 2. If the Bargaining Unit Member fails to remit the service fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to paragraph (A) above.

ARTICLE THREE BOARD RIGHTS

- A. Nothing contained herein shall be considered to deny or restrict the Employer of its rights, responsibilities and authority under the Michigan Revised School Code, or any other law or regulations. The term “discipline” as used in this Agreement includes warnings, reprimands, suspensions, (with or without pay) reductions in rank, compensation, and discharge. The specific grounds forming the basis for disciplinary action will be made available to the Bargaining Unit Member and the Association in writing.
- B. A Bargaining Unit Member shall be entitled to have a representative of the Association during any meeting which the Bargaining Unit Member believes may lead to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the Bargaining Unit Member until such representative of the Association is present. Should disciplinary action likely occur at a given meeting, the Bargaining Unit Member shall be advised immediately of said possibility and be advised by the Employer of the right to representation under this provision of the Agreement. For safety reasons, disciplinary actions are best carried out after drivers have completed their runs or trips for the day unless seriousness of the alleged disciplinary action requires the removal of a driver immediately pending investigation. If a disciplinary action is carried out in the time period of one (1) hour prior to a bus run or trip, the supervisor will provide a substitute for the driver at the schools expense. The regular driver will be paid for the run missed. All steps will include Association representation.

In the event that the arbitrator finds he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 6. More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent.
 7. The cost of the arbitration shall be borne by the party who loses the arbitration, except each party shall assume its own cost for representation including any expense of witnesses.
 8. Should a Bargaining Unit Member fail to process a grievance within the time limits specified, the grievance will be concluded. Should an Bargaining Unit Member fail to appeal a decision of the arbitrator within the limits specified, or leave the employ of the Board (except a claim involving a remedy directly benefiting the grievant regardless of his/her employment), all further proceedings on a previously, instituted grievance shall be barred.
 9. All preparation, filing, presentation or consideration of grievances shall be held at times other than when a member or a participating Association Representative are to be at their assigned duty stations.

The Employer further agrees that no personnel files or employment records will be released to third parties unless ordered by a court, MERC, FOIA, or pursuant to a lawfully issued order, subpoena or as otherwise ordered by law. In the event a request is made for such records, the Employer shall promptly notify the Bargaining Unit Member and Association.
- E. The Board will promptly notify the Bargaining Unit Member with respect from whom a Freedom of Information Act (PA 442 of 1976) demand is made and will follow up with written confirmation by mailing a copy of the FOIA request to the Bargaining Unit Member's address of record.

ARTICLE SEVEN SENIORITY

The word “seniority” means service in the employ of the Board from the first date the Bargaining Unit Member reports to work in any position represented by the Association. In the circumstance of more than one individual reporting to work on the same day, a drawing will be conducted to determine position on the seniority list.

Seniority Lists:

The seniority list for the Bargaining Unit will show the name, first day of work, job title, and classification in which the Bargaining Unit Member most frequently works. The Employer will keep the seniority list up-to-date at all times and provide the Association president with a copy of the list when requested. The Board will notify the Association president in writing of any changes within the seniority list between dates of posting.

Loss of Seniority:

Seniority shall be lost for any of the following reasons:

1. If the Bargaining Unit Member quits.
2. If the Bargaining Unit Member retires.
3. If the Bargaining Unit Member is discharged for just cause and not reinstated.
4. If the Bargaining Unit Member does not return to work within ten (10) working days after date of recall from layoff unless the Bargaining Unit Member submits an acceptable reason for not responding to the recall.

Probationary Employees:

There shall be no seniority among probationary Bargaining Unit Members. When a Bargaining Unit Member finishes a thirty day (30) probationary period, the Bargaining Unit Member will be granted full seniority back to the hire date.

Seniority for posted routes shall be ranked as follows:

1. The senior available regular driver;

2. A driver who has returned from leave and who has no regular assignment, or a regular driver whose route has been reduced.

ARTICLE EIGHT WORKING CONDITIONS

Unsafe Work:

Bargaining Unit Members shall not be required to work under unsafe or hazardous conditions or to perform tasks, which will endanger their health, safety or well-being. Bargaining Unit Members will be given proper safety equipment and instruction in regard to handling and disposal of dangerous substances.

Sick Students:

Students who are sick enough to present health and/or safety concerns to the driver and/or other students shall not be transported. Exception shall include headaches, minor colds, and toothaches.

Student Medical Concerns:

A list of students with severe reactions, allergies or other medical concerns when available shall be given to Bargaining Unit Members who work with those children.

