4. It is understood that any matter not specifically set forth in this Agreement remains within the reserve right of the Board.

ARTICLE III - UNION RIGHTS

- A. The Union shall have the right to use buildings at reasonable hours for meetings which do not interfere with the regular program or work of the employees. The Union shall have the right to use duplicating equipment and supplies provided that the Union pay for the costs of supplies used and/or damage to equipment.
- B. Bulletin board space will be made available for the Union in the high school, junior high and elementary buildings in each staff lounge. The bulletin boards shall be used only for union business and all notices shall be signed by a designated union official.

- F. Special conferences may be arranged to discuss particular items of concern to either party. Such conferences shall be outside of the employee's normal work day.

Each bargaining unit member shall, as a condition of employment, (1) on the first day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members.

- B. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Association has established a “Policy Regarding Objections to Political- Ideological Expenditures.” That Policy, and the Administrative Procedures (including the timetable for payment) pursuant thereto, applies only to non- union bargaining unit members. The remedies set forth in that policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.

- E. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
1. The Employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
2. The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
3. The Association shall have complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article IV, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

LEVEL FOUR Individual employees shall not have the right to process a grievance at Level Four.

Notice of intent to arbitrate must be in writing and addressed to the Superintendent. Upon receipt, the parties will have ten (10) days to attempt to mutually agree upon an arbitrator to hear the grievance. If the parties cannot agree upon an arbitrator, the Union must file with the American Arbitration Association no more than ten (10) days after the attempt to mutually agree. All hearings held under this provision shall be in accordance with the rules and procedures of the American Arbitration Association.
2. Neither party may raise a new defense or ground at Level Four not previously raised or disclosed at other written levels. Each party shall submit to the other party not less than three (3) days prior to the hearing, a prehearing statement alleging facts, grounds, and defenses which will be proven at the hearing and hold a conference at that time, in an attempt to settle the grievance.

- I. All preparation, filing, presentation or consideration of written grievances shall be held at times other than when an employee or a participating Union representative are to be at their assigned duty stations.
- J. Any level or time limit of this procedure can be waived by consent of the parties.
- K. Notwithstanding the expiration of this Agreement, any claim or grievance arising there under may be processed through the Grievance Procedure until resolution.

ARTICLE VI - SENIORITY

- A. Seniority shall be defined as the length of service within the District as a member of the bargaining unit. Accumulation of seniority shall begin on the employee's first working day. In the event that more than one (1) employee has the same length of service, position on the seniority list shall be determined by casting lots in the presence of the union president or his/her designee.
 - 1. If an employee works in more than one classification your seniority will be accrued in the classification with the most number of hours worked. (i.e. If you work as a paraprofessional three (3) hours and as custodian five (5) hours, your seniority will accrue as a custodian.)
 - 2. If an employee acquires hours of work in another classification, which is equal to or less than the number of hours previously worked, seniority will continue to accrue in their original classification.
 - 3. For the purposes of this Agreement, all employees shall be placed in one or more of the following departments.
 - a. Office Personnel
 - b. Cafeteria Personnel
 - c. Custodial
 - d. Maintenance Personnel
 - e. Paraprofessional Personnel

- B. All employees new to the District shall serve a probationary period of ninety (90) working days for school year employees (180 to 200 days) and one hundred thirty (130) working days for twelve (12) month employees. Probationary employees shall have no seniority until the completion of the probationary period at which time their seniority shall revert to their first day of work. An evaluation will be conducted at thirty (30), sixty (60), ninety (90), and one hundred twenty (120) days until probationary period is complete.
- C. The employer shall prepare, maintain, and post the seniority list. The initial seniority list shall be prepared and copies provided to each employee within thirty (30) days after the effective date of this Agreement with revisions and updates prepared and distributed annually thereafter. A copy of the seniority list and subsequent revisions shall be furnished to the union by October 15 of each year of the Agreement.
- D. Seniority shall be lost by an employee upon termination, resignation, or retirement.
- E. Seniority shall continue to accrue for up to two (2) years for unpaid leaves of absence due to illness or injury covered by workers' compensation or union business. Seniority shall be frozen for all other unpaid leaves of absence or service within the District outside the bargaining unit.

