PREAMBLE

THIS AGREEMENT made and entered into as of this 1st day of September, 2018 by and between the BOARD OF EDUCATION of the HARPER CREEK COMMUNITY SCHOOLS of Battle Creek, Michigan, hereinafter called the “Board” and the HARPER CREEK EDUCATION ASSOCIATION, MEA/NEA, hereinafter called the “Association”.

WITNESSETH:

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the children of Harper Creek is their mutual aim and that the character of such education depends predominantly upon the quality and morale of the teaching service; and

WHEREAS, the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards; and,

WHEREAS, the Board will furnish, upon reasonable request, all public information to the Association and that the Association will reimburse the Board for additional expenses incurred in furnishing such information. However, the Association may use its own personnel to get the necessary information and use such records or information in the Administration Office; and

WHEREAS, the HARPER CREEK EDUCATION ASSOCIATION - MEA/NEA, will furnish, upon reasonable request, all public information to the Board of Education and that the Board of Education will reimburse the Association for additional expenses incurred in furnishing such information. However, the Board of Education may use its own personnel to get the necessary information and use such records and/or information; and

WHEREAS, the parties have a statutory obligation, pursuant to the Public Employment Relations Act to bargain with respect to certain hours, wages, terms and conditions of employment; and WHEREAS, the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to memorialize;

NOW THEREFORE, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1. RECOGNITION

Section 1: Bargaining Unit

The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in the Public Employment Relations Act, for all personnel holding a valid Michigan teaching certificate issued by the Michigan Department of Education including full-time and regular part-time certified teaching personnel employed under the regular tenure or probationary contracts excluding supervisory and executive personnel, non-regular part-time substitute teachers, evening, summer school teachers, teachers in competitive grant adult education programs, teaching interns, and paraprofessionals. The term “teacher”, when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining unit as above defined.

ARTICLE 2. MANAGEMENT RIGHTS

The Board of Education hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States, including, but without limiting the generality of the foregoing: the management and control of school properties; facilities; grades and courses of instruction; athletic and recreational programs; methods of instruction; materials used for instruction and the selection, direction, transfer, promotion or demotion, discipline or dismissal of all personnel.

The exercise of these powers, rights, authority, duties, and responsibilities by the Board and the adoption of such rules, regulations, and policies, as it may deem necessary, shall be limited only by the specific and express terms of this Agreement.

ARTICLE 3. ASSOCIATION & TEACHERS’ RIGHTS

Section 1: Association Rights

- A. The Association and its representatives shall have the right to use school buildings for meetings and office equipment for Association business, with the consent of the principal, outside of contracted school day hours. The Association agrees to pay for the cost of materials and supplies incidental to such use.

- B. The Association shall have the right to post notices of its activities and matters of Association concern on faculty room bulletin boards, at least one of which shall be provided in each school building. The Association may use the district mail service, district email, and teacher mailboxes for communications to teachers within reason. Association use of District email shall be outside of contracted school day hours, subject to the District's acceptable use policy, and shall not include any communications prohibited by law.
- C. The District shall provide no more than an hour at New Teacher Orientation for the Association to meet new teachers.
- D. At the beginning of every school year, the Association shall be credited with a total of ten (10) days to conduct Association business that cannot be accomplished outside the regular work day. Section 2: Teacher Rights

The Board and the Association agree that neither will directly nor indirectly discourage, deprive, nor coerce the other in the enjoyment of any right conferred by the Public Employment Relations Act or other laws of Michigan or the Constitutions of Michigan and the United States. Neither the Board nor the Association will discriminate with respect to hours, wages or any terms or conditions of employment by reason of the exercise of rights or the performance of obligations under the Public Employment Relations Act or under this Agreement.

Nothing contained in this contract shall be construed to deny or restrict any teacher rights they may have under the Michigan Revised School Code and/or any other laws of Michigan or the United States.

Both the District and the Association recognize the need for academic integrity. To protect the academic integrity and academic standards of Harper Creek Community School District, the district shall not request or require that a teacher “pad” a grade with a few points or allow a student to complete extra work for a higher grade. A grade may only be changed for the following reasons:

- Error in mathematical calculation (e.g. categories weighted incorrectly).

Teachers shall be excused from reporting for school on those days and hours and will receive their regular pay. Teachers shall work on the rescheduled days and hours with no additional compensation. Rescheduling shall be accomplished as specified in the Calendars included within this Agreement.

The parties agree that this contract provision has been negotiated to comply with the provisions of the State School Aid Act and to ensure that the District will incur no loss of state aid. - A. Each school building shall be provided with a staff room or lounge available for staff use during the regular school day. It is recognized that conditions beyond the employer's immediate control (e.g., adverse weather, employee absence) may cause occasional delay in the effectuation of this intention. Teachers agree to cooperate in this endeavor, within the scope of their professional duties. Classrooms shall be treated as needed to prevent infestation by vermin.

Section 12: Least Restrictive Environment

- A. The parties acknowledge that the policy of least restrictive environment is legally mandated. It is also recognized that the extent to which any student who receives services under the Individuals with Disabilities Education Act (IDEA) should participate in regular education programs and services involves consideration of that student's unique needs as determined by an Individual Educational Planning Committee (IEPC). It is further acknowledged and recognized that the general education classroom teachers and the appropriate special education teachers are jointly responsible for implementation of the IEP and for attending to the educational needs of special education students assigned to the teacher's class. Teachers agree to cooperate in the delivery of special education and related services.

- B. Prior to actual placement of a particular special education student within the classroom of a teacher, such teacher(s) may confer directly with the special education teacher/consultant concerning the student and the plan for integration of said student.
- C. If any teacher has a reasonable basis to believe that a disabled student's current Individual Education Plan (IEP) is not meeting the student's unique needs as required by law, the teacher will advise his/her principal of that opinion, in writing.
- D. If delivery of related school health services is necessary to provide a student with a free appropriate public education, as mandated by the Individuals with Disabilities Education Act, those functions shall be performed by a properly trained individual. Appropriate training will be provided to each teacher prior to the placement of that special education pupil in the teacher's room. This training shall include an explanation of procedure(s) for delivery of the school health service, identification of the appropriate persons to whom performance of that function may be permissibly delegated, the extent and availability of supervision for performance of the procedures and the authority for alteration, modification or termination of the procedures.

