**ARTICLE 11**  
**GRIEVANCE PROCEDURE**

It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for peaceful settlement of disputes that may arise between them as to the application and interpretation of this Agreement. In order to be a proper matter for the grievance procedure, the grievance must:

- a. be presented within ten (10) days of the occurrence. The term "days" shall be defined as days when the Employer's central office is open for business;
- b. cite the specific part of the agreement violated;
- c. describe the violation;
- d. identify relief sought.

Upon meeting the above conditions, the Employer will answer, in writing, any grievance presented to it in writing by the Union. The following matters shall not be subject to the grievance procedure:

- a. any dispute involving the evaluation of an employee unless it is alleged that the evaluation constitutes discipline.
- b. any complaint within the jurisdiction of a state or federal agency;
- c. any complaint pertaining to the termination of a probationary employee;
- d. any dispute related to the provisions of any insurance contracts or policies.

Step 1 Any employee having a grievance shall present it to the Employer as follows:

- a. If an employee has a grievance, the grievance shall be discussed with the union steward.
- b. The steward and the grievant shall discuss the grievance with the immediate supervisor within ten (10) days of the grievant's knowledge of the facts upon which the grievance is based.
- c. If the matter is thereby not disposed of, it will be submitted in written form by the steward to the immediate supervisor within five (5) days of the date it was discussed with the immediate supervisor. Upon receipt of the grievance, the immediate supervisor shall sign and date the steward's copy of the grievance.

- d. The immediate supervisor shall give the answer to the steward within five (5) days of receipt of the grievance.

Step 2 If the grievance remains unsettled, it may be presented by the Chapter Chairperson, in writing to the Superintendent of Schools within five (5) days after the response of Step 1 is due. The Superintendent of Schools shall sign and date the Chapter Chairperson's copy. The Superintendent shall hold a meeting between the Union and all parties involved. A Council Number 25 representative may be present at the meeting. The Superintendent of Schools shall respond, in writing, to the Chapter Chairperson within five (5) days after the meeting has been held.

Step 3

- a. If the answer at Step 2 is not satisfactory, and the Union wishes to carry it further, it shall within ninety (90) calendar days from date of receipt of the Employer's answer at Step 2, file a Notice of Intent to Arbitrate, by sending a letter to the Superintendent of Schools. If the Union fails to request arbitration with this time limit, the grievance shall be deemed not eligible to go to arbitration.
- b. Upon written request by either party, after the Notice of Intent to Arbitrate, the Parties shall meet in order to attempt to resolve the grievance. Such meeting is not intended to be automatic for all grievances so as to defeat the purpose of Step 2. The meeting shall be composed of two (2) representatives of the Union and two (2) representatives of the employer. The Union members shall be the Chapter Chair and the Council 25 Representative, or their designee.
- c. If the Parties agree to resolve the grievance, its disposition shall be reduced to writing and signed by both the Union representatives and Employer representatives.
- d. The arbitrator shall be selected in accordance with the American Arbitration Association's rules and regulations.

NOTE: Arbitration of grievances is limited to the following articles: Agency shop, discipline and discharge, union dues, layoff and recall, suspensions, vacancy and promotion.

- e. The arbitration proceedings shall be conducted in accordance with the American Arbitration Association's rules and regulations.
- f. There shall be no appeal from any arbitrator's decision provided the decision is within the jurisdiction and authority of the arbitrator. The decision shall be final and binding

on the Union's members and the employee or employees involved, and the Employer. The arbitrator's jurisdiction and authority are subject to the following limitations:

1. The arbitrator shall make a judgment based on the express terms of this Agreement and shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this agreement.
  2. The arbitrator shall have no power to establish salary schedules or change any salary.
  3. The arbitrator shall have no power to interpret state or federal law except as may be necessary to determine whether a grievance is eligible to be arbitrated.
  4. The arbitrator shall have no power to rule on the following:
    - (a) The termination of services of or failure to reemploy any probationary employee.
    - (b) Any manner involving employee evaluation unless it is alleged that the evaluation constitutes discipline.
    - (c) Any complaint for which there is another remedial procedure or forum established by law or regulation having force of law.
  5. The arbitrator shall have no power to award interest or punitive damages.
- g. The expense for the arbitrator shall be shared equally between the Employer and the Union.
- h. Time limits to any grievance may be extended in writing for a mutually agreeable time at the written request of either party.
- i. The Chairperson and the steward of the Union committee shall be allowed reasonable time off the job without loss of time or pay to investigate grievances with prior approval of the appropriate program Director or the Superintendent.

If a grievance is not filed or appealed within the time limits set forth in this grievance procedure, the grievance shall be considered withdrawn and all further proceedings shall be barred. The Employer's failure to answer a grievance at any step within the applicable time limits shall constitute a denial of the grievance at that step and the grievance shall be automatically advanced to the next step.

