On Fridays and on days preceding holidays or vacations, teachers may leave at the close of the school day, if no student or parent has requested to confer with the teacher.
- 5.2 It is recognized that pupil-teacher ratio is an important aspect of an effective education program. The Board agrees to continue its effort to keep class sizes at an acceptable number taking into consideration the building facilities available, the availability of qualified teachers and the best interests of the pupils.
- 5.2.1 The normal teaching load shall be considered to be thirty (30) pupils per teacher in the elementary grades, middle school and senior high except that in grades K through 3 every effort will be made to limit this to twenty-five (25) pupils, taking into consideration the classrooms available for use, the number of pupils existing at the grade level concerned, as well as economic conditions of the school district. It is understood and agreed that economic conditions as determined by the Board of Education may dictate that class sizes and normal teaching loads as hereinafter specified may be exceeded. Prior to increasing class sizes and normal teaching loads due to economic considerations, the Board shall explore other reasonable alternatives and where the desired outcome can be achieved without adversely affecting the economic considerations and are permissible without violating other provisions of this collective bargaining agreement or others, then the other reasonable alternatives shall be implemented prior to exceeding class size and/or normal teaching loads. Traditionally, large group instruction, or experimental classes where teachers have voluntarily agreed to these larger groupings shall be acceptable.
- 5.2.2 The normal weekly teaching load shall be thirty (30) teaching periods in the middle school and the senior high school and five (5) preparation periods weekly in each case unless changed by mutual agreement between the Board and the Association. - 5.6.1.1 The following activities may be involved in this process:
- Grade level planning

These could include activities such as open house, back to school activities and fine arts festivals or performances.

- 6.4 If an employee appears on a video recording, a copy of the video recording will not be provided to a third party without first notifying the employee and providing the employee with the opportunity to view the recording and receive a copy of the recording. Upon request, the Association shall have the right to review any such video recording and receive a copy of this recording.
- 6.5 The Employer shall pay the entire cost of fingerprinting and criminal records checks for all bargaining unit members. This provision shall not apply to applicants for employment.
- 6.6 Professional Appearance: It is understood and agreed that acceptable professional appearance does not include:

## ARTICLE VII - TEACHER QUALIFICATIONS AND ASSIGNMENTS

- 7.1 If no certified teacher is available, the hiring of a non-certified, non-endorsed individual or an individual with a vocational authorization for a teaching position shall follow all applicable state statutes in regard to such hiring. Such individuals shall be compensated in compliance with Schedule B.
- 7.2 The following extra-duty positions are tied to teaching positions: high school marching band and middle school marching band, high school and middle school performing choirs, vocalaires, assistant band director, yearbook and district coordinator of media services (if assigned to the Librarian). With the exception of extra-duty positions that are tied to particular bargaining unit positions, any assignment, in addition to the normal teaching schedule, during the regular school year, including adult education courses, driver education, and extra duties enumerated in Schedule C & D and any summer school teaching, shall not be obligatory, but shall be with the consent of the teacher. Preference in making such assignments and in filling such positions shall be given to teachers regularly employed in the district, except that the person best qualified, in the opinion of the board, shall be employed. The acceptance of a bargaining unit position that is tied to an extra-duty position carries an obligation to also accept the extra-duty position.
- 7.3 In the event a student is enrolled in Berrien Springs Public Schools that is determined by the IEP to be a "medically fragile student" and that student is placed in a regular education classroom through compliance with the least restrictive environment concept, the regular education classroom teacher shall be invited and shall attend the IEP meetings to delineate the classroom teacher's functions and responsibilities with regard to the student while in that teacher's classroom. For any IEP, when necessary, a substitute teacher shall be provided for the regular education teacher to allow him/her to attend the IEP. At the request of the teacher, the Association shall have the right to request to open the collective bargaining agreement with regard to that teacher's wages, hours, and working conditions vis-a-vis the "medically fragile student" while in his/her classroom upon 48 hours' written notice.
- 7.4 The Employer shall establish an LRE committee. The committee shall be empowered to receive, review and make recommendations regarding assistance desired in resolving problems arising out of the teacher's attempt to implement the least restrictive environment mandate.

