and sick leave does not exceed the amount of expendable income the worker would have received from his/her regular wage amount according to his/her placement on the wage schedule at the time of the injury. The obligation of the employer is only for the proportional amount necessary to supplement the maximum benefit provided to the employee from Worker's Compensation until the employee's accumulated sick leave is exhausted or the employee is able to return to work, whichever happens first. Should this supplemental payment be found to be subject to the coordination requirements of Worker's Compensation, such that the amount of the Worker's Compensation benefit is reduced, the employee shall not be allowed the use of sick leave and shall receive only the Worker's Compensation benefit provided by that statute.

The Board has the right to switch to a comparable plan or different carrier only one time during any calendar year, in order to effectuate cost or administrative savings. If the costs for the comparable plan or different carrier would be less than the current plan, the Association may elect to switch its membership to the comparable coverage or continue with the current plan with all additional costs being the obligation of the employees, which amounts shall be deducted through payroll deduction. The Association must so elect within thirty (30) days of receipt of written notice to the Association prior to any switch to a comparable plan or different carrier. Such notice shall include the cost and/or administrative savings to be effectuated. It is understood that it may take some months to effectuate a change in plans or carriers and that employees would remain on the existing plan coverage during the transition.

3. In order to receive compensation for a paid holiday, the secretary must work the scheduled day before and after the holiday, unless the employee is on funeral leave, an approved paid vacation, or a doctor's excuse is presented to substantiate that the employee is on a previously scheduled medical leave of absence. If, due to extenuating circumstances, the secretary does not work the scheduled day before and/or after the holiday, she/he shall not be penalized so long as prior notice has been given to his/her immediate supervisor. Administration has the right to request verification of such extenuating circumstances.
4. During any school holiday (when school is not in session) that is not provided to the secretaries under the above schedule, a full year employee may work with Administrative approval or take a vacation day, personal day, leave day or dock day. This provision shall apply to all days over winter break, mid-winter break and spring break that are not listed as holidays above. When known, such school holidays will be provided to the secretaries at the time they receive their calendars for the year.
5. A holiday which falls on a Sunday will be taken on the following Monday and a holiday falling on a Saturday will be taken the preceding Friday.

B. Vacations

1. a. All secretaries with a work calendar which requires them to work 247 days will receive vacation benefits according to B. 2, below. For purposes of this article, "work calendar" shall be defined as scheduled working days, minus paid holidays. The number of days used as the basis for figuring the work calendar will reflect the actual number of workdays, including vacation days in the current year. Vacation days accrue each fiscal year, to be taken the following fiscal year.

- b. All secretaries with a work calendar which requires them to work less than 247 days will receive vacation pay at the end of the school year based on a pro rata basis, equal to the fraction her/his work calendar bears to the 247 workdays in the year. - 4. A secretary who was hired prior to June 17, 1999, and accumulates thirteen (13) years or more of service as a secretary with the Walled Lake Schools will receive twenty (20) days vacation. Effective for employees hired as a secretary after ratification of June 17, 1999, the twenty (20) days vacation shall be prorated according to Section B 1 above.
- 5. Any secretary who enters the bargaining unit who has previously been employed by the Walled Lake Consolidated Schools with no break in service and who had vacation benefits in the previous position shall have no fewer vacation days than she/he had in the previous position. When this occurs, the secretary's progression for vacation days will increase from the years of employment which coincide with the vacation days she/he had in the previous position.
- 6. Full year employees may receive pay for no more than five (5) unused vacation days at the end of any fiscal year. All secretaries may receive pay for up to a maximum of five (5) unused vacation days in December as long as they have been earned. (The parties have verbally agreed to continue the current practice of allowing employees to carry over vacation days with the approval of the immediate supervisor.)

- C. Less than full year secretaries must take vacations during non-school time. In the case of an emergency or extenuating circumstances, school time can be taken for vacations with the written approval of the Director of Personnel. Unused vacation pay will be received at the end of the school year. ARTICLE XVII - HOLIDAYS AND VACATIONS (Continued)

- D. Secretaries are permitted, whenever practical, to choose either a split or an entire vacation as approved by the immediate supervisor.
- E. Holidays occurring during the vacation period shall not be charged against the vacation allowance. In order to receive compensation for a paid vacation, a secretary must work the scheduled day before and after the vacation unless that day(s) is a holiday, or the employee is on funeral leave. If, due to extenuating circumstances, the secretary does not work the scheduled day before and/or after a vacation day, she/he shall not be penalized so long as prior notice has been given to his/her immediate supervisor. Administration has the right to request verification of such extenuating circumstances.
- F. Upon resignation, termination of service, or transfer to a position requiring fewer or more working hours or weeks of employment, employees shall receive any unused vacation (the following pay period) at the rate of pay received by them at the time it was earned provided such a resignation or termination is in accordance with this agreement. All monies payable upon retirement will be paid via the Board of Education approved Special Pay Plan, subject to the limitations of the Plan.
- G. A less than full year bargaining unit member who transfers to a full year position will be allowed to carry all earned vacation days to their new position.

