- A. The word "layoff" means a reduction in the work force in excess of that attributable to normal attrition. A reduction in hours does not constitute layoff if it is less than twenty-five percent (25%) of the employee's regularly scheduled weekly hours. However, if the employee's hours are reduced as referred to in this article, they will not suffer any loss in benefits as described in Article 41. A reduction in hours as described above will be preceded by a Special Conference as described in Article 7.
- B. For purposes of layoffs, the layoff of employees classified as food service employees will be handled separately from the layoff of employees classified as maintenance and grounds employees. Layoffs will be within each of these separate classifications. If the employer determines a layoff is necessary, the following procedure shall be mandatory:

Temporary and probationary employees shall be laid off first provided, however, that the remaining employees must be qualified to perform the work which was being performed by the temporary and probationary employees. Then seniority employees shall be laid off in reverse order of their seniority provided, however, that the more senior employee may be laid off while a less senior employee is retained if the more senior employee is not qualified to do the work being performed by the less senior employee.
- C. Maintenance and Grounds Employees to be laid off for an indefinite period of time shall have at least twenty-one (21) days and Food Service Personnel at least twenty-one (21) days' notice in writing of the layoff, and the Union Committee Chairperson shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.

- E. An employee on layoff shall be allowed to remain in the insurance group by paying the appropriate monthly premiums.
- F. Substitutes and/or temporaries will be called from the current pool of those on layoff status, without regard to seniority status. If none of the personnel in this

pool are available for substituting, or cannot be reached by phone, needed substitutes will be hired from whatever source is available.

- G. Employees (on layoff status) hired either as substitutes or to fill temporary additional positions, will be paid at the substitute rate. For purposes of this Section, an employee is a substitute if he/she is hired to temporarily replace a member of the bargaining unit who is temporarily absent and intends to return. NOTE: If a laid-off employee substitutes in excess of twenty (20) consecutive days, he/she will be paid at step one of the Grounds/Support Classification 3 rate. If a laid off employee opts to keep his/her insurance at his/her own expense, said employee will have his/her insurance paid after twenty (20) consecutive days worked.
- H. A Food Service employee whose position is eliminated may claim only the least senior position in his/her classification. If there is none, the employee will claim the least senior position in the next lower hourly position until the least senior person is eliminated. The employee shall be offered the first opportunity to return to his/her former position for two (2) years. A Maintenance or Grounds employee whose position is eliminated may claim only the least senior position in his/her classification until the least senior person is eliminated. The employee will be offered the first opportunity to return to his/her position in his/her classification for two (2) years. Any Maintenance or Grounds employee whose full-time position is eliminated may claim the least senior position provided the individual employed in the part-time position has less seniority. An employee may claim a position pursuant to this section only if he/she is qualified for the position.
- I. A Food Service employee transferred as above (H.) shall be allowed to bid on any job vacancies or new positions. A Maintenance or Grounds employee transferred as above (H.) shall be allowed to bid on any job vacancies or new positions.
- J. For purposes of layoff, the Union Chapter Chair and stewards shall be considered to have "super seniority" and to be at the top of their respective seniority list. The Union will indemnify the Employer for all costs and liability related to challenge of the application of super seniority brought by any Employee and/or on his/her behalf.

Laid off employees will be recalled to such vacancies for which they are qualified with the most senior employee being recalled first. For purposes of this section, a vacancy shall be defined as a position which is unfilled because it is newly created or because the employee who held the position has permanently severed his/her employment in the bargaining unit. The notice of recall will be sent to all recalled employees at their last known address by registered or certified mail. It is the employee's responsibility to establish that the employer has his/her current address. Within ten (10) days from the date of

receipt of the notice of recall, the employee must provide the employer with written notice of his/her acceptance or rejection of the recall. If the employee fails to respond within the aforementioned ten (10) day period, or if the employee rejects the recall, this shall constitute the employee's voluntary resignation from employment. In proper cases, exceptions may be made by the employer.

If the decision is made to fill the position, it will be filled with a probationary hire within ten (10) days. If the position becomes a vacancy, and the Employer chooses to fill that vacancy, it shall be filled in accordance with Section 24 of this agreement.

Vacancies that the Employer has determined should be filled and which are not filled by transfers of bargaining unit members will be filled within thirty (30) days with a probationary hired employee.

