Temporary vacancies are deemed to be temporary as long as the regular employee is off the job, but is due or scheduled to report back to their regular work assignment. (7). Any employee in the bargaining unit who is either elected or appointed to full-time position or office in the Union, whose duties require their absence from work, shall be granted a leave of absence for up to one (1) term of such office or position.

(8). All reasons for leaves of absence shall be in writing, stating the reason for the request and the approximate length of leave requested, with a copy of the request and the approximate length of leave requested to be maintained by the Board, a copy furnished to the employee, and a copy sent to the Union.

(9). An employee who meets all of the requirements as herein before specified shall be granted a leave of absence without pay, and shall accumulate seniority during the leaves of absence, and the employee shall be entitled to resume their regular seniority status and all job and recall rights. (2) Health care protection shall be provided for a full twelve-month period for each employee who completes a full year of employment. If carriers are changed, the district will assure there will be no period without coverage.
