Rights of the Association – Continued

3. No employee shall be terminated under this Section F unless:

The Association shall, on or before September 1 of each year, give written notice to the School District Business Office of the dollar amount of dues and assessments of the Association including the National Education Association and the Michigan Education Association, which dues and assessments are to be deducted in the coming school year under all current payroll deduction authorizations. The total for these deductions shall not be subject to change during the school year.

If any suit or proceedings of any kind be brought against the Board before any tribunal contesting a discharge under the provisions of this Section F, the Association agrees to reimburse the Board, promptly upon written demand, for all reasonable fees and expenses incurred by the Board in defending itself in such suit or proceedings, and also for any and all back pay or other damages for which the Board shall be adjudged liable. The Association further agrees that if it shall fail to reimburse the Board promptly, upon written demand for the aforesaid fees, expenses and damages, the Board shall be entitled, in addition to any other legal remedies, to apply against such indebtedness of the Association to the Board, until paid in full, all membership dues and representative fees collected by the Board on behalf of the Association pursuant to the provisions of this Section F.

# **ARTICLE VIII**

## GRIEVANCE PROCEDURE

### A. Definitions

1. A grievance shall mean a complaint by a teacher based on an alleged violation of one or more of the expressed provisions of the Agreement.
2. An aggrieved person shall mean the person making the complaint.
3. The term "days" when used in this Article, shall, except where otherwise indicated, mean working school days.

### B. General Principles

1. The Association may file grievances involving alleged violations of the terms and conditions of this Agreement, provided said grievances are signed by the current Association president.
2. The primary purpose of this procedure is to secure, at the earliest possible level, equitable solutions to the complaints or grievances of teachers. Except as is necessary to implement this Article, both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
3. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with his principal.
4. Except as otherwise provided in this procedure, any aggrieved person may be represented at all meetings and all hearings at all levels of this procedure by the Association Representative; and when a teacher is not represented by the Association, the Association shall have the right to be present at all levels of the grievance procedure after the first level. The aggrieved person shall be allowed to be present at all levels of the grievance procedure.

## Grievance Procedure - Continued

5. It shall be the practice of all parties in interest to process grievance procedures during such time as not to interfere with the execution of regular teaching assignments; provided, however, in the event it is mutually agreed by the aggrieved person, the Association, and the Board to hold grievance proceedings during regular working hours, a teacher engaged during the school day in grievance proceedings in his own behalf with any representative of the Board, will be released from regular duties without loss of salary.
6. Nothing contained herein shall be construed to prevent any teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement; provided, that the Association has been given opportunity to be present at such adjustment. The Board agrees to provide to the Association, within two (2) days after filing, a copy of all such written grievances lodged and decisions rendered relative to these grievances, together with the supporting reasons for the decisions.
7. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
8. The form to be used in submitting a grievance appears at the end of this Article.
9. The following matters shall not be considered to be the basis of any grievance under the procedure as outlined in this Article:
  - a. The termination of service or failure to reemploy by the Board of any probationary teachers;  
  
or
  - b. Any complaint or grievance for which there is another procedure established by law, or by regulation having the force of law, including any matter subject to the procedures specified in the Teacher Tenure Act (Act 4 of Public Acts, Extra Session, of 1937 of Michigan, as amended).

## Grievance Procedure - Continued

### C. Time Limits

1. The failure of the aggrieved person to proceed to the next level within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance, provided, however, in the event a decision has been rendered in a grievance and the decision has not been implemented or has been violated, the presentation of such evidence to the parties in interest shall constitute grounds to reopen the grievance at the level at which it has been terminated.
2. The failure of an administrator at any level of this procedure to communicate his decision to the aggrieved person within the specified time limits shall permit the aggrieved person and/or the Association with the teacher's written authorization to proceed to the next level.
3. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. Time limits, however, may be extended when mutually agreed upon in writing.
4. In the event a grievance is filed on or after May 15, the time limits set forth herein may be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the close of the school term or as soon thereafter as practicable for all parties concerned.
5. If a teacher leaves the employ of the School District while involved in pursuing a grievance, the Association may, with the written consent of the affected teacher, continue processing the grievance through the levels provided herein.
6. Notwithstanding the expiration of this Agreement, any grievance filed prior to termination of this Agreement may continue to be processed through the levels provided herein.

## Grievance Procedure - Continued

### D. Procedure

1. LEVEL ONE - A teacher with a grievance shall first present the matter to his principal with the objective of resolving the matter informally. A teacher having such a complaint shall bring the matter to the attention of his principal and request an informal meeting to discuss the problem not later than ten (10) days after the event or occurrence which is the basis for the grievance. The principal shall hold such a meeting within three (3) work days after the teacher's request. In the event that in the informal discussion at Level One between the grievant and the building principal, it is mutually agreed that the grievance would be better advanced to a more appropriate level, it will be so stated in writing by both parties, and the aggrieved person may then, within ten (10) days, present his grievance to the Superintendent of Schools at Level Three and the grievance will be considered to commence at that level.
2. LEVEL TWO - In the event that the grievance is not satisfactorily resolved at Level One, the aggrieved person may give formal notice in writing to his principal and the Association. Such notice shall be filed not later than five (5) days after the informal discussion required under Level One. Within five (5) days of the receipt of the written grievance, the aggrieved person's principal shall state his decision relative to the grievance in writing and furnish one copy to the aggrieved person and one copy to the Association.
3. LEVEL THREE - In the event that the grievance is not satisfactorily resolved at Level Two, the aggrieved person may file the grievance in writing with the Superintendent of Schools and the Association within ten (10) days following receipt of the principal's written decision required under Level Two. Upon receipt of the grievance, the Superintendent of Schools shall designate a committee not to exceed four (4) persons to represent the Board of Education in meeting with not more than four (4) representatives of the Association and the aggrieved person to attempt to resolve the grievance. Such committee representing the Board of Education may include the Superintendent of Schools. Within ten (10) days after receipt of the written grievance, the Superintendent of Schools and/or his designated committee shall meet with the aggrieved person and the Association to consider the grievance. Within five (5) days of said meeting, the Superintendent of Schools or his designated committee shall prepare an answer to the grievance, copies of which shall be given to the aggrieved person and the Association.

## Grievance Procedure - Continued

4. LEVEL FOUR - Any grievance which remains unsettled after having been fully processed through Level Three of the grievance procedure may, only at the option of the Association, be submitted to binding arbitration under the written demand of the Association under the American Arbitration Association. In order to be effective, such written demand must be made within fifteen (15) days after the final answer of the Superintendent's Committee at Level Three. If such a demand is not made within said fifteen (15) day period, the grievance shall be deemed settled on the basis of the last answer of the Board. The voluntary arbitration rules of the Association shall apply to the selection of the impartial arbitrator and to the arbitration proceedings. The Board and the Association agree to accept the arbitrator's award as final and binding upon all parties including the teacher(s) involved in the grievance.

In connection with the arbitration of any grievance hereunder the following rules shall apply:

- a. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement, and shall be restricted in his judgment to the expressed provisions thereof. The decision of the arbitrator shall be in writing and shall cover only the issues in dispute without recommendations as to other matters.
- b. The fees and expenses of the arbitrator and the fees of the American Arbitration Association shall be shared equally by the Board and the Association.