## **ARTICLE 12**

### **DISCHARGE AND DISCIPLINE**

- A. Notice of discharge or discipline. The Employer agrees promptly upon discharge or discipline of any Employee to notify, in writing, the Chairperson of the Union.

- B. The discharged or disciplined employee will be allowed to discuss his/her discharge or discipline with the Chairperson of the Union and the Employer will make available an area where he/she may do so before he is required to leave the property of the Employer. Upon request, the employer will discuss the discharge or discipline with the employee and the Chairperson of the Union.
- C. Appeal of discharge and discipline. Should the discharged or disciplined employee and/or the Chairperson of the Union consider the discharge or discipline to be without just cause, a grievance shall be presented in writing through the Chairperson of the Union to the Employer within five (5) days, as defined by days when the Employer's central office is open for business, of the discharge or discipline. The Employer will review the discharge or discipline and give an answer within five (5) days after receiving the complaint. If the decision is not satisfactory to the Union, then matters shall be referred to the second step of the grievance procedure within five (5) days of the Employer's answer.
- D. Upon request, an employee shall have a union representative present at an investigatory meeting, which the employee believes could lead to disciplinary action.

**ARTICLE 13**  
**SENIORITY**

- A. "Seniority" shall be defined as the length of a bargaining unit member's employment in this bargaining unit from the employee's initial date of hire. If two or more employees are hired on the same date, the employee with the higher social security number will have the higher seniority.

Time spent on layoff or unpaid leave of absence shall not accumulate as service time for seniority purposes. However, accrued seniority shall be retained, subject to Paragraph E of this Article.

- B. All new employees shall be probationary employees for the first ninety (90) days, as defined by days worked in the position, of employment. Probationary employees who are absent on scheduled work days shall work additional days equal to the number of days absent and such employees shall not have completed their probationary period until these additional days have been worked.

During the probationary period, the employee shall have no seniority status and may be laid off or have employment terminated at the sole discretion of the employer.

- C. Upon satisfactory completion of the probationary period, the employee's name shall be entered on the seniority list as of the most recent date of hire, inclusive of the probationary period.
- D. The Employer shall prepare and maintain a seniority roster showing the length of service of each bargaining unit member. The roster shall contain the employee's name and date of hire. A copy of the list shall be furnished to the Chapter Chairperson not later than November 1, annually. If no objections are received within twenty (20) days, as defined by days when the Employer's central office is open for business, thereafter as to the accuracy of the seniority list, the Board's list shall be regarded as conclusive.

E. Loss of Seniority

Seniority shall be lost for the following reasons:

1. The employee quits (including, but not limited to, situations where a settlement has been made with the employee for separation).
2. The employee retires.
3. The employee is discharged (and not reinstated through procedures set forth in this Agreement).
4. The employee fails to return from an authorized leave of absence on the agreed upon date, unless the Employer and the employee shall have otherwise expressly agreed in writing.
5. The employee is absent for three (3) consecutive days without notifying the Employer, in which case the employee shall be considered a voluntary quit.
6. The employee is laid off or has not, for any reason, worked for the Employer for a continuous period exceeding twenty four (24) months.
7. The employee falsified information on his/her application for employment.
8. The employee fails to return to work within five (5) days after issuance of a notice of recall to the last known address of the employee as shown on the Employer's records. It shall be the responsibility of the employee to provide the Employer with a current address.

The enumeration of the above conditions for automatic loss of seniority (and separation from employment) shall not be regarded or construed as limiting the Employer's right to discipline or discharge employees for other reasons.

**ARTICLE 14**  
**WORKERS' COMPENSATION LEAVE**

Any employee who experiences an injury or disease sustained or contracted during the course of his employment by the Lakeview School District shall immediately report same to the District Business Office to permit timely notification to the District's Workers' Compensation insurance carrier. The District will continue the employee on paid status until loss time benefits, if compensable under the Michigan Workers' Compensation Law, are received from the District's insurance provider to the extent that the employee has adequate leave time available.

Any bargaining unit member who is absent because of an injury or disease sustained or contacted during the course of his/her employment by the Lakeview School District and which is compensable under the Michigan Worker's Compensation Act, shall, at the employee's option, receive fractional sick leave pay of the difference between the workers' compensation benefit and his/her regular salary deducted by said fraction until such time as his/her sick leave time is exhausted.

