## COLLECTIVE BARGAINING AGREEMENT

THIS AGREEMENT made on the date hereinafter set forth by and between **THREE RIVERS COMMUNITY SCHOOLS**, acting by and through its Board of Education (hereinafter called the “Employer”) and the **THREE RIVERS EDUCATION ASSOCIATION** (hereinafter called the “TREA”):

### WITNESSETH:

#### GENERAL STATEMENT OF POLICY

The Board and the **THREE RIVERS EDUCATION ASSOCIATION** (hereinafter referred to as the “Association”) agree that the development and implementation of a high quality instructional program is the joint responsibility of the Board and the professional educators who are employed by the Board. It is further agreed that the best way to discharge the joint responsibility is through close consultation between the Board, the Administration and the teaching staff speaking through their elected representatives (the Association).

Since these groups have the same goal of providing the best possible education for all students enrolled in the schools, relationships must be established which are based upon these high ideals and common interest and the proposition that education is a public trust and a professional calling.

The parties agree to work together to resolve any and all problems, which might have a deleterious effect on the educational program, the students, the morale or working conditions of the teaching staff.

#### ARTICLE 1 - RECOGNITION

Pursuant to Act 379, Public Acts of 1965, as amended, the Board recognizes the SMEA as the exclusive bargaining agent for employees of the Board (hereinafter referred to as “teachers”) in the bargaining unit defined as:

School nurse(s) that are certificated to teach or have, as a part of their assignment, classroom teaching responsibilities, and all instructional personnel employed by the school district for the regular school term, grades K-12 including alternative education teachers, but excluding substitute teachers, adult education teachers, teacher aides, executives, supervisors and all other employees.

The SMEA recognizes and designates the Association as the Administrator of this contract, including the processing of grievances.

#### ARTICLE 2 – BOARD OF EDUCATION RIGHTS

The Board on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State

of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:

1. to the executive management and administrative control of the school system and its properties and facilities;
2. to hire all employees and subject to the provisions of the law, to determine their qualifications, and the conditions for their continued employment or their dismissal or demotion; and to promote and transfer all such employees;
3. to establish grades and course of instruction, including special programs, and to provide athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
4. to decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
5. to determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers.

The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Board, and adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

Except as expressly provided otherwise by the terms of this Agreement, the determination and administration of educational policy, the operation of the schools and the direction of the professional staff are vested exclusively in the Board or in the Superintendent when so delegated by the Board.

The Board reserves the right to assign or to reassign the probationary teacher as well as to evaluate or discipline him/her. Whether to re-employ a probationary teacher or to place him/her on a second, third or fourth year of probation is a Board prerogative.

### ARTICLE 3 – ASSOCIATION RIGHTS AND RESPONSIBILITIES

**3.1 Association Rights.** The Association shall have, in addition to other rights expressly set forth herein or provided by law, the following rights:

- A. Facilities and Equipment.** The use of school buildings at reasonable hours for meetings, and the use of school office equipment, provided that it shall pay the reasonable cost of any required labor, materials, or supplies, and for any damage, and provided further, that such use shall not interfere with the primary educational use of such facilities or equipment. Duly authorized representatives of the Association and their respective affiliates shall be

permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt school operations.

- B. Communications Facilities.** The use of District mail service, teacher mailboxes, and designated bulletin boards in each building is for the purpose of giving notice of Association activities and matters of Association concern. The Association shall be responsible for any postage owed as a result of use of the District mail service.
- C. Board Minutes.** Copies of the board meeting agenda and minutes shall be posted on the staff bulletin board in each building. Furthermore the Board agrees to furnish to the Association, in response to reasonable requests, all available information concerning the financial resources of the District, including but not limited to: annual financial reports and audits, register of certified personnel, tentative budgetary requirements and allocations including county allocation board budgets, treasurer's reports, census and membership data, names and addresses of all teachers, and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students together with information which may be necessary for the Association to process any grievance or complaint. Nothing contained in the above shall be construed to require that the Board provide such information in any form other than would normally be provided to the Board or require the Board to create documents or make compilations or summaries of information.
- D. Agency Shop**
- 1. Association Membership.** Membership in the Association is not compulsory. Teachers have the right to join or not join, maintain or drop their membership in the Association, as they see fit. Neither party shall exert any pressure on nor discriminate against any teacher by reason of his/her joining or refusing to join the Association.
  - 2. Financial Responsibility.** Membership in the Association is separate and distinct from the assumption by a teacher of his/her equal obligation to compensate the Association for the benefits he/she receives from representation. The Association is required under this Agreement to represent all of the teachers in the bargaining unit fairly and equally without regard as to whether or not any teacher is a member of the Association. The terms of this Agreement have been equally made for all of the teachers in the bargaining unit and not solely for the benefit of the members of the Association. Accordingly, it is agreed that it is fair that each teacher in the bargaining unit pay equally for benefits received and that each assume his/her fair share of the cost of representation.

