(Headings are for reference only).

**ARTICLE I
PREAMBLE**

WHEREAS, the Board and the Federation believe in the importance of schools as an agency for the preservation and extension of our democracy; and

WHEREAS, the parties to this Agreement have a common goal of providing the best possible education for all children; and

WHEREAS, the Board and the Federation are mutually committed to the human rights and dignities of all, and to policies and programs of racial integration and desegregation as being necessary to good education, good management and good government; and

WHEREAS, the parties to this Agreement are mutually committed to the necessity of equal educational opportunity for all pupils enrolled in the Melvindale-Northern Allen Park Public Schools with no exclusion from any program on the basis of race, religion, creed, social or economic status; and

WHEREAS, the success of the Melvindale-Northern Allen Park Public Schools educational program is directly related to the knowledge, skill and creative ability of teachers; and

WHEREAS, to obtain this goal it is imperative that there be understanding and cooperation between the teachers in the classroom and the Board which is responsible for the operation of the school system; and

WHEREAS, the laws of the State of Michigan authorize public employees and public employers to enter into an exclusive Collective Bargaining Contract relative to rates of pay, wages, hours of employment and other conditions of employment; and

**ARTICLE VIII
TEACHER RIGHTS AND BENEFITS**

A. INJURIES AND ILLNESS

1. During the first days of disability involving Worker's Compensation, arising out of and in the course of employment by the Board, the Board will pay a teacher his full salary until Worker's Compensation insurance benefits for loss of income commence. Thereafter, a teacher sustaining any injury arising out of and in the course of employment by the Board will be compensated in accordance with the provisions of the Michigan Worker's Compensation Act. Further, the Board will pay to the teacher a sum which, inclusive of Worker's Compensation and other disability benefits, will total not to exceed eighty percent (80%) of the teacher's regular salary, while the teacher is unable to return to work, for not to exceed one (1) calendar year. Provided, however, that if the teacher's disability is the result of a student assault that occurs on school property and arises out of and in the course of the teacher's employment, the teacher may draw upon the CTO/leave without waiting for ten (10) days to expire, and whether the teacher has worked a minimum of thirty (30) days for the School District, a sum which inclusive of Worker's Compensation and any other disability benefit provided, will equal 100% of the teacher's straight regular salary according to the Salary Schedule, for not to exceed one (1) calendar year. Absences will not be chargeable against a teacher's sick bank until the teacher has been absent for one (1) calendar year.
2. Before returning to work after an operation, injury or serious illness, a teacher will present to the Board Central Office a statement from his doctor stating that the teacher has satisfactorily recovered and is able to return to work. The Board may direct that the doctor's statement be corroborated by a statement from a doctor selected by the Board. If the dispute still exists, at the request of the Federation, the school physician and the employee's doctor will agree upon a third doctor to submit a report to the Board and to the teacher and the decision of such third party will be binding on both parties. The expense of the third doctor will be shared equally by the Board and the teacher.
3. A teacher who suffered a school-connected injury or any sickness which causes him to be disabled, will be reinstated with all pay increments he would otherwise have normally earned during the time of disability during the first year following the commencement of the disability. Upon return, the teacher will be assigned to his original position or to a position of like nature, seniority, status and pay.
4. In case of partial disability resulting from either illness or injury, verified by medical certification, which may incapacitate a teacher from discharging his full duties, his position and assignment will be adapted to the disability whenever possible. In such case, salary will be mutually agreed upon by the Board with the teacher and the Federation and nothing herein will preclude such agreement being reached.

B. INSURANCE

1. The Board of Education will provide Life Insurance equal to \$50,000.00 with Accidental Death and Dismemberment (Double indemnity for accidental death).

2. The Board will provide district approved carrier for medical insurance and prescription coverage with co-pay. (See benefit summary attached (Appendix H.) and Part d. below.)
 - a. The Board will pay a pro-rated portion of the hospitalization and medical coverage for a regular part-time teacher desiring hospitalization (50% of Full Day and up).
 - b. Hospitalization, prescription and life insurance premiums will be paid by the Board for two (2) months following the use of all CTO/disability days to which a teacher is entitled (See part d. below.)

