**Memorandum of Understanding  
between the  
Merrill Community School District Board of Education  
and the  
Merrill Education Association**

This is to acknowledge that the Board and the Association have agreed to extend the current contract, years 2006-2009, for one additional year, 2009-2010. Teachers will advance on the salary schedule as appropriate, but no increase will be added to the base salary. In addition, contract language and insurance benefits will remain in place as per the Master Agreement. The Board and the Association recognize that 2009-2010 calendar consists of 174 student days, 177 teacher days, and 1098 instructional hours.