### **ARTICLE VIII - TEACHER EVALUATION**

- 8.0 The parties agree that it is the duty of the administration to evaluate all bargaining unit members. A purpose of the evaluation is to determine the extent to which a bargaining unit member is performing his/her professional duties and to improve professional performance. The evaluation process may be a positive, growth producing activity.
- 8.1 A teacher may at any time, at his/her request, have placed in his/her file any written statement of his/her own composition related to his/her performance or the discharge of his/her duties.
- 8.2 Every instance involving the tenure status, extension of probation or dismissal of the teacher shall follow the provisions of the Michigan Tenure Law.

### **ARTICLE IX - TEACHER VACANCIES OR ASSIGNMENT CHANGE**

- 9.1 When a vacancy in the bargaining unit occurs, it shall be posted in each building for a period of ten (10) days unless it can be filled through the recall of a laid off bargaining unit member who is certified and qualified for the vacancy. A vacancy may be filled on a temporary basis during the ten (10) day posting period. If a vacancy occurs during the school year, the administration shall have the right to fill it on a temporary basis with an interim employee for the remainder of the school year and the vacancy shall be posted and filled in accordance with this Article at the end of the school year unless it is filled through the recall of a laid off bargaining unit member who is certified and qualified. If the vacancy is filled on an interim basis for the remainder of the school year, the interim employee shall not be a member of the bargaining unit and shall not acquire seniority or other contractual rights to continued employment.
- 9.2 Any teacher requesting an assignment change for the ensuing year must do so by April 1 of each year. Such a request must be made annually in order for it to be considered for the following year.
- 9.3 All bargaining unit members shall be notified in writing of their tentative assignment for the following school year no later than the last day of school each year. In the event that a change in the schedule must be made, the teacher shall be consulted. The teacher will be given 15 days to prepare if the teacher is given notice of the change after July 31.

- 10.1.2 In the event of major illness or hospitalization (as distinguished from usual illnesses of a week or less in duration) in which absences are greater than sick leave which the teacher has accumulated, the teacher shall lose pay on a daily pro rata basis for days absent in excess of credit available.
- 10.1.3 Pursuant to the Family and Medical Leave Act of 1993, as amended, the Board and teachers shall abide by the provisions of the Act and shall provide leave for the following situations:
- A. birth, adoption, or foster care placement or an employee's child;
  - B. serious health condition of an employee's spouse, child or parent;
  - C. the employee's own serious health condition.

All leave shall be granted in accordance with the provisions of federal law. An employee requesting leave under the Act must do so in accordance with the Act.

This family and medical leave section is not intended to interfere with the use of any other leave provision within this article. Any employee who wishes to request a family and medical leave will be granted such leave of absence in accordance with federal requirements. The beginning date of the Family Medical Leave shall be the first day of the employee absence which resulted in continuous absences thereafter.

- 10.1.4 Each teacher shall receive a written statement of his/her accumulated sick days by October 1 of each school year.

## 10.2 Disability Leave:

- 10.2.1 The Board shall grant to any teacher, on request, a leave of absence of up to one calendar year, renewable at the option of the Board for the purpose of disability. Fringe benefits shall cease unless the teacher elects to cover his/her insurance coverage at his/her expense or is covered under the provisions of the Family Medical Leave Act as provided elsewhere. The teacher shall be allowed sick leave pay to the limit of days accumulated, and continuing until the amount accumulated is exhausted or the teacher, in the opinion of his/her doctor, is able to resume his/her teaching duties. The Board shall have the right to obtain a second opinion at board expense from its physician. If the opinion of the Board's physician differs from the opinion of the teacher's physician, the two physicians shall mutually agree upon a third physician whose opinion shall be binding and not subject to the grievance procedure. The board shall pay for the third opinion.

If he/she returns, not later than the beginning of the next school year, he/she shall be returned without loss of position on the salary schedule. If the disability extends beyond the beginning of the next school year, he/she shall then be reinstated to his/her former position on the salary schedule.