Hospitalization, prescription, life/disability, dental and vision insurance premiums will be paid by the Board during the duration of all FMLA leave. Following the expiration of all FMLA leave, the Board will pay these premiums at the COBRA rate, with the employee paying their proportionate share of either hard cap or 20%, depending on what the Board has elected as cost-sharing payment. Should the employee's leave of absence extend beyond two months following the expiration of all FMLA leave, the employee may cost share at the COBRA rate, provided the employee has at least one (1) day available in their sick bank. If an employee is on an unpaid leave of absence and not a disability leave, the employee may only elect full COBRA, regardless of days available in their sick bank.

- c. DCCR-Dependent Child Rider will be in effect. (See benefit summary attached in Appendix H.)
- d. Any other provision of this agreement notwithstanding, should the Board not choose the "Hard Cap," all teachers shall be liable for a portion of the premium payment for their hospitalization, medical and prescription insurance. All teachers shall pay twenty percent (20%) of the total cost of their hospitalization, medical, and prescription insurance.
- e. In an effort to contain costs, both parties agree that the district's health care coverage will be reviewed annually. The Director of Finance will obtain such alternatives to the existing plan as may be necessary to provide affordable insurance, while at the same time providing comparable coverage. The Director of Finance will share said alternatives with the Union President and work to obtain mutually-agreeable coverage.

3. Dental Insurance

100% paid dental insurance policy will be provided to a full time teacher by the Board. The full benefit summary is found in Appendix H.

The Board reserves the right to name the carrier.

4. Long Term Disability and Managed Sick Leave Policy

The Board shall provide at no cost to the teacher or bargaining agent a policy which will guarantee disability income benefits to a teacher who is unable to perform his or her duties because of illness or conditions physical or mental (excluding the following conditions of Appendix A.) See Appendix A. The Board reserves the right to name the carrier.

The teacher is responsible to use leave days (CTO and sick days) to be paid through the first sixty (60) calendar days of the illness. If the employee does not have leave days to use, these days will be unpaid (docked). On the sixty-first (61st) day of illness the insurance program will start and continue payments, according to the specifications of the policy, providing the teacher provides a statement from the doctor stating the illness and that the employee is unable to perform his/her duties.

The coverage and benefits of Appendix A will remain the same; the benefits are of the minimum allowed by the contract and only an increase of benefits will be accepted. All other procedures, definitions and requirements will not be changed or altered. All future policies cannot deviate from the specifications detailed in Appendix A. The carrier will be the sole decision of the Board providing the Federation has the guaranteed right to eliminate or refuse any carrier which does not meet all the specifications in Appendix A before Board adoption of the carrier.

- a. A teacher receiving benefits from the insurance company will be considered on sick leave for the length of the disability. Upon return, seniority and pay step to be determined by Article VIII, Section E (Leave of Absence).
- b. Any forms filled out by the teacher in order to collect benefits from the company or any other processes or procedures required by the insurer, will not be used by the Board or its agents to negate or modify any of the teacher's contractual or statutory rights with the Board of Education, other than those financial rights replaced by the policy. It will be clear that such requirements are being followed for financial benefits only.
- c. Hospitalization and group life insurance premiums will be paid by the Board for two (2) months following the use of all sick leave days to which the teacher is entitled.
- d. The teacher will be able to participate fully in all contractual group fringe benefits at his own expense at the group rate, once the contractual obligations of the Board contributions for these group benefits expire.

Failure of the carrier to meet the provisions of this contract will result in the Board and Federation initiating appropriate legal action to protect this provision of the contract. Costs to be shared equally.

5. The Board will provide vision insurance with the full benefit summary found in Appendix H.

Benefits are available once every twelve (12) months.

6. A teacher who receives hospitalization and prescription benefits from another source may decline hospitalization and prescription benefits under this contract. In lieu of said benefits, the teacher shall receive a stipend of \$2,000.00 per school year (payable in twenty [20] equal installments of \$100.00 each, starting in September). This option must be elected prior to the school year and cannot be revoked during the school year unless the teacher's current hospitalization benefits are changed or terminated (the stipend will then be prorated for the months that it was in effect).
7. The Board shall not provide dual hospitalization and prescription insurance coverage to spouses, both of which are employed by the Board. If both employees are covered by any

contract, one spouse shall select the stipend provided in Section B. 6. above, or the cash in lieu of health insurance option in their contract.

