10. Other Work:

The Superintendent shall devote her time, skill, labor, and attention exclusively to the direction and supervision of the District, and shall not, during the term of her employment under the Contract, be engaged in any other business activity without the written approval of the Board of Education, which written approval shall not be unreasonably withheld. The Superintendent may undertake consultative work, speaking engagements, writing, lecturing or other professional activities that do not adversely impact upon her ability to discharge her responsibilities under this Contract. Any paid professional activity, or participation in outside activities by the Superintendent where the time requirement is anticipated to be substantial (e.g., conferences requiring the Superintendent's absence from the School District for two or more days) requires prior written approval from the Board.

11. Expenses:

The Superintendent is encouraged to attend and participate in conferences and meetings at the local, state and national levels which are conducted or sponsored by recognized outside organizations for professional development purposes or to share information which may be common to the interests of public school districts generally. State and national conferences or meetings shall refer to events occurring outside of Wayne County, or any of the adjoining counties, of more than 1 day's duration. For local meetings, the Superintendent may be reimbursed for business-related mileage costs at the current applicable School District rate for business travel. Relative to state or national meetings, the Superintendent shall be entitled to be reimbursed for the reasonable costs of travel, lodging and meals associated with attendance at such conferences or meetings when authorized, as provided below.

The Superintendent may, with prior Board approval, attend the annual conferences for the following state and national associations with expenses paid by the District: Michigan Association of School Administrators (MASA), American Association of School Administrators (AASA), and Michigan Association of School Boards (MASB), as well as other professional conferences the Board deems appropriate. Regarding the latter, the Superintendent shall provide the Board of Education with thirty (30) day written notice of her intent to attend, with the approval of the Board President and one other officer of the Board of Education, the Superintendent may attend conferences or meetings without compliance with the aforementioned notice provision where compliance would not be feasible or practical due to time constraints.

The School District shall reimburse the Superintendent a portion of her cell phone bill, not to exceed One Hundred (\$100) Dollars monthly, to the extent attributable to School District business.

12. Membership Dues:

The School District shall pay the membership dues of the Superintendent for the AASA, MASA, the MASA Region in which the School District is located and one civic organization of the Superintendent's choice for the area in which the School District is located. A copy of the report from the examination, or a certification of fitness of the Superintendent to perform her job duties, shall be provided to the Board President as soon as it is available following the examination. The result of the annual examination shall be maintained in confidence to the fullest extent permissible by law. This provision for one medical/physical examination each year does not abrogate or otherwise affect the District's right to request medical confirmation of sickness or accident.

14. Board Meetings:

Among her other duties, the Superintendent shall prepare the agendas for each Board of Education meeting in consultation with the President of the Board or his/her delegate, and forward same to each member of the Board, along with his/her recommendations and any supporting documentation on each agenda item, sufficiently in advance of the meeting so that each member can assimilate such information prior to the meeting at which such agenda items will be considered.

15. Disability:

Should the Superintendent be unable to perform the duties and obligations of this Contract, by reason of illness, accident or other causes and such disability exists for a period of more than 60 calendar days, the Board of Education, at its option, may terminate this Contract, whereupon the respective rights, duties and obligations of the parties, other than that pertaining to short and long-term disability benefits, shall thereby terminate. The existence or non-existence of a disability shall be determined by a physician agreed upon in good faith by the Superintendent (or her representatives) and the School District. The Board of Education may consider a request from the Superintendent to extend the foregoing. Likewise, if it is immediately determinable that such disability is permanent, irreparable, or of such nature as to make the continued performance of the Superintendent's duties improbable, the Board, at its option, may forthwith terminate this Contract, whereupon the respective rights, duties and obligations of the parties, other than that pertaining to short and long-term disability benefits, shall thereby terminate. Such determination shall be contingent upon the concurrence of the Superintendent's treating physician and an examining physician appointed by the Board of Education on the question of the permanence of the disability. In the event the disability continues for a period of more than 60 days, the Board may thereupon terminate the Contract as above provided. This provision shall not in any way derogate from any short or long-term disability benefits or short-term salary continuation benefits that apply by operation of other provisions of this Contract.

This vacation period shall be non-cumulative from year to year (July 1 to June 30) and, thus, any and all days remaining unutilized on June 30 of each year shall lapse, except that the Superintendent may carry over or accumulate up to 10 days to be used in the next fiscal year. Such days shall be taken at the Superintendent's discretion and reported in the same manner as other employees. - If the Superintendent does not elect to receive health insurance coverage, she shall receive the op-out amount each year available to other full-time administrative staff, payable monthly over 12 months, beginning in September of each year. Under this arrangement, the Superintendent shall continue to receive dental, vision, long-term disability and life insurance coverage. In such event, the Superintendent shall be advised, in advance, of the Board of Education's intention to consider effecting such a mid-term termination and provided an opportunity for a hearing in regard to the prospect of such termination, which hearing may be open to the public or closed, at the Superintendent's option. In the event the Superintendent elects to contest the Board of Education's disposition in regard to such termination following such hearing, she shall have the right, exclusive of any other rights or remedies available to her at common law or by statute, to request arbitration, the award arising out of which shall be binding on the School District and the Superintendent and enforceable in any court of competent jurisdiction in this State.
