If due to an emergency situation, the Board assigns a non-bargaining unit employee to perform bargaining unit duties on a permanent (year long) basis, then the affected person shall be subject to the Master Contract, with all rights, privileges and responsibilities, including any fees or assessments assigned thereto, prorated for the amount of time spent in bargaining unit work.
 - 2. If the bargaining unit duties are in an area usually subordinate to the supervisory employee who will be performing in both capacities, then that employee shall be evaluated by his immediate supervisor in the area of his bargaining unit work as well as his usual position.

Provided further, that no such variations shall be precedent setting nor shall they extend beyond the life of this Master Agreement.
2.  - c. Each building school improvement team will define and document the decision making procedures for their own building.
5. The Board of Education and the Marcellus Education Association agree that employee participation in decision making is effective in providing positive results for education. A school improvement team will be formed in each building comprised of teachers, administrators, and when possible non-instructional staff, and may include parents and students. The school improvement teams will have the empowerment under the correlates of effective schools as delineated in the district school improvement plan to investigate, implement and change existing procedures and practices in their buildings to improve educational services. Any changes must be mutually agreed upon by the Board and the school improvement team of the affected building.

 2. When delivery of related school health services such as clean intermittent catheterization, suctioning, tracheotomy and similar procedures are necessary to maintain a student in a regular classroom, such services shall be performed by an aide or other qualified personnel other than a regular classroom teacher. Teachers will be provided appropriate training before they will be required to deliver related school health services, except in emergency circumstances.  - 5. Should such involuntary payroll deduction become legally disallowed, the employer shall, at the written request of the Association, terminate the employment of such bargaining unit member within thirty (30) days of receiving the notification by the Association. The parties agree that the failure of any bargaining unit member to comply with the provisions of this article is just cause for discharge from employment.

6. Upon written authorization by a bargaining unit member or pursuant to paragraph 4, the Employer will deduct the appropriate amount of the dues or service fees from the bargaining unit member's wages. Such authorization shall continue in effect from year to year unless revoked in writing between August 1st and September 1st of any year. Pursuant to such authorization, the Employer shall deduct one-fifteenth (1/15) of such dues or fees from each regular salary check of the employees beginning in September until paid in full. Deduction for employees employed after the commencement of the school year shall begin with the next scheduled pay period for all employees to pay their appropriate dues or fee in full prior to or with the last paycheck in May.

1. If situations occur where teachers are being subjected to acts of violence, attacks by students resulting in damage to their homes and property, or general

harassment, all of which affect the well-being and mental states of both the teacher and members of their immediate families so that they feel they cannot live comfortable lives and carry out normal activities without fear of continuous assaults, the Board or its representatives will make every effort, cooperating with local law enforcement agencies, to apprehend the guilty parties and will take appropriate action to the extent the law allows.

ARTICLE XV – LAY-OFF AND RECALL PROCEDURE

A. LAY-OFF PROCEDURE

1. Should substantial and unforeseen changes in student populations, financial conditions, or other changes cause the elimination of or reduction in programs, thus necessitating the lay-off of personnel, the following procedure shall prevail:
 - a. The Board shall, by April 15th, give notice of lay-off to the individual(s) involved. Should an emergency situation cause a lay-off to become necessary at any other time of the year, the Board shall notify the teachers to be laid off as soon as they are aware of the situation and provide no less than thirty (30) days notice of the effective date of the lay off.
 - b. Teachers shall be laid off in the inverse order in which they were hired except as follows:
 - 1) To the extent permitted by law, probationary teachers shall be laid off first, beginning with first year probationary teachers, followed by second year, and then third year probationary, and finally fourth year probationary provided that there is a tenured teacher who is certified and qualified to perform the duties of the position being vacated by the probationary teacher, unless such position is being eliminated altogether.
 - 2) If further reduction is necessary, then tenure teachers in the specific positions being reduced shall be laid off on the basis of seniority, and said teachers shall have the right to displace a teacher with less seniority, if such teacher is certified and qualified to perform the duties of the position to be staffed.

- c. If for any reason the Board anticipates a reduction in staff, it shall, before taking action, consult with the Association to receive recommendations regarding priorities and procedures to be followed. Such recommendations shall not be binding upon the Board, but will merely serve as suggested guidelines, except that procedures as outlined in the contract shall be followed.
2. Changes in a teacher's certification while on lay-off shall not affect the teacher's status during the lay-off period. Laid off personnel shall not lose benefits accrued during the previous school year.

B. RECALL PROCEDURE

1. The Board shall re-hire teachers in the inverse order in which they were laid off provided that:
 - a. The teacher is certified and qualified to perform the duties of the position to be staffed.
 - b. The obligation of the Board to re-hire a teacher shall terminate thirty-six (36) months following lay-off, or upon the failure of the teacher to report his acceptance of the offered position within fifteen (15) work days from the date of receipt of the notice of recall (unless an extension is granted by the board in writing), whichever shall first occur.
 - c. Notice shall be given to the teacher at the last address furnished by the teacher in writing.
 - d. Notice shall be sent to the teacher by registered or certified mail.

The list will include years of experience and graduate credit hours, and each teacher will be expected to review his own credentials and make known any error to the superintendent within twenty (20) work days.

2. Seniority is defined as length of continuous service within the district from the date of the teacher's first contract.
 - a. It is agreed by both the board of Education and the Marcellus Education Association that Article XV, Section C, Paragraph 2 of the Master Agreement shall be interpreted to mean that seniority will be accrued only in the years in which a teacher is actively employed by the Marcellus Community Schools.
 - b. Any teacher who takes a leave of absence of one or more full years for whatever reason, shall maintain the seniority she/he gained prior to her/his leave, but shall not accrue seniority during the years of her/his leave of absence.
 - c. A teacher who resigns her/his position with the Marcellus Community Schools shall lose all previously accrued seniority in the event that teacher is rehired by the Marcellus Board of Education.

They shall remain listed on the bargaining unit seniority list for one full calendar year after leaving the bargaining unit. After the calendar year expires, their name shall be removed from the bargaining unit seniority list.
 - e. Former bargaining unit members accepting an administrative position within the district prior to January 1, 2006 and currently on the bargaining unit seniority list, shall remain on said list until they terminate their employment with the district. No additional bargaining unit seniority or steps shall accrue for these individuals while they are in administrative positions.
3. In the event two (2) or more teachers have the same length of service within the district, seniority will go first to the teacher who has had the most teaching experience outside the district. Should the length of service both inside and outside the district be the same, then the teacher with the greater number of graduate hours will be granted higher seniority.
4. Those teachers having a fifty (50%) percent or less contract will advance one-half (1/2) a year on the seniority list. Those teachers having more than a fifty (50%) percent contract will advance one (1) year on the seniority list.

 3. Representatives from both parties shall when practical meet four time each year for the purpose of discussing, interpreting, and evaluating implementation of this contract. They shall also discuss proposed changes or additions which may be perceived to be needed.
