

Martin Public School & Martin Education Association Letter of Agreement, August 15, 2020

Both parties recognize the importance of training the entire staff on the Capturing Kids' Hearts program. Because the scheduled training falls outside of the negotiated calendar, both parties agree to the following:

In exchange for attending Capturing Kids' Hearts Professional Development on Wednesday, August 19, 2020, from 8:00 A.M - 5:00 P.M. (as per the schedule communicated to the teaching staff via emails on 8/12 and 8/14), staff covered by the CBA will receive a .5 sick day. Those members who are unable to attend the full hours due to prior commitments will not receive the aforementioned .5 sick day.

This agreement is not intended to set precedence and will apply only to this unique situation.