8. Eligibility for Hospitalization, Prescription, Dental & Optical Insurance:

Employees hired for four (4) hours and up, their spouse, dependent children to the end of the year in which they turn 19 and dependent full-time college students to age 25 or as required by law.

C. TEACHER'S PROPERTY

1. The Board will reimburse a teacher within fifty (50) days of a claim made to the Board for the teacher's property loss sustained under the following conditions:
 - a. Personal property, used for educational instruction when written approval for such use is obtained in advance from the Principal.
 - b. Clothing torn or damaged by children in the classroom in school or on a field trip.
 - c. Teacher's automobile damaged on school property.
2. Three (3) descriptive copies of a claim will be given to the Board by the teacher within five (5) days upon receiving information that damage occurred on school property.
3. Decision by the Board will be made within thirty (30) days of their filing of the claim. If the claim is granted, payment by the Board will be made within twenty (20) days.
4. A determination by the Board relative to such a claim will be final.

D. MISCELLANEOUS TEACHER RIGHTS AND BENEFITS

1. Teacher will have an assigned desk and an adequate filing cabinet. A rotary pencil sharpener, computer, and dictionary will be provided in each classroom in both the elementary and secondary schools.
2. A teacher will not be required to transport students.
3. A teacher will have a duty-free lunch period. A teacher may leave the building to which he is assigned during his lunch period except that on inclement weather days, in the elementary schools, a teacher will be available for assigned duties after the lunch period. Inclement weather days will be defined as days when the temperature, rain, snow, mud or icy conditions on the playground present a hazard to the health or safety of the students.

The definition of inclement weather days shall be consistent throughout the district. All inclement weather days will be recorded at the school. This record will be available to the Federation upon request.

4. The regular duty day of teachers, including lunch period, shall consist of 7 hours and 20 minutes; 7 Hours and 25 minutes for K-8. Beyond the regular day, teachers will be required to be in attendance at least five (5) hours per year in the school district. 5. a. The scoring and recording of standardized tests that are Board of Education assigned shall not be the responsibility of the classroom teacher.

The principal's office staff will complete the preparations of CA-60.

 - b. A copy of administrative or parental compliments, complaints, evaluations or any other material shall be given to a teacher whenever such material is placed in the teacher's personnel file. If there is a written follow-up to such material, the teacher shall receive a copy.
 - c. A teacher shall have the right to submit a written response to any material filed. Such response shall be included in the teacher's individual personnel file and attached to the copy of the related material.
 - d. The personnel file shall constitute the official employment record of the teacher. It is recognized that only material which has been placed in the teacher's personnel file following the above procedure may be used as a basis for official action against a teacher.
 - e. All documents, communications and records dealing with a grievance shall be filed separately from the personnel file.
 - f. The teacher shall have the right to remove any material in his own individual personnel file that is four (4) or more years old providing the teacher is not currently involved in corrective action.
 - g. If the Board receives a Freedom of Information Act request concerning materials contained in a bargaining unit member's personnel file, it will notify the Federation and the bargaining unit member prior to or at the time of fulfilling the request of the materials requested and if requested by the bargaining unit member, furnish copies of the materials. The Board reserves the right to charge the Federation the same amount for copies as it charges the person making the request under the Freedom of Information Act. If other requested materials are not in the personnel file and the bargaining unit member is named in the F.O.I.A. request, then the foregoing shall also apply.

7. a. A teacher shall have at least five (5) preparation periods per week totaling not less than 275 minutes. Whenever feasible, the Board will provide for a location within each school that is private and equipped with a telephone for teachers to use in carrying out their professional duties requiring communications by telephone.

- C. The teacher with a grievance will discuss the matter with the principal informally.

D. **Step 1:**

In the event the matter is not resolved informally, the grievance, in writing, may be lodged with or submitted to the principal of the school in which the grievance arises, within five (5) days following the act or discovery of the act or condition which is the basis of the grievance.

Within three (3) days after receiving the complaint, the principal will answer the teacher, in writing with his reasons or reason therefore, with a copy to the Federation. The principal's reasons will not be legally binding on the Board.

Step 2:

Within five (5) days after the principal has delivered his answer, a written appeal from the decision may be made to the superintendent with a copy of the decision of the principal.

The grievance will be in writing and will set forth specifically the act or condition and the contract clauses allegedly violated on which the grievance is based, and signature of the teacher.