3. **Representation Fee.** Each teacher as a condition of continued employment shall authorize the deduction of membership dues of the Association (including the National and Michigan Education Association) from his/her salary, or if he/she shall not be a member of the Association, shall authorize the deduction of a representation fee, which fee shall not exceed the amount uniformly assessed to teachers who are members. The representation fee shall be determined in accordance with MEA policy and procedure regarding objections to political-ideological expenditures.
4. **Check-Off Procedure.** Except as otherwise provided, each member teacher shall authorize in writing the deduction of the total dues within thirty (30) days following the beginning of the school year. A non-member teacher may authorize payroll deduction of his representation fee in accordance with the procedure set forth hereafter. Teacher authorizations for the deduction of the total dues shall identify the teacher, the amount of each deduction, the period for which deductions are to be made, and be signed by each teacher. The Board shall deduct the authorized amount due from each teacher's pay and transmit the total deductions to the Treasurer of the Association within fifteen (15) days following the deduction, together with a listing of each teacher for whom deductions were made. The deductions of dues shall be made from one regular paycheck each month for ten (10) months, beginning in September. If a teacher does not pay the applicable dues or representation fee to the Association, the Board shall deduct the amount from the teacher's basic compensation and remit such amount to the Association as authorized under MCLA 408.477. If such involuntary payroll deduction procedure is deemed illegal by a court of competent jurisdiction, the board shall, at the written request of the Association, terminate the employment of such teacher at the end of the semester after the teacher has exhausted his/her remedies under the MEA policy and procedures. The parties agree that the failure of any teacher to comply with the provisions of this Article is just cause for discharge from employment.
5. **Application and Indemnification.** The Association assumes full responsibility for the validity and legality of the provisions herein set forth. The Association, by the execution of this Agency Shop provision, expressly agrees to indemnify and save the Board, the Board members, the District and its administrative employees harmless from any and all claims, demands, suits or other forms of liability that may arise out of or by reason of this provision, or by reasons of claims, or demands made by the Association that a teacher be discharged because of this provision.
6. **Other Payroll Deductions.** Upon appropriate written authorization from the bargaining unit member, the Employer shall deduct from the

salary of any such bargaining unit member and make appropriate remittance from MEFSA's MEA-sponsored programs (tax-deferred annuities, auto insurance, homeowner's insurance, etc.), MESSA programs not fully Employer-paid contributions or any other plans or programs jointly approved by the Association and Employer. Said deductions shall be limited to six (6) separate items per paycheck.

- 3.2 Association Responsibilities.** The Association, having been recognized as the exclusive bargaining agent for the teachers, agrees that it will cooperate with the Board in enforcing the work standards, schedules, rules and regulations of this Agreement and will not engage in nor encourage concerted action which would be in violation of this Agreement or in violation of the constitution or laws or statutes of the State of Michigan.
- 3.3 Consultation.** The Board shall consult with the Association on any new or modified fiscal, budgetary or tax programs, construction programs or major revisions of educational policy, which are proposed or under consideration and the Association shall be given opportunity to advise the Board with respect to said matters prior to their adoption and/or general publication, subject to the understanding that nothing in this paragraph restricts the Board's rights as outlined in Article 2.
- 3.4 Probationary Teachers.** The Association represents probationary teachers in matters of wages, hours and working conditions.

#### ARTICLE 4 – TEACHER RIGHTS AND RESPONSIBILITIES

- 4.1 Communication with Administration.** The teacher is reserved the right to communicate all complaints to the appropriate administrator at such time as they shall occur. It is the intent of the parties to encourage such dialogue outside the scope of the grievance procedure as set forth in this contract. The failure to reach a mutually satisfactory remedy through this process of communication shall not itself be subject to the grievance procedure. However, the subject matter of the complaint or dispute may be processed as a grievance provided that the requirements of Article 6 of this Agreement are satisfied. Nothing in this section shall extend the time limit during which grievances must be filed.
- 4.2 Evaluation.** The Board has delegated to the administrative staff the responsibility for the evaluation of each teacher in the performance of his/her duties. The purpose of the evaluation process is to provide the teacher with feedback related to their personal growth, their impact on student achievement and their overall contributions to the building and district.

A copy of the evaluation form to be used in a building shall be furnished to each teacher at the beginning of the school year by including the evaluation form in the handbook for that building. This shall not be construed to prohibit the Board from changing the evaluation form used in a particular building, provided that the revised form shall be furnished to each teacher promptly after any revision.

- 4.3 Citizenship Rights.** A teacher is entitled to full rights of citizenship and no religious or political activities of the teacher, or the lack thereof, or the private and personal life of a teacher shall constitute grounds for any discipline or discrimination with respect to the professional employment of the teacher, except as such conduct or activity shall materially interfere with the discharge of the teacher's professional responsibilities. It is the policy of the Three Rivers Community Schools that no person on the basis of race, sex, color, religion, national origin or ancestry, age, marital status, sexual orientation or disability shall be discriminated against in employment.
- 4.4 Personnel Files.** The Board shall cause an official personnel file to be maintained for each teacher. A teacher shall have the right, upon prior request, to review the contents of his/her personnel file. A representative to the Association may accompany the teacher at the request of the teacher. The file shall be reviewed in the presence of the administrator responsible for the safekeeping of the file. Privileged information, such as confidential credentials and related personal references normally sought at the time of employment, shall be specifically exempt from review. The administrator shall, in the presence of the teacher, remove these credentials and confidential reports from the file, prior to a review by the teacher.
- 4.5 Freedom of Information Act.** If the Board receives a request for information regarding a member of the bargaining unit under the Freedom of Information Act the bargaining unit member shall be notified of the request with inclusion of names(s) and addresses.
- 4.6 Complaint Procedure.** When an administrator or member of the Board receives a complaint from anyone other than school administrators, the following procedures shall be followed:
- A. The Board member or administrator may within five (5) days request the person making the complaint to contact the teacher involved.
  - B. If the complaint is not brought to the attention of the teacher by his/her immediate supervisor within ten (10) days, such complaint shall be dropped and no record of the complaint shall be placed in the teacher's personnel file, unless the complaint is of a criminal nature and being investigated, and calling it to the attention of the teacher may jeopardize the investigation.
  - C. If the complaint is brought to the attention of and discussed with the teacher, within such ten (10) day period, or during a criminal investigation where notifying the teacher within ten (10) days would jeopardize the investigation of the complaint, and the immediate supervisor believes it necessary to give such teacher a written warning or reprimand based on the complaint, the teacher shall have the right to file a rebuttal which shall be attached to the written warning or reprimand and placed in the teacher's personnel file.
  - D. If the timelines and procedures as established herein are not adhered to, the complaint may not be placed in the teacher's personnel file or used in any disciplinary action against the teacher.

4.7 **Legal Counsel.** The Board shall furnish legal counsel to advise a teacher of his/her rights and obligations if such teacher is assaulted by a student, provided that the teacher shall have promptly reported any such assault to the Administration. The Employer shall provide additional business days for handling of the incident in connection with law enforcement and/or judicial authorities.