## 10.2.2 Adoption Leave

With the permission of the Superintendent, a teacher may receive unpaid adoption leave beginning upon placement of the child in the home or custody of the parent. The leave may be extended for the balance of the school year. Such leave shall be without pay or benefits except as may be provided by the FMLA, and the returning teacher, if he/she returns no later than the beginning of the next school year, shall be returned to the same place on the salary schedule. A teacher wishing to extend a leave beyond the beginning of the next year shall be reinstated to the first position available for which he/she is both certified and qualified. Insurance may be continued during such leave at the teacher's expense and/or pursuant to the FMLA.

### 10.3 Other Leaves:

- 10.3.1 Absence because of death in the immediate family shall not be charged to sick leave. Immediate family shall include father, mother, father-in-law, mother-in-law, sister, brother, wife, husband, child, grandparent, grandchild, sister-in-law, or brother-in-law; or any dependent in the immediate household of the teacher. Leave should not exceed three (3) days but may be extended to five (5) days with the approval of administration.
- 10.3.2 Three (3) of the sick days per year specified in Article 10.1.1 may be used for personal leave by the teacher upon notification to the Superintendent or his/her designee at least forty eight (48) hours in advance when possible. Personal days shall be subject to the following conditions:
- a) Principals need not grant more than six (6) requests on any given day on a system-wide basis.
  - b) Personal days may be used for activities which cannot be scheduled outside the normal school hours and which requires the presence of the teacher.
  - c) Personal days shall not be taken on days immediately before or after vacation or holiday periods, in-service days, during parent-teacher conferences nor on the first or last days of school.
- 10.3.3 Leaves for other reasons must be discussed in advance with the administration, and shall be granted without pay if the Board determines the leave will not adversely affect the school district or cause the school district to incur economic expense.
- 10.3.4 In accordance with Section 1235 of the Revised School Code, a teacher who has been employed for seven (7) consecutive years by the Board may be granted a sabbatical leave of study for professional improvement not to exceed two (2) semesters at one time. Upon return from such leave he/she shall be restored to a position for which he/she is qualified. If no position is available, he/she shall be placed on a waiting list and offered the first position for which he/she is qualified which may become available. Refusal of a position offered shall relieve the Board of any further obligation to the teacher for offer of employment. Any period spent on such leave up to a total of one (1) year as a maximum, shall be treated as teaching service for the purpose of applying the salary schedule in effect at the time of reemployment.
- 10.3.5 Teachers shall be released for jury duty when called to serve, and shall be paid regular salary minus compensation received from the court, except that when, in the opinion of the Superintendent, the teacher's absence because of jury duty, will work a hardship and significantly impair the educational program, he/she (the Superintendent) may request of the court that the teacher be excused from jury duty, with the understanding that such excuse is at the discretion of the court.
- 10.3.6 A leave of absence shall be granted a teacher who is called to active duty by any branch of the Armed Forces of the United States. Reinstatement on completion of the mandatory service shall be without loss of salary increment credits.

## ARTICLE XI - CONTINUITY OF OPERATIONS

- 11.1 Both parties recognize the desirability of continuous and uninterrupted operations of the instructional program during the normal school year and avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which un-resolved disputes may be settled by impartial means, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it shall not, during the period of the Agreement, directly or indirectly engage in or assist in any strike, as defined by Section 1 of the Public Employment Relations Act.

11.2 Nothing in this Article shall require the Board to keep school open in the event of severe inclement weather or other conditions determined by the Board or beyond the control of the Board. Teachers shall receive full teaching credit for days absent under this paragraph if such days are accepted for state aid reimbursement. On days when schools are unable to open because of inclement weather or other conditions, teachers shall not be required to report to duty. However, all instructional days lost which would result in a loss of state aid to the district shall be made up within the fiscal year applicable (ending June 30) but not later than the day(s) immediately following the scheduled last day of school. Such make-up days shall be determined by both parties. The parties agree that before school is closed due to adverse weather conditions, consideration will be given for a late or delayed start of school. If the opening of school is delayed due to inclement weather or other conditions, then reporting time for bargaining unit members will be delayed for the same amount of time. If a meeting was scheduled before school, then the meeting will be delayed the same amount of time or cancelled. There may be other circumstances besides inclement weather that could cause a delay or cancellation for students only. Also, if a delay occurs after staff has reported or another building has begun, professional activity will be dictated by "common sense."

