Preamble

WHEREAS, the parties (Board and Union) recognize and declare their dedication in service to the community and the Cadillac Area; and

WHEREAS, it is the intent and purpose of the parties hereto that this Agreement shall promote and insure a spirit of confidence and cooperation between the Board and its Employees, establish rates of pay, hours of work, and terms and conditions of employment of the Board employees as described herein; and

WHEREAS, the parties recognize the underlying purpose of the Board and the employees is to contribute materially to a high quality program of education for the students of the Cadillac Area Public Schools; and

WHEREFORE, if it is the intent and purpose of the parties to provide an orderly means of resolving any misunderstandings or differences which may arise, and to set forth with this document the full agreement between the parties;

THEREFORE, the Board and the Union do hereby covenant and agree as follows:

Agreement

This Agreement is entered into this October 14, 2014, by and between the Board of Education of the Cadillac Area Public Schools, hereinafter referred to as the "Board", and the Michigan Education Association, NEA through its affiliate, Cadillac Paraprofessionals and Administrative Assistants Association MEA/NEA, hereinafter referred to as the "Union".

Article 1 - Recognition - Employees Covered

A. Employees Covered:

Pursuant to, and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Union as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other terms and conditions of employment, for the term of this agreement, of all administrative assistant employees and paraprofessionals, (hereinafter referred to as "employee(s)"), excluding Superintendent's administrative assistant, administrative assistant to the Business Manager, administrative assistant to the Assistant Superintendent for Curriculum and Staffing, administrative assistant to the Superintendent for Personnel, and all District Office Staff with the exception of the payroll position. The payroll position shall remain part of the unit until the employee holding the position on July 1, 2014, voluntarily leaves the position, is terminated for just cause, or June 29, 2017, whichever comes first.

B. Employees Not Covered:

1. Playground aides and health aides shall not be considered part of the unit provided they do not perform work normally done by bargaining unit members. Except that, playground aides may be designated in buildings with one administrative assistant and in buildings that have two (2) offices with one (1) administrative assistant in

each office to be available for a period not to exceed one and one-half (1-1/2) hours per day per building to relieve an administrative assistant in their absence from the office to provide coverage in the school office.

2. Playground aides may not be used in the classroom except where a paraprofessional's schedule cannot be arranged in such a manner that the paraprofessional would be available for the additional work or the paraprofessional(s) in the building refuse the additional work. In the event a playground aide is used in the classroom because a paraprofessional is not available in the building under the provisions outlined above, that person may only be employed in such capacity for a period not to exceed three (3) hours per day. Only two (2) persons in a building may do such work and together may work no more than five (5) hours per day.
3. When designated by a current IEPC, 504, or 30 day placement for a child, a health aide may work "one-on-one" with only that student/s and may not perform any bargaining unit work.

C. New Positions:

Any new position created during the life of this Agreement will be added to the unit, providing it is similar to a position heretofore recognized in Paragraph A of this article. (see Article 20)

D. Students:

Student employees shall not be covered by this Agreement. They shall not take the place of regular employees.

Article 2 - Aid to Other Unions

The Board will not aid, promote or finance any labor group organization which purports to engage in collective bargaining, or make any agreements with any such group or organization, other than the MEA/NEA, relative to this bargaining unit.

Article 3 - Union Activities

A. Representation:

Employees of the Bargaining Unit shall be represented by the local Union president, vice president, or designee. The employer is to be represented by the superintendent, business manager, or designee.

B. Processing Grievances:

Local Union representative(s), when processing or investigating a written grievance or a complaint relating to employment during working hours shall suffer no loss in wages upon prior approval from his/her/their supervisor(s). Such time spent beyond regular working hours shall not be compensated.

C. Union Activities:

No employee will engage in Union activities during working hours unless permitted within this Agreement or by permission from the immediate supervisor. Any employee who is absent from assigned duties without permission for the purpose of Union business shall have a prorated deduction of the hourly wage for each hour or part of an hour of absence and will be subject to further disciplinary action.

D. Identification of Officers:

The local Union president shall advise the Board in writing of the names of local Union officers within ten (10) days of their election or appointment.

E. Union Representative:

The local Union has the right to call in a representative of the Michigan Education Association to be present in meeting with administration regarding possible discipline provided it does not result in a delay of more than 24 hours in the meeting.

F. Building Use:

The Union and its representatives shall have the right to use Board buildings at all reasonable hours for meetings which do not interfere with the assigned functions of the regular program.

G. Equipment Use:

The Union members shall be permitted to use Board equipment including but not limited to technology, copy machines, calculators and audiovisual items, when such equipment is not otherwise in use. The Union shall pay for the reasonable cost of all materials and supplies incident to such use.