4.8 **Public Employment Relations Act.** Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every teacher shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitution of Michigan and the United States, and that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement.

4.9 **Teacher Responsibilities.**

A. **Standards.** The parties recognize that the certification of a teacher and his/her contractual agreement constitute a continuing representation by the teacher that he/she is qualified to be entrusted with the responsibility for the education of students.

B. **Preparation for Professional Assignments.** Adequate prior preparation for a professional assignment is essential. Such preparation includes development of lesson plans, teaching aids or other such materials reasonably required to perform the professional assignment or for the performance of the assignment by a substitute in the absence of the teacher.

C. **Performance of Professional Assignments.** It is the responsibility of the teacher to work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

D. **Safety of Students.** A teacher shall make every reasonable effort to protect students from conditions harmful to learning, health or safety. For such purposes a teacher shall promptly notify the Administrator or the immediate supervisor in writing of any defective conditions in the physical facilities of the District which may reasonably cause injury to persons or property, receipt of which notice shall be acknowledged by the Administrator and/or supervisor within a reasonable time.

E. **Student Evaluation/Grading.** The parties agree that the evaluation of student performance is primarily the responsibility of the classroom teacher.

The teacher shall submit student grades in compliance with procedures established by each school.

- F. **Student Management.** Each teacher agrees to conform his/her student behavior management procedures to the provisions set forth in Section 1312 of the School Code of 1975, as amended, otherwise known as the “Corporal Punishment” statute and the pertinent Board policy. The policy shall be included in the teacher handbook.

**4.10 Disciplinary Action.** Any disciplinary action against a teacher shall be taken in accordance with the following guidelines, namely:

- A. The teacher shall be advised in writing as to the specific violation for which disciplinary action is to be taken and shall be provided with all information forming the basis for such action, regardless of whether the discipline was written or verbal.
- B. The Board shall affirmatively advise a teacher that the teacher has the right to have a representative of the Association present at a formal conference at which the teacher is to be disciplined, provided that the conference need not be delayed for an unreasonable time until such representative can be present and in no event shall the Board be restricted from taking such protective action as the Board may determine to be necessary to protect the rights of students and others pending the holding of the formal conference. For the purpose of this provision, a formal conference is defined as one that has been pre-arranged.
- C. Upon the request of the teacher, a teacher may have a representative of the Association present during an investigatory interview which may result in discipline of the teacher and when he/she is being disciplined or given a formal (in writing) reprimand.

It is the responsibility of the Association to provide representation if the teacher requests it of them.

- D. Disciplinary action shall be defined as a verbal written warning, written warning, written reprimand, suspension without pay or discharge depending on the seriousness of the offense.
- E. No disciplinary action shall be taken against a teacher that is arbitrary and capricious.
- F. Failure to renew a probationary teacher’s contract shall not be considered discipline.

**4.11 Building Environment.** Both the Board and the Association share a common concern regarding the creation of a favorable building environment for both students and teachers. When a teacher believes that the physical environment is interfering

with the educational process, the teacher shall notify the building principal who shall take such remedial action as deemed necessary. If the situation is not rectified within a reasonable period of time, the teacher shall complete a form, to be made available in each building, by which the teacher can notify central administration of the problem. The form shall be transmitted to the Superintendent, or designee, and the teacher shall be entitled to a written response within three (3) school days after receipt.

**4.12 Academic Freedom.** Both the Board and the Association recognize the importance of providing and maintaining a teaching/learning environment, which is free from censorship, and commit themselves to this goal.

**4.13 Teacher Protection.**

**A. Employee Assault.** Any case of employee assault shall be promptly reported by the employee to the building principal or the employee's immediate supervisor. It is the Employee's responsibility to report the assault to the appropriate state or local law enforcement officials and prosecutors if the employee desires.

**B. Threat to Employee.** In a review of the staff handbook at a building meeting to be held within three (3) weeks of the beginning of school, the principal will review the discipline and procedure policy for threats/harassment to staff members. Questions about this policy and expectations for communication will be clarified so as to establish a common understanding of discipline and procedure expectations. The Board agrees that if an administrator has knowledge that an individual has made a threat to the safety and well being of one of its employees, the employee's family or the employee's property, then, it is the administrator's responsibility, upon gaining knowledge of said threat to immediately inform the employee.

**4.14 Teaching Tools.** The Board recognizes that appropriate texts, library reference facilities, maps, globes, laboratory equipment, audiovisual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are tools of the teaching profession. The Association has the right to provide input regarding procedures to be used in selecting and allocating appropriate teaching tools, including a procedure for emergency acquisition of such tools when their absence would materially impair the education program.

ARTICLE 5 – PROFESSIONAL SERVICE

**5.0 School Year.** The number of student and teacher days shall be set forth in the School Calendar.

When conditions not within the control of school authorities, such as, but not limited to, severe storms, fires, epidemics or health conditions, result in the closing of school, bargaining unit members shall be excused from reporting to work without loss of pay,

except that the Board shall have the right to reschedule such days and teachers shall not be paid for any rescheduled days. Teachers who were scheduled to be on paid leave (i.e. sick leave, personal days, etc.) on a day when school is closed shall not have such day charged against their leave benefits.

When the start of school is delayed due to adverse conditions, teachers shall report to work not later than the amount of the delay figured from the contractual agreed times as specified in 5.1A (i.e. on a 2-hour delay, teachers normally reporting at 8:30 a.m. would report at 10:30 a.m.). The Board shall have the right to reschedule time lost due to delays if it is necessary to do so in order to satisfy State requirements pertaining to hours of pupil instruction.