Student Discipline:

The Employer shall support and assist Bargaining Unit Members with respect to the legitimate maintenance of control and discipline of students in accordance with Board policies in the Bargaining Unit Members assigned work areas.

Safe Buses:

All drivers shall complete a bus driver check list for each regular daily route and for each extra bus run (except when the runs are back to back). However, an under-the-hood checklist is required once a day. Drivers shall report needed repairs to the mechanic on the proper forms (pre-trip form).

Drivers shall check oil and water other than through gauges daily if physically possible. Otherwise, the driver shall ask for and be granted assistance by another driver or authorized personnel. If a driver is aware of any problems concerning oil or water at any time, it shall be his/her duty to notify the bus mechanic of such problems. When the mechanic is not available, the driver shall take the necessary steps to correct the situation.

All drivers shall keep the bus they drive on a regular basis or on an extra bus trip clean inside. This may include daily sweeping and dusting (of the front interior of the bus). Approximately fifteen (15) minutes shall be allowed for these purposes. If cleaning is done before or after an extra trip, this will be paid at the extra trip rate.

Drivers shall be at work ten (10) minutes before they are scheduled to leave and they may fuel their bus at their convenience.

All applicable safety standards and procedures of the State of Michigan or the U.S. Government shall be followed unless an applicable safety standard and/or procedure is established that is

higher than those standards and procedures established by the aforementioned governmental bodies. In such an event, the higher standard and/or procedure are to be followed.

If any bus driver and/or the Marion ESP Association MEA/NEA become aware of any standards or procedures that they deem to be unsafe, they shall submit to the Superintendent, in writing, the nature of the unsafe standard or procedure and a recommendation of its correction. The Superintendent shall accept the recommendation as is, modify it, or reject it. In the event that such recommendation is rejected, the rejection and the reasons therefore shall be submitted within seven (7) working days to the bus driver who submitted the petition and to the Association, or if the petition was submitted by the Association, to the Association.

ARTICLE NINE CERTIFICATIONS

The Board shall institute a record system in order to establish the safe driving record of bus drivers and make driver's conscious of deteriorating driving and safety records. Drivers will cooperate with the Board in establishing additional policy in regards to this question.

Any Bargaining Unit Member required to take testing or certifications for continued licensure, employment, legal or regulation requirements shall be reimbursed by the Board for any costs.

The Board will pay for State Mandated instruction and will pay extra trip rate to each participating driver. (every two (2) years.)

The Board of Education will pay all incurred expenses for Mandatory Drug and Alcohol Testing for each occasion that a driver is drawn. This mandate includes all individuals required to possess a C.D.L. (Commercial Driver's License).

ARTICLE TEN PROFESSIONAL DEVELOPMENT

The parties agree that an ongoing training program that assists Bargaining Unit Members to become more professional and able to respond to daily problems that the Bargaining Unit Members encounter is in the best interest of both. To this end the parties agree to establish a Professional Development Committee composed of two (2) members of the Association, selected by the Association (one Paraprofessional and one Driver), and one (1) member of the Administration, selected by the Superintendent.

Committee Responsibilities

- A. Establish a yearly Professional Development Calendar that will correspond with the Marion Teacher calendar, by the fall student count day each year, that will include Professional Development activities for each classification.

- B. When developing the professional development activities the committee will consider, but not be limited to:
 - 1. The School Improvement Plan and Goals;
 - 2. Specific department needs;
 - 3. Professional needs of the effected classification;
 - 4. That the individual needs of the classification may necessiate different trainings (not every classification needs Driver Safety training and paraprofessionals may

need the training being provided to the classroom teacher).

(The listed order does not indicate level of importance)

Pay for Professional Development

Bargaining Unit Members will receive their regular daily rate of pay or be paid their hourly rate for the time spent in the professional development activity, whichever is greater.

ARTICLE ELEVEN CLASSIFICATIONS

The terms “regular driver”, “transportation aide”, “substitute driver”, “paraprofessional” and “health aide” shall have the following definitions:

1. Regular Driver – A Bargaining Unit Member who has been assigned a route for the school year and who may elect to volunteer for substitute assignments.
2. Substitute Driver – A substitute driver is not a Bargaining Unit Member.
3. Transportation Aide – A Bargaining Unit Member who assists on bus runs with students and who may, if qualified, be assigned other bargaining unit work as required by the District when not in conflict with the provisions of the Agreement.
4. Paraprofessional – A Bargaining Unit Member to include, but not limited to, instructional and non-instructional assistants; teacher and program aides; library aides; preschool care givers.
5. Health Aide – A Bargaining Unit Member whose position will entail normal paraprofessional duties, as well as added health care duties.