Bargaining unit members shall be required to perform health services under this provision in an emergency situation only.

Section 2: Research and Development

Upon request of the administration, teachers shall be encouraged to recognize their professional obligation to participate in curriculum studies, research and revision committees during the school year as a part of professional development and involvement. The District will make attempts to have teacher representation from each building on curriculum council.

Section 3: Care of Supplies and Facilities

Teachers shall be expected to exercise reasonable care for school materials, equipment and facilities assigned to them. Teachers shall be required to attend mandatory meetings up to six hundred (600) minutes per school year. School improvement meetings shall not exceed sixty (60) minutes per meeting per month.

Section 8: Professional Development/Probationary Teachers

As a condition of continued employment, each probationary teacher subject to the professional development requirements of Section 1526 of the Revised School Code (or its successor provision) shall complete those requirements within the time provided by statute. The Board shall not be obligated to compensate the probationary teacher for either the time connected with completion of these requirements or for other associated costs such as enrollment course and/or registration fees. However, when the Board elects to provide this training locally it shall underwrite the cost of same but shall not be obligated to pay any additional compensation to the probationary teacher for the time associated with completion of the above requirements.

Section 9: Mentor/Mentee Professional Development and Stipend

Mentor training and assignment must follow current Michigan law; mentors and mentees may request to change their mentee/mentor through their supervisor. Mentees are eligible to receive professional development credit. Mentors may choose to receive a stipend or SCECHs.

For mentoring new teachers with less than three years prior teaching experience in a Michigan Public School, mentors can receive a stipend in place of SCECHs for each six (6.0) hours of work with their mentee up to:

Three days (18 hours) for first-year teachers: \$270

Two days (12 hours) for second-year teachers: \$180

One day (6 hours) for third-year teachers: \$90

For mentoring a new teacher with at least three year prior teaching experience in a Michigan Public School, the District will assign a mentor for the first two (2) years to assist the teacher in becoming oriented to the District and the building procedures. Up to 12 hours for the first year teacher: \$180

Up to 6 hours for the second year teacher: \$90

To receive credit/stipend, both mentors and mentees must submit the professional development log by May 27. Mentors should indicate their compensation preference on the log sheet.

Section 10: Professional Development

The school calendar shall meet the professional development requirements under Section 1527 of the Revised School Code.

Two professional development days in a given school year will be planned by the Curriculum Council, including but not limited to instructional coaches and teacher representatives from each building.

Section 11: Representation at Conferences

Administration will consider leave with pay, not chargeable against the teacher's sick or personal leave, to attend educational conferences, workshops, and/or seminars. Administration will consider a reasonable number of teacher visitations for the purpose of viewing other instructional techniques and programs. The extent of teacher representation and visitation will depend upon the distance, the relevance, and the school budget. Teachers desiring to attend such conferences, meetings, or visitations should secure a conference

request form, discuss it with the principal and then forward it to the Superintendent or Superintendent's designated representative for final approval. No event registration will occur prior to the final approval. Teachers are encouraged to share their new learning relative to the conference with their peers.

Section 12: Parent-Teacher Conferences

All teachers will also be expected to attend no more than sixteen (16) hours of parent-teacher conferences per year. The district will set dates for the parent-teacher conferences within the first two-weeks of the school year with teacher input to give teachers and parents adequate time to plan and to attend.

The District will also compensate the eighteen (18) additional hours outside of contract hours (Open House and Parent-Teacher Conferences) with two (2) teacher compensation days on the calendar.

ARTICLE 6. TEACHER PERSONNEL FILE

A teacher shall have the right to review the contents of all personnel records (except those materials excluded from the definition of "personnel record" under the Bullard-Plawecki Employee Right to Know Act) maintained by the District pertaining to said teacher, and to have a representative of the Association accompany him/her in such review.

ARTICLE 7. SENIORITY

Section 1: Definitions

A. "Seniority" shall be defined as the length of continuous service in the bargaining unit, measured from date the Board of Education approves the contract of the teacher, not including extra-curricular service. Provided that seniority accrued prior to July 1, 1983, will be measured from date of hire with the School District and shall include periods of administrative service. A teacher serving in an administrative position shall not lose unit seniority previously accrued (in either teaching or administrative capacities) but after July 1, 1983, service in an administrative capacity shall henceforth not accumulate bargaining unit seniority.

1. A teacher on layoff shall continue to accrue seniority.
2. Leaves of absence granted before July 1, 1983, shall be included in the determination of the amount of seniority. However, such leaves as may be applied for on or after July 1, 1983, shall not be included in

the determination of the amount of seniority, except unpaid medical leaves as confirmed by a doctor and child care leaves, limited to one year per child. Leaves of absence taken pursuant to the Family and Medical Leave Act shall not interrupt seniority and shall be included in its determination. Return from leave of absence may be denied where the returning teacher is subject to layoff under the terms of this Agreement.

3. Each year, prior to November 1, the Superintendent, or his/her designee, shall prepare a seniority list and transmit a copy of same to the President of the Harper Creek Education Association and post a dated copy in each building. The names of all teachers at the time of preparation of the seniority list shall be listed in order of their seniority, starting with the teacher having the greatest amount of seniority.

Each teacher's certification, major and minor fields and current assignments are to be included on this seniority list. The Association shall have thirty (30) days from the date of posting to allege any error or discrepancy in the seniority list. Otherwise, the list prepared by the Superintendent shall be conclusive.

