ARTICLE II

AGENCY SHOP - MANDATORY DEDUCTIONS

- A. Each Bargaining Unit Member shall, as a condition of employment: (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Union; or (2) pay a Service Fee to the Union pursuant to the Union's "Policy Regarding Objections to Political-Ideological Expenditures" and Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Union dues collected from Union members. The Bargaining Unit Member may authorize payroll deduction for such fee. In the event that the Bargaining Unit Member shall not pay such Service Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Union, deduct the Service Fee from the Bargaining Unit Member's wages and remit same to the Union. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each Bargaining Unit Member. Monies so deducted shall be remitted to the Union, or its designee, no later than twenty (20) days following deduction.

- B. Any Bargaining Unit Member who is a member of the Union, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments and contributions in the Union as established by the Union. Such authorizations shall continue in effect from year-to-year unless revoked by the Employee. Pursuant to such authorization, the Employer shall deduct one-tenth (1/10) of such dues, assessments and contributions from the regular salary check of the Bargaining Unit Member each month for ten (10) months, beginning in September and ending in June of each year. Within ten (10) days of the payroll deduction, the Employer shall remit same to the local Association treasurer.
- C. The Employer agrees to provide each Employee on his/her hiring date an application for membership in the Union, dated with the date of hire, and to give the same to the financial secretary of the Local Union, upon completion of the application by the Employee.
- D. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Union agrees to defend such action, at its own expense and through its own counsel, provided:
 - 1. The Employer gives timely notice of such action to the Union and permits the Union intervention as a party if it so desires, and
 - 2. The Employer gives full and complete cooperation to the Union and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Union agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article II.

ARTICLE III

ARTICLE VII**DISCHARGE AND DISCIPLINE****A. Representation**

An Employee shall be entitled to have present a Union representative(s) for any disciplinary matter.

B. Due Process and Progressive Discipline

The Employer agrees to apply the established and recognized concepts of due process and progressive discipline with respect to Employees who have satisfactorily fulfilled the probationary period. Such Employees shall be disciplined only for just cause, following an investigation, which shall include an investigatory interview with the Employee about the charges pending against him or her. Disciplinary measures which may be imposed by the Employer include in part:

1. Verbal warning (documented);
2. Documented written reprimand;
3. Documented suspension without pay;
4. Discharge.

The measure of discipline imposed by the Employer shall be determined according to the severity of the Employee's conduct and the Employee's history of misconduct.

C. Discharge

In all instances in which the Employer concludes that a non-probationary Employee's conduct justifies discharge, he/she shall first be suspended without pay for not more than ten (10) days except that no prior discipline or warning need be imposed before he/she is discharged if the misconduct is so aggravated, in the opinion of the Employer, as to require immediate discharge or the cause of discharge is for any of the following:

1. Dishonesty;
2. Possessing, consuming or being under the influence of intoxicating beverages or controlled substances not prescribed for the bargaining unit member while on duty;
3. Recklessness;
4. Gross negligence;
5. Sexual harassment or sexual misconduct;
6. Violent assault and/or intentional violent injury upon another person;
7. Drivers not complying with insurance, licensing requirements;
8. Failure to report to work after completion of an approved leave of absence or directive issued by a supervisor.
9. Failing a required test for intoxicant or controlled substance not prescribed for the bargaining unit member.

The Employer agrees to allow the judicial process to work prior to discharging an Employee for any of the aforementioned misconduct unless such misconduct occurs while the Employee is on duty. Discharge must be by proper written notice to the Union Grievance Chairperson and Employee. Employees may request an investigation as to his/her discharge.

D. Written Documents and Meetings

1. The Board agrees that its administrators will provide to the Local Union president a copy of any written document implementing discipline and/or discharge of any Employee within the Bargaining Unit.
2. The Board agrees to provide a facility in which an Employee disciplined and/or discharged may meet with a Union representative(s) before he/she is required to leave the premises.
3. Written complaints regarding an Employee shall include names of the complainants and their signatures unless protected by law and any administrative action taken, and shall be reviewed with the Employee before placement in the personnel file.

