Agreement

This Agreement is made as of the date hereinafter set forth by and between the Harper Creek Community School District, Calhoun County, Michigan, hereinafter called the "Employer," and the Harper Creek Educational Support Personnel Association Food Service, MEA/NEA, hereinafter called the "Association."

Article 1 Recognition

Section 1:

The Employer hereby recognizes the Association as the sole and exclusive collective bargaining representative for all food service employees excluding: supervisors, substitute employees, temporary employees (as defined in Article 19) and all others.

Section 2:

Unless otherwise indicated, the term "Employee" when used hereinafter in this Agreement shall refer to all members of the above defined bargaining unit.

Article 2 Employee Rights

Section 1:

No seniority employee shall be disciplined, which shall include written reprimands, suspensions, demotions, and discharges, without just cause. The specific grounds forming the basis for disciplinary action will be made available to the employee involved.

Section 2:

- A. Pursuant to the Michigan Employment Relations Act, the Employer hereby agrees that every employee shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations. The Employer agrees that it will not directly, or indirectly, discourage or deprive or coerce any employee in the enjoyment of any rights conferred by the Act or other laws of Michigan, or the Constitutions of Michigan and the United States of America; that it will not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her

membership in the Association; his/her participation in any activities of the Association or collective negotiations with the Employer; his/her institution of any grievance, complaint, or proceeding under this Agreement; or otherwise with respect to any terms or conditions of employment.

- B. Nothing contained within this Agreement shall be construed to deny or restrict to any employee rights and responsibilities he/she may have under the Michigan General School Laws or the applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.

Section 3:

Upon request, an employee shall be entitled to have present a representative of the Association when disciplinary action is taken which may adversely affect the employee's work record. Should disciplinary action likely occur at a given meeting, the employee shall be advised of said possibility. Where a disciplinary penalty requires the employee to immediately leave school district property (i.e. suspension or discharge), the employee shall be allowed to discuss the disciplinary measure with an Association representative before leaving the premises. The employer shall make available an area where this may occur.

Section 4:

Written and signed complaints against an employee shall be given to the employee prior to the inclusion of such material in the employee's personnel file. The employee may submit a written notation regarding evaluative material, including complaints, and such response shall become a part of the employee's personnel file. Disciplinary material will be purged from the employee's personnel file if a three (3) year period elapses without another related disciplinary incident.

Section 5:

Any case of assault upon an employee shall be promptly reported to the employee's immediate supervisor. The Employer will provide reasonable assistance to the employee in connection with the handling of the incident by law enforcement and judicial authorities.

Section 6:

An employee will have the right to review the contents of all records, excluding initial references, of the District pertaining to said employee originating after initial employment and to have a representative of the Association accompany him/her in such review.

Article 3 Association Rights

Section 1: School Mail

The Association shall have the right of access to the school mails to distribute Association material to members of the bargaining unit. Should the Board determine that a deviation from established conditions is necessary, it shall notify the Association of any alterations prior to implementing them.

Section 2: Use of Facilities

The Association shall have the right to use school facilities for meetings and school equipment, including typewriters, copying machines, other duplicating equipment, calculating machines, and all types of audio-visual equipment when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies incident to such and shall be responsible for proper operation of all such equipment. The Association shall be liable for any damage to equipment or facilities occasioned by its use of same. Prior to use of school facilities, the Association shall complete and submit a Building Use Form.

Section 3: Association Representatives

Duly authorized representatives of the State and National levels of the Association shall be permitted to transact official Association business on school property provided that this shall not interfere with nor interrupt normal school operation. The local representative shall be the Association President or his/her designee.

The Association shall inform the Employer, in writing, the identity of Association Representatives having the authority to represent the Association and its members for purposes of grievance handling and disciplinary matters. Any grievance handling shall occur outside of normal working hours unless otherwise agreed to by the Employer.