In the event of ties in seniority, all teachers so affected will participate in a formal drawing to determine placement on the seniority list. The Association and bargaining unit members so affected will be notified, in writing, of the date, time, and place of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representatives to be in attendance. The formal drawing will be conducted as such:

1. The District shall write consecutive numbers on equal size paper and material
2. Each teacher will draw a number
3. The teacher who draws the #1 will be placed higher on the seniority list. The teacher who draws #2 will be placed after the teacher who draws #1 and so on until all teachers who were approved by the Board of Education on the same date have been placed on the seniority list.

- B. "Certification" is defined as holding all certificates, endorsements licenses and/or approvals required by law and Michigan Department of

Education regulation to serve in the position assigned. Further, it is the teacher's responsibility to file such certificates, endorsements, licenses and/or approvals with the Board, and to ensure that the certification remains current.

A non-certified teacher meeting the requirements of Section 1233 b of the Revised School Code (or its successor provision) shall be considered to be a certified teacher for purposes of this contract, including application of standards of the discipline, serving a probationary period commensurate with that required under the Teachers' Tenure Act and all rights and responsibilities afforded by this contract, except where not permitted by law or regulation of the Michigan Department of Education.

The teacher shall provide written notice to the Board and Association of any change to his/her certificates, endorsements, licenses or approvals after the original filing of same with the District. This shall include notice of any additional endorsements, certificates, renewals, approvals as well as expirations, revocations and any limitations thereon. The teacher shall further notify the Board and Association, in writing, in the event that he/she petitions the State Board of Education for nullification or limitation of his/her certificate, one or more endorsements thereon or a grade level certification appearing on the certificate.

- C. "Qualification" shall be defined as:
1. Holding a major/minor appropriate to his/her assignment and meets applicable standards for a "highly qualified" teacher under NCLB.

Section 2: Certification and Qualifications

- A. The Board discourages teachers from nullifying any endorsement on their teaching certificate. However, the Board acknowledges the right of the teachers to nullify such endorsements. The Board and the Association advise teachers who exercise this right that they may jeopardize and/or restrict their employment opportunities in the event of a reduction in work force (layoff). Any teacher who intends to nullify an endorsement shall provide the Superintendent of Schools and the Association with prior written notice of such intent to nullify his/her endorsement(s).
- B. Should a teacher seek to nullify or otherwise limit one or more endorsements or grade level certifications appearing on his/her certificate, the teacher, if tenured, will drop five (5) years from their current position on the seniority list. Their placement will be at the

bottom of the said five years. If the teacher is non-tenured, they will be placed at the bottom of the seniority list below the least senior teacher.

Section 3: Fringe Benefits

Any layoff shall suspend for the duration of the layoff the Board's obligation to pay salary or fringe benefits under any individual contract of employment or under this Agreement. However, a teacher shall be eligible to receive fringe benefits which are earned, but not received, prior to layoff. The District shall provide annual insurance payments in the same proportion as actual service days to total scheduled service days during the academic year in which the layoff is implemented.

Any employee laid off pursuant to this Article may, upon application and at his/her option and expense, continue enrollment in health insurance programs to the extent available under COBRA. Such continuation of insurance benefits shall be contingent on prior payment by the employee of the applicable policy premiums.

<p>ARTICLE 8. GRIEVANCE PROCEDURE</p>
--

Section 1: Definitions

A grievance shall be defined as a claim by the Association that there has been a violation, misinterpretation, or misapplication of any express provision of Agreement.

Section 2: Knowledge of Grievance

A teacher who believes he or she has a grievance shall first discuss the matter with his or her principal personally or accompanied by an Association representative or Association officer within five (5) school days after the teacher has had knowledge or should have had knowledge of the occurrence of the event upon which the grievance is based. If the violation is recurring, the five (5) days shall begin at the start of the latest occurrence of the violation. It shall be the objective of both parties to resolve the matter in this informal manner. In the event the grievance is not settled in this manner, the following formal grievance procedure shall apply and there shall be no reference made in a teacher's personnel record as to any initiation of a grievance of said teacher.

Section 3: FIRST STEP

Any grievance that is not settled as set forth in Section 2 of this Article or those grievances submitted by the Association shall be submitted in writing on the form provided by the Association to the principal of the school in which the grievance arises. All grievances shall state the following:

1. The Article(s), Section(s), and subsection(s)/paragraph(s) of the agreement alleged to have been violated.
2. A summary of the specific facts giving rise to the grievance.
3. The date of the alleged violation and when the grievant became aware of the violation.
4. Specific relief requested.
5. All grievances shall be signed by the grievant or any officer of the Association when the Association files a grievance.

All grievances shall be submitted to the principal within three (3) school days after the informal meeting described in Section 2 above or the occurrence of the event upon which the grievance is based for those matters submitted by the Association.

The principal shall give a written answer to the aggrieved teacher or the Association within two (2) school days after receipt of the written grievance. If the answer is mutually satisfactory, the grievant shall so indicate on the grievance form, sign it and return a signed copy to the principal.

By mutual agreement of the Superintendent and HCEA Grievance Chairperson, grievances may be initiated at the Second Step (Superintendent level).

Section 4: SECOND STEP

If the grievance has not been settled in the First Step and if it is to be appealed to the Second Step, the grievant and/or the Association representative(s) shall notify the Superintendent in writing within six (6) school days after receipt of the principal's First Step answer of the desire to appeal. If such written request is made, the Superintendent (or his/her designee) shall meet with the grievant and/or Association representative(s) within five (5) school days to consider the grievance. The Superintendent shall provide a written answer to the aggrieved teacher and to the Association representative(s) within five (5) school days after the date of this meeting. If the answer is mutually satisfactory, the Association shall so indicate on the grievance form, and sign it, and return a signed copy to the Superintendent.

Section 5: THIRD STEP

If the grievance has not been settled in the Second Step and if it is to be appealed to the Third Step, the Association shall notify the Superintendent in writing within five (5) school days after receipt of the Superintendent's Second Step answer of the desire to appeal. If such appeal is made, the grievance shall be reviewed at a meeting between the Board [or its designated representative(s)], the Superintendent, the grievant, and the Association representative(s) within ten (10) school days after receipt by the Superintendent of the notice of appeal. A written answer shall be given by the Board (or its

representative) to the aggrieved teacher and the Association representative(s) within fifteen (15) school days after the date of the Third Step meeting.

