E.I. aides and instructional aides, assigned to Swan Valley and/or St. Vincent's, office personnel, but excluding all supervisory, executive, confidential personnel and substitutes. Each of these will be a separate classification. All personnel represented by the Association in the above defined bargaining unit shall, unless otherwise indicated, be referred to as "employees".

Full-time employees shall be defined as those working thirty-five plus (35+) hours per week. Employees working thirty-five (35) or fewer hours per week shall be considered part time employees. Employees working twenty-eight (28+) hours per week prior to July 1, 1994, shall be considered full-time employees for all articles of this Agreement.

### **ARTICLE 2 – ASSOCIATION RIGHTS & RESPONSIBILITIES**

The Association shall have the right to use the school facilities and equipment, including duplicating equipment, calculating machines, and all types of audio – visual equipment, when such equipment is not otherwise in use. Association use of school facilities and equipment will be permitted provided that:
1. A request is made and use arranged for in advance at which time the purpose of the use is given.
  2. The use is strictly to service the legitimate purposes of the Association, such as duplication of records, notices, correspondence.

3. The purpose is for the internal business of the Association and not for public distribution.
  4. The Association shall reimburse the school for any expendable supplies.
- B. The Association shall have the right to post notices of its activities such as unit election results and unit meetings on designated bulletin boards. Anything posted shall be signed by the appropriate local union official and a copy provided to the Administration.
- C. Upon written request by the Association, the following reports will be made available:
1. The annual financial report for the year ending as of June 30<sup>th</sup>, after completion of the audit as presented to the Board;
  2. A copy of the proposed budget;
  3. A list of all personnel covered by this Agreement, including their salary and years of seniority in the system.
- D. The parties shall share equally the cost of printing of this Agreement.
- E. The Board shall permit a person or persons designated by the Association a maximum of six (6) days total absence, without loss of pay, to attend Association conferences during the school year. The Association shall make such request one (1) week prior to date of such conference. The Association shall pay the expenses incurred. No more than two (2) unit employees may be gone on the same day for such conferences.
- F. At the written request of the Association, special conferences may be arranged between the Association and the Administration. The topics to be discussed shall be made known in advance and the meeting shall be conducted on non-paid time.
- G. Employees in this unit shall be represented by two (2) stewards. The Association shall furnish, in writing, to the Employer the names of the stewards and alternate stewards.

- F. No employee will be disciplined for failing to follow any rule, regulation, or order unless such rule, regulation, or order has been applied uniformly with all employees.
- G. If the Board decides to implement an evaluation procedure, all employees, upon employment and at the beginning of each work year, will be apprised of the specific evaluative criteria and procedure prior to the conducting of any formal evaluation.
  - 1. Probationary employees shall be observed for the purpose of evaluation at least twice during their probationary period.
  - 2. Seniority employees shall be observed for the purpose of evaluation at least once every two (2) years.
  - 3. Evaluations shall be conducted by the employee's immediate supervisor. All monitoring or observation of the employee will be conducted openly and with the full and complete knowledge of the employee. The use of electronic devices or similar surveillance devices shall be strictly prohibited.
  - 4. All evaluation shall be in writing and a conference shall be held between the employee and the supervisor to discuss the evaluation within five (5) days of the observation.
  - 5. All evaluations must indicate the supervisor's observation of the employee's particular strengths and those areas needing assistance. Furthermore, whenever a particular deficiency is noted, the evaluator must indicate the specific way which the employee is to improve and what assistance will be provided by the supervisor. Subsequent evaluation reports must note the progress or lack of progress of previously noted deficiencies.
- H. An employee shall be considered a voluntary quit if he/she is absent three (3) consecutive normally scheduled work days without notification of a valid reason acceptable to the Board and who has no legitimate reason for not notifying the Board of his or her absence, unless the employee can demonstrate that there were extenuating circumstances preventing such notification.