**5.1 Professional Duties.** The parties recognize that the commitment of a teacher cannot be measured merely by time and that the proper discharge of professional duties may require an uneven expenditure of time during the school year. The parties further recognize that many changes are occurring and will continue to occur in the field of education and that if a quality educational program is to be achieved, it is essential that the parties maintain an attitude which will support innovation and change but which will also assure that neither the teachers, the students, nor the District will be unfairly treated. The Board recognizes teaching as a professional calling and shall not impose unreasonable demands upon a teacher's time but shall agree that the work for the teaching staff shall be maintained at a professional level and shall be consistent with the work schedule of a professional. The parties recognize that the primary duty and responsibility of the teacher is to teach.

**A. Teaching Hours (Based on 180 school days)**

1. **Elementary teachers** shall report to their assigned building and room for supervision and such other duties as may be assigned by the building principal fifteen minutes (15) minutes before the start of classes. Elementary teachers shall remain at their assigned building fifteen (15) minutes after the bell sounds dismissing students from school, or after the last bus departs.
2. **Middle School teachers** shall report to their assigned building and room for supervision and other such duties as may be assigned by the building principal no later than fifteen (15) minutes before the start of classes. Middle School teachers shall remain at their assigned building fifteen (15) minutes after the bell sounds dismissing students from school or after the last bus departs.
3. **High School** teachers shall report to their assigned building and room for supervision and other such duties as may be assigned by the building principal no later than fifteen (15) minutes before the start of classes. Senior High School teachers shall remain at their assigned building fifteen (15) minutes after the bell sounds dismissing students from school or after the last bus departs.

4. **Fridays Schedule.** On Fridays, teachers may leave after the last bus departs.
5. **Compensation for Meetings.** If teachers are involved in meetings authorized by the Administration that extend beyond the contracted school day, compensation time will be granted by the building principal. Such time shall be granted from the time period before classes begin or after classes end.
6. **Emergencies.** Nothing herein shall prevent the Administration from allowing a teacher to leave early in the event of an emergency or excusing a teacher's tardiness without penalty in the event of an emergency.

## **B. Teaching Day**

1. **High School Teachers.** A teacher regularly assigned as a secondary teacher shall have, on the average, 1450 minutes of teaching per week unless more time is necessary to satisfy State requirements pertaining to minimum pupil instruction time. Individual planning time will not exceed one (1) period per day. A High School teacher shall have a duty free lunch period equal to that of students except for time needed to supervise hallways during passing periods.
2. **Middle School Teachers.** The basic school day shall be scheduled so that it results in no more than 1550 minutes of teaching per week unless more time is necessary to satisfy State requirements pertaining to minimum pupil instruction time. Individual planning time will not exceed one (1) period in length per day. A Middle School teacher shall have a duty free lunch period equal to that of students except for time needed to supervise hallways during passing periods.
3. **Elementary Teachers.**
  - a. A teacher regularly assigned as an elementary teacher shall have a duty-free uninterrupted lunch period equal to that of his/her students.
  - b. Elementary noon playground supervision shall be voluntary subject to the payment of additional compensation as hereinafter provided.
  - c. Elementary teachers shall be given one duty-free recess per day.
  - d. Elementary teachers shall be granted a minimum 30 minutes of planning time per day. Teachers may use for planning all

time when students are scheduled for art, music and physical education classes. Equitable planning time will be arranged for kindergarten and developmental kindergarten teachers.

- e. Whenever elementary classes are located in a secondary building, the daily schedule shall be the same for the elementary classes as the secondary classes.

## **5.2 State Mandated Clock Hour**

- A. If more time is needed, Elementary teachers may be assigned recess supervision duties in the event the administration determines that recess time should be counted as instruction time in order to satisfy State requirements regarding minimum number of hours of instruction. This provision shall prevail in the event its implementation conflicts with any provision of this agreement. Reimbursement for teachers to supervise recess will be at the Schedule "C" Section 2 Other Activity Assignments rate.
- B. The administration will provide the Association President with written notice of proposed restructuring of the school day which is needed to satisfy State requirements pertaining to the minimum number of hours of student instruction. The written notice will be provided at least three (3) weeks in advance unless the restructuring is needed due to unanticipated circumstances, which do not make it feasible to provide such notice. In that event, as much notice as possible will be provided.
- C. The staff of each building may propose restructuring the school day in that building in order to achieve other means of satisfying State requirements pertaining to minimum number of hours of student instruction. However, any such proposed restructuring may not include changing the bus schedule. Any such proposed restructuring shall not be implemented unless it is approved by the Superintendent of Schools.

## **5.3 General Professional Duties**

- A. Teachers will attend nine (9) general teacher's meetings per instructional year. Teachers will be given at least five (5) days advance notice of such meetings, which will include meeting start time. Meetings shall be no longer than one hour in length. At the discretion of the building principal an additional abbreviated meeting (30 minutes) may be called during the school year.
- B. In addition to the foregoing professional duties, each teacher shall, to the extent required for the proper discharge of his/her professional obligations, participate in departmental and curriculum meetings, student activity assignments, parent-teacher and student-teacher conferences, and such other professional activities as may reasonably be required during the school day.

- C. Those meetings, which may be called outside of the regular working day, shall have prior approval from the Administration and the Executive Board of the Association with the exception of parent conferences, which are considered a part of the teacher's obligation and responsibility.
- D. Teachers will not be required to attend more than four (4) school functions per year, including but not limited to, PTA/PTO meetings, Christmas programs, school carnival, open house, and concerts. Teachers will not be required to attend school functions on Saturday or Sunday. It is the responsibility of each building principal, at the beginning of each school year, to inform building staff of events at which attendance is required.
- E. Attendance by teachers is mandated for individualized education planning committee meetings and Section 504 meetings. Every effort will be made to schedule such meetings during the school day. Attendance at other times may be required.
- F. Workshops/Conferences/Professional Development held during regularly scheduled school days. Recognizing that the amount of time teachers are out of the classroom when students are present should be minimized, the following guidelines will be followed unless the TREA President and Superintendent agree to an extension.

Teachers serving on the School Improvement Team, ELA curriculum/mapping committee and Math curriculum/mapping committee shall be allowed a maximum of ten (10) days. All other teachers will be allowed a maximum of five (5) days.