H. Bulletin Boards:

The Board will provide space in each building which may be used by the Union for posting notices for Union meetings and elections.

I. Agreement Distribution:

The Agreement shall be published on the district website by the Board to be accessible to all employees now employed or hereafter employed, and ten (10) copies shall be provided to the Union.

J. Release Time for Union Business:

On a yearly basis, the Board shall provide thirty (30) hours of paid release time annually for the bargaining unit's use. These hours shall be for the purpose of conducting Union business and shall not be charged against accumulated vacation/sick/personal hours of any bargaining members. Use of these hours shall be authorized by the president of the Association only, and approved by the Superintendent or designee. Notification of intent to use said hours shall be provided to the School District seventy-two (72) hours prior to the event. The Union shall reimburse the District for the cost of the substitute if needed.

K. Attendance at Union Functions:

Members of the Union attending a function of the Union, such as conventions or educational conferences, shall be allowed time off without pay to attend such functions. No more than three (3) members shall be off at any time to attend union functions.

Article 4- Special Conferences

A. Scheduling:

Special conferences will be scheduled between the local Union president and the Board, or its designated representative, upon the request of either party. Arrangements for special conferences shall be made in advance, and the agenda of the matters to be taken up at the meeting shall be announced at the time the conference is requested. Conferences shall be held at a time mutually agreed upon. Members of the Union shall not lose time or pay for the time spent in such special conferences. This meeting may be attended by representatives of the local Union and/or a representative of the MEA/NEA.

B. Building Use:

The Union representatives may meet at a place designated by the Board on the Board's property for at least one-half (1/2) hour immediately preceding such conference.

Article 5 - Grievance Procedure

A. Definitions:

1. A grievance is a claim by one or more employees or the Union that there has been an alleged improper application, violation, or misinterpretation of this Agreement.
2. An aggrieved employee is the employee(s) who is directly affected and, therefore, will make the claim.
3. Reference to the term "employee" in this Article will be interpreted to mean "Union" when the Union is filing a grievance.
4. "Working day" is defined as Monday through Friday except holidays, as defined in Article 17 Holidays, Christmas and Spring Break.

B. Grievance Form:

Any grievance presented in writing must include the following:

1. Specific statement of facts giving rise to the alleged violation.
2. Section or sub section of this contract alleged to have been violated.
3. Date of the alleged violation.
4. Relief requested.
5. Signature of the grievant or Union representative.

The above information is helpful to the processing of a grievance, but no grievance will be rejected at Step 1 and Step 2 for lack of information. If information is added after Step 2, the grievance will revert back to Step 2 to be reheard. A grievance may not proceed to Step 3 until all relevant facts have been heard at Step 2, as identified in Article 5 section C.

C. Procedure:

Step 1 - Immediate Supervisor: An employee has ten (10) working days after the employee has become aware of, or could have reasonably become aware of, the occurrence of an event upon which a grievance may be filed, to request a meeting with her/his immediate supervisor. The Union may be notified and a representative thereof present with the employee at the meeting to orally discuss the matter with the immediate supervisor to attempt to resolve the matter informally. The above meeting shall occur within five (5) working days of the request by the employee. If the aggrieved employee is not satisfied with the oral disposition by the immediate supervisor, the employee has five (5) working days from the above meeting to file a written grievance with the

immediate supervisor. Within five (5) working days of the filing of a written grievance, a second meeting shall be held to attempt to resolve the grievance. The employee's immediate supervisor or other Board representative shall return a written answer within five (5) working days thereafter.

Step 2 - Superintendent: If the Union is not satisfied with the disposition of the grievance at Step 1, the grievance shall within five (5) working days thereafter be transmitted in writing to the superintendent of schools with a statement of reasons why it is being appealed. The Superintendent shall meet within ten (10) working days after receipt of the grievance at a mutually satisfactory time with the appropriate representatives to discuss the matter. The Superintendent shall respond to the Union with a written answer to the grievance within five (5) working days of such meeting.

Step 3 - Board of Education: The grievant may appeal the disposition of the grievance at Step 2 to the Board of Education by filing a written grievance along with the decision of the Superintendent with the chairman of the Board Personnel Committee within ten (10) working days of the written disposition at Step 2. Upon proper application as specified, the Board shall allow the employee or his/her Union representative an opportunity to be heard at a committee meeting for which the grievance was schedule. Within one (1) month from the hearing of the grievance, the Board committee shall render its decision in writing. The Board committee may hold future hearings therein or otherwise investigate the grievance, provided however, that in no event except with expressed consent of the Union shall final determination of the grievance be made by the Board more than one (1) month after the initial hearing.