Section 6: Arbitration

If the grievance has not been settled in the Third Step, the Association may submit the grievance, except as provided below, to arbitration provided such submission is made and served upon the District within ten (10) school days after receipt of the Third Step answer.

- A. All matters submitted to arbitration shall be submitted to the American Arbitration Association in accordance with its Labor Arbitration Rules then obtaining within the time specified above and such rules shall govern the arbitration hearing. The arbitrator shall have no power or authority to alter, amend, add to, or subtract from the terms of this Agreement or to hear matters removed from the arbitrator's authority under this Agreement. Both parties agree to be bound by the award of the arbitrator and that the arbitrator's costs and those of the American Arbitration Association shall be borne equally between the parties.
- B. The arbitrator shall have no authority to rule upon the non-renewal or discharge of a probationary teacher or removal of a teacher from extra-duty positions.

Section 7: Failure to Meet Time Limits

Grievances which are not appealed within the time limits specified in the above grievance procedure shall be considered to be withdrawn by the grievant and/or the Association. If the Board fails to meet the time limits, the grievance shall automatically proceed to the next level in the procedure. The above grievance procedure affords the sole and exclusive remedy for complaints and grievances under the Agreement and the sole method of expression or communications of a view, grievance, complaint, or opinion on any matter related to this Agreement.

Section 8: Time for Discussions of Grievance

The presentation and discussions of grievances provided for in this Article shall take place outside of the regular school hours except during the first two (2) steps of this procedure (Section 3 and 4 of this Article) which will be held during school hours so long as all persons involved could so meet without interference with their assigned duties.

Section 9: Time Limits/Vacations

Monday through Friday shall be considered “school days” during the summer recess in determining the time limits set forth above.

Section 10: Association Knowledge

Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

ARTICLE 9. SUBSTITUTE TEACHERS

Whenever a teacher is absent from school, for whatever purpose, reasonable efforts shall be made by the Administration to hire a qualified substitute, considering such factors as the availability of substitutes, the number of teachers absent, and the extent to which the District has received sufficient advance notice of teacher absence.

Regular teachers and counselors may be asked to substitute when sufficient non-bargaining unit per diem substitutes are not available. If they agree to substitute, they will be compensated under the options listed in Article 13, Section 7. Teachers and administrators shall cooperate in performing substitute services in the above circumstances.

ARTICLE 10. DISCIPLINE/STUDENT

Section 1: Mutual Commitment

The parties declare their mutual commitment to maintenance of control and student discipline. The Board and the Association recognize the maintenance of control and discipline in the classroom is a key ingredient in establishing an effective learning environment.

- A. The parties recognize the importance of teaching positive behavior and conflict resolution. However a teacher may exclude a student for the balance of the class period. If the student poses a safety risk or is extremely disruptive to the learning environment, the teacher will furnish the building administrator, as promptly as possible, a written summary of the full parameters of the incident. The parties recognize that special education students may not be excluded to the extent that such

exclusion impacts the student's IEP, or otherwise violates state or federal laws.

- B. For persistent minimum offenses/ moderate offenses, teacher will submit in writing a summary of the purported misconduct to an appropriate building administrator. The building administrator shall have primary responsibility for issuing discipline, consistent with Board policies.
- C. For severe offenses, the District shall follow Board policy, state and federal law, with the intent of creating a safe learning environment for students and staff. Severe offenses that violate the law shall be reported to law enforcement immediately. The accused student shall immediately be removed from that staff member's classroom (i.e., classroom teacher/instructional paraprofessional) and/or caseload (e.g., social worker, psychologist, and/or counselor).

Staff members who are assaulted by a student during the execution of his/her duties will be allowed necessary respite time before returning to their professional duties for the remainder of the school day.

- D. Consistent enforcement of disciplinary procedures will be administered when student misbehaviors warrant it. The teacher will have attempted to remedy student behavior problems through the use of documented disciplinary procedures prior to seeking administrative assistance, not including cases which may cause imminent danger. This documentation will be recorded on the referral form, which will be available in all buildings. Staff input shall be considered when administration makes disciplinary decisions.
- E. Administrative disciplinary decisions shall be communicated to the referring staff within forty-eight (48) hours following the written misbehavior referral provided the referral is made by the teacher on the day incident occurred or on the same day the teacher gained knowledge of the incident. These decisions may be emailed to referring staff. In the event that the referring teacher is dissatisfied with administrative discipline, the teacher may submit a written objection to the administrator who issued the discipline, within forty-eight (48) hours after receiving notice of the disciplinary determination.

- F. At the commencement of each school year, each building principal shall distribute to the staff written student disciplinary procedures, such procedures to be in accordance with applicable provisions of the Michigan Revised School Code. Staff and administration shall be responsible for following and enforcing these procedures uniformly.

It is understood that the above disciplinary procedures are subject to revision. Until revisions are formally adopted, building administrators shall continue to use the current disciplinary procedures to maintain consistent expectations within each building. In the event of such revisions, teachers shall be given written notice of same.

Not later than April 1 annually the Association shall forward to the building principals, in writing, any recommendations for revisions of student handbooks for the forthcoming school year. Prior to the adoption of revised disciplinary procedures, the district shall share with teachers in each building for the purpose of gathering feedback and making necessary revisions. A meeting to discuss feasibility of recommended changes will be held with the teaching staff and building administration by June 1.

Section 2: Reporting Incident

- A. Any case of assault upon a teacher shall be promptly reported, in writing, to his/her building administrator. If a bargaining unit member is required to attend a legal procedure related to such incident, the member shall be granted paid leave for that purpose. Bargaining unit members acting within the scope of their employment responsibilities with respect to maintaining control and discipline of students shall be given support and assistance by the District.
- B. Any case of assault upon a staff member arising out of the performance of the staff member's professional responsibilities at school or school sponsored functions shall be promptly reported to the Board or its designated representative. Student placement will occur only after a safety plan has been put into place to protect staff to the satisfaction of all parties involved.