**5.4 Student-Teacher Contact Time.** If any provision of this agreement restricts the school district in reaching the required amount of instructional time or days, the district reserves the right to adjust the schedules as necessary to assure minimum compliance. Adjustments in such instances will not require additional compensation during the life of this agreement. Efforts will be made to find the additional time to assure minimum compliance from within the current school day. Staffs affected by schedule adjustments shall be given an opportunity to meet with administration prior to implementation.

**5.5 Professional Qualifications.** Any teacher with instructional responsibilities employed by the Board in an elementary or secondary school shall hold a certificate, permit or vocational authorization valid for the positions to which he/she is assigned unless the teacher is a non-certified teacher employed pursuant to the Revised School Code.

**5.6 Vacancies.** It is the objective of the parties to provide a procedure for the notification of teachers of the existence of present and future vacancies in the bargaining unit, including newly created full-time and regular part-time positions. However, the district shall determine the placement of teachers.

A. **In Building Transfers.** Transfers within a building will be made through the building principal.

B. **Job Postings.** The following guidelines shall be observed in order to inform bargaining unit members of postings, namely:

1. Postings will include the following criteria:

- a. Building, grade level and/or subject area
- b. Minimum qualifications
- c. Required certification
- d. Any additional requirements, i.e. knowledge of computer programs, minors, etc.
- e. Deadline for filing the application and where

C. **Voluntary Reassignment or Transfer Requests.** A bargaining unit member may be considered for a present or future vacancy for which he/she is certified and qualified by filing a reassignment or transfer request. Assignment request forms may be obtained from the Office of the Superintendent and shall, at a minimum:

1. Set forth the name and address of the teacher, the reasons for the request, the building, grade, or position sought, and the applicant's qualifications therefore.

5.7 **Unrequested Reassignments and Transfers.** The parties recognize that changes in grade placement configurations and student enrollment, as well as curricular changes, professional development requirements, and the like may lead to reassignments and transfers of the professional staff. The Board reserves the right to make such transfers and reassignments for reasons, which are neither arbitrary nor capricious.

Prior to effectuating an unrequested transfer or reassignment, the building principal shall meet with the affected teacher and inform the teacher of the reasons for such transfer or reassignment. The affected teacher may give his/her input regarding the particular building assignment.

5.8 **Special Assignments.** Any assignments in addition to the normal teaching schedule during the regular school year including adult education courses, driver education, extra duties, and summer school courses, shall not be obligatory but shall be with the consent of the teacher with the exception of band, choral, yearbook, drama productions (not musicals), journalism, debate and forensics. Preference in making such assignment will be given to tenure teachers regularly employed in the district and are subject to reimbursement as hereinafter provided. Neither administrators nor supervisory personnel will be assigned an extracurricular or summer school position as a teacher as long as qualified teachers are available to fill the position.

**5.9 Mentor Teachers.** Each newly hired non-tenure teacher will be assigned a mentor teacher as soon as possible after the date of hire. The mentor will be a Master Teacher as described by the State Department of Education, whenever possible. Retired Master Teachers may also be retained as mentors, as necessary.

Mentors will be assigned by the building principal. Every effort will be made to pair mentees with a mentor teacher in their academic discipline and in the same building. The mentor teacher will be assigned for a period of one (1) year at a time. In extenuating circumstances, the relationship may be terminated by the building principal and a new mentor will be assigned. The relationship between the mentor and mentee shall remain confidential and not part of the evaluation of either party.

The position of mentor teacher is voluntary. Training is required for mentor teachers. Mentor teachers are required to meet the standards as set forth in the Three Rivers Mentor's Handbook and shall use the Mentor's Log found within the Master Agreement (Appendix B). At the end of each marking period a Mentor Teacher shall submit a copy of the Mentor Log to their Building Administrator. Each mentor may be assigned up to a maximum of three (3) mentees. A stipend will be paid for the position of mentor teacher. See Schedule "C".

**5.10 Inservice Training.** The Board and the Association recognize the right for voluntary participation by teachers in inservice activities held outside of the regularly scheduled school day. At the request of the Association or on the Board's initiative, arrangements may be made for after-school courses, workshops, conferences and programs designed to improve the quality of instruction. The parties support the principal of continuous training of teachers and participation in community education projects. The Board may provide, at appropriate times, programs of inservice education for teachers, which are of benefit to children of the district. The Association, in recognition of the importance of these standards, shall see that the teachers are available to participate in these programs.

**A. Probationary Teachers.** During their first three years, a new teacher will be assigned a Mentor Teacher and will participate in professional development training, including training in classroom management and instructional delivery. The development training will be based on a professional plan and will include not less than fifteen (15) days of professional development, some of which may fall within the school year.

**5.11 Professional Development.** The Board and the Association agree to meet the specified requirements for Professional Development as established by State and Federal rules.

The content for all Professional Development days will be planned by the School Improvement Teams, which is comprised of representatives of the Board and the Association. Membership of this committee will be based on the needs and/or requirements of the individual buildings and/or the District.

Professional Development days will be scheduled throughout the calendar year. The first Professional Development day will be planned for district-wide participation, scheduled no more than one (1) week before students report for classes. Topics for the first two Professional Development days will be established and distributed to the Association members two (2) weeks prior to the first teacher workday of the designated school year. All staff members are expected to attend scheduled Professional Development days.

Association members can attend additional conferences and/or workshops. Members may be paid a stipend for each additional pre-approved day outside scheduled contract time, with prior approval of the Superintendent.

A. **Professional Development Outside of District.** For the purpose of determining conferences/workshops, which would qualify for substitution of Professional Development, the following criteria should be considered.