E. Use of Past Record in Compliance With School Code 1230b

To be fair and consistent, discipline should follow a progressive pattern. However, the discipline imposed should consider the severity of the misconduct and the Employee's history of misconduct. Therefore, all violations pertaining to attendance within the past 12 months will be taken into consideration when taking disciplinary action against an Employee. At the request of the Bargaining Unit Member, the records of violations pertaining to attendance in his/her personnel file regarding attendance violations that occurred twelve (12) months prior without any reoccurrence to the disciplinary measure ~~shall~~ **may** be removed from the Bargaining Unit Member's file **one time per employment with Mesick Consolidated Schools.**

Records involving suspensions, or other disciplinary measures shall remain in the employee's file.

ARTICLE VIII

PROBATIONARY PERIOD

The probationary period for each new Employee shall be one hundred (100) calendar days of employment for that Employee in the same seniority classification. A documented performance conference between the immediate supervisor and the probationary Employee will be held within thirty (30) calendar days of hire (first day of work) to discuss how the Employee is doing. Within sixty (60) calendar days of hire, a written performance evaluation will be completed for the probationary Employee by the immediate supervisor. Prior to either of the evaluations, the immediate supervisor may request input from other school personnel. Any Employee working within the probationary period may be disciplined and/or discharged by the Board for any reason at any time.

During the probationary period an Employee shall be eligible for Employee benefits. After an Employee has successfully completed his/her probationary period of employment, he/she shall become a regular full time or regular part time Employee and seniority shall start as herein provided.

ARTICLE IX

SENIORITY

A. Definition

The word "seniority" means service in the employ of the Board from the date the Employee reports to work in any classification represented by the Union. Each classification is considered independent from the others. This includes a vocational bus run, which is considered a route and may not be abandoned by its regular driver to take a field trip.

B. Probationary Employees

1. There shall be no seniority among probationary Employees.
2. When an Employee finishes the probationary period, the Employee will be granted full seniority as defined in Section A.

C. Seniority Lists

1. The seniority list for the Bargaining Unit will show the name, starting date and job title. The seniority classifications under this Agreement are as follows:
 - a. Support Staff Assistants
 - b. Para-Professionals
 - c. Media Clerks
 - d. Secretaries
 - e. Bus Drivers
 - f. Custodial/Maintenance
 - g. Mechanic
2. The Board will provide a copy of the seniority list to every member of the Bargaining Unit at the start of each school year. Members of the Bargaining Unit will have thirty (30) days to contest such listings.

D. Seniority Preference

All ESP members will be given preference of a vacancy position within their classification, according to the seniority list. Positions within classification can be identified by Mesick Schools for purposes of assignment and layoff to consider multiple job skills required to fill such position.

- E. If two or more Employees have the same seniority date, a mutually agreeable method (coin toss or draw straws) will be done on the first day of work with a representative from both the Union and the Board present, provided that a new Employee with substitute experience in the same classification in the District shall be placed ahead of other new Employees in that classification beginning on the same date but without substitute experience.

ARTICLE X

LAY-OFF AND RECALL

- A. Layoff shall be defined as a necessary reduction in the work force, as determined by the Board, beyond normal attrition due to lack of funds, reduced programs, or due to reduction/elimination of a particular position(s) within a job classification.
- B. No Employee(s) shall be laid off unless said Employee(s) shall have been notified of said layoff at least ten (10) working days prior to the effective date of layoff. The Employer shall identify the specific position(s) to be eliminated and shall notify the Employee(s) in those positions. Employees whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position in their classification(s) for which they are qualified, which is held by the least senior remaining Employee remaining in the same seniority classification. In no case shall a new Employee be employed by the Employer while there are laid off Employees who are qualified for a vacant or newly created position.
- C. There shall be no reduction in the normal work hours without prior notice to the affected Employee(s). In no case shall a reduction of hours take effect until five (5) working days after written notice to the affected Employee(s) is given by the Employer.
- D. Laid off Employees may continue their health and any other insurance benefits by paying the regular monthly premium per subscriber group rate premium for such benefits to the Employer one (1) month after the prorated summer months. During the first month of layoff, all Employer-paid benefits will be paid in full.
- E. Recall Procedure
 - 1. The Board shall not be required to recall any probationary Employee who is laid off.
 - 2. A laid-off Employee shall be granted priority status on the substitute list according to his/her seniority classification. The substitute work is at substitute wages and that the negotiated contract does not apply to a laid off person who is substituting.
 - 3. Laid off Employees shall be recalled in order of seniority, with the most senior being recalled first, to any position for which they are qualified within the seniority classification from which the Employee was laid off, or in which the Employee has served more than sixty (60) days. Any Employee who has served more than sixty (60)

working days in a seniority classification shall be deemed qualified for any position in that seniority classification. Recall rights of laid off Employees shall be limited to available positions which arise within five (5) years or length of seniority at time of layoff, whichever is less, from the date of an Employee's lay off. Thereafter, the Board shall not be required to recall a laid-off Employee.

4. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records.
5. The recall notice shall state the time and date on which the Employee is to report back to work.
6. It shall be the Employee's responsibility to keep the Employer notified as to his/her current mailing address.
7. A recalled Employee shall be given five (5) calendar days from receipt of notice, excluding Saturday, Sunday and holidays, to report to work.
8. Employees recalled to full time work in their seniority classification are obligated to take said work.
9. An Employees who declines recall to full time work in his/her seniority classification shall forfeit his/her seniority rights.
10. Employees on layoff shall accrue seniority during the period of such layoff.

ARTICLE XI

VACANCIES, TRANSFERS AND PROMOTIONS

- A. Unless required otherwise by law, the assignment, promotion, and transfer of Employees shall conform to the provisions of this Agreement.
- B. A vacancy shall be defined, for the purpose of this Agreement, as an open position previously held by a Bargaining Unit Member, which the Employer intends to fill, or a newly created position within the Bargaining Unit. No vacancy shall be filled on a permanent basis until it has been posted for at least five (5) working days.
- C. All notification of vacancies shall be posted, in writing, to members of the Bargaining Unit at least two (2) working days before the notification is given to other persons or outside agencies. Said posting shall contain job classification, minimum qualifications, hours, immediate supervisor, work year, date of vacancy, and whether the vacancy is permanent or the temporary period to be filled. A vacancy that can be filled by a laid off Employee does not need to be posted.

- D. Present departmental Bargaining Unit Members will receive first consideration for a vacancy based upon their classification seniority, qualifications, and ability. Bargaining Unit Members from other classifications will receive consideration over non-Bargaining Unit Members providing they have equal qualifications and the ability to fill a vacant bargaining unit position. However, management retains the right to select the applicant.

Within fifteen (15) days of the filling of a position, the Employer shall make known its decision to the Union President as to which applicant has been selected to fill the position. If a bargaining union member applicant is not hired, administration will notify member of the reason for their decision.

- E. Successful candidates from within the Bargaining Unit shall be placed on probation for up to thirty (30) working days when filling a permanent vacancy in another seniority classification under this agreement. In the event the Bargaining Unit Member does not perform satisfactorily in the new position, he/she shall be returned to his/her former position and his/her former rate of pay. It is understood that during the serving of this probationary period, the Bargaining Unit Member will receive his/her step rate of pay for the new position. During this interval the Board shall have the right to use a substitute in the position previously occupied by the transferred Employee.
- F. A Bargaining Unit Member, when temporarily required to work in a higher paying seniority classification than his/her seniority classification, will be paid at the higher rate when he/she is working the position. When he/she returns to his/her regular position, the regular wage rate shall once again apply. When a Bargaining Unit Member works in a position calling for a lower rate of pay, he/she shall be paid at his/her regular rate of pay.
- G. In cases where new types of equipment or new classifications, for which rates of pay are not established by this Agreement, are to be put into use, rates governing such operations shall be subject to negotiations between the parties.
- H. If part-time help is needed at any location, persons within the department shall be considered first, then other members of the Bargaining Unit, if they are available for work, and provided that the performance of such job does not place them in an overtime pay bracket.
- I. If a Bargaining Unit Member voluntarily moves to a lower paying seniority classification within the Bargaining Unit, he/she shall be moved to the wage step he/she currently holds (i.e. a Bargaining Unit Member on Step 2 will move to Step 2 of the new classification).
- J. If a Bargaining Unit Member is involuntarily transferred to a lower paying seniority classification within the Bargaining Unit, he/she shall suffer no loss of wages and benefits.
- K. When transferring from one classification to another, whether voluntarily or involuntarily, former classification seniority shall not be forfeited but shall no longer accrue.
- L. Before any existing job description is altered by the Board, it will first be discussed with the Union.

