and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights and conferred by the Act or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any employee by reason of his/her membership in the Union.

Section 5.2. Notwithstanding their employment, employees shall be entitled to full rights of citizenship and no religious or political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such employee, providing such activities do not interfere with the employee's responsibilities and the acceptable performance of his/her duties.

Section 5.3. The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, handicap or membership in or association with the activities of any employee organization.

Section 7.1. New employees will be placed on a 90 working days probationary period. During the 90 working days period, the new employee will be trained to the job requirements and evaluated as to his/her progress on the job. If the employee proves to be successful after 90 working days, he/she will acquire regular status.

Section 7.2. Once each year each employee will be evaluated by his/her immediate supervisor. Employees shall be observed on work performance and evaluated throughout the year and receive a written evaluation by the first of May. - C. Serious health condition of the employee.
- D. Care of a child under the age of 18.

Section 13.4. Benefits of FMLA

- A. An eligible employee's entitlement is limited to a total of 12 work weeks of leave during any 12 month period.
- B. Health insurance benefit payments will continue for an employee absent on a qualified leave.
- C. Employees returning from a FMLA leave will be returned to the same or an equivalent position.
- D. The Board may require an employee to utilize available paid leave time (e.g., sick leave, etc.) and such time will be utilized in computing available time off under the FMLA.
- E. FMLA leaves can be taken on an intermittent schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious condition.
- F. A rolling twelve month period will be utilized in all cases by the Board in assessing the amount of time an eligible employee has available for qualified leaves under the law.
- G. In the event an employee and his/her spouse are employed by the District, whether within or outside the bargaining unit, an aggregate of twelve weeks will be provided, unless the leave time is attributable to a serious health condition that makes the employee unable to perform the functions of his/her position. In such instances, the total amount of time for each spouse will not exceed twelve weeks for all leaves covered by the FMLA.

Section 13.5. Pregnancy Disability

- A. Employees on Pregnancy Disability Leave are covered under 13.1 and 13.2. and qualify for medical leave pay like any other disability or illness. The use of medical leave for reasons of pregnancy shall be governed by the attending physician who shall indicate when the employee is unable to perform assigned duties for personal medical reasons.
- B. Upon termination of pregnancy disability, employees may request FMLA leave or Maternity Leave without pay. FMLA leave will be governed by Section 13.1.

Maternity Leave shall be granted for a period not to exceed one full calendar year beyond the date of which such leave becomes effective. The Board may grant a year's extension upon written request by the employee. Section 13.6. Leaves of Absence for Adoption

- A. The Board of Education may grant a leave of absence for adoption, without pay, to any regularly employed certified staff member upon written request for such leave. Request for adoption leave must be submitted in writing immediately after formal adoption request has been made to an agency. Such leaves may be requested under Section 1, Part A found above. Such leave of absence shall be for a period not to exceed one (1) full calendar year beyond the date of which such leave becomes effective provided, however, that the Board may grant a year's extension upon written request by the employee. Leave, if approved, may commence on the awarding of the custody of the child by order of the Probate Court.
- B. Employees on adoption leave may request reinstatement at any time within one (1) year following the adoption of a child. Should the leave exceed three months the employee shall be assigned to the same position, if available, or a substantially equivalent position when available.

Section 13.7. Employees may have certain temporary medical restrictions that prevent them from performing their full range of duties. Depending on the availability of limited duty assignments and the medical limitations placed on employees, such employees may be given limited duty assignments. "Limited duty assignment" is defined as an assignment generally lasting 180 calendar days or less which can be performed by employees whose medical conditions do not permit them to perform all of the functions of their job classifications. Such assignments in other bargaining units will generally last 30 business days or less. Bargaining unit officials will be notified of the employee's temporary assignment.

Employees on sick leave, Workers' Compensation, or medical leave of absence must furnish the School District the following medical documentation from their physician:

- Diagnosis and prognosis of illness or injury;
- Projected duration of disability;
- Any restrictions such as physical movement, and the length of the work day;
- A schedule of prescribed physical or occupational therapy;
- A description of all prescribed medications and/or prosthetic devices relating to the disabling condition.

The School District reserves the right to have employees examined by its own physician, without cost to the employees, to determine whether they are able to return to work for full or limited duty. After the initial medical documentation has been furnished, employees are required to provide additional information upon request by the School District if their medical condition changes, or if limitations recommended by the treating physician change.

Limited duty assignments will be made in accordance with the physician's recommendations. The Superintendent will send a letter, registered mail, return receipt requested, which will inform an employee of the following:

- Specific restrictions recommended by the doctor and the doctor's name;
- Confirmation that a modified duty position will accommodate those restrictions;
- The title of the job for the modified duty position;
- The date and time the employee is to report to modified duty employment;
- The hours scheduled and the hourly rate paid for this position. The School District will make an effort to keep employees on the same shift and schedule while they are on limited duty assignment;
- The location the employee should report to and the supervisor's name.

Should an employee subsequently find that he/she is not able to complete assignments within a pain free range, the supervisor should be notified immediately.

Employees are not required to accept such assignments. However, the School District reserves the right to notify the Workers' Compensation insurance carrier that an offer of employment was made.