## **ARTICLE 5 – SENIORITY**

- A. Definition and Use:
  - 1. Beginning with the ratification of the 1991-94 Master Agreement, seniority for all bargaining unit employees shall be accrued and maintained under a dual seniority system. Bargaining unit employees shall accrue "District-wide" seniority based on their most recent continuous date of hire in the District. Bargaining unit employees shall accrue "classification" seniority based upon the

### **ARTICLE 3 – RIGHTS OF THE BOARD OF EDUCATION**

- A. The Board, on its own behalf and on the behalf of the electors of the District, retains and reserves unto itself all powers, rights, authority, duties, and responsibilities granted by law. The adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement and then only to the extent such terms are in conformance with Constitution and laws of the State of Michigan and the Constitution and laws of the United States.
- B. The parties agree that this Agreement incorporates their full and complete understanding and that any prior oral agreements or practices are superseded by the terms of this Agreement. The parties further agree that no such oral understandings or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this Agreement.
- C. The provisions of this Agreement—the wages, hours, terms and conditions of employment—shall be applied in a manner which is not arbitrary or discriminatory.

### **ARTICLE 4 – EMPLOYEE RIGHTS AND RESPONSIBILITIES**

- A. Employees shall be entitled to perform their duties under fair, safe, healthful and equitable working conditions as regulated by the State and Federal Occupational Safety and Health Act. When such conditions do not prevail, the affected employee(s) shall notify their supervisor immediately of any deficiencies. The Board shall make all reasonable attempts to correct such deficiencies as soon as possible.
- B. For just cause, the Board or its representative may reprimand, suspend without pay, demote, discipline, or discharge an employee. If the employee feels that the reprimand, suspension without pay, demotion, discipline, or discharge is unjust, the employee may file a grievance in accordance with the provisions of Article 15. If the parties have agreed to an appropriate penalty, any review of this matter by an arbitrator shall not include a review of the penalty imposed. If the parties have not agreed upon an appropriate penalty, the arbitrator may direct an appropriate penalty except that the arbitrator shall not substitute his/her judgment for that of the Employer unless the arbitrator determines that the Employer's decision concerning the appropriate penalty is clearly arbitrary or capricious.
- C. When an employee is given a suspension, disciplinary discharge, layoff, written reprimand and/or warning which is to be affixed to his/her personnel file, the employee shall be promptly notified of the action taken in writing.
- D. Records of disciplinary action must be specific in content, signed by the contributor, and a copy furnished to the employee.
- E. Whenever practical, employees shall be counseled privately for corrective action.

most recent continuous length of time spent working in a particular classification.

2. Classification seniority shall not be transferable and shall not be used for bidding purposes outside that specific classification. Should an employee transfer out of a given classification, his/her seniority accrued while working in the classification shall be frozen but can be used for bumping back into the classification to avoid layoff.
  3. An employee's step on the wage scale will not be directly connected with seniority.
  4. The place on the seniority list of persons hired on the same day shall be determined by lot.
- B. New employees shall be subject to a probationary period of seventy-five (75) working days of employment which must be completed within six (6) months in which work is scheduled (excluding the summer period for those employees that are not scheduled to work). During the probationary period, the Board shall have the sole right to discharge, discipline, transfer, demote, or lay off employees for any reason, without regard to the provisions of the Agreement, and no grievance shall arise there from. Upon completion of the probationary period, their names shall be placed on the seniority list as of the date they were employed.
- C. Any employee's seniority shall terminate upon the occurrence of any of the following: (a) voluntary quitting; (b) discharge for cause; or (c) retirement.
- D. Any up-to-date seniority list of all employees who have completed their probationary period shall be provided to the Association at the beginning of each semester, more often at the discretion of the Board. Newly-hired employees during the interim shall be made known to the Association.
- E. Seniority shall be frozen at the current step, when lay off occurs. Any employee who is absent from work by reason of lay off shall remain on the seniority list for three (3) years. After three (3) years, he/she shall lose seniority.
- F. Unexcused failure of the employee to return to work recalled from layoff or the unexcused failure of the employee to return to work after expiration of a formal leave of absence shall result in the termination of and loss of seniority.
- G. When a circumstance occurs that requires a health care aide to remain with a student through graduation regardless of seniority, lay-off, or bumping, the District and the Association will review the circumstances. They will come to a mutual agreement on a case-by-case basis. If the parties are unable to reach an agreement, the County Director of Special

Education services will be asked to review the circumstances and make a recommendation that both parties will abide by.

If the duration of the absence of the student is anticipated to be less than ten (10) days, the paraprofessional might be reassigned to other duties within the district for the duration of the child's absence.

If the duration of the absence of the student lasts more than ten (10) consecutive days, the paraprofessional will be laid off.