Section 4:

- A. Each employee shall, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, which

ever is later, join the Association, or pay a service fee determined by the Association. The employee may authorize payroll deduction for such fee. In the event that the employee shall not pay such service fee directly to the Association or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477, MSA 17.277(7) and at the request of the Association, deduct the service fee from the employee's wages and remit same to the Association. The procedure for involuntary deduction shall be as follows:

1. The Association shall notify the employee of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
 2. If the employee fails to remit the service fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to Section 4, A, above.
 3. The Board, upon receipt of request for involuntary deduction, shall provide the employee with an opportunity for a due process hearing limited to the question of whether or not the employee has remitted the service fee to the Association or authorized payroll deduction for same.
- B. Pursuant to *Chicago Teachers Union v Hudson*, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-association employees. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting employee concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
- C. Due to certain requirements established in recent court decisions, the Association represents that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid school year (December, January or February). Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the

Association's notification to non-members of the fee for that given school year.

Section 5: Dues Check-off

- A. The deduction of dues and service charges shall be made from a regular paycheck each month, September through June. The Employer agrees to remit to the Association all moneys so deducted, accompanied by a list of employees from whom deductions have been made, within the month following the month of deduction. In cases when a deduction is made that duplicates a payment that an employee has already made to the Association, or in any other situation where a refund is demanded, said refunds are not the responsibility of the Employer.
- B. The Employer further agrees to deduct from each employee's pay, upon proper written authorization, amounts for insurance, United Way, 403b deductions and credit unions.

Section 6: Request for Information

The parties agree to furnish one another with information required to be made available by law in order to facilitate contract administration and negotiations.

Section 7: Release Time

The Employer shall permit up to six (6) working days per school year of released time for the handling of the Association business, meetings and conferences. Two (2) additional days will be granted with the Association reimbursing the District for substitute costs. All days to be used must be submitted in writing to the Superintendent at least forty-eight (48) hours prior to the leave. These days shall not be utilized during examination periods, parent/teacher conferences or on a working day immediately preceding or immediately following a school holiday or school vacation.

Section 8:

In the event of any legal action against the Board, individually or jointly, brought in a court or administrative agency because of compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel, provided:

1. The Board gives timely notice of such action to the Association and permits the Association's intervention as a party if it so desires; and
2. The Board agrees to give reasonable assistance to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that, in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with Section 4 of this Article 3.

The Association shall have the right to negotiate a settlement with any employee whose wages have been subject to involuntary deduction under this Article.

Article 4 Management Rights

The District retains all rights, powers and authority vested in it by the laws and Constitution of Michigan and the United States. All policies of the Board of Education, or powers which have been properly exercised by it, shall remain unaffected by this Agreement and in full force and effect, unless and until changed by the Board. Not by way of limitation, the Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever. Rights reserved exclusively herein by the District which shall be exercised exclusively by the District without prior negotiations with the Association either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement shall include by way of illustration, not by way of limitation, the right to:

1. Manage and control the schools' business, the equipment, the operations and to direct the working forces and affairs of the School District;

2. Continue its rights and past practice of assignment and the direction of all of its personnel, determine the number of shifts and hours of work and starting times and scheduling of all of the foregoing, but not in conflict with the specific provisions of this Agreement, and the right to establish, modify or change any work or business hours or days;
3. Direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, assign work or extra duty to employees, determine the size of the work force and to lay off employees;
4. Determine the services, supplies and equipment necessary to continue its operations and to determine the methods, schedules and standards of operation, the means, methods, and processes of carrying on the work including automation thereof or changes therein, the institution of new and/or improved methods or changes therein;
5. Adopt reasonable rules and regulations;
6. Determine the qualifications of employees, including physical conditions;
7. Determine the location or relocation of its facilities, including the establishment or locations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities;
8. Determine the placement of operations, productions, services, maintenance or distribution of work, and the source of materials and supplies;
9. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations;
10. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization provided that the District shall not abridge any rights of employees as specifically provided in the Agreement; and
11. Determine the policy affecting the selection, testing or training of employees.