- Is for the purpose of enhancing teaching and learning.
  - Is consistent with building and district school improvement plans and, when available, NCA goals and district strategic plans.
  - Is part of an ongoing comprehensive professional development plan that addresses the long-term professional needs of the individual as well as the long-term change of practice in the building and district.
  - Is no less than one hour in length.
1. Attendance at conferences/workshops, which occur during regularly scheduled teacher workday/hours, will not be considered.
  2. Conference hours and/or days may be used to satisfy certain designated Professional Development Days held during the calendar year.
    - a. The Superintendent will designate which 1 or 2 scheduled dates for Professional Development can be exchanged on or before June 1st of the previous year.
    - b. Conferences/workshops attended after school, on a weekend, or during the summer recess could qualify for substitution.
    - c. Only equal number of hours/days can be exchanged. A Professional Development day is considered to be 6 1/2 hours. Two workshops totaling 6 1/2 hours could be considered to meet the above requirement.
    - d. Attendance at athletic conferences/clinics may not be used to satisfy the district's Professional Development days.
  3. Teachers will be required to submit evidence of attendance at the workshop/conference.
    - a. If validated CEU's and/or grades are not available, then a completed form which state the name of the conference, the date and time of the conference signed and dated by the instructor or chairperson of the

conference validating that the teacher attended the conference/workshop.

b. Attendance at a conference/workshop must be completed prior to the substitution of a Professional Development day.

4. Teachers must submit a request form asking for consideration to substitute such conference/workshop for a Professional Development day.

a. The request form must be approved at least 30 days prior to the conference/workshop.

b. Mitigating circumstances will be considered.

5. While the district will make an attempt to cover reasonable expenses, teachers understand that the funds allocated to each building for conferences/workshops may become depleted before the end of the school year.

a. If reimbursement to the teacher is not possible, that does not prohibit

the teacher from attending the conference/workshop and submitting for

substitution of a Professional Development day.

6. The Superintendent's decision on granting approval is final.

**5.12 Work Load.** It is the goal of the parties that teachers in the same pay classification shall have substantially equal workloads and productivity; however, it is recognized that the professional workload and effort of each teacher cannot be precisely measured. The parties further recognize, however, that at least the following factors should be considered, namely:

**A. Class Size Criteria.** The establishment of class size guidelines is recognized as a useful reference point when used in conjunction with at least the other guidelines hereinafter set forth. The parties agree that class sizes should be lowered whenever possible to fall within the optimum class size ranges:

<u>Levels</u>	<u>Optimum Class Size Range</u>
---------------	---------------------------------

1. <u>Elementary</u>	
----------------------	--

Young 5's	24-26
-----------	-------

Kindergarten	24-26
--------------	-------

First, Second, Third	24-28
----------------------	-------

Fourth, Fifth, Sixth	24-28
----------------------	-------

2. <u>Secondary</u>	
---------------------	--

Language Arts	28-30
---------------	-------

Social Studies	28-30
Mathematics	28-30
Science	26-28
Foreign Language	28-30
Business	28-30
Keyboarding	28-30
Adventures in Technology	28-30
Industrial Arts	26-28
Life Skills	28-30
Music	55-60
Art	28-30
Physical Education	38-40
Health	28-30

Since the Board is required to provide an education for all eligible students, it is expressly agreed that no student will be denied his or her right to a free public education by reason of these guidelines.

Both parties recognize that student enrollment may increase so rapidly that facility constraints could prevent the administration from balancing class sizes within the optimum range.

When the number of special education students exceeds ten (10) in a core academic area, which includes Language Arts, Math, Science, and Social Studies the administration will reduce the number through schedule changes or provide an aide to the teacher during class period.

**B. Other Guidelines.** In addition to the class size guidelines set forth above, it is recognized that any accurate measure of the professional effort required, the quality of the instruction given or of the results obtained should also consider the following factors, namely:

1. The grade and subject matter.
2. The teacher methodology or strategy.
3. The physical, intellectual, emotional, and maturational levels of the student, together with the distribution pattern of such characteristics within a class taken as a whole.
4. The training and experience of the teacher.
5. The quantity, quality, and type of physical facilities, teaching aids and other personnel available.
6. Other factors, including North Central Accreditation standards where applicable. In addition, parent requests will be a consideration.

**C. Class Size.** Each teacher shall receive an updated list of his/her students no later than the first day of school.

1. Except as a teacher may otherwise agree, if class enrollment in any K (or Young 5's) section or in Grades 1-3 exceeds 26, the building

principal will make every effort to assign such students to other sections whose enrollments are below the stated limits, or if feasible, to other buildings for the purpose of balancing classes within the optimum class size range set forth in Section 5.12A1.

2. If at any time during the academic year a teacher feels the class size is too large, contains an overbalance of special students, or has a student body which outnumbers the materials and/or equipment available, he/she will bring the problem to the attention of the building principal or the Association and an attempt will be made to adjust the situation. The teacher may provide input to the building principal for recommendation for resolution at such time. Solutions could include but are not limited to the following:
  - a. Transfer student to another classroom or building.
  - b. Provide a classroom aide.
  - c. Pay a stipend (\$250 per 9 weeks) to the teacher if their average daily class size exceeds the optimum class size range.
  - d. Supply additional materials and/or equipment.
  - e. Team special education teacher with regular education teacher.
3. If the proposed adjustment is not made to the teacher's satisfaction after their initial meeting, as described in "5.12C2" above, the principal shall provide the teacher with his/her options for resolution of the issue. This will be provided to the teacher within two (2) days of the meeting as outlined in "5.12C1" above.
4. If the teacher is still not satisfied with proposed resolution, he/she may within two (2) days of the response as outlined in "5.13C3" above take his/her position to the Classroom Adjustment Committee which shall meet within two (2) days of receiving the teacher's written complaint.

**D. Classroom Adjustment Committee.** The Classroom Adjustment Committee will be set up as needed during the school year and will consist of the President and Vice-President of the Three Rivers Education Association, the teacher involved, one other teacher from the teacher's grade level or department, the principal involved and one other administrator, and the Superintendent or his/her designee.

The Committee will consult with the teacher, investigate and study the situation and make every possible effort to make adjustments to that teacher's satisfaction. The Committee's decision, however, will not be subject to the Grievance Procedure beyond the Superintendent's level.