If a health care position is deemed as having special circumstances, the aide who assumes the position will have his/her seniority frozen for layoff/bumping purposes, but will retain and accumulate seniority for pay, longevity, benefits, and transfer purposes.

#### **ARTICLE 6 – CONFERENCE DAYS**

The Board shall pay the reasonable expenses (including fees, meals, lodging and/or transportation) incurred by employees who attend workshops, seminars, conferences, or other career improvement sessions as approved by the Superintendent. Attending workshops, seminars, conferences, or other career improvement sessions may be pre-approved only if it is within the budgetary limitations of the District. Application to attend such a conference should be made sufficiently in advance (usually a minimum of four (4) working days) to allow the proper planning. Persons attending conferences will submit a summary of conference highlights to the Superintendent within two (2) weeks from the closing of the conference.

#### **ARTICLE 7 – RESIGNATION**

Any employee desiring to resign shall file a letter of resignation with his/her immediate supervisor at least two (2) weeks prior to the effective date.

#### **ARTICLE 8 – SICK LEAVE**

- A. All full-time and part-time school year employees shall receive nine (9) sick days per year.
- B. An employee may accumulate a maximum of one hundred and sixty-five (165) days of unused sick leave.
- B. Employees who are ill and must be off work are requested to call their immediate supervisor and their local school office. If any employee fails to report to the building principal or supervisor that he/she is ill and will not report for work, said employee will forfeit his/her sick leave pay for such days not reported.
- C. Employees who voluntarily separate from the District who have a minimum of ten (10) years of service to the District shall receive fifty (\$50) dollars per day for up to seventy-five (75) days of unused sick leave.

Employees who are discharged for just cause will not be eligible for termination benefits.

- D. A sick leave bank shall be established in the initial year of this Agreement by each employee contributing one (1) day of sick leave to the bank. Each new employee shall be assessed one (1) day during his/her first year of employment. These days may be used in cases of personal illness or injury when an employee has depleted his/her own sick leave. These days may be requested through completion of a sick leave bank request form within five (5) work days prior the expiration of sick leave. These forms are available through their building rep.

A committee made up on one (1) administrator (superintendent or designee) and two (2) bargaining unit employees (one elementary, one secondary) with provision that the building principal involved may be requested to be present as a source of information relative to the case under consideration. The committee shall decide if any days or how many days will be granted that employee. Any decision must be a two-thirds (2/3) vote with a quorum present for action. A written note from a physician, upon request, shall also be presented with the employee's request. Any days remaining in the sick leave bank at the end of one school year will be carried over into the succeeding school year. Should the days in the sick bank be totally depleted, the bank shall be re-established in the same manner as the original establishment.

#### **ARTICLE 9 – PERSONAL BUSINESS DAY**

- A. All full-time employees with seniority shall receive four (4) personal business days, without loss of pay, each year.

Part-time employees who work twenty-five (25) or more hours per week shall receive three (3) personal business days, without loss of pay, each year. Part-time employees who work fewer than twenty-five (25) hours per week shall receive two (2) personal business days, without loss of pay, each year.

A personal business day will not normally be granted prior to or after a holiday.

Business days must not be accumulative.

- B. Request to the immediate supervisor shall be made forty-eight (48) hours in advance, except in case of emergency.
- C. If unused, the personal business day is to be converted to a sick leave day. Personal business days are to be used for business purposes that cannot be taken care of outside the working day.

## **ARTICLE 10 – SCHOOL CLOSING**

- A. In the event of law changes, the District is not required to make up “Act of God” to participate in full state aid; we will revert back to not requiring employees to make up “Act of God”.

If school is canceled due to an “Act of God” and the day is made up later, employees shall only receive pay for the made-up day.

- B. In case of mechanical failure or other reason when a school building is closed, an employee may be requested to work in another building for the duration of that closing.

## **ARTICLE 11 – JURY DUTY**

- A. A seniority employee who is summoned and reports for jury duty, as prescribed by applicable law, shall be paid by the Board in an amount equal to the difference between the amount of wages the employee otherwise would have earned by working straight time hours for the Board on that day and the daily jury duty fee paid by the Court (not including travel allowances or reimbursement of expenses for each day’s jurist service). The obligation of the Board to pay the employee for jury duty is limited to a maximum of sixty (60) days of any calendar year.
- B. To receive payment, the employee must give the Board prior notice that he/she has been summoned for jury duty and just furnish satisfactory evidence that he/she reported for or performed jury duty on the days for which he/she claims such payment. The provisions of this paragraph are not applicable to an employee who, without being summoned, volunteers for jury duty.