The superintendent, or acting superintendent, will give the teacher an answer in writing no later than five (5) days after the receipt of the grievance.

Step 3:

If the grievance is not resolved in Step 2, and the teacher within five (5) days after receipt of the answer from the superintendent requests a meeting, the Board and the teacher will meet within a reasonable time, not less than seven (7) calendar days nor more than fourteen (14) calendar days from the receipt of the request. Three (3) days notice of such meeting will be given to the teacher, the Federation representative and the local Federation president and they will have an opportunity to be heard at this meeting.

The Board will mail or deliver its decision in writing, together with supporting reasons to the teacher and the Federation within ten (10) days of the date of the meeting.

Step 4:

If a satisfactory disposition of the grievance is not made as a result of the meeting provided for in Step 3 above, only the Federation will have the right to appeal the dispute to an impartial arbitrator. Such appeal must be filed with the American Arbitration Association within fifteen (15) days from the date of the receipt of the Board's answer by the Federation. Arbitration will be conducted under and in accordance with the rules of the American Arbitration Association.

1. The arbitrator will limit his decision strictly to the application and interpretation of the provisions of this contract, and he will have no authority to act in the following matters:
 - a. Where a complaint is being processed, at the initiation of the teacher through other legal procedures. (Example: Teacher Tenure Act).
 - b. Any matter stated in this contract in which the Board's decision is final.
2. The arbitrator's decision will be accepted as binding by the teacher and the Board. There will be no appeal by either party from an arbitrator's decision, if the decision is within the scope of the authority of the arbitrator. If the scope of the arbitrator's authority is litigated, the losing party will pay to the other party the cost of litigation and reasonable attorney fees.
3. In the event a case is appealed to an arbitrator and he has no power to rule, it will be referred back to the parties without decision or recommendation on its merits.

4. Expedited Arbitration

- a. If the Federation is not satisfied with the disposition of the grievance by the Board or if no disposition has been made within the period provided, the Federation may submit the grievance to expedited arbitration before an impartial arbitrator upon mutual agreement of the Federation and the Board. The arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which shall govern the proceeding. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement. Both parties agree to be bound by the award of the arbitrator.
- b. The fees and expenses of the arbitrator shall be shared equally by the parties.
- c. Upon notification by the Federation of its intention to go to expedited arbitration, the Board will make its decision by the next regularly scheduled Board meeting.

E. Time Limit

Any grievance not advanced to the next step within the time limit in that step will be deemed abandoned. If the superintendent or Board does not respond or perform any other required act relative to a grievance within the time specified, the grievance will be awarded without prejudice. Time limits may be extended mutually by the Board and the Federation, in writing, and if so, the new time limits will prevail. The time provisions are mandatory and are of the essence for this grievance procedure.

- F. Hearing held pursuant to this grievance procedure will be conducted at a time and place which will afford a reasonable opportunity for all persons, including witnesses, entitled to be present, to attend. If such hearings are conducted during school hours, all employees who are required to be present at the hearing will be excused with pay for that purpose.
- G. If a grievance arises from action by an authority higher than the principal or if it involves more than one building, the teacher or Federation may present a grievance at Step 2.
- H. No decision in any one case will require a retroactive salary or wage adjustment in any other case.
- I. Notwithstanding the expiration of this agreement, any claim or grievance arising hereunder may be processed by the grievant through the grievance procedure until resolution.

ARTICLE XII STUDENT DISCIPLINE

- A. The teacher is immediately responsible for student supervision in the classroom, and except for emergencies and excused absences will be in the classroom.
- B. A child will be suspended from his class when, in the opinion of the principal and the teacher, the child is causing serious disruption. Within twenty-four (24) hours, a written report by the teacher will be delivered to the principal's office. The child may be readmitted by the principal after some adjustment has been made or the principal may hold a conference at which at least two (2) of the parties will be present:
1. The principal or assistant principal
 2. A counselor
 3. Social worker, school psychologist or attendance officer
 4. The child
 5. A parent or parents of the child
 6. The teacher will be present at the conference if his presence is deemed necessary by the principal.

A teacher may temporarily suspend a pupil from a classroom when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal as promptly as his teaching obligations will allow, full particulars of the incident in writing. A teacher may use such restraints as necessary to protect himself from physical abuse or to prevent injury to another student so long as they are not inconsistent with existing legal statutes.