The Board recognizes that this Agreement sets forth limitations on the above named powers, rights, authorities, duties, and responsibilities, and hereby agrees to be bound by such limitations.

Article 5 Grievance Procedures

Section 1: Definition

A claim or complaint by an employee or group of employees or the Association that there has been a violation, misinterpretation, or misapplication of any expressed provision of this Agreement may be processed as a grievance as hereinafter provided.

Section 2: Hearing Levels

Informal Level:

When a cause for complaint occurs, the affected employee(s) shall request a meeting with his/her immediate supervisor within ten (10) days after the event prompting the complaint or within ten (10) days after the employee should reasonably have had knowledge of the occurrence of the event upon which the grievance is based in an effort to resolve the complaint. The Association may be notified and a representative thereof present with the employee at such meeting. If the employee is not satisfied with the result(s) of the meeting, he/she may formalize the complaint in writing as provided hereunder.

Formal Level 1:

If a complaint is not resolved in a conference between the affected employee(s) and his/her immediate supervisor, the complaint may be formalized as a grievance. A formalized grievance shall be submitted, in writing, within five (5) days of the informal meeting between the supervisor and the affected employee(s). A formal grievance must contain:

1. A synopsis of the facts giving rise to the alleged contract violation;
2. A listing of the contract provisions allegedly violated;
3. The date of the alleged violation;
4. A specification of the relief requested; and
5. The signature of the grievant.

A copy of the grievance shall be sent to the Association and the immediate supervisor shall, within five (5) days of the receipt of the grievance, render a written decision. A copy of this decision shall be forwarded to the grievant(s) and the Association.

Formal Level 2:

If the Association is not satisfied with the disposition of the grievance at Level 1 or if no disposition has been made within five (5) days of receipt of the grievance, the grievance shall be transmitted to the Superintendent or designee. Within seven (7) days of receipt after the grievance has been submitted to the Superintendent, the Superintendent or designee shall meet with the Association on the grievance. The Superintendent or designee shall render a written decision thereon with copies to the Association and the grievant(s).

Formal Level 3:

If the Association is not satisfied with the disposition of the grievance at Level 2 by the Superintendent or designee, or if no disposition has been made within the period above provided, the Association may submit the grievance to arbitration before an impartial arbitrator. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. Neither the Employer nor the Association shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator, and that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be shared equally by the Association and Employer.

- A. The arbitrator shall have no power to rule on any of the following:
 - 1. The termination of services of or failure to re-employ any probationary employee;

2. Any claim or claimant for which there is another remedial procedure or forum established by law or by regulation having the force of law (to include MERC, MDCR, EEOC, OSHA and Workers' Compensation); and
3. Any matter involving employee evaluation content. However, matters involving alleged violations of evaluation procedure shall be subject to arbitration.

B. Claim for Back Pay

The District shall not be required to pay back wages more than six (6) months prior to the date a written grievance is filed.

All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less one-half (1/2) of any compensation that he/she may have received from any source during the period of the back pay.

Section 3: Miscellaneous Conditions

- A. The term "days" when used in this Article shall mean work days of the grievant. Time limits provided in this Article shall be strictly observed but may be extended by mutual written agreement.
- B. Grievances filed as "Association" grievances may, by mutual consent, be initiated at Formal Level 2 of the grievance procedure.
- C. Grievance processing will occur outside of normal working time except when the Employer consents otherwise.
- D. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

Article 6 Vacancies, Transfers, and Promotions

Section 1:

A vacancy shall be defined as a newly created bargaining unit position or a present position in the bargaining unit that is not filled but that the Employer intends to fill. Substitutes may be used to fill newly created positions for up to sixty (60) workdays, at which time the position will be posted and filled under Article 6, Sections 1 and 2 of this Agreement.