**5.13 Additional Professional Responsibilities.** If it shall appear that the professional work load of a teacher shall be materially greater than the work load of other teachers in the

same pay classification, the Joint Committee on Communications shall review the professional assignment for the purpose of recommending an adjustment in the work load, or an increase in compensation, as herein provided for professional assignment requiring professional responsibility.

## ARTICLE 6 – DISPUTE RESOLUTION PROCEDURE

- 6.1 Objectives.** It is the intention of the parties to provide an orderly procedure to resolve disputes concerning the interpretation or application of the terms of this agreement (“claim”), which have not been resolved through normal administrative procedures. The discharge or discipline of teachers is a prohibited topic of bargaining and does not fall under the dispute resolution procedures.
- 6.2 Informal Conference.** Prior to filing a written claim, a teacher shall meet with his/her building principal or immediate supervisor for the purpose of attempting to adjust the claim without further proceedings. The request for the meeting must be made within fifteen (15) days from the time of the event. Such informal conference shall be held within five (5) days from the time it was requested.

Any mutual agreement as to the disposition of the claim shall be in writing; however, if the parties are unable to reach agreement, the Superintendent shall file a reply within ten (10) days after the conclusion of the meeting.
- 6.5 Arbitration.** If the claim is not settled at the preceding step, the Association shall be entitled to proceed to arbitration by filing a Demand for Arbitration with AAA within fifteen (15) days of the receipt of the Superintendent’s answer to the grievance.
- A. The arbitrator shall not have the authority to vary the terms of the agreement or to determine that any provision is unconstitutional or contrary to any

federal or state law, it being expressly agreed that any such determination shall be made by a court of law.

- B. The arbitrator shall render his written decision within thirty (30) days from the conclusion of the hearing.
- C. The arbitrator's decision shall be binding upon the parties, except that either party shall have the right, within twenty (20) days from receipt of the arbitrator's decision, to appeal the decision to a court of competent jurisdiction and have the right to a trial DeNovo.

Those days remaining in the Sick Leave Bank at the end of the school year will carry over to the following school year.

In cases of extended illness and/or questionable absence, the superintendent shall have the right to require medical verification of the illness or absence. The Board, upon the recommendation of the Superintendent, may require a teacher to submit to a physical or mental examination by a specialist of the Board's selection. Such an examination shall be at the expense of the Board. The Superintendent may make such a request as often as is deemed necessary for the best interest of the teacher and the school system.

**11.2 Layoff Procedure**

- A. **Short-Term Layoff.** A layoff of not more than thirty (30) work days shall be determined by the Board to meet the Board's temporary staffing requirements in an emergency. A teacher on temporary layoff may be placed on long-term layoff subject to the guidelines set forth in 11.2 B1.
- B. **Extended Layoff.** A layoff extending for more than thirty (30) work days shall not be implemented until the Association shall have had the opportunity to make its recommendations to the Board regarding priorities and procedures to be followed in such layoff, provided that any such recommendations shall

be made within fifteen (15) calendar days from and after the date on which the Board notifies the Association of its intentions.

An extended layoff shall conform to the following guidelines:

1. The Board shall give not less than twenty (20) calendar days notice of layoff if such layoff is scheduled to take effect during a school year or not later than July 1, if such layoff is to take effect at the opening of a new school year, except in the case of unforeseen circumstances.
2. Any layoff shall suspend for the duration of the layoff the Board's obligation to pay salary or fringe benefits under any individual contract of employment or under this Agreement; however, a teacher shall be eligible to receive any benefits, which were earned but not yet paid prior to the layoff.

**11.3 Recall Procedure.** Recalls shall be subject to the following conditions:

- A. If no recall date is set forth in the notice of layoff, the Board shall give written notice of recall from layoff by sending a certified letter, return receipt requested, to the teacher at the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.
- B. If a teacher fails to report to work at the specified time, which time shall not be less than ten (10) calendar days from the date of receipt of the recall notice or fifteen (15) days from the date of mailing, whichever is shorter, if no time was specified in the notice of layoff, unless an extension is granted in writing by the Board, this shall constitute the teacher's voluntary resignation and shall thereby terminate the teacher's individual employment contract and any other employment relationship with the Board.
- C. The obligation to recall a probationary teacher shall terminate twenty-four (24) months following such layoff and the obligation to recall a tenured teacher shall terminate thirty-six (36) months following such layoff.

**11.4 Seniority.** The Board shall maintain an up-to-date seniority list on a district-wide basis, a copy of which shall be furnished to the Association at least once each contract year on or before October 15. The seniority list shall be conclusively deemed to be correct unless the Association notifies the Board of any error within thirty (30) days after notification. The names of all teachers in the bargaining unit at the time of the preparation of the seniority list shall be listed in order of their employment dates, starting with the teacher with the greatest amount of seniority at the top of the list. If two (2) or more teachers have the same employment date, ties will be broken according to the procedure listed below:

- A. The sum of the last four digits of the tied employees' social security numbers will be determined.

- B. The employees shall be placed on the seniority list with the employee with the highest sum being placed highest on the list and then the others in descending order in accordance with their sums.
- C. If two or more employee's sums are equal, the numerical value of the middle two digits of the last four shall be used to break the tie. For example, if the last four digits are 1641, the number used will be sixty-four (64).

In addition to the name of each teacher, the seniority list will include the teacher's social security number sum, certification, and majors and minors.

**11.5 Interpretation.** For the purpose of this Article:

- A. An "eligible teacher" means a teacher who the Board has determined is certified and qualified to perform the duties of the position to be filled.
- B. "Employment date" means the date on which the Board took official action to either employ a teacher initially or re-employ a teacher after any break in service. A break in service shall occur if a teacher resigns, retires or is discharged and not reinstated; however a break in service shall not occur if the teacher is employed by the Board in a non-bargaining unit supervisory position except that such teacher shall neither accrue nor lose seniority during the period of such employment.
- C. "Seniority" shall refer to the period of unbroken service within the bargaining unit since any break in service. A teacher on layoff or on a leave of absence shall neither accrue nor lose seniority.
- D. "Part-time teachers" under contract shall accrue seniority as follows:
  - 1. One-half (1/2) time or less: one-half (1/2) year for each full year of such employment.
  - 2. More than one-half (1/2): one (1) year for each full year of employment

Except that a teacher whose assignment has been reduced involuntarily shall continue to accrue seniority at the pre-reduction rate.