ARTICLE XVIII - GRIEVANCE PROCEDURE

- A. 1. Any employee or group of employees of the Association claiming that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may process the claim as a grievance as hereinafter provided.
2. a. Prior to the initiation of the formal grievance procedure, the employee shall discuss the problem with the immediate supervisor. This discussion shall be held one-on-one at a time and place where both individuals are reasonably free from distraction. This initial step will be taken by the employee individually and shall take place not more than seven (7) business days after the event or occurrence, which is the basis of the grievance, becomes known to the employee. For grievances involving hiring decisions, the informal step shall be with the leader of the hiring team.
- b. If the matter is not fully resolved by the informal discussion, or it is necessary or helpful to ascertain further facts regarding the issues raised, a second informal meeting shall be held between the employee and the immediate supervisor at the request of either party. A representative of the Association can be present at this second informal meeting at the option of the employee. The interview team leader may include the Director of Labor in the informal resolution. The second meeting shall be held not more than eight (8) business days after the first informal meeting.
3. **Step 1** - In the event that the problem is not resolved informally, the employee may file a formal, written grievance with the Association with a copy to the employee's immediate supervisor and the Director of Labor. The written grievance must be filed in this manner not more than fifteen (15) business days after the event or occurrence which is the basis of the grievance becomes known to the employee. After the Association and the employee's immediate supervisor have received the grievance, designated representative(s) of the Association and the employee involved shall meet with the appropriate supervisor in a scheduled meeting within five (5) business days of the date the grievance was filed. The appropriate supervisor shall indicate his/her disposition of the grievance in writing within five (5) business days of the Step 1 meeting and a copy shall be furnished to the Association President, the Grievance Committee Chairperson, the Director of Labor and the grievant.
4. a) **Step 2** - In the event the employee is not satisfied with the response of the Supervisor, the grievance shall be transmitted to the Director of Labor within five (5) business days of the Step 1 response. A meeting will be scheduled between the grievant and the Director of Labor within ten (10) business days of the receipt of the grievance. Within ten (10) business days after the Step 2 meeting, a written disposition of the grievance shall be made by the Director of Labor and a copy shall be furnished to the Association President, Grievance Committee Chairperson, and the grievant.

ARTICLE XVIII - GRIEVANCE PROCEDURE (Continued)

- b. In the event that the Director of Labor hears the informal step or step 1, the grievance shall be transmitted to the Assistant Superintendent of Schools within five (5) business days of the Step 2 response. A meeting will be scheduled between the grievant and the Step 3 Administrator within ten (10) business days of the receipt of the grievance by the Step 3 Administrator. Within ten (10) business days after the Step 3 meeting, a written disposition of the grievance shall be made by the Step 3 Administrator and a copy shall be furnished to the Association President, Grievance Committee Chairperson and the Grievant.
5. **Step 3** - If a full resolution has not been made at Step 2 (or if no formal disposition has been made within the period provided above), either the Association or the Board may request, in writing to the other, that the matter be submitted to non-binding mediation with the Michigan Employment Relations Commission or the Federal Mediation and Conciliation Service. Such request for mediation must be made not more than three (3) business days after delivery of the Step 2 formal disposition or the due date of the formal disposition if the same has not been made. For mediation to occur, the mediation request must be agreed upon in writing by the other party not more than three (3) business days following receipt of the request.
6. **Step 4** - If the matter is not resolved at Step 3, the grievance may be submitted to arbitration by the Association with an impartial arbitrator, provided written notice of the request for submission to arbitration is delivered to the Board no later than twenty (20) business days after the receipt of Step 3 response (if the grievance is not mediated), or the conclusion of the mediation hearing. The arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings. The Board and the Association shall not be permitted to assert in any such arbitration proceedings, any grounds or to rely on any evidence not previously disclosed to the other party. It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below, after due investigation to make a decision in cases of alleged violation, misinterpretation or misapplication of any provision of this Agreement or any other rule, order or regulation of the Board relating to wages, hours, terms or conditions of employment.
 - a. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of the Agreement.
 - b. The fees and expenses of the arbitrator shall be shared equally by the Board and The Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other. The filing fee shall be paid by the moving party.