ARTICLE 11. SHARED TEACHING

Section 1: Definition

A tenured teacher may share a job with another teacher certified and qualified at the same level of teaching.

Section 2: Application

Application to share a job shall be made prior to sixty (60) days before the beginning of a new semester of school.

Section 3: Seniority

Accumulated seniority and leave days shall be carried into the job-sharing arrangement, in full by all teachers involved.

Section 4: Responsibility and Benefits

The job shall be shared in a prorated manner in terms of working responsibilities, salary and benefits. In the event such an arrangement is implemented during the school year, the sick leave accumulation shall be reduced proportionately for each participating teacher for the time period during which the arrangement is in effect.

Section 5: Board and Teacher Rights

The Board reserves the right to accept or reject any job-sharing request or the continuation thereof.

Section 6: Substituting

In the event one of the teachers agrees to substitute temporarily for his/her partner because the partner is temporarily absent, the substitute's pay shall be at the full per diem substitute rate. (NOTE: the full daily rate will be at the level set by the Board of Education for each year during the term of this contract. The intent is to remit to the teacher, who substitutes for his/her partner, a full day's substitute pay for one half day of instructional services.)

ARTICLE 12. LEAVES OF ABSENCE

Section 1: Sick Leave and Sick Leave Notification

- A. No deductions shall be made for absence to an aggregate of ten (10) days yearly, with maximum accumulation not to exceed one hundred fifty (150) unused days. Provided, any teacher who has accumulated more than one hundred fifty (150) unused sick days as of July 1, 1987, shall be allowed to retain such accumulation.

A maximum of ten (10) days per school year may be used for serious condition of the teacher's parents, current spouse or children. A medical note verifying the absence must be provided if administration suspects abuse.

"Serious condition" shall be defined as: major surgery, hospitalization for illness or injury, illness or injury requiring the services of a physician and which the attending physician considers sufficiently serious to require the employee to be present.

"Serious condition" shall not include: colds and sore throats, minor illness except in the case of a minor dependent where the dependent is prohibited from attending school, daycare and other child care services.

- B. The following procedure for securing a substitute teacher shall be in effect in the Harper Creek Community School District:

The teacher shall notify the designated substitute service of the teacher's absence, online or by phone before 6 a.m. (HS and MS) or 7 a.m. (Elementary). The teacher shall also notify their building administrator (or his/her designee) by phone contact, voicemail, email, or text message.

- C. Any teacher who is absent because of an injury or disease compensable under the Michigan Workers' Disability Compensation Act and who has sufficient accumulated sick leave, shall have the right to receive from the Board the difference between the allowance under the Workers' Compensation Law and the teacher's regular salary for the duration of the illness, deductible from his/her accumulated sick leave. The teacher's accumulated sick leave shall be charged proportionately for the salary differential. Example: if Workers' Compensation benefits are equal to 60 percent of the teacher's gross daily wage, the teacher's sick leave shall be charged .4 (four-tenths) of one day for the differential.
- D. Each year, preceding the closing of school in June, each staff member shall receive from the Administration Office a statement of the teacher's sick leave status; that is, the number of sick leave days used during the

current year and the number remaining to the teacher's credit at the time said statement is issued. The teacher must report any alleged errors within thirty (30) days after receipt of the statement. Otherwise, the statement shall be conclusive.

- E. Accumulated sick leave time shall terminate upon severance of employment.
- F. The Harper Creek Board will allow the transfer of up to a total of fifty (50) days from retired teachers' personal sick banks to the HCEA sick bank.
- G. Members can contribute no more than two (2) days to each bank per year. See HCEA By-laws for guidelines and formula. The District assumes no responsibilities for such procedures or decisions related to the use of the sick bank leave.
- H. Employees shall be given a bonus for attendance.

If a teacher uses three (3) or less sick days during the school year, the District shall pay the teacher a \$400 bonus at the end of the school year.

If a teacher does not use any sick days, the District shall pay the teacher an \$800 bonus at the end of the school year.

Notification to receive the compensation bonus must be received in writing to the Business Office within five (5) business days after the last day of school.

Donations to the HCEA Sick Bank are not included in the bonus determination and cannot be used to disqualify an employee from receiving this bonus.

Section 2: Personal Leave

- A. Two (2) days per year shall be granted for purposes of personal leave. Generally, personal leave should be used in situations of emergency for purposes of conducting personal business which is impossible to conduct on weekends, after school hours, or during vacation periods.
- B. Teachers desiring to use personal leave shall notify Administration by a written form provided by the District at least two (2) school days in advance of anticipated absence, stating the day(s) to be used for personal leave. After the submission of the form, the teacher shall appropriately notify the substitute teacher service. In the case of an emergency, leave can be approved by the Superintendent or his/her designee.

- C. Personal leave shall not be granted on the opening or closing days of school, or on the day prior to and following a vacation period, unless an emergency exists, and utilization is approved by the building principal.
- D. A teacher shall not use personal leave days on consecutive work days except in the case of extenuating or unusual circumstances when the use has received the prior approval of the Superintendent or his/her designee.
- E. Unused personal leave shall be credited to the teacher's sick leave accumulation.

Section 3: Bereavement Leave

Not more than five (5) days bereavement leave may be used in the case of the death of parent, spouse, child, step-child, sister, brother or any other person living in the same residence or who is an IRS dependent of the employee. Not more than three (3) days bereavement leave may be used in the case of the death of a grandparent, grandchild, aunt, uncle, mother-in-law, father-in-law, brother-in-law, sister-in-law or person to whom employee was engaged to marry. Not more than one (1) day sick leave may be used in the case of the death of any relative not listed.

It is expressly understood that limitations mentioned are for each such occurrence.

Section 4: Military Leave

A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States and consistent with the FMLA. Leave for military care giving and exigencies also shall be granted consistent with the FMLA. Upon return from such leave the teacher shall be entitled to re-employment as provided by State and/or Federal law.

