- B. The Board recognizes the Association as the exclusive bargaining representative for the Byron Area Schools' teaching staff including the position of certified classroom teachers, counselors, certified librarians, and the curriculum coordinator.

Any new positions created during the life of this Agreement will be added to the unit providing it fits the description of "teacher" as used in this Agreement.

- C. The term "teacher" when used hereinafter in this Agreement, shall refer to employees represented by the Association in the bargaining unit as above defined, and refers to male teachers shall include female teachers.

ARTICLE II

AGENCY SHOP AND PAYROLL DEDUCTIONS

- A. 1. All employees covered by this Agreement shall, following thirty (30) calendar days from the effective date of this agreement or thirty (30) calendar days from their date of hire, whichever is later, pay either (*BAS is not allowed to collect PAC fees*):
- a. Association membership dues (including National, Michigan, and Local Education Association): or
 - b. An Association representation service fee established under the Association procedures and policies.
2. The deduction of dues and service fees is required as a condition of this Agreement. The Board accordingly agrees to payroll deduct dues and representation service fees pursuant to the authority set forth in M.C.L. 408.477.

In the event the bargaining unit member shall not pay such dues or Service Fee directly to the Association or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477, and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association under the procedures provided below:

- a. The Association shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
- b. If the bargaining unit member fails to remit the Service Fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to paragraph a. above.
- c. The Board, upon receipt of request for voluntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing limited to the question of whether or not the teacher has remitted the Service Fee to the Association or authorized payroll deduction for same.

The Association authorizes the Board to rely upon and honor certifications of the local Association financial officer or a designated representative of the Byron Education Association, regarding the amounts to be deducted each month and that those amounts are lawful.

3. The Board shall deduct professional dues from the first 21 regular salary checks of the teacher each pay period, beginning in September and ending in June of each year. Any teacher who shall not perform services for any entire month of the school year shall have his dues reduced by one-tenth of the yearly dues for each entire month he did not work, except where the failure to perform services during any month was the result of the teacher taking any leave of absence or sick leave provided for in this contract.

Deductions for any calendar month shall be remitted to the designated financial officer of the Byron Education Association, with an alphabetical list of names and addresses of all employees from whom deductions have been made, no later than ten (10) calendar days following the date they were deducted.

4. The Association will protect and save harmless the Board from any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Board for the purpose of complying with this Article. It is agreed that the Association will defend the action of the Board at its own expense and through its' own counsel. Nothing herein shall prohibit the Board from also defending the action through its' own counsel and at its' own expense.
- B. Upon written authorization of the teacher, insurance premiums and direct deposits shall be deducted upon such conditions as the Association and Board shall establish.

ARTICLE VI

TEACHING ASSIGNMENTS

A.

1. The Board will provide at least 210 minutes of planning each week for all elementary school teachers unless the week is shortened for holidays, breaks, or other reasons within the context of the contract and school calendar. Any exception to the elementary planning time due to extreme situations, including financial hardship will be allowed after options developed by the BEA, the teacher(s) involved and the administration are reviewed and discussed.
2. The Board will limit the number of classes teachers must prepare for at the high school and middle school to less than five. Seminar or Academic Enrichment will not be considered a preparation
3. All Middle and High School teachers will have one full class period per day of prep regardless of schedule. For the purpose of this paragraph shared teachers will be classified according to the majority of time scheduled in each building. (e.g. If a teacher is scheduled to teach in the middle school 0.55 FTE, they will be entitled to middle school prep time.) Any exception to the middle school and high school planning time due to extreme situations, including financial hardship will be allowed after options developed by the BEA, the teacher(s) involved and the administration are reviewed and discussed.

B. Since pupils are entitled to be taught by highly qualified teachers who are working within their area, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates or their major or minor field of study.

C. Subject area for high school teachers (grades 9-12), subject area or grade level for middle school teachers (grades 6-8), and the term "upper elementary" (grades 4 and 5) or "lower elementary" will be written on individual teacher contracts. Teachers affected by grade or class assignment changes due to enrollment or available building facilities will be consulted by the administrator in charge. If a voluntary teaching assignment change cannot be arranged, the assignment will be required of the teacher with the least amount of experience in the Byron school system, providing that the qualifications for the assignment are equivalent.

D. The teachers schedule will be tentatively completed before the conclusion of the current school year.

E. The counselor will not be given substitute-teaching assignments as part of his/her regular duties except in rare cases where classes would not otherwise be under the supervision of a certified substitute.