ARTICLE VII - VACANCIES, TRANSFERS, & PROMOTIONS

- A. A vacancy shall be defined as any position, either newly created or a present position that is not filled with a bargaining unit member. A transfer is a lateral change within a classification in a department. A promotion is an upward change in an open classification within each department which results in additional pay rate compensation.
 - 1. Current practice, outlined in B and C of this Article, will be used for filling vacancies except for the following situation: If a newly created temporary position is expected to last thirty (30) work days or more, it will be filled with the most senior bargaining unit member who wants the position and is qualified for the position. The resultant temporary vacancy will be filled with a substitute with no secondary movement.
 - 2. Within the maintenance and custodial department, when a present position becomes temporarily open for ten (10) days or more with no normal movement in place, then current practice as outlined in paragraph C of this Article shall be followed to fill the temporary opening. The employee filling the temporary opening would receive no less than their normal hours and may split hours of work between the created temporary position and regular position.
 - 3. In the event of any individual position in any classification has time added in the amount of fifteen (15) minutes or more, those individual positions shall be posted

for bid within the Collective Bargaining Unit. Should all positions have the same amount of time added whether it is fifteen (15) minutes or more or not, there shall be no need to post any positions as all time has been added equitably across the classification within the Collective bargaining Unit unless the additional time allows the individual employee to accrue benefits for working (forty) 40 hours per week or more.

- B. All vacancies shall be posted within five (5) days in a conspicuous place in each building of the District for a period of five (5) working days. Said posting shall contain the following information:
1. Type of work
 2. Location of work
 3. Starting date
 4. Rate of pay
 5. Hours to be worked
 6. Classification
 7. Minimum requirements
 8. Copy of Job Description

Interested employees may apply in writing to the Superintendent or designee, within the five (5) day posting period. The employer shall notify employees of vacancies occurring during the summer months (June, July, August) by sending notice of same to each employee by U.S. Mail, provided the employee leaves with the Superintendent or designee self-addressed, stamped envelopes.

- C. Vacancies shall be filled with the most senior applicant within the affected classification. Should no employee from the affected classification apply, the most senior qualified applicant within the affected department shall fill the vacancy. Should no employee from the affected department apply, due consideration shall be given to the previous work record, length of time in the District and seniority of applicants from other departments. If there are two (2) or more equally qualified applicants from within the bargaining unit, then seniority shall prevail. If there are no qualified applicants within the bargaining unit, the position may be filled with an outside applicant. Positions will only be filled by people who meet the minimum requirements at the time of the appointment to the position. Qualified shall be defined as meeting the minimum requirements stated on the job posting.
1. For vacancies which occur in the maintenance and custodial department janitors and janitorial group leaders shall be combined for the purpose of bidding for said vacancies.
 2. All vacancies must be posted first to the classification in which the vacancy occurs, next to those on layoff from that classification, then to other classifications and finally to the outside.