Make-up of exam days and/or half-days missed due to closure of school because of inclement weather or other conditions shall be done in accordance with the following:

11.2.1 1/2 days shall be made up as 1/2 days

11.2.2 if practical, in a building(s) where a 1/2 day exam schedule is used, the missed exams will be made up by rescheduling them upon return to school in the same format (1/2 day exams, 1/2 day teacher preparation)

11.2.3 or as agreed to by the board and the Association.

#### **ARTICLE XII – SENIORITY**

12.1 Seniority shall commence with the earliest of the following dates: letter of intent, first day of work, date of individual contract, or Board action. Seniority shall continue to accrue without interruption unless the teacher resigns or is terminated.

12.2 Teachers are responsible to provide the Board by no later than October 15 of each year, information concerning additional semester or quarter hours, degrees or certifications earned during the preceding year.

12.3 Any layoff shall automatically terminate the individual's employment contract and all benefits allowed.

12.4 If a teacher is recalled from layoff status, except as required by the Tenure Act, the teacher must accept the offer of recall by re-entering into an individual contract of employment with the Board of Education within twenty-one (21) calendar days of the date of personal notification of recall or mailing of the recall notification. If the teacher fails or refuses to do so, this shall constitute the teacher's resignation from his/her employment with the Board of Education and all seniority and job rights shall be lost.

12.5 No teacher shall be required to accept recall to a position that is not of comparable work (i.e. Full-time to part-time or part-time to full-time).

#### **ARTICLE XIII - SCHOOL CALENDAR**

13.1 For the term of this agreement, the school calendar shall be set forth in Schedule A. There shall be no deviation from or change in the school calendar except by mutual agreement of the Board and the Association, unless the deviation is necessary to satisfy state requirements regarding days or hours of pupil instruction and to receive full

State aid. The deviation shall be negotiated. If the parties do not agree, the make-up day(s) will be added to the end of the calendar.

13.1.1 Teachers' classrooms will not be occupied by any program until two (2) school days after the close of school.

13.2 Teacher duty days shall be:

13.2.1 For the life of this agreement teacher duty days shall be 182 student days and 185 teacher, unless the mutually agreed upon calendar for a particular school year contains a different number of student days or teacher days.

13.2.2 If any additional days are added to the calendar, each day will result in a .5% increase on all steps of the salary schedule (Schedule B).

13.3 The Board may institute two (2) half days of in-service session, or appropriate equivalency, for each building faculty during the school year. Planning for in-service activities is to be jointly determined by the Board and the Association. The school year is defined as the teacher duty days provided in the current school calendar.

#### **ARTICLE XIV - PROFESSIONAL COMPENSATION**

14.1 Salaries for teachers covered by this Agreement are set forth in Schedule B. Per diem pay shall be calculated by dividing the teacher's annual base salary by 185.

14.2 Teachers newly employed shall be given full credit on the Salary Schedule set forth in Schedule B for outside teaching experience, which were completed after the teacher obtained provisional certification up to a maximum of six (6) years. Such credit shall include full and partial years and including substitute positions under contract for one semester or longer. Audiologist, speech pathologist and teaching positions requiring speech pathologist certification shall be placed on the eleventh (11<sup>th</sup>) step, MA+15 column. Audiologists, speech pathologists and teaching positions requiring speech pathologist certification employed prior to 2008-2009 who are not at least at the 11<sup>th</sup> step MA+15 will be placed on that step.

14.2.1 Teachers are entitled to notification of their salary and step level on or before the first paycheck of the school year.