Section 13.8. Medical Leave (Sick Days)

- A. All employees hired on a full-time basis shall be granted an annual medical leave allowance of one (1) sick day per month. Employees hired on a part-time basis shall receive proportional medical leave allowance. Unused portions of the leave will be allowed to accumulate to a maximum of 187 days.
- B. Medical leave is to be used for illness or disabling injuries resulting from accidents. A doctor's statement, in writing, stating the specific disability must be provided by the employee.
- C. After five or more consecutive days of illness or a pattern of continuous absence due to illness, a medical statement may be required before the employee may return to work and before the employee can qualify for the income protection provision of this Agreement.
- D. An annual audit of employee absences will be conducted. The Administration in concert with the Union will provide guidance and counseling where patterns of absence may indicate an underlying health problem. Should it be determined that such leave has been misused and the Board feels stronger corrective action is necessary, the employee shall be notified in writing and a copy of the letter sent to the Union.
- E. Any employee whose personal illness or injury extends beyond the period compensated under the FMLA shall be granted a Medical Leave of Absence without salary and benefits upon request for a period of one year or less. Such request shall be in writing and shall be accompanied by a written statement by the attending physician. Such leave may be considered for renewal upon the same basis as for the original leave, including a new written statement by the attending physician. An employee who does not submit a written request shall be terminated and the Board shall have no obligation to said employee. The Board reserves the right to require satisfactory medical evidence of recovery prior to returning. Upon return from leave, an employee shall be assigned to the same position, when available, providing the employee is qualified.

Section 13.9. Personal Leave Two days of the annual Medical Leave allowance may be used for personal business upon the approval of the building principal. Such leave must be arranged with the supervisor at least two days prior to its use, except in an emergency situation. During the course of a year, extenuating circumstances may require additional personal business days. Additional days may be granted by the

Employer and deducted from the employee's Medical Leave. Personal business is defined as that which is legally obligatory and cannot be accomplished at any other time, or that which requires the employee's presence as a serious personal obligation.

Section 13.10. Sickness and Death in the Family

- A. In addition to personal illness and personal business, Medical Leave allowances may properly be used for absences caused by the following:
1. Death or serious illness in the immediate family.
 2. Death or serious illness of any person living in the household.
- Extent of leave for this purpose shall not exceed the time necessary to arrange proper care for those affected.
- B. Three (3) days of funeral leave each year will be for death in the immediate family. Immediate family is defined as: father, mother, brother, sister, husband, wife, child, stepchild, or any relative who is a permanent resident in the employee's home. These days will not be deducted from earned sick leave. If travel time is necessary, approval for additional days must be obtained from the superintendent.

Section 13.11. Leaves of Absence Without Pay

- A. Leave of absence without pay for reasons not covered in this article may upon proper application, be granted up to a period of one year to employees who have two or more years of service. It shall be the responsibility of the Union to advise members as to the provisions of this article. The Board shall notify the Union when an employee applies for such leave. Employees returning from unpaid leave shall be assigned to the same position, or a substantially equivalent position, providing the employee is qualified.
- B. Employees on leave must submit by March 15th a written request to return from a leave in the following September.
- C. Any employee who does not submit a written request shall be considered terminated and the Board shall have no obligation to said employee.

Section 13.12. Insurance Coverage During Unpaid Leaves Employees who are granted leaves of absences without pay may elect to continue insurance coverage at the group rate, providing arrangements are made with the Business Office and payment of premium is made to the Board.

Section 13.13. Jury Duty The Board recognizes Jury Duty as a civic responsibility. As such, the Board agrees to compensate employees at their regular pay when employees are called to serve. Time involved in such duties shall not be deducted from any other leave provisions contained in this section.

Section 13.14. Union Days Officials of the Union may be granted up to ten (10) days with pay upon written notice of the superintendent by the Union president. These days may be used to conduct business during work hours that cannot be done at some other time in the day for the following:

1. Pursue official responsibilities in regard to the Union.
2. Meet with administration officials from time to time regarding the maintenance of a quality education program for this community.
3. To allow Union officials to join with the Board in presenting a unified position to legislative committees or representatives in regard to the educational needs of the community.

In the event additional days are needed, additional days may be purchased by the Union at the current total daily substitute cost. Approval for additional days will be subject to the availability of substitutes, and with due consideration to maintaining a quality educational program.

Section 13.15. Military Leaves of Absence

- A. Military leaves of absence shall be granted without pay to any employee who shall be inducted, enlist or be called to military duty in any branch of the Armed Forces of the United States.
- B. Employees given such leave shall be entitled to reinstatement upon the completion of such service to the extent and under the circumstances that reinstatement may be required by the applicable laws of the United States.
- C. An employee may use his/her personal business days for military obligation. Should the employee choose to use his/her designated personal business days, the Board will pay the difference between the employee's salary and his/her military pay.

No vacancy shall be filled until it has been posted for ten (10) work days and the position shall be filled within twenty (20) work days of the original posting, unless there are extenuating circumstances. Notice of such vacancy shall be sent to all employees including those on layoff and vacation. In addition, the vacancy shall be posted in all work areas.

Section 14.3. The Board declares its support of a policy to fill vacancies from within the bargaining unit. Therefore, applicants from the bargaining unit will receive first consideration over applicants qualified from outside the bargaining unit. Vacancies filled from within the bargaining unit shall be based on seniority and qualifications (as per job description mutually agreed upon by the GIC&MU and the Board).

Section 14.4. Any bargaining unit applicant for a position which represents a promotion, i.e., a higher wage, and who is awarded the promotion, shall be placed on the wage step which is nearest, but higher in pay, to the wage rate in the former position.

Section 14.5. An employee who accepts a job promotion into a new classification may return to their former position within fourteen (14) calendar days.