- D. The employer shall notify the local union president within six (6) working days of the applicant selected to fill a vacant posted position.
- E. In the event of promotion within the bargaining unit the employee shall be given a thirty (30) work day trial in which to show his/her ability to perform on the new job. The employer shall give the promoted employee reasonable assistance to enable him/her to perform up to the employer's standards on the new job. If the employee is unable to demonstrate ability to perform the work required during the trial period, or at the option of the affected employee, the employee shall be returned to his/her previous assignment. During the thirty (30) day trial period the subsequent vacancy shall be filled with a substitute employee.
- F. Employees shall not be placed on a lower step on the salary schedule or wage scale due to involuntary transfers.
- G. Involuntary transfers of employees are to be minimized and avoided when possible. In all cases, involuntary transfers will be affected only for reasonable and just cause.
- H. Any employee temporarily assuming the duties of another employee will be asked by seniority on that shift except when all employees work the same shift whereby overall seniority will prevail. The employee assuming those duties will be paid the rate of pay for those duties provided the temporary assignment is for two (2) working days or longer. An employee's pay rate shall not be reduced by any temporary change in duties.
- I. During the calendar year when an employee is absent for ten (10) days or more, once normal movement within the classification in the building is completed to fill the temporary opening, employees from other classifications in the building shall be allowed to fill the position for the duration of the opening based on seniority in that building. If two (2) employees have the same seniority, the individual with the greater hourly rate shall be offered the position first. The employee shall assume the hourly rate of the new position. All other benefits shall remain as they were in the previous position of the individual. All movement of employees under this paragraph shall be limited to one (1) move per classification and no more than two (2) moves per occurrence.
 - 1. After all moves have been made, if any current position becomes vacant thirty (30) days or longer it shall be posted as a temporary position. After thirty (30) additional days the employee assumes sick and holiday pay at the current positions rate of pay, but no health care benefits will be paid.
 - 2. If the temporary opening becomes permanent, the job shall be posted and filled according to the terms of this Agreement.

Normal movement is at the discretion of the supervisor and/or district.

J. The number of people who will be allowed to move from the kitchen at any one time:

High School	Six (6) cooks – two (2) can be gone
Junior High School	Three (3) cooks – one (1) can be gone
Kirk Elementary	Three (3) cooks – one (1) can be gone

When the regular driver is out sick and the people who are trained to do the job are working in ten (10) day or more positions the board reserves the right to return one of those persons to the driver position for the time that the driver is out sick. The most senior person will have the option to return to the position; however, if none of the trained personnel elect to return, management will place the least senior person in the position. The driver position can not be subbed out to someone without training because of the number of duties which must be performed in a timely manner. An untrained substitute jeopardizes the entire food service program for the time they are working.

In the event a person in a ten (10) day or more position desires to return to their original position before the ten (10) day or more position is done, they must notify not only their immediate supervisor, but also, the supervisor for whom they have been working in a timely manner.

ARTICLE VIII - REDUCTION IN PERSONNEL, LAYOFF, & RECALL

- A. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition.
1. No employee shall be laid off pursuant to a necessary reduction in the work force unless said employee shall have been notified of said layoff at least thirty (30) days prior to the effective date of the layoff. In the event of a strike or job action by other school employees, the Board shall be required to give twelve (12) month employees five (5) working days notice of layoff.
 2. In the event of a necessary reduction in work force, the employer shall layoff first probationary employees, then the least senior employees of the bargaining unit. In no case shall a new employee be employed by the employer while there are laid off employees who are qualified by state and/or federal requirements, if any, or who meet the minimum requirements as posted on the job description for a vacant or newly created position. This is with the understanding that testing for the job being posted will be allowed for the applicant at the time of the posting. Programs of in-service will be provided during the calendar year so that employees will be able to become qualified for job openings in all classifications.
 3. In situations of layoff and recall the District agrees to layoff and recall employees based on total seniority of the bargaining unit. When there is a necessary

reduction in personnel within a classification, employees may only “bump” into positions which they are certified and qualified for.

4. A laid off employee shall upon application be granted priority status on the substitute list according to his/her seniority. Laid off employees may continue their health, dental, and life insurance benefits by paying the regular monthly subscriber group rate premium for such benefits to the carrier.

B. REDUCTION IN WORK HOURS

In the event of a reduction in the work hours in a department, an employee may claim seniority over another employee for the purpose of maintaining his/her normal work schedule, provided he/she has greater seniority than such employee. In no case shall a reduction on any employee’s work hours take effect until the employer gives ten (10) work days written notice to the affected employee(s).

1. If there is a position eliminated, the person whose position has been eliminated shall be transferred to a vacancy that he/she is qualified for. If no position exists or their hours are reduced, Article VIII B above shall apply.