# POLICY REGARDING OBJECTIONS TO POLITICAL-IDEOLOGICAL EXPENDITURES

## OBJECTIONS TO POLITICAL IDEOLOGICAL EXPENDITURES ADMINISTRATIVE PROCEDURES

### STEP I

By November 30 of each year, or as soon thereafter as possible, the Executive Director of the Michigan Education Association or his or her designee shall determine the amount of MEA's, NEA's, and local associations' (for those locals collecting a local service fee) total expenditures for the preceding fiscal year that were expended on chargeable and nonchargeable activities. The Executive Director or his or her designee shall then calculate the reduced fee that an objector will be required to pay based upon expenditures of the previous fiscal year. The amount of the reduced fee may be further reduced by an additional amount to make allowance for disputed chargeable costs. By November 30, or as soon thereafter as possible, the Executive Director shall provide to all non-union employees who are required to pay an agency fee adequate information identifying the NEA's, MEA's and local associations' total expenditures for the previous fiscal year sufficient to enable them to assess the propriety of the service fee calculation. The information provided to non-union employees shall include:

- (1) A list of expenditures made by the NEA and MEA, by major category, during the previous fiscal year verified by an independent auditor and an identification of whether the major category of expense, or a particular portion thereof, is chargeable to objectors;
- (2) In those instances where a local association service fee is collected, a list of the local association's major categories of expenditures verified by an independent auditor and an identification of whether the major category of expense, or a particular portion thereof, is chargeable to objectors shall be provided;
- (3) The amount of the reduced agency fee;
- (4) The method used to calculate the reduced agency fees; and
- (5) A copy of this procedure.

### STEP II

Within 30 days of the MEA providing the information identified in Step I, non-union employees shall give written notice of the Executive Director of MEA at 1216 Kendale Boulevard, P.O. Box 2573, East Lansing, Michigan 38823, either by mail or by personal delivery, of the non-union employee's decision to:

- (1) Join the union and pay union dues;
- (2) Pay a service fee equal to dues, less the pro rata cost of liability insurance provided to union members;
- (3) Pay the reduced fee as determined by the Executive Director; or
- (4) Pay the reduced fee into an independent, interest-bearing escrow account designated by the Executive Director and challenge the reduced fee.

The non-union member may challenge the NEA portion of the reduced fee, the MEA portion of the reduced fee, the local portion of the reduced fee, or any combination thereof. Failure to provide timely notice will result in the non-union employee being required to pay a service fee equal to dues less the pro rata cost of liability insurance provided to union members. A challenge to the reduced fee must be made each year by the non-union member. At the time of filing an objection, the non-member shall pay that portion of the reduced fee which has accrued into the escrow account. Collection of service fees for non-members will not begin until after the period for written objection has expired. All such payments of an objecting non-union member required by these procedures shall be paid into the First of America-Central escrow account and shall remain in said account until such time as the arbitrator has issued his or her decision on the proportion of the agency fee that is chargeable to non-members. Thereafter all such funds in the escrow account shall be disbursed in conformity with these procedures.

Non-union employees who become part of the bargaining unit after the MEA has provided the information identified in Step I, shall be provided with the information identified in Step I within 30 days of becoming a member of the bargaining unit and shall have 30 days from the time MEA provides the information in which to give the written notice to the Executive Director of MEA described in Step II. If the non-union employee challenges the reduced fee and the challenge occurs too late to allow the employee to participate in the hearing described in Step III of these procedures, no separate hearing shall be held, but the non-union employee's agency fees will be determined based upon the hearing described in Step III.

### STEP III

Within 15 days of the deadline for providing written notice challenging the reduced fee, the MEA will initiate the procedure for a consolidated hearing of all objections before an impartial decision-maker. An arbitrator will be selected pursuant to the Rules for Impartial Determination of Union Fees of the American Arbitration Association (said rules being attached to this procedure) and the conduct of the hearing shall proceed in accordance with those rules, except that the union may not waive oral hearings pursuant to Rule 19.