As with any other wage or paid leave payments (including fractional sick leave payments under this provision), any deductions required by law, the Agreement, or that are elected by the employee shall be withheld from this fractional leave payment. Additionally, payroll deduction is authorized for the employee's MPERS contributions that are the responsibility of the employee on any worker's compensation benefit received, as required by law. In the event that the balance of this fractional sick leave payment after deductions required by law is insufficient to cover any deductions required by this Agreement, elected by the employee, or the required employee MPERS contributions on any worker's compensation benefit received, those deductions will be billed to the employee, who shall pay the invoice within ten (10) days of receipt.

If an employee does not elect to receive fractional sick leave pay, the employee will be billed for the employee's MPERS contributions that are the responsibility of the employee on any worker's compensation benefit received, as required by law. The employee shall pay the invoice within ten (10) days of receipt.

**ARTICLE 15**  
**WORK SCHEDULE**

- A. The Board specifically reserves the right to schedule the work day, the work week, and the work year in accordance with program needs. Nothing in this Article shall be construed as a guarantee of a specific number of working hours per day or per week.

- B. The normal work week for full-time employees shall consist of a regular schedule defined at the beginning of the work year. Full time employees having a different work week will be notified, as will the Union.
- C. Regular daily working hours shall begin not earlier than 6:00 a.m. and end not later than 7:00 p.m. The Board reserves the right to change schedules when program or transportation needs require it. In this event, a minimum of three (3) working days notice will be given.
- D. Employees who are scheduled to work at least four (4) hours on a given day will be allowed one fifteen (15) minute paid work break daily to be scheduled by the immediate supervisor, taking into consideration program needs and the scheduled lunch period for each employee. Employees who are scheduled to work seven or more hours on a given day will be allowed two ten (10) minute paid work breaks daily to be scheduled by the immediate supervisor, taking into consideration program needs and the scheduled lunch period for each employee. Work breaks shall not be cumulative.
- E. The work day for those bargaining unit members scheduled to work at least thirty (30) hours or more per week shall include a lunch period of thirty (30) minutes duration to be scheduled by the immediate supervisor between 11:00 a.m. and 1:00 p.m. each day. Where the bargaining unit member is required to remain in their assigned facility for purposes of responding to work requirements during the lunch period, the thirty (30) minute interval shall be paid at the bargaining unit member's regular rate. Where the bargaining unit member is not required to respond to work requirements and remain in their assigned facility during the lunch period, the thirty (30) minute interval shall be unpaid.
- F. Scheduled days and hours of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fire, epidemics, mechanical breakdowns, or health conditions (as defined by city, county, or state health authorities) will be rescheduled as necessary to ensure instruction as prescribed by Michigan Law. Employees shall be excused from reporting for school on those days and hours, which are canceled due to the above conditions at the discretion of the employer.

Employees will receive their regular hourly rate for days and hours that are canceled but shall work on the rescheduled days and hours with no additional compensation. Employees, who with administrative approval, worked on canceled days shall be paid for work performed on rescheduled days.

If school is canceled, due to the above conditions, after buses have departed to pick up pupils, employees may be required to report and remain for all or a portion of their regularly

scheduled hours and shall be paid for time worked as well as for any rescheduled days/hours attributable to the cancellation of student instruction time on that day.

The parties agree that this contract provision has been negotiated to comply with the provisions of the Revised School Code and the State School Aid Act to ensure that the District will incur no loss of state aid. Further, the parties recognize the District's obligation to comply with requirements set forth by the State Board of Education respecting the number of "student Instruction" days as defined by that agency. In addition to any requirements of either the Revised School Code and/or the State School Aid Act to receive full state aid, the parties agreed to reschedule lost days of student instruction (attributable to the above conditions) to ensure the minimum number of instructional days required by the Department of Education for both regular school year and extended (e.g. 230 day programs).

Employees will follow the inclement weather cancellation and make-up schedule of the K-12 facility where their assigned duties are performed. Each employee shall be notified of his/her "assigned" building, for inclement weather purposes, at the beginning of the school year. However, assignments may be periodically changed as dictated by needs.

## **ARTICLE 16**

### **JOB DESCRIPTIONS/DUTIES**

Upon hiring, the employer shall furnish the employee with the standard written job description for his/her job. Where job descriptions are changed significantly, the employer will discuss the changes with the Union.

## **ARTICLE 17**

### **EVALUATIONS**

- A. The main purpose of paraprofessional evaluation is the improvement of instruction by helping and encouraging each paraprofessional to improve his/her performance including continued development of effective instructional support and increased student achievement. Evaluations shall not be used as a tool for discipline.
- B. Paraeducators will be evaluated annually. Evaluations shall take place prior to the fourth (4<sup>th</sup>) Friday in May. If a paraprofessional is not evaluated during this time, he or she is to be considered as performing his or her duties at the Effective level as measured by the categories of Highly Effective, Effective, and Ineffective.