- F. Each teacher will be provided with written documentation as to their "highly qualified" status based on verifiable information provided by that teacher as to their qualifications. Determination of the "highly qualified" status will be determined by the Byron Area School District and will be based on the guidelines and requirements established by the Michigan Department of Education.

The Board of Education and the Byron Education Association acknowledge that a teacher who is required as of the end of the 2005-2006 school year to be "highly qualified" (as defined by the Michigan Department of Education) for his/her teaching assignment and is not "highly qualified" for his/her teaching assignment shall be assigned to a vacancy within the district for which he/she is "highly qualified." They further agree that if there is no vacancy for which said teacher is "highly qualified," said teacher shall be treated under the Seniority, layoff, Recall Procedure of this agreement as if his/her current position had been eliminated.

ARTICLE VII

TEACHING CONDITIONS

- A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.
- B. All teachers:
1. Shall be in their assigned building fifteen (15) minutes before the beginning of the first class period of the school day:
 - a. Middle School and High School teachers may leave 15 minutes after the last class period ends.
 - b. Elementary School teachers may leave after the buses depart from the grounds.

 4. Shall be expected to attend building or district meetings as necessary. Teachers will be given 24 hour notice, except in extreme emergencies. Only in extreme emergencies or by mutual agreement between the building administrators and teachers will meetings be longer than 60 minutes. It is recognized that the development and improvement of curriculum is part of the regular duties of all teachers and part of their professional responsibility. Teachers are expected to implement and assess the written curriculum adopted by Byron Area Schools.
 5. Teachers may be required to attend one open house per semester in lieu of one meeting per semester.
- C. Elementary teachers:
1. May leave the building as soon as the building is cleared of students at the end of the day on "stay in days."
 2. Will supervise their students until they reach the cafeteria for lunch.
 3. The length of the instructional day for elementary teachers shall 8:00 a.m. until 3:03 p.m.
 4. The Board will strive to have Kindergarten times for morning and afternoon that are equal.

D. Middle School/High School teachers:

1. The length of the instructional day for the high school and middle school teachers shall be from 7:50 a.m. until 2:50 p.m.

- E. 1. Because pupil/teacher ratio is an important aspect of an effective educational program, the parties agree that every effort will be made to bring class sizes to the following standards dictated by financial conditions of the school district, the building facilities available, and the best interest of the children.

Beginning one week after the Official Count Day, should all sections of a grade level, class or course (being divided equally) exceed the maximum in the contract by two (2) pupils, discussions will commence between representatives of the BEA and the administration attempting to find a solution to the overcrowding. No section, class or course will be more than three (3) over the contractual maximum.

Any exception to the class size maximums due to extreme situations, including financial hardship will be allowed after options developed by the BEA, the teacher involved and the administration are reviewed and discussed.

With existing and future physical and district financial conditions the following are considered standards to work toward:

The Board recognizes that teaching students identified as educable mentally impaired (EMI), emotionally impaired (EI), or learning disabled (LD), physically & otherwise health impaired (POHI), attention-deficit hyperactivity disorder (ADD/ADHD) in the regular education setting may create additional demands on teachers. In the absence of an inclusion teacher, the administration will attempt to balance the number of above mentioned students as much as possible among class sections. Class size will not be adjusted regardless of the presence of a special needs instructor assigned to co-teach or provide other accommodations.

2. In the event that the board establishes combination classes in the elementary the following shall apply:

ARTICLE VIII

VACANCIES AND PROMOTIONS

- A. A “vacancy” is any bargaining unit position that is not currently filled by a bargaining unit member which the Board intends to fill. A permanent vacancy is a vacancy caused by a retirement, resignation, upheld or unchallenged termination *or* permanent transfer or unpaid leave during a school year involving a position which will need to be filled the following school year. All other vacancies are temporary.

It is agreed that no vacancy shall be filled until not less than ten (10) calendar days written notice of said vacancy has been given to the Association. This paragraph shall not apply after July 1, of each year until the opening of school in the fall, except that the Association President must be notified as soon as the vacancy occurs.
- C. Any teacher may apply for such vacancy. In filling such vacancy, the Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system of the district and other relevant factors. An applicant with less service in the system shall not be awarded such position unless his qualifications therefore shall be superior to applications with greater service. The Board declares its support of a policy of promotions from within its own teaching staff. TEACHER EVALUATION

- A. Evaluation is a continual process inside and outside of the classroom during the school day.
- B. The performance of all teachers shall be evaluated in writing based upon the following:
 - 1. Observations
 - 2. Progress of:
 - a. Probationary teacher: Individualized Development Plan
 - b. Tenure Teacher: Individual Goal Setting Plan
 - 3. Those criteria established by the Tenure Commission and consistent with the provision of the Tenure Act.
- C. The annual year-end performance evaluation for probationary teachers shall be based on, but is not limited to, at least 2 classroom observations held at least 60 days apart, unless a shorter interval between the 2 classroom observations is mutually agreed upon by the teacher and administration, and shall include at least an assessment of the teacher's progress in meeting the goals of his or her individualized development plan.