After the hearing, the arbitrator shall determine the proportion of the agency fee that is chargeable to non-members under applicable law. The arbitrator shall issue the decision and determination not later than 30 days from the closing of the hearing, but in no event later than May 1 of the fiscal year and

shall submit copies of the decision to the MEA and to each objector. In no event may the arbitrator determine the agency fee that is chargeable to non-members to be an amount greater than the reduced agency fee.

After the arbitrator's decision, the MEA shall direct the disbursement of all funds in the escrow account, including interest, to the proper parties in accordance with the arbitrator's decision. If the objector has not paid sufficient money into the escrow account, the objector shall be responsible for payment of the difference between the amount determined chargeable by the arbitrator and the amount actually paid into escrow.

The objectors and/or the NEA, MEA, or local association may challenge the arbitrator's decision, pursuant to law, but such challenge, if successful, shall not result in an agency fee greater than that determined by the arbitrator.

## Letter of Agreement

### Between the Berrien Springs Education Association

### And the Berrien Springs Board of Education

RE: ESEA/NCLB Act of 2001

1. MUTUAL AGREEMENT

Without consulting with the Association, the Board shall take no action to comply with the No Child Left Behind Act of 2001, as amended, 20 USC 5301 et seq., that has an adverse impact on any bargaining unit member.

2. IDENTIFICATION FOR IMPROVEMENT

Before identifying an elementary school for school improvement under 20 USC 6316 (b) paragraphs (1) or (5), or for corrective action under paragraph (7), or for restructuring under paragraph (B), the Board shall provide the Association with an opportunity to review the school-level data, including academic assessment data on which the proposed identification is based. If the Association believes that the proposed identification is in error for statistical or other substantive reasons, the Association may provide supporting evidence to the Board, which shall consider the evidence before making a final decision.

3. NCLB COMMITTEE PLAN

No NCLB Committee Plan provision shall alter, modify, violate or supersede, except as mutually agreed on in writing by the Board and the Association, this Agreement or any other formal or informal understanding, condition or practice established between the parties. The foregoing shall apply to any School Improvement Plan the Board intends to implement.

4. SCHOOL IMPROVEMENT PLAN COMMITTEES

NCLB Committee(s) shall be established to deal with the provisions of the No Child Left Behind Act of 2001, as amended, 20 USC 5301 et seq. The composition of the District's NCLB Committee and any building's NCLB Committee shall be subject to the following provisions:

The Committee shall be composed of six (6) members; three (3) appointed by the Superintendent and three (3) appointed by the Association. Any participation on this Committee shall be voluntary. The Committee shall make a determination whether each teacher subject to Section 2(E)(1)(a) or 2(E)(1)(b) immediately above has become

“highly qualified” by meeting one of the options provided in Section 2(E)(1)(a) and 2(E)(1)(b).

5. TEACHERS NOT HIGHLY QUALIFIED THROUGH TO THE END OF 2005-2006  
The following applies to teachers not “highly qualified” in their current position. Whenever a vacancy occurs, between the date of this agreement through to the end of the 2005-2006 school year:
- the most senior teacher that applies, and,
  - by the award of the vacancy would cause said teacher to become “highly qualified”,
- will be given preference over all applicants applying for said vacancy.

It is agreed that through to the end of 2005-2006 school year that laid off non-highly qualified teachers will be allowed to bump otherwise less senior highly qualified teachers as per the terms of the Master Agreement.

The Board and the BSEA acknowledge that a teacher who is required as of the end of the 2005-2006 school year by the ESEA to be “highly qualified” (as defined by the ESEA and the Michigan Department of Education) for his/her teaching assignment and is not “highly qualified” said teacher shall be treated under the Layoff and Recall provision of this Agreement as if his/her current position has been eliminated.

7. RECOGNITION  
A teacher that is recognized as “highly qualified” under the ESEA by the Board shall be recognized as “highly qualified” by this Board for the duration of his/her employment. If the rules relating to “highly qualified” under the ESEA/NCLB Act of 2001 change, the parties agree to revisit this section.
