**Step Three** - If the grievant and/or Association is not satisfied with the disposition of the grievance by the Superintendent, the parties may request mediation of the issue through the Michigan Employment Relations Commission within thirty (30) business days of the Step Two disposition.

**Step Four** – Should the matter not be submitted to mediation or if mediation fails to resolve the grievance, within thirty (30) business days it may be submitted to arbitration before an impartial arbitrator. If the parties do not agree as to the arbitrator, within five (5) business days from the notification date that arbitration will be pursued, he shall be selected by the Michigan Employment Relations Commission (MERC) in accord with rules which shall likewise govern the arbitration proceeding. Neither party may rely on any grounds or any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereof may be entered in any court of competent jurisdiction. The arbitrator shall have no authority to rule on prohibited subjects of bargaining.

The fees and expenses of the arbitration shall be shared equally by the parties.

The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15<sup>th</sup> of any year and strict adherence to the time limits may result in hardship to any party, the Superintendent shall use his/her best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

### **ARTICLE XV: TEACHER JOB PERFORMANCE**

The evaluation of the performance of each teacher in the school system is the responsibility of the administration.

### **ARTICLE XVI: PROFESSIONAL BEHAVIOR**

- A. The Association recognized that abuses of sick leave or other leaves, chronic tardiness or absence, leaving school early, willful deficiencies in professional performance, or other violations of discipline by a teacher, reflect adversely upon the teaching profession and create undesirable conditions in the school building.
- B. A teacher shall, at all times, have strict confidence when discussing professional matters with the administration. A teacher shall at all times be entitled to have present a representative of the Association when he is being reprimanded, warned or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present, provided that does not delay the meeting more than one school day.
- C. Any information of a derogatory nature which is to be placed in a teacher's file shall first be shown to the teacher and his/her signature, not necessarily implying agreement, shall be affixed to the information.

### **ARTICLE XVII: ACADEMIC FREEDOM**

- A. The Board shall guarantee academic freedom to all teachers in the study and investigation of facts and ideas concerning man, society, the sciences and the arts provided in accordance with Board approved curriculum.
- B. Freedom of Censorship for School Libraries: Because school libraries are vital to the educational goals of teachers and the learning experience of students. The Board agrees:
  - 1. Books approved by the American Library Association shall be freely placed on library shelves.
  - 2. No librarian shall be in danger of discipline or reduction in status for refusing to censor a book which meets the above requirement.
  - 3. Nothing herein contained shall be construed to deny a parent or guardian the right to prevent his or her own child from reading a book objectionable to the values of said parent or guardian.
  - 4. Under individual circumstances, the Superintendent or designee, may remove a book or other media found offensive to broad community standards.

**ARTICLE XVIII: SENIORITY**

- A. **Definition of District Seniority:** District seniority shall be defined as the length of service of the employee within the Croswell-Lexington Community Schools commencing from the first day with students.
  1. In the event of more than one individual beginning employment on the same date, all individuals so affected will participate in a drawing to determine his/her position on the district seniority list.
    - a. The Association and teachers so affected will be notified in writing of the date, place, and time of the drawing.
    - b. The drawing shall be conducted openly by the Association and at a time and place which will reasonably allow affected teachers and Association representatives to be in attendance.
    - c. The Association seniority list will be posted by November 15 each year. Employees shall have ten (10) days to object to the list; thereafter the list shall be final and conclusive.
  2. A teacher shall lose district seniority rights if he or she retires, resigns, is discharged, or is not recalled.
  3. District seniority shall continue to accrue for teachers placed on various forms of leave as defined by this Agreement.
  4. A teacher employed in a position that is not a full-time position will accrue district seniority.

**ARTICLE XIX: REHIRING OF TEACHERS**

- A. Teachers to be rehired will be notified by certified mail at their permanent address on file with the Board. It is the responsibility of the teacher to keep this address current.
- B. A bargaining unit member who is paid unemployment compensation benefits chargeable to the Employer and who is subsequently rehired shall have his/her compensation for that school year adjusted so that his/her unemployment compensation benefits received plus adjusted compensation will be equal to the total compensation he/she would have earned for work performed in that school year had he/she not received unemployment compensation benefits prior to returning to employment.

**ARTICLE XX: EX-OFFICIO BOARD MEMBERS**

The Board shall appoint one member chosen by the CLEA President as an ex-officio member of the Board of Education with rights of discussion on issues on the Board Agenda, and rights for information that's open to the public per the Freedom of Information Act. The ex-officio shall not vote, nor participate in closed sessions of the Board. Such appointment shall be made in writing to the Board prior to the first meeting of the fiscal year. The ex-officio member will not participate in sessions during evaluations and/or executive sessions.

## **ARTICLE XXI: NEGOTIATION PROCEDURES**

- A. At least one hundred fifty (150) days prior to the expiration of this Agreement, the parties will begin negotiations for a new agreement covering wages, hours and conditions of employment of members in the bargaining unit employed by the Board.
- B. In any negotiations described in the Article, neither party shall have any control over the selection of the negotiating or bargaining representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each side shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission or take any other lawful measures it may deem appropriate.
- D. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the board and Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- E. There shall be three (3) officially signed copies of the final agreement for the purposes of record. One (1) retained by the Board, one (1) by the Association and one (1) by the Superintendent.
- F. Copies of this final agreement shall be supplied to all teachers in the district at Board expense.
- G. Emergency Financial Manager: An emergency financial manager appointed under the local government and district fiscal accountability act, 2011 PA 4, MCL 141.0501 to 141.1531, shall be allowed to reject, modify, or terminate the contract between the district and the CLEA. Inclusion of the language required under section 15 (7) of the Public Relations Act does not constitute an agreement by the Association to the substantive or procedural content of the language. In addition, inclusion of the language does not constitute a waiver of the Association's right to raise Constitutional and/or other legal challenge to the validity of: 1) appointment of an Emergency Financial Manager; 2) PA 4 of 2011 (Local Government and School District Fiscal Accountability Act); or 3) any action of an emergency financial manager which acts to reject, modify, or terminate the collective bargaining agreement. This clause is included in this agreement because it is legally required by state law. The parties did not agree to this provision. By signing this agreement, the union does not agree or acknowledge that this provision is binding either on the union or on the employer. The union reserves all rights to assert that this clause is unenforceable.