Section 5: Court Appearances

A leave of absence may be granted a teacher called for jury duty service or where a teacher receives a subpoena for attendance at court in connection with the teacher's school job responsibilities. If the subpoena involves a non-school-related matter, a teacher may use up to one (1) leave day which shall not be charged against the teacher's credited leave accumulation. If the subpoena is continued by the Court or re-issued for more than one day, the teacher may use up to three (3) sick days for attendance at Court in such circumstances.

Leave shall not be available where the teacher has been subpoenaed to court in a matter where the teacher and/or Association are adverse parties to the School District and/or Board.

When leave is available under the above provisions, the Board shall pay an amount equal to the difference between the teacher's daily salary and the daily jury or witness fee (not including travel allowances or reimbursement of expenses) for each day on which the teacher reports for or performs jury duty or is subpoenaed into court and on which the teacher otherwise would have been scheduled to work. Such leave shall not be charged against the teacher's credited leave accumulation, except as otherwise specified above.

Section 6: Child Rearing/Family Medical Leave

- A. An unpaid leave of absence shall be granted to a teacher for the purpose of child rearing. Such leave shall be taken within the twelve (12) month period immediately following the birth or adoption of a bargaining unit member's child. The length of leave under this paragraph shall not exceed twelve (12) months, renewable at the discretion of the Board.
- B. Where a bargaining unit member, his/her spouse, child or parent has a serious health condition, an unpaid leave of absence shall be granted for a period of up to twelve (12) weeks, renewable at the discretion of the Board.
- C. A teacher adopting a child (children) or having a child (children) placed with him/her for foster care purposes shall begin his/her leave at any time between entry of a court order awarding custody and twelve (12) months after the child arrives in the home.
- D. In order to provide continuity within the classroom between pupil and teacher, the teacher shall notify the Superintendent in writing of his/her desire to take leave under this Article. The letter requesting leave shall include the proposed commencement date of the leave and the date of return. Except in the case of an emergency, teachers shall give such notice at least thirty (30) days prior to the date on which the leave is to begin.
- E. In the case of an adoption or foster care placement, a copy of the order awarding custody to the teacher shall be provided to the administration if requested in connection with a teacher's application for leave for those purposes. When leave is taken under this Article to care for a teacher's seriously ill spouse, child or parent, or due to the teacher's own serious health condition, the teacher will, upon administrative request, provide

medical certification from a health care provider supporting the necessity for the leave.

Teachers taking leave under this Article for medical and/or psychological reasons shall provide, at the Board's request, appropriate verification of the necessity for leave and the teacher's fitness to return to duty at the conclusion of the leave. The Board has the right to require that a second opinion (at the Board's expense) be obtained. If that opinion differs from that of the teacher's health provider, the health provider, the teacher and administration (in consultation with the Association, if requested by the teacher) shall mutually designate a third health provider whose opinion relative to leave eligibility or initial fitness to return to work shall be considered final and binding on the Board, teacher and Association. The cost of this examination shall be paid by the Board.

- F. A teacher who is disabled may continue in active employment provided he/she continues to perform his/her regular duties satisfactorily.
- G. All or any portion of a leave taken by a teacher because of a medical disability connected with or resulting from her pregnancy may, at the teacher's option, be charged to her available sick leave in accordance with State and Federal laws.
- H. The teacher shall, upon his/her return, be assigned the same or, if the position does not exist, an equivalent teaching position for which the teacher is certified and qualified, and shall be placed on the salary schedule at the step attained prior to such leave. For purposes of this Agreement, restoration to a bargaining unit position for which the teacher is certified and qualified shall be considered as restoration to an equivalent teaching position.
- I. The Board and the teacher agree to cooperate in scheduling commencement and return from leave at a time which minimizes disruption to the continuity of educational programming and service delivery.
- J. The Board of Education will continue premium payments for health care benefits up to twelve (12) weeks for a teacher who has been granted an unpaid leave under this section. If the teacher fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the teacher or other circumstances beyond the teacher's control), the Board shall have the right to recover all premium payments made during the unpaid leave interval with the exception of those premium payments attributable to the use or substitution of paid leave. These amounts may permissibly be deducted from any wage or other payments due the teacher, with any

deficiency to be remitted by the teacher to the Board within five (5) days of demand.

- K. The Board may hire substitute teachers to replace bargaining unit members granted leaves under this section.

Section 7: Voluntary Leave

- A. A tenure teacher may be allowed to take an unpaid voluntary leave for a period not to exceed one (1) year without loss or gain in seniority. Such leave must be in accordance with Article 7-Reduction in Staff.
- B. The Board agrees to provide for unpaid voluntary leave with the stipulation that there be no financial obligation as related to salary or fringe benefits while such person is on leave and provided that a certified and qualified replacement is available to insure that the quality of student instruction would not be diminished.
- C. It is agreed that the teacher may continue his/her insurance coverages during the leave by paying premiums to the District in accordance with the District's policies and time lines, to the extent permitted by the respective carriers.
- D. Requests for leave must be in writing and received not less than ninety (90) calendar days prior to the commencement of the leave, except in emergency situations where the Superintendent may approve the leave on shorter notice.

Section 8: Political Leave

The Association and District will follow the requirements of Act 169 of 1976, MCLA 15.401, et seq.

Section 9: Sabbatical Leave

- A. The Board may grant yearly sabbatical leaves at one-half (½) salary for two (2) tenure teachers who wish to pursue graduate work on a full-time basis, not to exceed one (1) year in duration. Where the Board is required to grant a sabbatical leave in accordance with Section 1525 of the Revised School Code or its successor provision, there shall be no obligation to continue the salary or other compensation of the teacher. Where a teacher takes sabbatical leave under Section 1525 of the Revised School Code, the Board shall consider allocating a stipend for the instructor from professional development funds.

- B. A teacher, upon return from a sabbatical leave, shall be restored to his/her former position, or to a position on the salary schedule, as he/she would have been, had the teacher taught in the District during such period. All teachers who accept sabbatical leaves shall agree to work in the District the school year following the sabbatical leave.
- C. Sabbatical leaves shall be granted only at the discretion of the Board of Education on the recommendation of the Superintendent.