## **ARTICLE 12 – LEAVE OF ABSENCE**

- A. Leave of absence with pay shall be granted annually for the following reasons:
  - 1. A maximum of eight (8) days for critical illness or death in the immediate family. These days would be deducted from a sick leave. Immediate family shall be interpreted throughout this Agreement as husband, wife, mother, father, brother, sister, children, grandparents, or grandchildren of employee or spouse. Critical illness shall be defined as requiring immediate medical attention.
- B. A maximum of three (3) sick days per school year may be used for the following reasons, provided permission for such leave is obtained from the Superintendent’ s office through the principal involved. These days would be deducted from sick leave.
  - 1. The employee may attend the funeral of any person.
  - 2. Emergencies, catastrophic accidents.

- D. Family and Medical Leave

The employer shall have the right to designate a leave as Family and Medical Leave based on appropriate information supplied by the employee. The following principles shall apply to all family and medical leaves:
- (1) A family and medical leave may be paid or unpaid provided that the employer may require that an employee use available paid leave time to cover his/her absence.
  - (2) Only employees who have been employed for at least twelve (12) months and for at least 1250 hours during the previous twelve (12) month period will be considered eligible for family and medical leave.
  - (3) Where the husband and wife are both employed by the District, the aggregate number of weeks of leave which both may be entitled to and limited to twelve (12) weeks during any twelve (12) month period of time when the leave is taken following the birth of a child or placement of a child for adoption or foster care.
  - (4) Where FMLA is being taken for the purpose of caring for a child following birth or placement, it must be taken within twelve (12) months from the date of birth or placement.
  - (5) If an employee requests intermittent leave or leave on a reduced leave schedule and it is foreseeable based on planned medical treatment the employer may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position.
  - (6) Employees will be required to provide appropriate notification of at least thirty (30) days before an expected leave is to begin. Employees will also be required to provide certification of the need for the leave of absence. The Employer reserves the right to challenge the certification as provided within the statute.

- (7) The Employer reserves the right to require an Employer to report periodically on his/her status and intent to return to work.
- (8) As a condition of being restored to employment, the Employer reserves the right to require an employee to provide certification indicating that he/she is capable of resuming his/her duties.
- (9) (If applicable) An employee will be required to pay the employee's share of group health insurance premiums during an FMLA leave, including any increases imposed by the carrier.

## **ARTICLE 15 – GRIEVANCE**

### **A. Definition**

1. A grievance shall mean a complaint by an employee in the bargaining unit that there has been to him/her a violation, misinterpretation, or inequitable application of a specific provision of the Agreement.
2. As used in this Article, the term “employee” may mean a group of employees having the same grievance. Grievances filed under Section 2 may be filed under the name of the Association President.
3. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having that grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, providing that the Association has been given opportunity to be present at such adjustment.

### **B. Procedure for handling**

1. The employee who feels that he/she has a grievance should first take the matter up verbally with the supervisor (within five (5) working days or ten (10) days in the summer following the act or condition which is the basis for his/her grievance) who will attempt to resolve it with him/her.
2. If this act fails to resolve the grievance, the employee shall reduce the grievance to writing, specifying the section of the Agreement he/she alleges is violated, the events that caused the alleged violation and the remedy he/she seeks. This must be accomplished within five (5) working days of the verbal conference.
3. Within five (5) working days of receipt of the written grievance, the supervisor shall attempt to arrange a conference with the view of satisfactorily resolving the grievance. At the time of the conference, the employee may appear personally or he/she may be represented by an Association representative in case of emergency, or both. Such conference shall be scheduled at a time when there is no disruption of normal school routine and the duties of the employee.
4. Within five (5) working days after such conference, or longer if mutually agreed to, the supervisor shall answer such grievance in writing.
5. If the grievance is not appealed from the written answer within five (5) working days after receipt of such answer, the supervisor’s decision will be final. The grievance may be appealed to the Superintendent by

sending such notices in writing to him/her within five (5) working days from the date of the supervisor's written decision.