Section 2:

All vacancies shall be posted at the designated place in each building of the District for a period of five (5) work days. The designated place for openings in food service categories shall be the kitchens. The Association president shall receive two (2) copies. Said posting shall contain the following information:

1. Type of work
2. Location of work
3. Starting date
4. Rate of pay
5. Hours to be worked
6. Classification and Category
7. Position Qualifications

An interested employee may apply in writing to the Superintendent, or designee, within the five (5) day posting period. The Employer shall notify a school year employee of vacancies occurring during the summer months (June, July and August) by sending notice of same to each interested employee using an employee-furnished stamped envelope. The Employer agrees to notify the Association President in writing of any vacancies occurring during the summer months.

Section 3: Trial Period

1. An employee who is awarded a job under Section 4 or Section 6 below shall be offered a ten (10) working day trial period. During this trial period the employee shall have the opportunity to revert back to his/her former assignment. The Employer shall be entitled during this interval to fill the transferring employee's former assignment with a temporary employee.
2. If the employee is determined to be unsatisfactory by the Employer during this trial period, notice shall be submitted to the employee. Any decision by the Employer to return an employee to his/her original assignment before or at the conclusion of the ten (10) working day trial period shall not be arbitrable.

Section 4:

The senior employee in the category where the vacancy exists who meets the minimum qualifications for the posted position and who applies for the vacancy shall be given the position. If the position is not filled in this manner, it will be filled with the most qualified applicant. If, in the Employer's judgment, applicants within the bargaining unit are equally qualified, seniority, first within the classification of the vacancy and then second within the bargaining unit, shall be the determining factor. An employee who is awarded a job under the provisions of this Section shall be subject to a trial period according to Section 3 above. During the trial period, an employee shall receive the rate of pay for the job he/she is performing.

Section 5:

Within fifteen (15) work days after the expiration of the posting period, the Employer shall award the position to the applicant who has been selected to fill the posted position. Each applicant shall be so notified in writing with a copy provided to the Association.

Section 6:

An employee shall retain wage scale experience credit when transferred within the job classifications covered by this Agreement.

When an employee vacates a position and accepts a higher paying position in a different classification, he/she shall continue to receive the same hourly wage of the vacated position during the trial period of Section 3. above. Beginning

with the eleventh (11th) working day in the new position the member shall be assigned to a step placement which shall not cause the member's hourly wage to be decreased.

When an employee maintains a position and accepts an additional position in a new classification, he/she shall be placed on step one (1) of that position's wage schedule.

Section 7:

If an employee is absent for a period exceeding 365 consecutive calendar days, his/her assignment shall be considered a vacancy which will be posted and awarded utilizing the procedures specified in this Article. An employee returning to work whose position has been declared vacant according to this paragraph shall be permitted to bump the employee having the least seniority in the category of the returning employee. An employee shall notify the Employer, pursuant to Article 12, Section 1. E., of the intent to return to work.

Section 8:

In the event it becomes necessary to make an involuntary transfer in any category, the employee with the least seniority in that category shall be transferred unless a more senior employee volunteers to be transferred.

Section 9:

If an employee is transferred to a non-bargaining unit position with the school district for a period of up to six (6) months, and is thereafter transferred again to a position within the bargaining unit, the employee shall have accumulated seniority while working in the non-unit position to which he/she was transferred. An employee transferred under the above circumstances shall retain seniority rights, as described above, for only the six (6) month period.

Section 10:

A temporary transfer for the purpose of filling an assignment of a food service employee who is absent more than four (4) consecutive work days (but less than 365 consecutive calendar days) due to illness, paid vacations and leaves of absence shall be governed by the following conditions:

- A. The senior applicant within the same building and job category who meets the requirements for the job shall be awarded the position on a temporary basis. The successful applicant shall perform the same duties of the temporarily absent employee.