- C. Formal evaluations will be made by the building principal with input from the teacher with who the paraprofessional works and/or is assigned. A written evaluation will be prepared by the evaluator, with one copy given to the paraprofessional, one copy maintained by the principal, and the original provided to the Assistant Superintendent for Human Resources for placement in the paraprofessional's personnel file.
- D. A copy of the evaluation form will be available to any paraprofessional upon the paraprofessional's request.

**ARTICLE 18**  
**EMPLOYEE PROTECTION**

Any case of assault upon an employee shall be promptly reported to the supervisor or designated representative. The Board shall render assistance to the Employee in connection with the handling of the incident by law enforcement authorities.

**ARTICLE 19**  
**INVOLUNTARY TRANSFERS**

Involuntary transfers may occur due to declining enrollment or to more effectively serve the needs of students. When reassignments are made, the union will be advised of the rationale for making the change of assignment. An effort will be made to reassign employees in a manner that does not reduce the number of hours of the affected employee.

**ARTICLE 20**  
**LAYOFF AND RECALL**

- A. The word "layoff" means a reduction in the work force, or hours.
- B. When a reduction in the number of paraeducator staff positions will result in layoff, the Superintendent or his/her designee will confer with the Chapter Chairperson of the Union regarding the reasons and the impact of the proposed layoffs.
- C. When a layoff takes place, employees not entered on the seniority list shall be laid off first provided that a more senior employee is qualified to perform the duties of the remaining positions. Thereafter, employees shall be laid off in the inverse order of their seniority, i.e., the least senior employee on the seniority list being laid off first provided there are employees qualified to perform the duties of the remaining positions.

- D. Employees to be laid off will receive at least five (5) calendar days notice of the layoff. The Chapter Chairperson shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.
- E. Laid off employees may at their option become substitutes.
- F. When the working force is increased after layoff, employees will be recalled according to seniority with the most qualified senior employee on layoff being recalled first. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within five (5) work days from receipt of the notice of recall, he/she shall be considered a quit. In proper cases, extensions may be granted by the Employer.
- G. Employees will remain on the recall list for twenty-four (24) months following layoff or the length of their seniority whichever is less.

**ARTICLE 21**  
**VACANCIES**

- A. A vacancy shall be defined as a newly created position represented by the Union in this bargaining unit or a present position represented by the Union in this bargaining unit which position becomes vacant by reason of the permanent separation (resignation, death, discharge) of the bargaining unit member formerly in said position.
- B. Vacancies shall be posted for five (5) days, as defined by days when the Employer's central office is open for business, in a conspicuous place in all buildings before being filled. The Board shall not be required to post more than one (1) vacancy resulting from the successful bidding or transfer of a bargaining unit member to a vacant position during the regular school year. Employees wishing to receive summer postings shall provide a self-addressed stamped envelope to the Employer.
- C. After the expiration of the posting period, the Board may fill the position by transfer of an employee or by awarding the position to another applicant. In making the decision to award the position to the applicant, the Board will consider the qualifications, skills, abilities and experience of the applicants including the length of service in the school district and other relevant factors. When all factors are equal, seniority will prevail. The applicant selected shall be notified of his/her selection and the time and place to report for work.

- D. Employees desiring to apply for an initial vacancy must make written application within the posting period.
- E. Employees awarded a vacancy in accordance with the terms of this Article, will be granted a thirty (30) day, as defined by days worked in the new position, trial period to determine:
  - 1. Ability to perform the job; and
  - 2. Desire to remain in the new job.

At the close of or during the trial period, the Board may return the employee to his/her former position if he/she is unable to perform the job, in the Board's judgment. The employee may voluntarily return to his/her former position at any time during the trial period. During the trial period, the Board may utilize a substitute in the former position of the employee who has been awarded the vacancy.

**ARTICLE 22**  
**RESIGNATIONS**

An employee is requested to give two (2) weeks written notice in advance of leaving, if possible.

**ARTICLE 23**  
**CONSOLIDATION OR ELIMINATION OF JOBS**

The Employer agrees that a consolidation or elimination of jobs will not be affected without a meeting with the Union.

**ARTICLE 24**  
**SICK LEAVES OR ABSENCES**

- A. All paraeducator employees employed by the District will be allowed up to ten (10) days paid sick leave per school earned at a rate of one day per month. This leave is cumulative; and if not used, carries over to subsequent years in full, with the limitation that the employee may not accumulate such sick leave in excess of one hundred (100) days.
- B. The Superintendent or designee can, in sole discretion and at the District's expense, order a medical report or a physician's examination concerning the health of an employee who uses

paid sick leave in excess of five (5) days, or exhibits a pattern of absenteeism or suspected abuse.

C. Sick leave may be used for:

1. the employee's illness;
