- G. In the event of promotion in the department or transfer from one department to another, the employee shall be given a thirty (30) workday trial in which to show his/her ability to perform the new job. The employer shall give the employee promoted or transferred, reasonable assistance to enable him/her to perform up to employer standards on the new job. If the employee is unable to demonstrate ability to perform the work required during the trial

All seniority earned and frozen prior to the ratification of this agreement shall be restored.

ARTICLE 15 – LAYOFF AND RECALL

- A. When a reduction in the working force is necessary, bargaining unit members shall be laid off in accordance with departmental seniority. That is, the employee with the least department seniority shall be laid off first.

In the selection of employees for layoff, the school district shall retain those bargaining unit members with the greatest seniority provided they are properly qualified and physical able to perform the available work.

- B. Departmental is defined as the Secretarial/Clerical, Aides, Tutors, Bus Drivers, Custodial/Maintenance, and Culinary classifications.

- E. Employees whose positions have been eliminated due to reduction in work force or who have been affected by a layoff shall have the right to assume a position for which they are qualified prior to a new hire.
- F. Laid off employees may continue their insurance benefits by paying the regular monthly per subscriber group rate premium for such benefits to the employer.

Laid off employees who complete the full academic year shall continue to receive full fringe benefits throughout the summer months. Employees who are laid off during the academic year shall receive a prorata share of the academic year benefits (i.e., 4½ months of employment equals 6 months of fringe benefits). An employee, who is scheduled to work full twelve months but is laid off, will receive fringe benefits for two months after his layoff date.

- G. Employees on layoff shall retain their seniority for purposes of recall for a period of two (2) years. Any employee on layoff for more than two (2) years shall lose his/her seniority and any further rights under this agreement.

ARTICLE 16 – WORK DUTIES AND COMPENSATION

- A. The general duties of each employment category shall be as set forth in Appendix A (Job Descriptions).
- B. The basic compensation of each employee shall be as set forth in Schedule A. There shall be no deviation from said compensation rates during the life of this agreement.

This rate will remain the same for all drivers regardless of their regular salary step.
- E. APPENDIX A

ASSIGNING TRANSPORTATION EXTRA TRIPS & SHUTTLE RUNS

- A. An extra trip/shuttle run board will be posted by the lead bus driver no later than 2:30pm on Mondays. A voluntary weekly selection meeting will be held every Tuesday beginning at the end of the morning routes for the purpose of assigning extra trips and shuttle runs that occur that week Wednesday through the Tuesday of following week.
- B. Employees who wish to drive extra trips or shuttle runs, but are unable to attend the selection meeting that week may make arrangements by notifying the supervisor in writing prior to the start of the selection meeting. In the event a driver is absent, and does not notify the supervisor in the manner noted above, it will be considered declining the extra trips and shuttle runs for the week and his/her name will be rotated to the bottom of the list.
- C. Extra trip and shuttle run selections will be made according to seniority and rotated through each driver. Once a trip/run is offered to the driver first in the rotation, he/she will not get another selection until all the other drivers have been offered an extra trip or shuttle run.
- D. Extra trips and shuttle runs will be posted in order by date of departure. When more than one extra trip or shuttle run is posted for a day, the next driver in rotation will have his/her choice of trips posted for that day only. Like shuttle runs for a day, as determined by the lead bus driver, will be offered as a single package unit.
- E. Trips received or called in after the completion of the selection meeting, to be completed before the next selection meeting, will be posted and offered starting with the next eligible driver that is up for a trip on the rotation list. Drivers not accepting such a late call-in will not lose his/her position in rotation for regular trip selection.
- F. If a trip is cancelled, the driver awarded will be the first driver offered the next unassigned extra trip as a replacement. In the event that the driver does not accept the replacement trip/run, it will be offered to the next driver on the rotation list. The acceptance or rejection of a replacement trip/run will not modify any driver's position on the list rotation.
- G. Trips turned back in by a driver after being awarded will be offered to the next eligible driver in rotation. Acceptance or rejection of turned back trips will not be considered a normal trip selection and will not modify any driver's position on the list rotation.