- B. Employees interested shall apply for the position by signing the bid posting within the two (2) day period. All bids shall be posted for two (2) days no later than the second workday of the week. The selected employee shall be notified of the awarded position. He/she must accept or reject the position of award at the time of notification. If accepted, the employee will be placed into the new position within five (5) days.
- C. Vacancies shall be filled on the basis of qualification, ability, past performance, work related experience inside and outside the District and seniority. The following shall apply:
 - 1. The selected employee shall be granted a four (4) week trial period to determine:
 - a. Ability to perform the job; and
 - b. Desire to remain on the job.
 - 2. In the event the senior applicant is denied the job, reasons for denial shall be given, in writing, to such employee and the Chairperson of the Union.
- D. During the four (4) week trial period, the employee shall have the opportunity to revert back to his/her former classification and wage. If the employee is unsatisfactory in the new position, notice and reasons shall be provided, in writing, to the employee and the Chairperson of the Conference Committee. The matter may then become a proper subject for a Conference Committee meeting; it is also agreed that if the results of said meeting are not acceptable to the union, the matter may be referred to the grievance procedure, at the second step. If the grievance is not granted, the employee shall be continued in his/her former classification and wage.
- E. During the four (4) week trial period, the employee will receive the rate for the job he/she is performing.

In situations where Maintenance and Grounds employees are requested to work in a higher paying position for the purpose of covering for an employee who is on a long-term

illness, or filling a vacancy, the Board will pay such employee the higher rate from the first day of such service.

- D. The Employer may require an Employee to submit a Doctor's note acquired at the Employee's expense if the Employer suspects such leave is being abused based upon the Employee's excessive absenteeism or a pattern of absenteeism. Written notice will be sent to an employee suspected of abuse.
- E. A doctor's note required of an employee who is absent shall at least identify the date the employee is expected to be able to return to work. A doctor's note requested of an employee who is returning to work after an absence shall at least: 1) identify any work restrictions and 2) identify the duration of the restrictions.
- F. An employee who is absent due to illness or disability shall be entitled to a leave of absence for one (1) year. After sick leave is exhausted, the remainder of the leave shall be unpaid. Additional unpaid leave may be granted in the discretion of the Employer. The employee may be terminated if he/she is unable to return to work upon expiration of the leave of absence.
- G. The Employer and Union agree that employee attendance is important and that the Employer's operations are adversely affected when employees are absent. This will not preclude the use of high school students hired under Federal or State funded programs and District work experience programs, provided they are not used to reduce, displace, or replace the hours of bargaining unit employees. Administrators and supervisors may operate District vehicles otherwise used for maintenance and grounds purposes where bargaining unit employees are not-reduced, displaced, or replaced during their regular hours. If it is determined that the insurance provider can offer coverage for a single parent plus a child in such a way that it is not considered comparable coverage to that offered for an individual and spouse or is not offered in lieu of such coverage, thus meeting the requirements as addressed in Q12 and A12 in the State of Michigan Department of Treasury Public Act 152 of 2011; Publically Funded Health Insurance Contribution Act Frequently Asked Questions, the District agrees to include a single parent plus a child in the cap calculation at the same rate as family coverage. Representatives of the District and the Association shall meet to discuss the June reconciliation. If it is determined that employee contributions through payroll deduction do not satisfy the amount required to comply with Section 3 of the Publically Funded Health Insurance Contribution Act (PA 152 of 2011), any additional required employee premium contributions will be made through payroll deduction on the final payroll in June. If it is determined that employee contributions through payroll deduction will exceed the amount required to comply with Section 3 of the Publically Funded Health Insurance Contribution Act (PA 152 of 2011), this excess amount will be distributed proportionately (using MESSA's rate determination factors as listed above) as an adjustment to the required premium withholding from the final payroll in June.

42. CONTRACT MAINTENANCE

The District and the Association agree to meet (at a minimum) three times a year to review any language that is in question and to incorporate any Letter of Agreements (LOA's) that have been agreed upon. Either the District or the Association may ask for additional meetings if they are deemed to be necessary and appropriate.

43. DURATION OF AGREEMENT

This agreement shall become effective as of the date it is ratified by the parties and shall remain in full force and effect for a period of three (3) years thereafter, until June 30, 2021.

IN WITNESS HEREOF, THE PARTIES HAVE EXECUTED THIS AGREEMENT BY THEIR DULY AUTHORIZED REPRESENTATIVES.