ARTICLE TWELVE ASSIGNMENTS OF RUNS

- A. A “route” is defined as the assigned course to be followed, consisting of an AM and a PM run, servicing both the High School and Elementary School and cannot be split except as indicated in Section C below.
- B. Extra runs shall be defined as regular scheduled runs, which pick up or leave off students in the morning, at noon, after school, and summer. Extra runs include CTC, Headstart, Preschool, ECSE, and regular van runs.
- C. Those bus drivers with the most seniority in the Marion Educational Support Personnel MEA/NEA Association shall have the option of selecting the bus route and extra run that they desire. All regular routes and extra runs shall be posted and bid separately. Regular runs should not be split unless an extra run conflicts with the regular AM or PM route. In that case the drivers, based on seniority, will have the option of choosing the route or extra run with more hours. The CTC bus run shall be in addition to a regular route and shall be posted and bid separately, but in no case, driven separately unless that is the only run available.

- D. Extra Runs that may be split are: van run, ECSE (driver and aide), Head Start (driver and aide), noon runs, which include but not limited to kindergarten, and ECSE van run. All aides on these runs shall be bargaining unit members based on seniority.
- E. At least one week prior to the commencement of choosing routes each school year, a list of all routes and runs shall be furnished to all drivers (USPS) so they can prepare for selecting of their chosen route. Once routes are chosen at the bus drivers meeting, they are to be considered chosen desired routes and shall not be open for rebid until the next school year.
- F. Bus drivers assigned to the summer bus routes during the summer months shall be selected on a continual rotation based on seniority. In each subsequent summer the rotation shall be picked up from the previous summer. Those drivers selected shall have the option of deciding whether or not they desire to accept these summer bus routes. If a driver declines a route, he/she will not have an opportunity to be selected until their name comes up again on the seniority rotation.
- G. Bus Drivers shall have the option to select a maximum of four (4) runs per day provided that there is no schedule conflict. The total regular runs for one driver may not exceed eight (8) hours per day.
- H. In consultation with the Association and the Board of Education a change of routes may be established.
- I. If there are time changes for AM and/or PM CTC (e.g. exam days or half days), the regular driver for those runs will have the option of driving the CTC runs.
- J. On all extra runs the driver will be paid from the scheduled time of departure to the return to school.

ARTICLE THIRTEEN EXTRA BUS TRIPS & EXTRA DUTIES

“Extra trips” are all trips which are not regularly scheduled bus routes or extra runs. However, if no driver is available, the school will be able to authorize other qualified personnel that possess the State requirements and the Board of Education requirements to drive. Notices of drivers needed for extra trips will be posted as soon as possible after the need for an extra trip becomes known to the school.

In the event an extra trip is not posted twenty-four (24) hours before departure of the trip, no driver will be charged with a pass and a miss. Further, the rotation of drivers will remain as before the trip except for the driver who takes the short-notice trip that will be considered as that driver’s regular rotation trip.

For all extra trips, a driver will be paid from the scheduled time of departure to the return to school. This amount will include the maintenance of the bus. In the event a trip is cancelled without driver notification, the scheduled driver shall receive the full pay for expected time gone

and charged with a trip. All drivers and bus aides forfeiting a regular daily run shall receive one-half (1/2) of the base pay for runs missed due to an extra trip.

Transportation of students between schools (Marion Elementary, Marion High School, and in town) is considered an extra trip. Extra trips will be on a rotating basis and will be determined by seniority. Summer trips will be treated as an extra trip (this does not include a regular summer run). Bargaining Unit Member drivers will drive extra trips. However, if no seniority drivers are available, drivers without seniority may drive. Trips that do not involve students or persons but are solely undertaken to transport goods or materials will be paid at regular route-rate.

If a bus driver refuses an extra trip, he will be automatically charged for two extra trips. A bus driver will not be charged for passing an extra trip if he can establish personal illness for that day, or immediate family, or if it conflicts with his regular run and would not pay as much as that regular run. Also, a driver will not be charged if they already had an extra trip that day or had an overnight trip (which would exclude them from extra trips on the following day, if they opted). This system will be referred to as the Pass/Miss system.