6. Within ten (10) working days, or longer if mutually agreed to, the Superintendent, or his/her designee, will arrange for a conference to satisfactorily resolve the grievance. Such conference shall be scheduled at a time when there is no disruption of normal school routine and the duties of the employee.
7. Within ten (10) working days, or longer if mutually agreed to, the Superintendent, or his/her designee, shall answer such grievance in writing.
8. Such answer shall be final and binding unless appealed to the next step within thirty (30) days from the date of the Superintendent's written decision. The answer may be appealed to the Board of Education within ten (10) working days.
9. Within ten (10) working days after the Board has been notified, or longer if mutually agreed to, the Board will arrange for a conference to resolve the grievance.
10. If the grievance is not settled at the preceding step it may be submitted to binding arbitration within ten (10) working days after the conference with the Board.
  - a. Within the ten (10) days referred to above (Step 10), the party choosing to arbitrate must give written notice to the other party, setting forth specifically the nature of the dispute to be arbitrated.
  - b. Within five (5) working days from the receipt of such notice, the other party shall notify the first party with its statement of the matter to be arbitrated.
  - c. If the parties are unable to agree on an arbitrator within five (5) days, the American Arbitration Association will be asked to immediately submit a panel of arbitrators. The rules of the American Arbitration Association will govern the proceedings.
  - d. The fees and expenses of the Arbitrator, cost of transcripts (if one is requested), and cost of the hearing room shall be borne equally by both parties. All other expenses incurred shall be paid by the party incurring them.
11. This Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the Arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the Arbitrator is to determine disputed interpretations of terms actually found in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The Arbitration shall, therefore, not have authority, nor shall it be considered his/her function, to

include the decisions of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The Arbitrator shall not give any decision which, in practical or actual effect modifies, revises, detracts from, or adds to any of the terms or provisions of this Agreement. Past practice of the parties interpreting or applying terms of this Agreement can be relevant evidence; but may not be used so as to justify or result in what is, in effect, a modification (whether by addition or deduction) of written terms of this Agreement. The Arbitrator has no obligation or function to render a decision or not to render a decision merely because, in his/her opinion, it is unfair or inequitable.

12. If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, as the same are set forth in this Article, the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. The Arbitrator shall have the authority to determine whether he/she will hear the case on the merits at the same hearing in which the jurisdictional question is presented. In any case, where the Arbitrator determines that such grievance fails to meet said test of arbitrability, he/she shall refer the case back to the parties without a recommendation of its merits. The Arbitrator shall have no authority to decide a decision on the merits of any grievance addressing a prohibited or illegal bargaining subject.
13. Unless expressly agreed to by the parties, in writing, the Arbitrator is limited to hearing one issue or grievance upon its merits at any one hearing. Separate arbitrators shall be constituted for each grievance appealed to binding arbitration.
14. All cases shall be presented to the Arbitrator in the form of a written brief prepared by each party setting forth the facts and its position, and the arguments in support thereof. The Arbitrator may make such investigation as he/she may deem proper and may, at his/her option, hold a public hearing and examine the witnesses of each party; and each party shall have the right to cross-examine all such witnesses and to make a record of all such proceedings. Within thirty (30) days after the close of the hearing, or the date established for filing post-hearing briefs, if so desired by either party, the Arbitrator shall issue his/her decision which shall be final and binding.

#### **ARTICLE 16 – MILEAGE**

Employees required in the course of their work, and who have received approval from the administration to drive personal motor vehicles for school business, shall receive an allowance equal to that paid to other employees who use personal motor vehicles for authorized District business.

## **ARTICLE 17 – SALARY PROVISIONS**

- A. The classification and salaries of employees covered by this Agreement are set forth in Appendix A which is attached to and incorporated in this Agreement. It is understood that the designation of classification and position is not intended as designating job content or as restricting work assignments.
- B. All part-time school year employees shall be given a choice of being paid in twenty-one (21) or twenty-six (26) pays. All part-time and school year employees will be paid in 21 pays unless the employee elects to have the District withhold amounts from his/her wages to provide for his/her wages to be received in 26 equal pays.

All paraprofessionals hired after December 20, 2006 that work school year only will be paid on an hourly basis for the hours worked during that pay period.

The Association agrees that if a court or other tribunal of competent jurisdiction determines that the voluntary structure of 26 pay periods for employees who work only a limited work year is illegal, this structure shall be considered null and void and the pay structure shall immediately revert to 21 pay periods and all employees shall be paid accordingly.

- C.
