WITNESSETH: WHEREAS, the parties hereto have reached an agreement for the purpose of facilitating the peaceful adjustment of differences that may arise from time to time and promoting harmony and efficiency to the end that the parties hereto may mutually benefit, the parties hereto covenant and agree as follows.

ARTICLE I

MANAGEMENT RIGHTS

SECTION 1 - Management Rights - The Board, on its own behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right to the executive management and administrative control of the school system and its properties and facilities, and the work-related activities of its employees; to hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote and transfer all such employees; and the exclusive right to plan the work, direct the work force, determine qualifications as referred to in this Agreement, hire new employees, and discipline employees for just cause.

The Employer agrees not to use their management rights for the purpose of discrimination and

any grievance arising out of the exercise of this right and responsibility shall be subject to the grievance procedure. This section is not to conflict or disagree with the Agreement between the parties or any State or Federal law.

ARTICLE II

RECOGNITION

SECTION 1 – Recognition – The Union shall be and is hereby recognized as the sole and exclusive bargaining agency for the purpose of collective bargaining with respect to rates of Pay, Wages, Hours of Employment, and other Conditions of Employment for the employees of the Employer as defined in this paragraph. The term Employees, as used in this Agreement, shall mean all Custodians I and II, and Maintenance Personnel, with the exception of Supervisors.

The District shall not negotiate individually with any bargaining unit member concerning wages, hours, terms, or conditions of employment.

SECTION 2 - Non-Discrimination - The Employer recognizes and will not directly or indirectly interfere with the rights of employees to be members of the Union and will not discriminate against employees on account of Union membership or activity. Neither the Union nor any of its members will intimidate or coerce any employee or interfere with his/her right to work because of his/her refusal to participate in Union membership or activity. An employee shall be able to attend union meetings and functions (one per month) provided that prior notice (24 hours) be given to the supervisor. It is understood that the employee must make up said time. It is also understood that said request may be denied in emergency situations.

SECTION 3 - School Facilities - The Union shall have the right to use school facilities, as approved by the administration, for union-related meetings. Telephones and inter-school mail will be available for legitimate union business. Any costs associated with the use of the Employer's telephones will be reimbursed by the Union.

SECTION 4 – Staff Performance Recognition - The Board of Education will recognize employees who have demonstrated outstanding individual and/or team performance. The district shall establish a Board Policy and Administrative Guideline for such staff recognition.

ARTICLE III

REPRESENTATION AND GRIEVANCE PROCEDURE

SECTION 1 - Definition

- a. A grievance is an oral and/or written complaint upon an event or condition which is allegedly in violation of this Agreement.
- b. The grievant is the person or persons making this claim.
- c. The term days mean working days.

SECTION 2 – Grievance Committee - For the purpose of effectively representing the employees coming within the jurisdiction of the Union and this Agreement, the Union shall select a grievance committee consisting of three members, all of whom shall be employees of the Employer. The Union shall furnish the Employer with the names of the grievance committee members and the Employer agrees to deal with these representatives of the union in settling grievances and in bargaining under this Agreement.

SECTION 3 - Grievances - Employees attending mutually arranged grievance meetings will not lose any regular pay nor be paid extra for time spent outside of the regularly scheduled hours.

Any step of the grievance procedure may be extended by mutual written agreement between the parties. A matter involving two or more employees and the same issue, may be submitted by the Union as a class action grievance in writing within ten (10) working days of the event giving rise to

the grievance or not later than ten (10) working days after the facts giving rise to the grievance should have reasonably been known to the employees involved.

SECTION 4 - Grievance Procedure - Grievances shall be taken up for adjustment in each case as necessary as follows: In order to be considered in the grievance procedure, a grievance must be filed not later than ten (10) working days after the event giving rise to the grievance or not later than ten (10) working days after the facts giving rise to the grievance should have reasonably been known to the employee(s) involved.

STEP # 1:

An employee who has a grievance concerning his/her employment should promptly, and in no event later than ten (10) working days after occurrence, inform orally his/her immediate supervisor.

The Supervisor shall then set a place and time within the next two (2) workdays for an oral presentation of the grievance. If the aggrieved employee wishes, a grievance committee member may assist the employee in the oral presentation.

If the aggrieved employee does not receive a satisfactory answer within two (2) working days after the oral presentation, the grievance may be submitted in written form to the immediate supervisor to be submitted to the Superintendent or his/her designee at Step #2, provided the submission is made within five (5) working days following an unsatisfactory answer at Step #1 or lack of answer thereof.

STEP #2:

Upon receipt of the written grievance, the Superintendent or his/her designee shall set a hearing to be held within ten (10) working days from the date the written grievance is submitted. The aggrieved employee may have a member of the Grievance Committee represent them at the hearing.

If the aggrieved employee does not receive a satisfactory answer or no answer within five (5) working days after the written grievance is heard in Step #2 by the Superintendent or his/her designee, the union may request that the written grievance be submitted to Step 3.

STEP #3:

Upon receipt of the appeal from Step 2, the Superintendent or his/her designee shall schedule a Step 3 meeting to be held within ten (10) working days. The aggrieved employee shall have the assistance of the Grievance Committee at the hearing as well as a representative of the International Union.

If the aggrieved employee does not receive a satisfactory answer or no answer within ten (10) working days after the written grievance is heard in Step 3 by the Superintendent or his/her designee, the Union may give written notice to the Superintendent of its intention to give to arbitration.