ARTICLE 13. SALARY SCHEDULES

Section 7. Formula for Substitution Rates

At the beginning of each school year each teacher shall make an irrevocable election to be compensated for substitution work, under Option A, Option B, or Option C as provided below:

OPTION A: Teachers shall be reimbursed at their individual hourly rate of pay for teaching at the request of the principal for an absent teacher.

1. High School

$$\frac{\text{Annual Salary}}{\text{(number of instruction periods, plus prep period X number of teacher contract days)}}$$

2. Middle School

$$\frac{\text{Annual Salary}}{\text{(number of instruction periods, plus prep period X number of teacher contract days)}}$$

- 3. Elementary teachers** who are not relieved due to the absence of a special teacher shall be compensated according to the following formula for time the elementary teacher has charge of students when the special class would have otherwise occurred:

$$\frac{\text{Number of Minutes}}{326} \times \text{daily rate}$$

This shall not apply if the special class is rescheduled during the next ten (10) school days.

When a class of students normally assigned to an absent teacher is divided among other teachers, the time involved for substituting shall be apportioned among those teachers and will then be paid according to Option A, B or C.

OPTION B:

Teachers shall be reimbursed by compensatory time for substituting, at the request of the principal, for an absent teacher.

1. **High School** - Teachers will be granted one (1) compensatory period for each instructional period of substituting. When three (3) compensatory periods have been accumulated, one (1) compensatory day will be granted.
2. **Middle School** - One (1) compensatory period will be granted for each period of substituting. When two hundred seventy (270) minutes have been accumulated, one (1) compensatory day will be granted.
3. **Elementary** - Teachers who are not relieved due to the absence of a special teacher or who substitute for other teachers in addition to supervising their own classes shall be granted compensatory time. When three hundred sixteen (316) minutes of compensatory time are earned, one (1) compensatory day will be granted. This shall not apply if the special class is rescheduled within ten (10) working days.

When a class of students normally assigned to an absent teacher is divided among other teachers, the compensatory time involved for substituting shall be apportioned among those teachers.

Teachers desiring to use compensatory days shall notify the administration at least two (2) days in advance of anticipated absence stating the day(s) to be used for compensatory leave. Compensatory leave shall not be granted on the opening or closing days of school or on the days prior to and following a vacation, holiday or recess period. The administration reserves the right to limit the number of teachers taking compensatory time on a given day, considering the availability of substitutes.

Any unused compensatory time shall be paid at the conclusion of a school year under the formula specified in Option A. Compensatory time

shall not be used in less than ½ day increments and shall not be carried forward from year to year.

OPTION C:

Teachers substituting, at the request of the principal, for an absent teacher may elect to have credit applied to an internal District Budgetary account for the teacher's classroom funds for the purchase of computer related classroom supplies. The teacher would receive .5 of Option A above, and 1.0 of the amount of funds derived from Option A would apply to the before-mentioned classroom account. Teachers must follow District purchasing procedures for the expenditure of these amounts.

Section 8: Experience Outside of District

Newly hired teachers may be allowed a maximum of ten (10) years of credit for experience outside the District, within the sole discretion of the Board. Experience other than teaching experience which makes an employee more valuable than a beginning teacher may be credited within these experience limitations. Within one calendar month, the Association will be notified of such hiring and the rationale for that employment based on non-teaching years considered as experience.

Section 9: Degree Status Change

When a teacher shall have attained the next higher degree and shall have provided the Board of Education with evidence of this fact, the teacher shall be placed on the salary column which reflects the new degree at the opening of the next succeeding semester (this is to be prorated). Written notification of intent to be graduated shall be given to the Human Resources Department not later than November 10 to receive payment for second semester, and not later than July 15 to receive payment for succeeding school year.

Section 10: Check Stub Identification

The stubs attached to pay checks shall identify all deducts using either the code presently appearing on the stub or other identification.

Section 11: Tuition Reimbursement

The District will reimburse teachers at the rate of one hundred dollars (\$100) per credit hour, with maximum annual reimbursement for six (6) credit hours for each successfully completed class according to the following conditions:

1. Teachers enrolled in a university approved degree program will submit, in advance, to the Superintendent (or designee) for his/her approval, a list of the required courses for the program as well as the estimated time for completion of the degree. Teachers enrolled in an approved degree program must also obtain advance approval from the Superintendent (or designee) for elective courses within the program as well as any courses that are substituted for the originally approved required courses.
2. Teachers not enrolled in an approved degree program must submit individual courses for advance approval to the Superintendent (or designee).
3. Teachers shall not be eligible to receive tuition reimbursement for classes completed during the summer months until September and on the further condition that the teacher has returned to work in the District for the school year immediately ensuing the summer during which the classes were completed.

The total expenditure for tuition reimbursement shall not exceed \$12,300 each school year.

Tuition requests made by administration will not be deducted from the tuition reimbursement allocation.

Section 12: Retirement Notice

Employees who are eligible to retire in accordance with the Michigan Public School Employees Retirement and submit a letter of intent to retire at the end of the school year shall receive a retirement incentive of \$1000.

Letters of intent to retire must be received in the Superintendent's Office by 4:00 pm on March 1. The one-time lump sum payment will be paid on the 1st pay in June.