- B. The Employer may consider temporary transfer requests from employees in a different category, but within the same classification, who meet the requirements for the open assignment. Should the employer determine to grant the request for a temporary transfer to a different category within the same classification, the employee transferred shall receive the pay rate of the category into which he/she is temporarily transferred. This shall not be interpreted to require payment at a different experience level to the temporarily assigned employee within that classification or category.
- C. Temporary transfers under this Section shall be made only among employees working in the same school building.
- D. The Employer shall not be required to make more than one (1) transfer as a result of filling any temporary opening as specified in this Section. For example, if employee A is absent in excess of four (4) consecutive work days and employee B is temporarily transferred to employee A's assignment, the Employer shall not be required to allow a temporary transfer of another employee into employee B's open position. Instead, the employer would fill employee B's temporarily open position with a temporary employee.

Article 7 Work Schedule, Duties, and Compensation
--

Section 1: Work Schedule

- A. The work schedule of each category covered by this Agreement shall be as set forth in Schedule A of this Agreement. Nothing therein shall be regarded as a guarantee of any number of hours of work per day or per week.

- B. Nothing shall prevent an employee and his/her immediate supervisor from mutually agreeing to alter the employee's normal work schedule through the use of compensatory time. If mutual agreement is reached to use compensatory time for this purpose, it shall not obligate the Administration to payment of overtime when the compensatory time is worked.

Section 2: Compensation

Compensation for categories covered by this Agreement shall be as set forth in Schedule B.

Section 3: Overtime Compensation

- A. Time and one-half shall be paid for all hours over forty (40) hours in one week, and all hours in excess of eight (8) hours in one day. This shall not be interpreted to require double payment of overtime.
- B. Time and one-half shall be paid for all hours worked on Saturdays. Double time shall be paid for all hours worked on Sundays and holidays. These sums shall be in addition to holiday pay if the employee is entitled to holiday pay for that day.
- C. Compensatory time may be given if mutually agreeable to the Employer and the employee. Such compensation shall be time and one-half for all hours over forty (40) per week and shall not accumulate beyond two hundred forty (240) hours.

Section 4:

An employee shall work overtime on the following basis:

- A. Overtime will be assigned in advance by the Employer.
- B. Overtime shall first be rotated among food service categories, with the exception of head cooks on a seniority basis district wide. If the employer in good faith mistakenly provides overtime opportunities to employees otherwise not entitled there to, the sole remedy will be that the employee who was in line for the overtime opportunity will receive the next available comparable overtime opportunity.
- C. If the overtime assignment is not filled as specified in paragraph B. of this Section, the overtime will next be offered to the most senior employee within the same job category but having a different building of

regular assignment. In order to be eligible for overtime opportunities under this provision, the employee shall give written notification to his/her supervisor not later than September 1 of any school year or on the completion date of his/her probationary period if hired after the beginning of the school year.

- D. If the overtime work is not assigned pursuant to operation of paragraphs B. and C. of this Section, the Employer shall have the option to require the employee(s) having the least seniority in the affected category to perform the required overtime work.

Section 5: Job Descriptions

Written job descriptions and job titles shall be provided by the Employer for each bargaining unit position. The Association shall be consulted relative to such job descriptions. Job descriptions shall minimally include qualification for appointment, types of services to be performed, and a listing of basic performance expectations.

Section 6:

An employee required to work in a higher paid job category shall be paid the rate of the job he/she is performing. If required to work in a lower paid job, the employee shall be paid at his/her regular rate of pay.

Article 8 Seniority

Section 1: Probationary Period

A new employee hired into the bargaining unit shall undergo a probationary period of ninety (90) days worked. Upon completion of this probationary period, the employee shall obtain seniority status and his/her name shall be entered upon the seniority list retroactive to the first date of probationary service.

- A. Probationary employees shall be represented by the Association for all purposes under this Agreement during the probationary period, except that the termination or evaluation of a probationary employee shall not be subject to the grievance procedure.
- B. Leave day credit and vacation time credit shall accrue during the probationary period. If a paid holiday falls within a probationary period, the employee shall be paid for such holiday as per the Master Agreement.
- C. There shall be no seniority among probationary employees.