The Pass/Miss record-keeping system will be used as follows:

1. The Pass/Miss system will be used for any extra trips. If more than one bus goes on the same day on an extra trip, the first person in line for that trip may choose the trip he wishes.
2. If more than one trip is scheduled to go out on the same day and one of the trips is cancelled, the driver of the cancelled trip takes the next day's scheduled trip but does not bump the driver that is still scheduled to drive on that day.
3. In the event that two (2) buses are scheduled for the same destination and one bus is cancelled after the driver arrives at the boarding place, the driver with the most seniority has the option of not driving to the destination, but shall receive full pay for expected time gone and charged with a trip.
4. Minimum pay of two (2) hours is granted for extra trips.
5. If a driver has to turn down an extra trip because it would put him/her into overtime, that driver will have a pass not a pass/miss.

Extra duties that are needed in the bus garage will be assigned on a seniority rotation basis. Bargaining Unit Members must submit a written request by September 15th and by June 1st stating their desire to be contacted for extra duties. These duties can include, but are not limited to, washing buses; answering the phone; delivering vehicles for service; traveling to pick up parts; help with bus inspection; and scheduling routes. Extra duties, as indicated above, will be paid at the garage rate. Any garage work needing CDL license will be paid regular route rate. It will be the duty of the Superintendent to keep track of the seniority rotation. A monthly meeting between the Superintendent and the Association President will be held to review the accuracy of the record-keeping system.

A posting board must be openly displayed in the bus garage that details extra duties that are needed in the bus garage. Requests for extra duty work shall be posted no less than two weeks prior to the date needed, except in cases of emergencies. The posting period may be shortened

with advanced notice and approval of the Association. Details of the extra duty shall minimally include: date(s) that the work is scheduled, description of the work needed, and number of workers needed if applicable. Summer work is to be posted and the member whose turn it is must be notified by phone or left a message two weeks prior to the date needed unless the time frame does not allow two weeks. In that case the member will be notified as soon as possible. The member must notify the school within four (days) indicating availability and agreeing to work. Should the school not be notified by the member or should the member decline the work, the next member on the rotation shall be notified and offered the work.

If an extra trip can be consolidated with a regular vocational bus run because of proximity of time and destination, the Superintendent may, at his discretion, do so. However, such extra trips may only be consolidated if the extra event involved is within one (1) mile of the city limits of Cadillac.

Drivers must indicate their preference for all extra trips 48 hours prior to departure of trip, unless notice of extra trip is not posted 48 hours prior to departure. In this case preference indication must be made as soon as possible after posting

Scratching time for extra trips:

Extra trips must be scratched 3:00 p.m. the day before the trip. If driver scratched after the allowed time of 3:00 pm. of the previous day they will receive a pass and a miss, but the following driver, according to the driver seniority rotation, will not be charged with a pass and a miss if unable to take the trip.

When school is cancelled due to inclement weather or other unforeseen circumstances and a driver does not have adequate time to sign for a trip, the driver will not be charged with a miss if they did not sign for the trip.

Drivers will receive a meal allowance unless it is outside of normal meal hours. Normal meal hours shall be defined as:

Breakfast	7:00 a.m. to 8:00 a.m.
Lunch	11:30 a.m. to 1:00 p.m.
Supper	5:00 p.m. to 7:00 p.m.

Meal tickets shall be as follows:

Meals will be paid as follows: no receipt necessary

Breakfast: \$8.00

Lunch \$9.00

Supper; \$10.00

The above will in no case apply to any normal runs.

All trips shall be chaperoned by a parent. Exceptions will be given to athletic player groups or groups that contain a teacher in charge. The parent chaperones shall be on the principals' chaperone list. Buses on extra trips shall have the assistance of chaperones consisting of parents or teachers. These individuals shall have instructions necessary for maximum assistance and shall be spaced throughout the bus.

A bus driver's responsibilities for extra trips will be the following:

1. Pre-trip inspection is to be completed with exception of back-to-back runs.
2. Bus is to be fueled and cleaned with the exception of back-to-back runs.
3. Buses should be at the boarding site prior to departure time.
4. Bus leaves when teachers or coaching staff are ready.
5. Driver is to know where they are going and how to get to the approximate destination.
6. Bus and driver are to remain at destination unless other arrangements are made with the teachers or coaching staff.
7. In the event that the driver does leave the destination, they must be, at all times, reachable by the teachers or coaching staff in charge of the trip.
8. Drivers will comply with teachers and coaching staff requests, including stopping for meals and breaks when and where they want when weather permits.
9. Teachers and coaching staff are responsible for students' behavior on the bus.

ARTICLE FOURTEEN PARENT/BUS DRIVER CONFERENCES

It is recognized that parent/bus driver conferences are an important function in daily school operations. Should a parent wish a conference with a bus driver and an administrator, the bus driver in question shall make herself/himself available at the earliest possible convenient time.

