The Employer shall give the promoted or transferred bargaining unit member reasonable assistance to enable him/her to perform up to the employer's standards on the new job. If the bargaining unit member is unable to demonstrate ability to perform the work required during the trial period or at the option of the affected bargaining unit member, the bargaining unit member shall be returned to his/her previous assignment.
- G. The parties agree that involuntary transfers of bargaining unit members are to be affected only for reasonable and just cause.

The employee who temporarily assumes the duties will not be reduced in pay or hours of work.

SECTION 2.2 BARGAINING UNIT MEMBER EVALUATIONS

- A. All monitoring or observation of the work of each bargaining unit member shall be conducted in person and with the full knowledge of the bargaining unit member.

In no case shall the bargaining unit member's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation. All proceedings and documents regarding evaluations, discipline and such other employer/employee relationships shall be kept confidential, except in the case where the district receives a Freedom of Information Act request. Written notice shall be provided to the employee in those cases where the district has received a FOIA request.

When related services require expertise, the employer will endeavor to provide the services via training personnel. In no case, however, will a bargaining unit member be required to provide related services requiring expertise, unless the following conditions are met:

VESPA members will be paid only for the Act of God hours allowed by the state and subsequent rescheduled days that are worked by the employee. Letter of Agreement re:

Appropriate Use of Volunteers at Vanderbilt Area School

In the interest of creating the best learning environment for our students, the Board of Education would like to utilize community volunteers to perform specific, limited, and necessary roles and/or services. A few more eager hands and willing hearts could certainly lighten our load and brighten our outlook at VAS. However, the Board is very concerned that the use of volunteers be agreeable to the Vanderbilt Education Support Personnel association and that invited volunteers be welcomed for their services. The Board does not want to circumvent hiring or supplant existing employees with volunteers; nor does the board want that to become the perception of any employee.

Therefore, the Board suggests that this letter of agreement pertaining to the appropriate use of volunteers be approved by both the Vanderbilt Educational Support Personnel Association/NMEA and the Vanderbilt Area School Board of Education.

This letter of agreement, by and between the Vanderbilt Area School District (Employer) and Vanderbilt Support Personnel Association/NMEA/MEA/NEA (Association), sets forth the understanding and agreement of the parties regarding the appropriate use of volunteers at Vanderbilt Area Schools.

It is agreed that volunteers may be used only under the following circumstances:

1. All work that would constitute regular daily work of existing employees should be offered as employment first to employees in the recall pool.
2. It is a one-time task such as building a fence, planting trees, etc.
3. It is a club acting such as Boosters doing trash/litter patrol following sporting events, additional labor for painting ball field fences and repairing dugouts, and maintaining the running course for cross country track, Flower Club for weeding and planting, etc.
4. Head-check for lice.