C. RECALL

1. Employees shall be recalled in inverse order to their District seniority to any position which they meet the necessary state and/or federal requirements, and minimum requirements which were stated in the job description.
2. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the employer’s records. The recall shall state the time and date on which the employee is to report back to work. It shall be the employee’s responsibility to keep the employer notified as to his/her current mailing address. A recalled employee shall be given at least fifteen (15) calendar days from mailing of notice, excluding Saturdays and Sundays, to report to work. The employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee reports within the fifteen (15) day period or has an acceptable reason for not reporting. Employees recalled to work for which they are qualified are obligated to take said work. An employee who declines recall to perform work for which he/she is qualified shall forfeit his/her seniority rights.
3. Employees on layoff shall retain their hire-in date for purposes of recall for a period of two (2) years. Any employee on layoff for more than two (2) years shall lose his/her seniority and any further rights under this Agreement.

ARTICLE IX - WORKING CONDITIONS

- A. Any medical tests or examinations required by the Board as a condition of employment will be paid for by the Board.
- B. Facilities shall be provided for use by employees in which to store belongings.
- C. Employees required to dispense medicine or administer first aid shall be provided with liability insurance. If employees are required to administer medications, perform medical procedures or provide health-related services to a student which require specialized medical training the District shall:
 - a. provide appropriate training to affected employees,
 - b. provide the employee with written instructions as to the procedure,
 - c. name and telephone numbers of the physician and parents of the student.
- D. Parking will be made available for employees.

- H. Employees shall report any unsafe conditions or equipment to the administration as soon as the employee is aware of such. The employer shall investigate such complaint as soon as possible.
- I. Participation by an employee in School Improvement Program (SIP) committees shall be voluntary. The employee's participation on such committees shall not be a factor in the employee's evaluation. If any decision of the SIP committee recommends action that runs counter to this Agreement, these actions will be subject to the negotiation process.

ARTICLE X - HOURS OF WORK

- A. All employees covered by this Agreement shall have a normal work week of up to forty (40) hours per week, Monday through Friday. It is specifically understood that employees may be scheduled less than forty (40) hours per week.
- B. 1. Employees shall be entitled to one (1) fifteen minute break for every four (4) hours of continuous work.

2. Employees working six (6) hours or more per day shall be entitled to a thirty (30) minute, duty-free, lunch period.
- C. It is specifically understood that employees shall be paid for hours worked.
1. Employees shall be paid overtime at the rate of time and one-half (1-1/2) for hours worked over eight (8) per day or forty (40) per week.

- D. The minimum call-in pay for emergency situations shall be two (2) hours and three (3) hours for Sundays or holidays. In addition, any employee on-call shall receive \$25.00 a day compensation pay for Saturday and Sunday.
- E. The employer will make a reasonable attempt to distribute overtime hours among employees in a school building by classification. In the event that no employees in a school building assumes the overtime, the employer then calls by seniority from other buildings in that classification and/or department. The employer may deem it necessary to assign overtime work when there are no volunteers available to do such work; employer must do so in inverse order of seniority within the department.

By affixing our signatures to this document the Parties agree to the following terms.

1. In order to have a continuous plan of health insurance the employer is required to begin eligible member enrollment in the Blue Cross/ Blue Shield Community PPO 3 Plan as described in the attached Summary of Benefits.
2. The Board of Education agrees to fund premium assessments up to the legally defined cap for the life of this Agreement including CPI (Consumer Price Index) increases that are allowed by law to be calculated each year in accordance with the medically determined CPI (Consumer Price Index) provided by the State of Michigan.
3. The employer agrees to notify the Michigan Health Insurance Pool of its intent to cease participation with the required thirty (30) days notice and to initiate immediately member enrollment in the aforementioned Blue Cross /Blue Shield Employee Insurance program.
4. The Parties will review plan specifications from time to time to determine if coverage and premium costs are in the best interest of the Parties.
5. The enrollment in the Plan will be available to all contractually eligible members of the unit and enrollment in the Blue Cross/ Blue Shield Plan will proceed forthwith to ensure a smooth transition to the new plan.

The Parties hereby agree to the above provisions and understand that this process of enrollment in the Blue Cross/ Blue Shield Plan as defined in the attached summary will begin immediately following agreement on this Letter of Understanding.