ARTICLE 12 – CONTRACT ADMINISTRATION

**12.1 Interpretation.** Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable state or federal law, but if any provision shall be prohibited by or deemed invalid by law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**12.2 Definitions.** Except as otherwise expressly provided in this Agreement, the words and phrases hereinafter set forth shall have the following meaning:

- A. **Day** means a day when school is open and teachers are scheduled to report for duty, except that during summer recess "day" means a regular business day excluding holidays and weekends.
- B. **Part-time Teacher** means a teacher regularly employed under contract for less than a full workweek or workday.
- C. **Party** means the Board or SMEA
- D. **Teacher** means a member of the bargaining unit.
- E. **Special Teachers** means teachers of elementary Art, Music (including vocal music and band), and Physical Education.
- F. **The Board** means the Board of Education of the Three Rivers Community Schools and, where appropriate, its administrative employees and agents.

**12.3 General Interpretation.** This Agreement shall be interpreted in accordance with the following understandings, namely:

- A. **Captions.** Captions are included only for convenience of reference and shall not modify in any way any of the provisions herein.
- B. **Other Rights.** Nothing in this Agreement shall deny or restrict any right guaranteed to a teacher under applicable laws or regulations. The rights of either party or the teacher to any benefits shall be determined solely by the terms of the Collective Bargaining Agreement in effect at the time such benefits are claimed, it being expressly intended that the parties shall have the unrestricted right to delete, add, or modify any provisions of this Agreement and any subsequent Agreement and any benefit in this Agreement shall be subject and subordinate to any such subsequent change.
- C. **Subordination.** Any individual contract or endorsement thereto between the Board and the teacher for the performance of duties which are subject to the terms of this Agreement shall be subject and subordinate to the provisions of this Agreement.
- D. **Schedule Modification.** The Board, after consultation with the Association, may alter the work schedule to the extent the Board determines necessary to receive full State aid, to comply with applicable local, state or federal law or regulations, the availability of utilities, or for other circumstance beyond the control of the Board.

E. **Prior Practices.** This Agreement shall supersede any existing rules, regulations or practices of the Board which shall be contrary or inconsistent with its terms.

**12.4 Retirement.** The Board shall have the right to adopt a policy governing the retirement of teachers, which policy shall be in accordance with applicable law, except that no teacher shall be forced to retire during the school year whose birthday falls within the school year.

**12.5 Distribution.** Copies of this Agreement will be duplicated at the expense of the Board and shall be given to each teacher.

**12.6 Scope.** This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.

**12.7 Duration of Agreement.** This Agreement shall be effective as of August 16, 2011 which shall begin the 2011-2012 contract year and shall continue in effect until August 15, 2012. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date and time indicated.

**IN WITNESS WHEREOF,** this Agreement is executed by the parties as of June 20, 2011.

2. If a teacher shall not complete the full work year, the Board's obligation to contribute insurance premiums shall be reduced pro rata.
3. Retiring teachers that complete a full work year and begin to receive their state retirement pension with insurance shall finish their contract year (July and August) with the choice of continuing the Employer paid insurance (less monthly employee premium contribution) or the cash in lieu of option which is the sum of three hundred seventy five dollars (\$375.00) per month. After August 31 immediately following retirement the employer shall have no further obligation to continue either option at employer cost to a retired teacher.

B. **Application Procedure.** At the time of initial employment or upon re-employment, each teacher shall file an application for insurance benefits on a form or forms furnished by the Board, which form(s) shall provide for identification of each eligible dependent and any medical or dental insurance coverage available to any such dependent (including the name of the insurer). If there is a material change in the information previously submitted by the teacher, including any change in the eligibility status of the teacher or dependent for insurance benefits, notice of such change shall be given in writing to the Financial Secretary in the Business Office within twenty (20) days from the date of such change. Any premium contribution paid by the Board as a consequence of the failure of the teacher to provide timely notice as herein requested shall be repaid and may be deducted from any monies due to the teacher.

D. **Carrier Requirements.** Except as limited by the provisions of this Schedule, insurance benefits are provided in accordance with underwriting rules and regulations set forth within the respective insurance contracts issued by the carrier(s) to the Board

or to the insured, including, but not limited to, internal and external coordination of benefits.

SCHEDULE "C" - EXTRA DUTY ASSIGNMENTS

**Section 1. Athletic Assignments.** The pay for extra duties under this Section will be based on a percentage system. A teacher will be paid a percentage of his basic compensation for each extra duty. ## **THREE RIVERS COMMUNITY SCHOOLS MENTOR HANDBOOK**

Each newly hired non-tenure teacher will be assigned a mentor teacher as soon as possible after the date of hire. The mentor will be a Master Teacher as described by the State Department of Education, whenever possible. Retired Master Teachers may also be retained as mentor, as necessary.

Mentors will be assigned by the building principal. Every effort will be made to pair mentees with a mentor teacher in their academic discipline and in the same building. The mentor teacher will be assigned for a period of one (1) year at a time. In extenuating circumstances, the relationship may be terminated by the building principal and a new mentor will be assigned. The relationship between the mentor and the mentee shall remain confidential and not part of the evaluation of either party.

The position of mentor teacher is voluntary. Training is required for mentor teachers. Mentor teachers are required to meet the standards as set forth in the Three Rivers Mentor's Handbook. Each mentor may be assigned up to a maximum of three mentees. A stipend will be paid for the position of mentor teacher. The stipend will increase with the number of mentees assigned.