Should the pursuing discussion develop into charges by the parents that reflect on the bus driver's ability to operate or control the bus, then the bus driver may request a third party, usually consisting of a union officer. The meeting in such situation will be rescheduled to the convenience of parties concerned.

Should a group of parents or interested parties seek a conference with a bus driver, such a conference shall not be scheduled with the driver present until the driver is able to meet at his/her reasonable convenience. Officer of the union will also be given convenient time to schedule themselves into the meeting.

Meetings that involve large groups of parents are discouraged. Efforts will be made to meet with only small discussion groups.

The Board shall pay twenty dollars (\$20.00) as a general remuneration at the end of the school year (last pay check of the regular school year) for possible parent-driver conferences services required beyond the normal driving time to each regular bus driver.

Recommendations for expulsion for extended periods of time or total expulsion can only be processed through the Superintendents' Office. A student may be excluded from riding a bus for extended periods or totally expelled from riding a bus through the Board of Education.

Bus drivers may orally warn a student of poor behavior or warn through a written instrument. Bus drivers may, for good reason, refuse to have a student ride the following day. Such notice shall be in writing on a proper form. If for good reason a form is not used, parental contact, via phone or otherwise, must be established so that the parent may arrange other transportation for the following day. If a student's behavior is such that the driver believes that it warrants more than a one day removal from the bus, the driver may, with the approval of the building administrator, remove a student from the bus for up to three days.

It is recognized that bus driver/parent conferences are an important avenue in resolving issues and obtaining solutions, and bus drivers are encouraged to exercise this option.

Because of the very nature of the transportation operations, it must be recognized that students must establish a behavior pattern that will not interfere with the safe operations of the bus. Drivers will be given all assistance possible to assure safe operations of the bus.

Bus drivers are not to allow students to exit other than their homes unless the student has prior written permission signed by the parent, bus supervisor, or administrator.

Bus drivers are not to change or deviate from their established routes unless of an emergency. Should the route have been deviated for emergency reasons, the bus dispatcher or Superintendent is to be informed within twenty-four (24) hours of the action taken, with the following exception. Drivers are not required to drive a bus to the home of a student who is absent.

ARTICLE FIFTEEN VACANCIES, TRANSFERS AND PROMOTIONS

All vacancies shall be posted on a bulletin board in each building or work area. Vacancies shall be posted for a minimum of five (5) working days and a maximum of eight (8) working days. Said posting shall contain the following information and a copy of same shall be provided to the Association.

If a Health Aide position is eliminated due to a student’s dropped enrollment from the district, the Health Aide will receive five (5) school days notice. In the event of a necessary reduction in the work force or hours, the District shall first layoff probationary Bargaining Unit Members in the affected classification, then the least-senior Bargaining Unit Member in that classification.

In no case shall a new Bargaining Unit Member be employed by the District while there are laid-off Bargaining Unit Members who are qualified for a vacant or newly-created position.

A laid-off Bargaining Unit Member, at his/her option, be granted priority status on the substitute list according to his/her seniority.

If it is apparent a layoff is imminent, the Association and the District shall work in a timely manner to identify a mutually-acceptable solution. If no such solution can be developed, the provisions of this contract shall apply.

Part-time members whose positions have been affected by a layoff shall have the right to assume a position for which they are qualified which is held by the least-senior-part-time member.

In the event of a layoff, a full-time Bargaining Unit Member may claim seniority over another Bargaining Unit Member for the purpose of maintaining his/her normal work schedule, provided he/she has greater seniority than the Bargaining Unit Member he/she seeks to replace. A part-time Bargaining Unit Member may claim seniority over another part-time Bargaining Unit Member for the purpose of maintaining his/her normal work schedule, provided he/she has greater seniority than the part-time Bargaining Unit Member he/she seeks to replace.

Recall:

Laid-off Bargaining Unit Members shall be recalled in the order of seniority with the most senior being recalled first to any position for which they are qualified. A Bargaining Unit Member who declines recall to work for which he/she is qualified shall forfeit his/her seniority right to recall. Members have a recall right for two (2) years after date of layoff.

A voluntary layoff will be granted without the Bargaining Unit Member losing seniority or recall rights. The recall rights of a Bargaining Unit Member on voluntary layoff will be as stated above.

The refusal of recall to a position that has less hours than the position the Bargaining Unit Member was laid off from will not cause the Bargaining Unit Member to forfeit his/her seniority right to the recall.