- C. The teacher will be informed of the results of the conference and/or adjustment by the principal. If the teacher disagrees with the principal's decision, the teacher may request an immediate hearing with the superintendent, who after hearing from both the teacher and principal, will make a decision which will be final and conclusive.
- D. If the Board determines that a teacher has been assaulted by a student on school property while the teacher is in the course of his employment, and if requested by the teacher, the Board will provide legal counsel as selected by the Board to advise the teacher of his rights. The Board's determination is final.
- E. If an action, civil or criminal, is instituted by a student against a teacher by reason of an act or acts committed by the teacher on school property and arising out of and in the course of the teacher's employment, and if requested, the Board will select and provide legal counsel to assist the teacher in his defense, provided the Board first determines that the teacher did not violate the rules, regulations or policies of the school district. The Board's determination is final.

**ARTICLE XIII
CONTINUITY OF OPERATIONS**

There will be no strikes by the Federation, its officers, representatives, or members. Nothing contained herein will be construed to limit, impair, or affect the right of any public employee to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment.

When the schools in the district are closed to the students because of severe inclement weather or an act of God, teachers shall not be required to report.

**ARTICLE XIV
WAIVER CLAUSE AND AMENDMENTS**

The parties acknowledge that during the negotiations which resulted in this agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Any amendment or agreement supplemental hereto will not be binding upon either party unless executed in writing by the parties hereto.

This agreement shall constitute a binding obligation of both the Board and the Federation and for the duration hereof may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the Board and the Federation in written and signed amendment to this agreement.

**ARTICLE XV
VETERANS RIGHTS**

Veteran's reinstatement and re-employment rights will be governed by applicable Federal and State laws.

**ARTICLE XVI
JURY DUTY**

Notice of jury duty will be communicated immediately to the Central Office. If a teacher is compelled to serve, the Board will pay the difference between jury duty remuneration and his basic salary.

ARTICLE XVII
SCHOOL CALENDAR

Rescheduled Instructional Days

1. If the number of hours or days of pupil instruction falls below the number of hours or days as required for State funding due to conditions not within the control of school authorities, then sufficient day(s) or hours of pupil instruction may be rescheduled on a day(s) mutually agreed upon between the District and the Federation.
2. On such day(s) when pupil instruction is not provided, Union members will not be required to work. Federation members will be required to work on the rescheduled day(s) as if it were a regularly-scheduled day(s).
3. On the rescheduled work day(s), the School District will not pay nor will Federation members receive any additional compensation, insurance benefits or fringe benefits under the contract.
4. It is understood and agreed that current/future legislation may mandate additional student instruction hours or days. Should legislation or rule increase days or hours beyond those required by this contract, the parties shall meet to negotiate all ramifications and compensations for said instructional days or hours.

ARTICLE XVIII
REDUCTION IN PERSONNEL - FOR LAYOFF ONLY

Should changes in student population or financial conditions warrant an adjustment or reduction in staff the following procedures shall prevail:

- A. Before official action on layoff or reduction of bargaining unit members is taken by the Board, it will give notice to the Federation of the contemplated reduction and afford the Federation the opportunity to discuss it with the Superintendent. As soon as the names of the bargaining unit members to be laid off are known, a list of such names shall be given to the Federation.

A bargaining unit member who moves to an administrative or supervisory position shall retain, but not accumulate, seniority. Administrators hired from outside the bargaining unit employed shall not have seniority in the bargaining unit.

- B. Layoff means removal from the payroll with no employment rights, other than retention of seniority status.

- C. "Seniority" shall be defined as total years of contracted service to the Melvindale-Northern Allen Park School District computed from the first day they reported for work. Part-time contractual employment, and substituting while on layoff shall not interrupt years of service and shall be prorated. Laid-off contracted teachers on the preferred substitute list shall accrue seniority for each day worked as a substitute as per Article XVIII, "L". Advanced study, care for sick member of the immediate family, work experience, maternity leave, military leave, federation position leave, sabbatical leave, sick leave, personal business leave, funeral leave, suspension with pay and suspension without pay for ten (10) days or less shall not be considered as interruption of years of service. All other approved leaves, including suspension without pay for more than ten (10) days, shall not count as years of service but seniority is computed from the first day of employment minus the time of such leave. If a person resigns, or otherwise leaves the employ of the district other than on an approved leave of absence and subsequently returns, seniority is computed from the first day they reported to work after returning to the employ of the Board.