ARTICLE XVIII - GRIEVANCE PROCEDURE (Continued)

- B. If a grievance arises in more than one building, or involves more than one employee, it shall be initiated by the Association, and be transmitted directly to the Step 1 Administrator in writing. The written grievance shall be filed with the Step 1 Administrator within fifteen (15) business days after the event or occurrence which is the basis for the grievance becomes known to an affected employee. All Association grievances shall be first discussed informally with the Step 1 Administrator.
- C. All meetings concerning grievances are to take place at reasonable hours and will not interfere with the assigned duties unless said meetings are called by school administration, Board or arbitrator. All employees directly involved in the grievance or arbitration hearing, as mutually agreed on by the Superintendent and President of the Association, shall be released from their work responsibilities to be present at such meeting with no loss of pay when called by the above parties.
- D. The time limits described shall be strictly observed, but may be extended with mutual consent, in writing. Failure on the part of an administrator to timely respond shall not constitute a granting of the grievance.
- E. 1. If any individual employee has a personal complaint which he/she desires to discuss with the supervisor, he/she is free to do so without recourse to the grievance procedure. However, no grievance may be adjusted without prior notification to the Association. An opportunity for the Association representative to be present shall be provided.
2. No adjustment of any grievance shall be made which is inconsistent with the terms of the Agreement. In the administration of the grievance procedure, the interests of the employee shall be the sole responsibility of the Association.
- F. The Association will furnish the Board with the names of its Association representatives, grievance committee members, Association officers and Association staff, and such changes as may occur from time to time in such personnel, so that the Board may at all times be advised as to the authority of the individual representatives of the Association with whom it may be dealing. Until the Board has received written notice from the Association, it shall not be required to deal with such employee purporting to be representatives.
- G. During each step where a grievance is reduced to writing, the written statement shall clearly specify:
1. The name or names, and signature(s) of the aggrieved person or persons.
 2. The specific section of the Master Agreement alleged to have been violated.
 3. In what way there has been a violation, misinterpretation or misapplication of this Agreement or rule or regulation of the Board.

ARTICLE XVIII - GRIEVANCE PROCEDURE (Continued)

 5. The proposed remedy or remedies for resolution of the grievance.
- H. All documents, communication and records dealing with the processing of a grievance shall be filed separately from the building and personnel files of the participant(s).

ARTICLE XIX - MISCELLANEOUS PROVISIONS

- A. The Superintendent or his/her designee shall, upon request by the Association, provide pertinent information relative to fiscal, budgetary and tax programs affecting the District. Whenever feasible, the Association shall have the opportunity in advance to consult with the Superintendent or his/her designee with respect to such issues.
- B. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of the Agreement shall be incorporated into and be considered part of the established policies of the Board.
- C. Copies of the Agreement shall be printed at Board expense within ninety (90) days after ratification by the parties. The Board shall furnish each currently employed bargaining unit member with a contract and shall provide each newly hired bargaining unit member with a contract. Additionally, the Board shall furnish the Association with twenty (20) additional contracts.
- D. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provisions or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- E. A secretary who uses his/her own vehicle in the performance of job related tasks as assigned by the immediate supervisor shall be reimbursed at the current IRS rate for mileage.
- F. Volunteers shall be encouraged to work in the buildings, however, no volunteer shall be placed in a position which displaces a secretary or violates FERPA.

ARTICLE XX - EMPLOYEE EVALUATIONS

- A. All new secretaries shall be evaluated in writing prior to the end of the probationary period.
- B. After completion of the probationary period, all secretaries shall be evaluated in writing at least annually.
- C. Secretaries shall be evaluated by their immediate supervisor. Each secretary shall be given the opportunity to discuss and review the evaluation with her/his supervisor in a personal conference.
- D. Each secretary must sign the evaluation to signify that she/he has received and read the evaluation. A signature does not mean that the employee agrees with the content of the evaluation. An employee shall have the right to attach rebuttal statements to the evaluation.
- E. The written evaluation and any rebuttal comments shall be inserted in the secretary's personnel file.
- F. The appropriate evaluation form to be used is included in Appendix II.
- G. In the event a secretary who is scheduled to be evaluated is not formally evaluated, she/he shall be deemed to be performing at a satisfactory level.
- H. No secretary shall be marked unsatisfactory in any category unless a concern or problem has been previously brought to the attention of the employee in writing prior to the evaluation.
- I. Evaluation of a secretary's performance shall be based upon what the evaluating administrator has observed.

ARTICLE XXI - CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instruction program during the normal school year and the settlement of disputes which threaten to interfere with such operations. Since the parties have a comprehensive grievance procedure to settle unresolved disputes, the parties have removed the basic cause of work interruption during the period of this Agreement. The Association accordingly agrees that it will not, during the period of the Agreement, directly or indirectly engage in or assist in any strike as defined by Section 1 of the Public Employment Relations Act.

- B. If any Article or Section of the Agreement shall at any time be held contrary to law by a court or tribunal of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time for doing so, such provisions shall be void and inoperative; however, all other provisions of this Agreement shall continue in effect.

ARTICLE XXII - DURATION OF THE CONTRACT

This Agreement shall be effective as of July 1, 2015, and shall remain in effect until June 30, 2017. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