A copy of the written decision of the Board committee shall be forwarded to the Superintendent for permanent filing, the building principal for the building in which the grievance arose, and the secretary of the Union.

Step 4 - Arbitration: If the decision of the Board Personnel Committee is not satisfactory to the Union, the grievance may be submitted to arbitration by written notice given by the Union to the Superintendent within fifteen (15) working days after receipt of the Board's decision. If the Superintendent and the Union cannot agree upon an arbitrator within five (5) working days, the matter will be submitted to the American Arbitration Association for settlement under their rules. The power of the arbitrator shall be limited to the interpretation or application of the express terms of this Agreement and he/she shall have no power to alter, add to, or subtract from, the terms of this Agreement as written. The decision of the arbitrator shall be final and binding on all parties involved. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expense of witnesses called by the other, except that the Union shall not be responsible for paying the salaries of witnesses who are employees of the Board.

D. Time Limits:

If the time limits contained within the grievance procedure are exceeded by the Union, the grievance shall be considered settled on the basis of the last answer given by the Board's representative. If the time limits are exceeded by the Board's representative, the grievance shall be moved to the next step. Time limits in the grievance procedure may be extended by mutual agreement. Saturdays, Sundays, and holidays shall not be counted in the time limits established in this Article.

E. Multiple Grievances:

Grievances may be submitted at Step 2 when a grievance directly affects employees in more than one location. In processing such grievance, all specified time limits shall be observed.

F. Claims for Back Wages:

All claims for back wages shall be limited to current school year prior to meeting in Step 1 of grievance procedure, less any compensation they may have received from a source of like nature during the period, except for discharge cases.

Article 6 - Discharge and Discipline

A. Written Documents and Meetings:

1. The Board agrees that its administrators will provide to the Union president a copy of any written documentation implementing the discipline and/or discharge of any employee within the Bargaining Unit with the employee's permission.
2. The Board agrees to provide a facility in which an employee disciplined and/or discharged may meet with representatives of the Union before she/he is required to leave the premises.

B. Discharge and Discipline:

Should the discharged or disciplined employee consider the discharge or discipline to be improper, a grievance may be submitted by the employee or Union in writing at Level 2 of Article 5 within five (5) working days following the action.

C. Discipline:

The Superintendent or designee may discipline any employee leading up to and including discharge for just cause provided a fair and impartial investigation is conducted. The employer agrees to adhere to the concepts of due process and progressive discipline which include, in part:

- a. Verbal warning to employee is documented in personnel file
- b. Written letter of reprimand included in personnel file
- c. Up to three (3) days suspension with or without pay
- d. Dismissal

The concept of due process and progressive discipline does not require that each of the above steps be followed in every discipline case. The severity of the case will determine the appropriate level of discipline. The discipline imposed shall be appropriate to the severity of the offense. Starting with Step a in the progressive discipline, the employee will be given a copy of the discipline report.

D. Use of Past Record:

The Board may take into account discipline that occurred within the past five (5) years when considering the appropriate discipline.

Article 7- Probationary Period

The probationary period for each new employee shall be ninety (90) actual working days of employment for that employee. An evaluation shall be conducted within the first forty-five (45) days by the probationary employee's immediate supervisor. If an evaluation is not performed, the probationary performance shall be considered satisfactory. There shall be no seniority among probationary employees.

All other employees will be evaluated a minimum of once every other year by their supervisor. An evaluation form shall be agreed upon by the Board and officers of the Association.

Any employee working within the probationary period may be disciplined and/or discharged by the Board for any reasons at any time, and without recourse to grievance procedure.

Article 8- Seniority

A. Definition:

The word "seniority" means service in the employ of the Board, from the first date the employee reports to work in any position represented by the Union. In the circumstance of more than one individual reporting to work on the same date, a drawing will be conducted to determine position on the seniority list. If more than one employee has the same first day, the employees shall be listed on the seniority list by the last four digits of his/her social security number, from highest to lowest.

B. Probationary Employees:

1. There shall be no seniority among probationary employees.
2. When an employee finishes the probationary period, the employee will be granted full seniority as defined in Section A.

C. Seniority Lists:

1. The seniority list for the Bargaining Unit will show the name, first day of work, job title, and classification in which the employee most frequently works.
The classifications will be as follows:
 - a. Administrative Assistant
 - b. Paraprofessional
2. The employer will keep the seniority list up to date at all times and will post the seniority list once every six (6) months and provide the Union president with a copy of each time the lists are posted. The Board will notify the Union president in writing of any changes within the seniority list between dates of posting. Objections to the seniority list shall be presented within ten (10) days of the list being posted and corrected, if necessary, and thereafter, the list shall be final and conclusive.