Re: Continuity of Learning Plan Due to Extended COVID-19 School Closure approved on 14 April 2020

The parties agree as follows:

1. Executive Order 2020-35 (EO 2020-35), issued April 2, 2020, by Governor Gretchen Whitmer, continues the suspension of in-person K-12 instruction for the remainder of the 2019-2020 school year. School buildings used to provide in-person K-12 instruction must remain closed for the remainder of the 2019-2020 school year *unless* restrictions on public gathering and use of school buildings are lifted before the end of the 2019-2020 school year.
2. Consistent with Section II.B.6. of EO 2020-35, the Association and the District collaborated in developing the District's Continuity of Learning (COL) Plan that will be implemented no later than April 28, 2020 for the remainder of the 2019-2020 school year.
3. Sections II.B.11 and IX.G of EO 2020-35 require implementation of the COL Plan subject to any applicable collective bargaining agreement (CBA) requirements. Unless expressly addressed in this Agreement, all provisions of the current CBA continue in effect with the following modifications.
4. The District shall have discretion, consistent with this Agreement, to implement measures necessary to meet the minimum requirements in EO 2020-35 to receive full State School Aid funding. The District will continue to confer with the Association about COL Plan implementation.
5. In light of EO 2020-35, Association bargaining unit employees are not required to report to work at their assigned building and will continue to receive contractual compensation and benefits during the school closure for the remainder of the 2019-20 school year.
6. The District agrees to pay bargaining unit members their full compensation under the following:
 - a. Article 12, Section 1H: Leaves of Absence based on bargaining unit member's attendance up to March 16th;
 - b. Article 13, Section 2: Longevity;
 - c. Article 13, Section 5: Coaches' Salaries;
 - d. Article 13, Section 6: Extra Duty Assignments.
7. Consistent with EO 2020-35 and Executive Order 2020-11, and any applicable local municipal or county order, certain District employees are permitted to be in District buildings as determined by District administrators as needed to conduct minimum basic school operations consistent with the District's COL Plan approved on 14 April 2020. No employee shall be put at risk of impacting their own health and safety or the health of others as a result of working for the remainder of the school year and/or implementing the COL plan approved on 14 April 2020.

District administrators will limit the presence of bargaining unit employees in District buildings to no more than is strictly necessary to implement the District COL Plan. Bargaining unit employees present in District buildings shall comply with social distancing practices and mitigation measures for COVID-19 as recommended by the federal, state, and local authorities.

8. During the time of the school closure, District-Provided Professional Development (DPPD) shall be offered to bargaining unit employees to enhance their skills and provide support to transition to remote instruction, assessment, and recording progress, as required by the District's COL Plan approved on 14 April 2020. Teachers will complete online Trauma Training by August 26, 2020. The training can either be STARR Online Trauma Training OR Michigan Virtual Social-Emotional Learning: Trauma - Informed Support (for 8 credit hours).
9. Teachers will evaluate students using the standards outlined in the District's COL Plan.
10. Teachers are not required to perform instructional duties that exceeds twenty-five (25) hours per week. Teachers may use flexible work hours outside the typical school day. Teachers may be redeployed to carry out meaningful work. To support the District's CoL plan approved on 14 April 2020, the twenty-five (25) hours of instruction shall include the following:
 - a. Teachers will create lessons for both electronic and print media. The District will be responsible for producing and distributing materials to students.
 - b. Teachers will participate in IEP/504 meetings if able and if given at least one full school day of notice.
 - c. Teachers will be available for parent/student contact up to four (4) hours/ week.
 - d. Teachers will meet with their respective CAT at least twenty (20) minutes/ week to identify and collaborate on weekly PowerStandards, assignments, and understandings.
 - e. Planning period meetings will be suspended during this agreement.
 - f. Teachers will attend staff meetings if able and if given at least one full school day of notice. Staff meetings shall not exceed sixty (60) minutes per meeting.
 - g. Teachers agree to complete wellness checks for student's families as necessary. The District will attempt to make the amount of calls equitable among the staff. After two (2) attempts per week to reach a student's family, the teacher will notify the administrator for follow up if unable to reach the family.
11. Changes to a student's IEP during the school closure period shall be communicated to applicable bargaining unit members.
12. A bargaining unit employee who was on a leave of absence before the school closure shall remain on that leave during the school closure, consistent with the CBA, pending an appropriate release by their health care provider allowing the teacher to perform essential functions under the COL Plan.
13. The District agrees to abide by Governor Whitmer's Executive Order 2020-35.
14. The district shall defend and indemnify its employees (directly and/or through its insurance carrier) against legal claims, causes of action and/or complaints (including judgments, damages, fines and /or penalties) relating to the employee's implementation of the COL plan approved on 14 April 2020.

15. This Agreement is a singular and one-time exception to the covenants in the parties' current collective bargaining agreement.
16. This Agreement does not constitute the establishment of a precedent, custom, practice, or binding working condition as to the interpretation, enforcement, or application of this Agreement between the parties, or any successor labor agreement between them as to any situation or circumstance other than the matter specifically addressed in this Agreement.
17. To the extent that this Agreement requires a waiver or temporary modification of the parties' CBA, the parties agree to such a waiver or temporary modification as necessary to perform this Agreement.
18. By entering into this Agreement, neither the Board nor Association waive any other rights or protections respectively afforded to them by the terms of the CBA, except as otherwise specifically waived, modified, or relinquished.
19. This Agreement expires on 2 June 2020.

Harper Creek Education Association/MEA/NEA

The Board of Education reserves the right to make additional proposals impacting finances, as well as the right to alter or modify or retract any of the proposals contained herein due to changing economic conditions and other legitimate bases. Nothing contained in this proposal shall be considered a waiver of the Board's statutory rights with respect to such matters under the Public Employment Relations Act. This proposal is made on the basis of present and anticipated fiscal and operating conditions. The Board of Education reserves the right to amend, modify or withdraw any aspect or component of this proposal based on changes in those conditions or in response to any future statutory enactments that pertain to any of the matters addressed herein.

Nothing in this "impact" proposal should be regarded as indicating that the Board of Education proposes or otherwise intends to continue any provisions of the Master Agreement, or a future letter of understanding, which pertain to prohibited subjects of bargaining in any Memorandum of Understanding, to the extent that such provisions pertain to prohibited subjects of bargaining. Further, the Harper Creek Education Association/MEA/NEA is hereby also notified that the Board of Education will not enter into or execute any Memorandum of Understanding which contains provisions embodying or pertaining to any prohibited subject of bargaining, as are more particularly set forth in Section 15(3) of the Public Employment Relations Act ("PERA").
