## FREEDOM OF INFORMATION ACT (FOIA) RESPONSE

March 24, 2017

Mr. Jarrett Skorup  
Mackinac Center for Public Policy  
P.O. Box 568  
Midland, Michigan 48640

Dear Mr. Skorup:

This notice amends the Office of Retirement Services' (ORS) January 12, 2017 written notice issued in response to your December 7, 2016 request for information, under the Freedom of Information Act (FOIA), MCL 15.231 et seq, that you described as follows:

1. A List of names, job titles, employer and pensionable salaries of all government employees in Michigan.
  - a. This includes members of MPERS, MSERS, judges, police government officials, etc.
  - b. This information should be for the past three full fiscal years, broken up by year.

ORS found that a technical error resulted in wages being counted more than once for a small population of 4,500 State employees, comprising approximately 5,100 of the 630,000 records originally sent in response to the FOIA request. Attached is a complete set of new records for each of the 4,500 impacted individuals. To ensure that the merger of these records into your existing database is accurate, it is recommended that you remove all records for affected individuals even though not all those records are incorrect. You are being supplied with 1-for-1 replacement records that are accurate. Also attached is a list of affected de-ids; please delete all the records for those de-ids, and insert all the attached records.

Please contact the undersigned if you have any questions.