D. Loss of Seniority:

Seniority shall be lost for any of the following reasons:

1. If the employee quits.
2. If the employee retires.
3. If the employee is discharged for just cause, and not reinstated.
4. If the employee is absent for four (4) consecutive working days without properly notifying the Board, unless the employee submits an acceptable reason.
5. If the employee does not return from leave of absence within four (4) working days after the leave expires, unless the employee submits an acceptable reason.
6. If the employee is laid off for more than twelve (12) months, or a period equal to the employee's seniority, whichever is less.
7. If the employee does not return to work within ten (10) working days after date of recall from layoff, unless the employee submits an acceptable reason.

Article 9- Modification of Agreement

This agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in writing, ratified and signed by both parties as an amendment to this Agreement.

Article 10- Layoff and Recall

A. Definition:

The definition of the word "layoff" means a reduction in the number of employees employed and/or a reduction in the hours assigned to positions within the bargaining unit that adversely affects the employee's benefits, by the Board for any reason.

B. Notification:

In the event a layoff is necessary, the Association and the Superintendent or designee shall work to identify a mutually-acceptable solution which shall be approved by the Association's Executive Board and the District. If no such solution can be developed, the provisions of this article shall apply. The Superintendent or designee shall notify the Union president and they shall meet with the employee(s) subject to the layoff at least twenty-one (21) calendar days prior to staff reduction. Employees to be released shall be so notified, in writing, at least ten (10) working days prior to their release, with copies sent to the Union.

C. Layoff Procedure:

In the event a reduction in work force requires the layoff of employee(s), the following procedure will be used:

1. Probationary employees: Probationary employees within a job classification shall be the first to be laid off.
2. Seniority employees: If it becomes necessary to reduce personnel, the layoff shall begin with the classification to be reduced. Using the seniority list, the lowest seniority employee within the affected classification shall be laid off first. Employees may bump between classifications. The most senior affected employee may bump the lowest seniority employee with equal or less hours provided they have passed the tests applicable to the position (no one can automatically bump into payroll). The District will provide the opportunity for testing once during the notification period. If after fifteen (15) days either party determines that the employee is unable to perform the required work, the employee will be laid-off and the laid-off employee will be recalled to work.

D. Recall Procedure:

In the event an increase in work force requires the addition of employees, the following procedure will be used:

1. The Board shall not be required to recall any probationary employee who is laid off.
2. Employees shall be recalled according to seniority, i.e., the most senior employee on layoff being recalled first within a classification. If more than one bargaining unit member is recalled, the employee being recalled first shall be given their choice of any available positions, provided they have the proper qualifications. The employee being recalled second shall be given their choice of next available positions, following this procedure for any additional employees, etc.

3. Notice of recall shall be sent to the employee at the last known address by registered or certified mail.

E. Benefits:

Employee(s) on layoff do not accrue seniority. Employee(s) on layoff shall be allowed to purchase, in advance, health and life insurance consistent with federal law.

F. Transfers:

Employee(s) who transfer because of layoff shall not receive priority above other employees for the first position applied for.

Article 11 - Positions Out of Bargaining Unit

If an employee accepts a position within the school system but outside of the Bargaining Unit.

1. The employee's seniority shall be retained but not accumulated during the first twelve (12) months.
2. Any employee who returns to the Bargaining Unit during the first twelve (12) months shall assume the lowest position on the seniority list for the purpose of job bidding, lay-off and recall only.

Article 12- Filling Job Vacancies

A. Definition:

A vacancy is a position previously held by a bargaining unit member, or a newly created position within the bargaining unit which the Board intends on filling. If the Board determines not to fill a vacancy, the Association shall be notified within twenty (20) days of the vacancy arising. The time may be extended by mutual consent.

B. Announcement:

1. The Board shall notify the employees by posting for five (5) working days during the school year and ten (10) working days during the summer, for newly created or vacant positions to be filled within the bargaining unit. Within five (5) working days after notice is given, any employee may submit a letter to the person designated on the posting indicating her/his interest. All job postings shall indicate classification, building position, shift and the supervisor to whom application should be made.
2. An addendum to the posting will be prepared by the Board and will not be posted. It shall contain qualifications, job responsibilities and the testing procedures for the vacancy posted. Copies of the addendum will be made available to interested bargaining unit members by the supervisor of the posted position and the bargaining unit president. Qualifications on the addendum should include abilities needed to perform the duties of the position. Any job responsibility which may appear on an addendum shall be considered to be descriptive only, and shall not limit the scope of duties thereafter assigned to the employee assigned to the job.
3. The following types of test(s) or their equivalent will be used to screen candidates for posted positions.