## **ARTICLE XXII: NEGOTIATION OF THE SCHOOL CALENDAR**

Inasmuch as the Public Acts governing public employee bargaining rights clearly states that teachers shall be free to bargain and employers required to bargain wages, hours and conditions of employment, the Board and the Association are agreed that the school calendar clearly affects hours and conditions of employment.

- A. Commencing not later than March 1, the Association shall submit to the Board of Education, items for consideration to be included in a calendar for the next year. Should the suggestions not be acceptable, then the Board and the Association shall begin negotiation of the calendar not later than April 1.
- B. To determine the calendar, a committee consisting of the CLEA negotiations team and three (3) members appointed by the Board of Education shall meet by April 1 to establish a schedule which will keep the district in at least minimum compliance with the State of Michigan mandates regarding clock hours/days. There will be no increased salary compensation beyond that incorporated in the salary schedule.
- C. Should a new calendar not be negotiated prior to June 30 of the impending school year, the Board shall set the calendar.
- D. The Board agrees that no tentative or "model" calendar shall be circulated by them to the Staff and the community at large until a calendar has been jointly agreed upon by the negotiating teams or until June 30, whichever shall come first.
- E. The Association agrees that it shall negotiate the calendar in good faith, fairly representing the views of its membership who may be affected by the calendar, and in the best interest of the school community. The Board and the Association mutually agree to refrain from using the calendar as a bargaining item in other areas of the negotiation process.
- F. The school calendar will be negotiated to keep the district in at least minimum compliance with the State of Michigan mandates regarding clock hours and professional development hours (currently 1098 hours of instruction time and 30 hours of teacher training time) and will provide a minimum of 180 full days of instruction. Any days lost to "Acts of God", beyond the 30 hours permitted in school code, will be rescheduled. A teacher required to work both "Act of God" days and rescheduled days will be compensated at his/her per diem rate. Teachers required to work only on rescheduled days will receive no additional compensation.
- G. The parties agree to meet in an effort to mutually agree on when any make up days should occur. In the event they are unable to agree, the days will be added onto the end of the calendar, provided it can be done before the end of the fiscal year.
- H. Should the provision of the state law be rescinded, the above provisions shall be considered null and void and the provisions and practices in existence prior to this Agreement shall be reinstated, to the extent permitted by law.
- I. The CLEA and Board agree that the CLEA shall comply with the minimum clock hour/days mandates of the State of Michigan. If these mandates change, a committee consisting of the CLEA negotiations team and three (3) members appointed by the Board of Education shall meet to agree upon a plan to keep the district in minimum compliance. There will be no increased salary compensation beyond that incorporated in the salary schedule.

- If the complaint is returned to the Board after an unsatisfactory resolution of the problem by the Superintendent, the Board will notify the teacher at least five (5) days in advance of the Board meeting so the teacher may be present at the Board meeting when the complaint is officially discussed by the Board.
- The Board agrees that in the event a Freedom of Information Act request is made by a third party, the Board shall notify the employee and the Association, and the Board shall assert on behalf of the employee all applicable Freedom of Information Act exemptions.
- H. Tendering Resignation: A teacher's resignation shall be effective upon the signature of the Superintendent or designee.
- I. Released time for CLEA President: When necessary, the CLEA president may use the preparation period to visit other buildings and conduct CLEA business.

**APPENDIX A: DURATION OF AGREEMENT**

This Agreement shall be effective as of July 1, 2016, and shall continue in effect through June 30, 2019. The Board and Association agree to open this contract for salary and/or duration-of-agreement changes by May 1, 2019. ## **APPENDIX G: YEAR ROUND PROGRAM SUMMER ELECTIVE COURSES**

During the months of July and August, Croswell-Lexington Community Schools will contract with individual members of the Croswell-Lexington Education Association to provide specials classes (such as physical education, art, and music) for the students enrolled in the year-round education program.

A. Provisions of the individual summer contracts will be:

1. Specials Teachers will be paid on an hourly basis, at the rate of \$40 per hour, to provide classes for students in the year-round program during the months of July and August only.
2. For every five (5) scheduled hours of class time, the Specials Teacher will be paid for one (1) hour of preparation time.
3. If a Specials Teacher's scheduled hours include the student lunch period, a paid, 30-minute, duty-free lunch period will be provided for the Specials Teacher.
4. Specials Teachers may team teach, if they wish, to enable the students from more than one class to attend a physical education class at the same time. The student load will not exceed the number of students allowable for the team teachers.

B. Specials classes will be scheduled by administration to provide at least 30 minutes of preparation time to the grade-level classroom teachers each school day and at least a total of 168 minutes of preparation time per four-day summer work week.

C. It is understood that assigning an appropriate number of Specials Teachers to teach exclusively within the year-round academic program would be the ideal situation. The Croswell-Lexington Education Association /MEA/NEA and the Board of Education of Croswell-Lexington Community Schools will work together to effect that change.