1. In the event two (2) or more teachers have equal seniority as defined above, the date of signing of contract by individual teachers will be used to establish the longest seniority.
2. In the event two (2) or more teachers have equal seniority as defined above, the number of degrees will be used to establish the longest seniority.
3. In the event that two (2) or more teachers have equal seniority as defined above, the number of hours beyond the bachelor's degree will be used to establish the longest seniority.

- D. Following any teacher layoff and/or at the beginning of each school year, all teachers who have been laid off will be placed on the preferred substitute list in order of seniority. These preferred list teachers shall be called for substituting on identified or mutually agreed upon days of availability before any other substitutes.

Starting with the most senior teacher on the list, each teacher will be given a complete choice of all positions available for substituting at that time, eliminating each one as it is chosen.

Each teacher on the preferred substitute list will begin at \$100.00 per day at the beginning of each school year.

One day seniority for each day worked as a substitute will be earned only by a teacher on the preferred substitute list.

If a teacher has worked 5-days-a-week substituting, then at the end of the school year each teacher on the preferential substitute list who has worked 90% of the days he/she was needed to substitute shall be awarded 200 days seniority in that school year. Under no circumstances shall any teacher accrue more than 200 days of seniority for one school year.

E.. The Board shall direct the superintendent or his designee to keep the Federation fully informed of all matters involving any condition or conditions brought about by this Article.

ARTICLE XIX
TIME-SHARED TEACHING ASSIGNMENTS

A. PURPOSE

A time-shared teaching program is to allow pairs of tenured teachers to voluntarily share full time assignments in order to increase work options, prevent possible lay-offs, to enable the employees to better meet the dual responsibilities of work and family, and to bring greater educational experiences to the District's students.

B. PROCEDURE

1. Each time-share teaching team (known hereafter as TST) submits a plan to the Building Administrator, Curriculum Director, Superintendent and the Board of Education for review with the following considerations:
 - a. partnerships (names of the team)
 - b. when each will teach
 - c. how the curriculum will be divided
 - d. when joint planning will take place
 - e. various duties/responsibilities divided (teacher meetings, IEPs, report cards)
 - f. specify how parent/teacher conferences and open house will be handled
 - g. how the one benefit package will be distributed by the partnership
2. Each plan will be individually evaluated by the Board of Education, have the final authority, will grant or deny the implementation of each TST. The decision rendered by the Board will be final and is not grievable or reviewable.
3. One representative from administration (Curriculum Director, Principal) and one representative from the Melvindale Federation of Teachers will facilitate the implementation of the program, when the TST plan is approved. The building principal will have the opportunity to interview teachers wanting to time-share in his/her building.

C. CONDITIONS FOR TIME-SHARE TEACHING

1. Positions that are available for time-share teaching may be determined by the Representatives of the Administration and Melvindale Federation of Teachers.
2. All TST positions will be for one (1) year, unless a TST team requests a renewal for the following year and the same is approved by the Board of Education.
3. At the termination of TST, both teachers will be assigned to their former building, positions, departments or a comparable assignment as is available given their certification.
4. TST teachers will be able to share at a 50%/50% at the elementary level, or a 40%/60% at the secondary level, or as agreeable to the Board, to complete a full-time position.

5. For each teacher on a shared teaching assignment, the granting of seniority and experience on the salary schedule will be determined on a case by case basis. Retirement credit is prorated by the State Retirement Office in relation to the hours worked per day.
6. Full preparation time will be provided and divided as equitably as possible within the assigned position.

**ARTICLE XX
DURATION OF CONTRACT**

This agreement will become effective July 1, 2017 and will continue in force and effect through June 30, 2020. However, at any time during this agreement a duly authorized representative of the Melvindale Northern-Allen Park Board of Education or a duly-authorized representative of the Melvindale Board of Teachers may request a meeting to discuss the contents of the contract. The results of that meeting may, in fact, result in changes of the contract with agreement between the Melvindale-Northern Allen Park Board of Education and the Melvindale Federation of Teachers. The contract may have a reopener for consideration of wages the third year.

IN WITNESS WHEREOF, the parties have hereunto executed this agreement by their duly-authorized representatives.