ARTICLE XII

TEMPORARY VACANCIES

- A. A temporary vacancy shall be defined, for the purpose of this Agreement, as a position held by a Bargaining Unit Member on any kind of absence for at least twenty-five (25) consecutive working days but not to exceed ninety (90) working days.
- B. Temporary vacancies will be posted if the vacancy is expected to extend beyond twenty-five (25) consecutive working days. The posting will indicate the classification, shift and wage scale.
- C. Returning: When the temporary vacancy is closed, the Employee affected will return to his/her former seniority classification.

ARTICLE XIII

LEAVES OF ABSENCE

Sick Leave

- A. Sick leave shall be defined as protection against loss due to accidents or illness, and not as additional paid holidays. The leave days may be used by a Bargaining Unit Member for the following reasons and subject to the following conditions:
 - 1. Twelve (12) month Employees shall be granted twelve (12) days of sick leave per year to a maximum one hundred thirty-five (135) days. All other Employees shall be granted ten (10) days of sick leave per year to a maximum of one hundred five (105) days
 - 2. Whenever an Employee leaves the Mesick Consolidated Schools after fifteen (15) years of employment, the Employee shall receive forty five percent (45%) of his/her accumulated sick days paid at the Employee's current rate of pay.
 - 3.
 - a. The first day of absence shall be reported to the immediate supervisor or designated substitute caller at least sixty (60) minutes before the Employee's starting time. Failure to notify the immediate supervisor or designated substitute caller regarding an absence may result in the loss of that day's pay. However, emergency situations will be taken into consideration.
 - b. If the absence continues, the Employee shall notify the immediate supervisor or the designated substitute caller to this effect before the end of the first day and each succeeding day of absence for the first five (5) consecutive work days. If notice is not received, it will be assumed that the Employee shall return to duty

the following day. However, emergency situations will be taken into consideration.

4. In cases of prolonged illness exceeding five (5) consecutive workdays, the Employee is not required to make daily contact with the immediate supervisor. This is provided that the Employee has submitted a physician's statement, in advance, to the immediate supervisor verifying need for absence.
5. When an Employee is absent from duty because of illness or disability in the immediate family, such absences shall be approved by the immediate supervisor or building principal. "Immediate family" shall be interpreted as spouse, son, daughter, mother, father, brother, sister, in-laws, or dependents living in the same household of said Employee.
6. Gifting of Sick Days
 - a. The giver must have a minimum of twenty-five (25) accumulated days in order to offer a gift.
 - b. This is a gift; not a loan or a trade
 - c. A gift can only be given to a member who has exhausted his/her sick leave.
 - d. Gifts must be given in increments of five (5) full days.
 - e. Gifts of up to five (5) sick days may be given per semester, per giver.
 - f. The five (5) sick days must be used before the person can receive another five (5) days from another giver. Unused days may not be transferred back to the giver. The days must be used and not accumulated or carried over to the next year.
 - g. These days are for sick leave, not to be "cashed in" if a person severs his/her employment as covered in Article XIII, Section A-1.
 - h. It is the giver's responsibility to go to the school business office and to request, by form, a transfer of five (5) sick days from their days to the other person's days.

B. Funeral Leave

1. Funeral leaves not to exceed three (3) working days per occurrence will be granted in case of death in the immediate family. Immediate family shall be interpreted as spouse or dependents living in the same household of said employee, or the following relatives of either employee or spouse: son, daughter, mother, father, brother, sister, grandchildren, grandparents.

2. An additional two (2) days may be allowed for travel time upon prior approval by the Superintendent or designee and may be deducted from sick leave days or personal leave days.
3. An Employee, with the approval of his/her immediate supervisor, shall be allowed up to one (1) day per funeral to attend the funeral of a person not in their immediate family. The use of the day may be deducted from sick leave days or personal leave days.

C. Personal Leave

1. At the beginning of each school year, each Employee shall be credited with two (2) personal days to be used for any purpose at the discretion of the Employee. An Employee planning to use these days shall notify the Superintendent at least two (2) days in advance, except in cases of emergency. These days shall not be available during the first two (2) weeks or the last two (2) weeks of the school year, except in cases of emergency. Because of difficulty in securing substitutes, no more than three (3) Employees, but not to exceed more than two (2) Employees from any one seniority classification, shall be allowed personal leave use per day, except in cases of emergency.