Paraprofessionals

Typing 35+ WPM/Out Error

Interview(s)

State and Federal Qualifications, if any

Administrative Assistants 10 & 12 month

Types 70+ WPM/Out Error

Office Machines

Interview(s)

Bookkeeping

Employees who wish to change positions are encouraged, but not required to take tests in advance and place results in their file. The District shall reimburse current employees up to \$50.00 upon successfully passing tests to qualify for ESEA or No Child Left Behind Act.

C. Assignments:

The Board's general practice shall be to fill vacancies from within the Bargaining Unit. The senior employee who applies for the position and who meets the posted minimum requirements, shall be granted an interview and may choose to have a unit representative be present during the interview.

The following guidelines will be used by administrators when interviewing candidates:

- The candidate must be qualified for the position, i.e., knowledge and skills related to specific job duties.
- The candidate must show the willingness to work in a school setting with administrators, students, staff and parents.
- The candidate must have positive reference checks.
- The candidate must display a positive attitude.
- The candidate shall have a record of regular attendance.
- The candidate must have the ability to show articulation in verbal and written communication.

If the candidate is successful in all the above points, then they shall be considered to have a successful interview. However, administration reserves the right to hire based on the administrator's opinion of the compatibility and potential success of the candidate for the opening.

Upon completing a successful interview, the employee shall be granted up to a three (3) week trial period. The trial period shall be used to determine the employee's desire to remain on the job, and/or the Board's desire to have the employee continue the assignment. The Board retains the right to extend the trial period an additional three (3) weeks if the employee is changing buildings or classifications. The Board shall furnish the local Union president the name of the senior applicant and whether or not the senior applicant was awarded the position.

D. Disagreements:

In the event the senior applicant is denied the job or removed during the trial period, within five (5) working days a complete disclosure of any and all reasons shall be given in writing to the employee, with a copy to her/his building representative. If the senior applicant or the Union disagrees with the reasons, she/he may invoke the grievance procedure. The employee may choose to return to their original position during the trial period.

E. Rate of Pay:

During the trial period, the employee will receive the rate for the classification of his/her previous position. If the employee remains in the position after the trial period, he/she shall receive any additional hourly pay she/he may be entitled to retroactive to the date of entry into the new position. An employee shall suffer no loss in hourly pay during a trial period.

Article 13- Leaves Without Pay

A. Leaves of Absence:

Leaves of absence for reasonable periods not to exceed one year will be granted without loss of seniority after two years of service with the district, which is frozen, for:

1. Childcare leaves will be granted. Such leave may be extended for a reasonable period of time at the discretion of the Superintendent.
2. Illness leave. (Physical or Mental)
3. Prolonged illness in the immediate family.
4. The Board may grant an educational leave without pay for a period up to an academic year for each employee who wishes to attend school as a full-time student.
5. In the case of a leave without pay due to extended illness, and sick leave has been exhausted, the Board shall provide health insurance benefits for the period of time beginning when the paid leave ends for ninety (90) calendar days or until LTD benefits begin, whichever is less. The District shall pay no more than the maximum allowable under the hard cap as calculated and published annually by the Michigan Department of Treasury.
6. Other leaves approved by the Superintendent or designee. Seniority and benefits shall not accrue during an unpaid leave.

B. Application for Leave of Absence:

An application requesting a leave of absence must be submitted to the Superintendent no later than three (3) weeks prior to the time the leave is to commence, provided, however, in proper cases, exceptions shall be made. The request for the leave of absence must be in writing setting forth the reasons for the leave of absence and the anticipated length of time; and if requested, verification shall be submitted. The Superintendent may grant the leave of absence within one (1) week after receipt of the request for the leave as provided above. Any extensions for leaves of absence shall be handled the same as the request for the regular leave.

C. Returning from Leave:

Employees returning early from leave of absence must submit a request to return to work in writing. Employees returning from a medical leave of absence may be required to certify their ability to return to work, at least five (5) working days prior to the requested date of the return. Whenever practical employees will provide 30 calendar days written notice of intent to return to work. The employee returning early from leave must be given the next available job opening. Employees returning at the approved date will be placed in the position they left, or an equivalent position.

D. Family and Medical Leave Act:

Eligible employees may take up to 12 weeks leave, as set forth under the Family Medical Leave Act and school district policy.