Any probationary teacher shall be employed for the ensuing year unless notified of unsatisfactory service in a manner required by the Tenure Act (*e.g.*, notice of unsatisfactory service must issue within a reasonable time of May 1). Probationary teachers shall be placed on an individualized development plan which is developed in consultation with the teacher and administrator or terminated from employment in a manner required by law.
- D. Tenure teachers shall be evaluated at least once every three years. Tenure teachers who receive a less than satisfactory evaluation will be placed on an "individualized development plan" by the administrator. The plan must be developed in consultation with the teacher. Subsequent evaluations must contain an assessment of the teacher's progress in attaining the goals of the individual development plan.
- E. Evaluations shall be conducted by the teacher's building principal or assistant principal, or other full time administrators assigned by the Superintendent.
- F. Each observation shall be made in person for a minimum of thirty (30) minutes. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher. This shall not prevent inclusion in an evaluation of factors observed directly by the Administrator outside the formal observation

setting (e.g., punctuality, interaction with parents).

- G. Two copies of the written evaluation and observation shall be submitted to the teacher within six school days after the observation, one to be signed and returned to the administration and the other to be retained by the teacher. A statement (i.e. evaluation) as to whether the teacher's performance is satisfactory, must be given at least sixty (60) days before the "close of the school year". The statement must also include the teacher's and administrator's assessment of the teacher's progress in attaining their goals set in the individual plan (probationary teachers) or in their goal setting (tenure teachers).

- H. Probationary and tenure teachers will have a personal interview by their evaluator within ten school days after the observation. In the event that the teacher feels his evaluation was incomplete or unjust he may put his objections in writing and have them attached to the evaluation report placed in his personnel file. The written objections must be submitted within fifteen school days after receiving the written evaluation. The Superintendent will order the annual year-end evaluation to be submitted to him for Board action as directed by Tenure Act. A copy shall be furnished to the teacher and the Association. If the report contains any information not previously made known to and discussed with the probationary teacher, the teacher shall have an opportunity to submit additional information to the Superintendent.

ARTICLE XIII

MENTOR TEACHERS

- A. The Byron Area Education Association will comply with the master/mentor teacher program as is set forth in Section 1526 of the School Code, MCL 380.1526, which requires that for the first three years of employment in classroom teaching, a teacher shall be assigned by the school in which he or she teaches to one or more master teachers, or college professors or retired master teachers, who shall act as a mentor or mentors to the teacher. - B. The Board and the Association mutually agree to the following process with regards to the selection of a pool of potential mentors. The administration shall select mentors with the advice of a district level screening and recommending committee comprised of the Association President, an Association appointee from each building, who will be approved by the President, and building administrators. The committee will determine the teachers who meet the following guidelines:

 2. A mentor teacher will be one who chooses to be involved in the program of helping new teachers.
 3. A mentor teacher will not be part of the evaluation process of a new teacher.
 4. A mentor will be given the necessary inservices/training as it is deemed necessary by the administration for them to fulfill their responsibilities.

The building principal, with advice from the committee, will make the final determination on mentor assignments from the candidates screened by the Committee.

- C. All appointments as mentor teacher will be voluntary. Appointments will be for three (3) years unless either party requests a change through their building principal or the Committee decides the best interests of the parties to shorten that three-year period for prospective mentor teachers.
 - D. Mentor teachers will have no involvement in the evaluation process and the relationship will be collaborative and confidential.
 - E. A mentor teacher can have up to two (2) probationary teachers if desired.
 - F. Suggested standards for release time will be the configuration of up to a half day per month for the first year, up to a half day every other month in the second year, and up to a half day every three months in the third year. Requests for greater time spent with the probationary teacher will be addressed with the building principal. It is also understood that time between the mentor teacher and the probationary teacher will necessarily take place weekly beyond the normal working day to establish that collaborative relationship. Time commitments beyond this minimum may be subject to revision due to state mandates.
7. Mentor teacher and probationary teacher shall meet, on a regular basis for at least 15 minutes, a minimum of 30 times during the first year and may include administrative meetings; 15 times the second year; and 15 times the third year. A written log of these meetings dates shall be kept on the appropriate form.
