Periods of time spent on leaves of absence, not to exceed one calendar year, shall not constitute a break in service, and seniority shall be deemed to accrue during such periods. Additional leaves may be granted by the Board on a case-by-case basis, but will not accrue seniority. Credit for experience in outside school districts, for purposes of determining seniority, shall not apply.
- B. Certification is as approved by the Department of Education of the State of Michigan.

ARTICLE 8

CONTINUITY OF OPERATION

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operation. The Association agrees that its officers, representatives, and members shall not strike during the life of the contract, nor will it aid or support any strike by any other employees of the District.

The Board and/or Association retain the right to ask for court injunctions.

- B. Nothing in this Agreement shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by health hazard or Act of God. When a school is closed due to the above conditions, the teachers assigned to the closed school building shall not be required to report for duty.

Anytime school is interrupted for reasons other than weather, and days must be added to the calendar to operate the required number of days in session and minimum number of hours required by the state law to receive full state funding, the time that these days/hours are to be made up shall be by mutual agreement of the Board and the Association.

ARTICLE 9

TEACHER PROTECTION AND STUDENT DISCIPLINE

- A. Each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom. Teachers also share with the Administration the responsibility for maintaining proper control and discipline in the building, on the school grounds, or at school related activities in which the teacher is involved. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in all situations where they are performing the function normally expected of a teacher. Teachers have the alternative of using any number of acceptable disciplinary practices. When a teacher believes it is necessary, a student may be referred to the office with a misconduct report by the end of the day which states the offense.

- C. Any request by a parent for a conference with a teacher shall be called promptly to the attention of the teacher by the person receiving the request and, if possible, reasons for the conference identified.**
- D. The Board recognizes that public airing of complaints about teachers has the potential to harm the teacher's reputation, and fundamental fairness dictates that teachers have an opportunity to respond to citizen, parent, or student complaints that are brought before the Board. The Michigan Open Meetings Act allows the Board to meet in closed session to hear complaints brought against a public employee if the named person requests a closed hearing. Accordingly, if public complaints are made about a particular teacher, the Board will:**
- 1. Notify the complainant that the teacher has the right to request that the complaint be heard in closed session; and**
 - 2. Offer to schedule a closed session for airing of the complaint.**

Board members shall not publicly discuss the merits of any such complaint without first affording the teacher an opportunity to reply to the complaint. Should a hearing take place which requires testimony, the teacher shall have the right to be present, be represented, or accompanied by a representative of his/her choice. The teacher may request hearings on any such issue of personnel/complaint matters to be held in closed session pursuant to the Open Meetings Act.
