To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

RIGHTS OF THE BOARD

Except as expressly abridged by the provisions of this Agreement, it is agreed that all rights which ordinarily vest in and have been exercised by the Board shall continue to vest exclusively in and be exercised exclusively by the Board. 4. Determine the services, supplies, and equipment necessary to continue its operations.
5. Adopt reasonable rules and regulations.
6. Determine the qualifications of employees, including health conditions.
7. Determine overall goals and objectives as well as the policies affecting the educational process.
8. Determine the number and location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
9. Determine the size of the management organization, its functions, authority, amount of supervision, and the table organization.
10. Determine the financial policies, including all accounting procedures and all matters pertaining to public relations.

Pursuant to authority vested in the Michigan Labor Mediation Board, IT IS HEREBY CERTIFIED that Council No. 25, American Federation of State, County and Municipal Employees, AFL-CIO has been designated and selected by a majority of the employees of the above-named Employer, in the unit described below, as their representative for the purpose of collective bargaining and that pursuant to Section 26 and 27 of Act No. 176 of the Public Acts of 1939 as amended or Sections 11 and 12 of Act 336 of the Public Acts of 1947, as amended, the said organization is the exclusive representative of all the employees in such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment.

- B. Unit: All Paraprofessional employees, Elementary, Secondary, Special Education Aides, Media Center Technicians, Computer Technicians, excluding Administrators and all Aides hired under Federal ESEA Funds.

ARTICLE II
Aid to Other Unions

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE III
Agency Shop

- A. Any employee who is a member of the Union, or who has applied for membership, may sign and deliver to the Board an assignment authorizing the deduction of professional dues in the Union, the amount of which shall be established by the Union. Such authorization shall be renewed each year. Pursuant to such authorization the Board shall deduct such dues from the second pay of the month and each month thereafter. Such sums deducted as dues or as a Representation Benefit Fee, subject to Subparagraph B hereof, shall be remitted not less frequently than monthly to the Union, accompanied by a list of employees from whom the deductions have been made.
- B. Any bargaining unit member who is not a member of the Union in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Representation Benefit Fee to the Union. The Representation Benefit Fee shall not exceed the amount of the Union dues collected from Union members. The bargaining unit member may pay such fee directly to the Union or authorize payment through payroll deduction, as herein provided. In the event that the bargaining unit member shall not pay such Representation Benefit Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Union, deduct the Representation Benefit Fee from the bargaining unit member's wages and remit same to the Union.
- C. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid school year. Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Union's notification to non-members of the fee for that given school year. In such event, it is agreed that the employee remains obligated for the entire annual representation fee.
- D. The Union shall hold the board harmless for any and all claims, demand, suits, or other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purpose of complying with the provisions of the agency shop agreement herein contained. The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of the Agency Shop provisions of Article III. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Article III, Agency Shop. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then Michigan AFSCME Council 25 shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if Michigan AFSCME Council 25, through counsel it selects after consultation with the Employer, does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.
- E. Should a court of competent jurisdiction rule that the mandatory deduction of the Representation Benefit Fee is contrary to law, the Board shall not be required to implement Section B above and the language of the Article shall revert to the language contained in the 1993-1996 Master Agreement.
- F. The Parties agree that the continuation of the language set forth in Article III above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.

ARTICLE IV

- A. Employees shall tender the initiation fee (if any) and monthly membership dues by signing the Authorization for Check-Off of Dues Form.

Check-Off form: During the life of this Agreement and in accordance with the terms of the form of Authorization of Check-Off of Dues, and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct Union membership dues levied in accordance with the Constitution and by-laws of the Union, from the pay of each employee who executes or has executed the "Authorization for Check-Off of Dues" form as supplied by the Union.

- B. Employees shall have their initiation fee (if any) and monthly membership dues or service fee deducted from their earnings by signing the "Authorization for Check-Off of Dues" form.
- C. Deductions shall be made only in accordance with the provisions of said Authorization for Check-Off of Dues, together with the provisions of this Agreement. The Employer shall have no responsibility for the collection of initiation fees, membership dues, special assignments or any other deduction not in accordance with this provision.
- D. A properly executed copy of such Authorization for Check-Off of Dues form from each employee for whom Union membership dues are to be deducted hereunder shall be delivered to the Employer before any payroll deductions are made. Deductions shall be made hereafter only under Authorization for Check-Off of Dues forms which have been properly executed and are in effect.
- E. Check-Off deductions under all properly executed Authorization for Check-Off of Dues forms shall become effective at the time the application is tendered to the Employer and shall be deducted from the second (2nd) pay of the month and each month thereafter.
- F. The Union will provide to the Employer an additional Authorization for Check-Off of Dues forms under which Union membership dues are to be deducted.
- G. Deductions for all calendar months worked shall be remitted to the designated financial officer of the Union Local as soon as possible after the tenth (10th) day of the following month. The Employer shall furnish the designated financial officer of the Union Local, monthly, with a list of those for whom the Union Dues have been deducted and this list shall be kept current.
- H. The employer shall not be liable to the Union by reason of the requirement of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

The Union will protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with Articles III and IV of this Agreement. The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of Articles III and IV of this Agreement. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Articles III and IV. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then Michigan AFSCME Council 25 shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if Michigan AFSCME Council 25, through counsel it selects after consultation with the Employer, does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.

- I. The Parties agree that the continuation of the language set forth in Article IV above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.