Section 2: Seniority Defined

Seniority shall be defined as length of service within a category and classification included in this bargaining unit. Accumulation of seniority shall begin on the employee's first working day as described in Section 1 above. In the event two (2) or more employees begin work on the same day, the date of the job application from which they were hired shall determine position on the seniority list. In the case of job applications filed on the same date, position on the list shall be determined by lot.

Section 3: Seniority Lists

The Employer shall prepare and maintain seniority lists as defined in this Article. The seniority lists shall be provided annually to the Association by November 1. The Association shall notify the Employer of any errors within fifteen (15) days after receipt of the seniority lists. In the absence of a timely objection, the Employer's seniority lists will be considered conclusive. The seniority lists shall reflect the following classifications and categories:

- Category 1 — Head Cook
- Category 2 — Assistant Cook
- Category 3 — Helper
- Category 4 — Courier

Section 4: Loss of Seniority

Seniority shall be lost if the employee:

1. Voluntarily quits;
2. Is discharged and the discharge is not reversed through the grievance procedures set forth in this Agreement;
3. Is absent for two (2) consecutive working days without notifying the Employer. In proper cases, exceptions may be made. After such absence, the Employer shall send the employee written notification, at the last known address, that the employee has lost seniority and has been terminated. A copy of such notice will be provided to the Association;
4. Does not return to work when recalled from layoff, as set forth in the recall procedure;

5. Does not return from sick leave or other leave of absence;
6. Retires;
7. Otherwise terminates his/her employment relationship with the Employer; or
8. Is laid off and is not recalled to work within four (4) years from the time of layoff.

Article 9 Reduction in Work Force

Section 1: Authority

In the event the Board of Education determines to reduce staff, the procedures outlined in this Article shall be followed.

Section 2: Notification of Layoff

No employee shall be laid off pursuant to a reduction in the work force unless the employee is notified of said layoff seven (7) calendar days prior to the effective date of the layoff.

Section 3: Order of Reduction/Bumping

In the event of a necessary reduction in a job category, the Employer shall first lay off probationary employees within that category provided there are senior employees remaining within the category who are available and can perform the required work. Next, the least senior employee within the job category affected by the reduction shall be laid off. In no case shall a new employee be hired in a job category while there are laid off employees in that category who are qualified and available for the vacant or newly created position.

An employee whose position has been eliminated due to reduction of work force or who has been affected by a layoff/elimination of position may bump the least senior employee in another category provided all of the following conditions are satisfied:

1. There is no "bump" possible within the current assignment job category of the employee affected by the reduction in force;

2. The "bumping" employee is qualified and able to perform all duties of the least senior employee in the different category whom the "bumping" employee is displacing; and
3. The "bumping" employee possesses sufficient seniority in the different job category into which placement is desired. The bump is exercised upon the least senior employee in the different job category.

When an employee affected by reduction in force is not able to exercise a bump within his/her current job category or into a different job category for which he/she possesses sufficient seniority (as described above), he/she shall be placed on layoff status with recall rights as described in this Article.

Section 4: Recall

A. Recall to Same Category.

1. Laid off employees possessing seniority within a category shall be recalled in order of seniority, with the most senior laid off employee being recalled first to an open position within that category. The Employer shall not be required to post such openings as vacancies under Article 6 of this Agreement.
2. Notices of recall shall be sent by certified or registered mail to the last known address shown on the Employer's records. The recall notice shall state the time and date on which the employee is to report back to work.
3. A recalled employee shall be given five (5) work days from receipt of notice to notify the Employer of the date that he/she will be returning to work. Said return date must be within fifteen (15) work days of the receipt of the notice. The Employer may fill the open position on a temporary basis until the recalled employee reports to work.
4. An employee recalled to a position of an equivalent number of hours, in a category where the employee is qualified and possesses sufficient seniority, is obligated to take said work at the step of the employees previous category. An employee who declines recall to work shall forfeit his/her seniority rights and shall be considered a quit.