STEP #4:

Within ten (10) working days from receipt of the Step #3 answer, or lack of answer thereof, either party may request the Michigan Employment Relations Commission to assign a Mediator to assist in resolving the grievance.

In the event that neither party requests mediation, or if mediation services are unavailable or unsuccessful, either party may file for arbitration to the Michigan Employment Relations Commission with a copy of the notice sent to the other party.

Either party desiring to arbitrate will notify the other party in writing setting forth the matter or matters to be arbitrated. The arbitrator shall be selected in accordance with the rules of the Michigan Employment Relations Commission, except each party shall have the right to peremptorily strike no more than three names from the list of arbitrators. The Union shall strike the first name; the District shall then strike one name. This process shall be repeated three times.

The decision of the arbitrator will be final and binding on the parties. The arbitrator will have no power to add to, detract from, or modify the Agreement, and the subject of a general wage increase shall not be subject to arbitration. The expense of the arbitrator will be borne equally by the parties hereto. A grievance, to be subject to arbitration, must involve the meaning or application of the Agreement or an alleged violation thereof. Employees attending grievance

meetings shall not be paid extra nor lose time while attending such meetings.

The Committee shall have the right to call in a Representative of the International Union at any time. The Chairman of the Grievance Committee will be permitted a reasonable amount of time away from his/her work with pay to assist in the adjudication or investigation of grievances or complaints. He/she shall attempt to perform such duties at such times as will have a minimal effect on his/her work and will secure the consent of the Supervisor before leaving his/her job. Such consent shall not be arbitrarily withheld.

Expedited arbitration may be utilized by mutual agreement of both parties.

ARTICLE IV

DISCHARGE AND SUSPENSION

SECTION 1 - Discharge and Suspension - An employee who is discharged or suspended, who considers such discharge or suspension without just cause, may present a grievance within ten (10) working days of such action, as provided in Article III, Section 4, to the Third step of the grievance procedure.

ARTICLE V

SENIORITY, LAYOFF AND PROMOTIONS

SECTION 1 - Seniority - Seniority when referred to in this Agreement shall be unit seniority. Unit seniority shall mean the amount of seniority accumulated by the employee within the bargaining unit.

For employees hired on the same date, the employee's birth date will determine seniority with the oldest being senior.

SECTION 2 - Loss of Seniority - Seniority shall be broken only by discharge, voluntary quit, retirement, or layoff for more than two (2) years, or not returning from a leave of absence within two (2) years. In the event of recall, a laid off employee shall be given one week's notice of recall by certified mail to the employee's last known address. In the event the employee fails to make him/herself available for work at the end of said one (1) week without an acceptable reason, all seniority rights shall be lost under this Agreement.

If the employee is absent from work for two (2) consecutive working days without notifying the Employer prior to or within such two (2) day period of a justifiable reason for such absence, if it was possible for such notice to be given, the employee shall lose all seniority rights under this Agreement.

A bargaining unit member who accepts a position with the Employer in another bargaining unit of the United Steel Workers, AFL-CIO, will have their seniority in the bargaining unit frozen as of the first day they accept the position in the other bargaining unit. An employee who transfers to an excluded position with the Employer has one year to indicate in writing to the Employer of their wishes to return to their former position in the bargaining unit and must return within one year. Without this notification, the employee shall be severed from the union.

Any employee staying in a supervisory position after one (1) year shall not have the right to return to the bargaining unit unless such time period is mutually extended by the bargaining unit and the Employer.

SECTION 3 - Promotions - The parties recognize that job opportunity and security should increase in proportion to length of service and ability to perform the work. It is agreed therefore that in all cases of promotion, demotion, transfer, recall, and layoff the following factors shall be considered:

- a. bargaining unit seniority
- b. physical fitness for the work
- c. ability (qualifications) to perform available work

Where factors (b) and (c) are relatively equal, unit seniority shall be the governing factor. In the event of a dispute over the relative equality of factors (b) and (c) in the case of any employee, a trial period of thirty (30) days or a certification period of ninety (90) days shall be provided if requested by the grievance committee of the Union after a full discussion of the matter with the Employer. The question of ability and/or physical fitness for the job shall be determined by the Employer at the end of such trial/certification period.

Job announcements will be posted for six (6) working days. Jobs may be posted for fewer working days upon mutual agreement of the Union and District.

The District may run the internal and external posting concurrently if they are aware that no internal candidate possesses the qualifications to be awarded the position. Should an internal candidate present the District with evidence of meeting the qualifications during the internal bid process, the existing employee with highest Unit seniority will be awarded the position.

When awarded a bid, the employee will be moved within twenty (20) working days.

SECTION 4 - Reduction In Force - In the event of a reduction in force that necessitates the layoff of any employee from the system, the employee with the least seniority within the bargaining unit will be the first to be laid off regardless of his position. However, in order to be retained or recalled the employee or employees must be able to perform available work efficiently.

Employees to be laid off for an indefinite period of time will be given a written notice of layoff at least ten (10) working days prior to the effective date. Also, the employer shall give written notice to the Local Union President and the Chairperson of the Grievance Committee on the same day as the employee is notified.

When it is necessary to reduce the number of employees in any job classification due to elimination of the job, a reduction in the number of employees in that job or other reason, the employee on the job with the least seniority will be released from that job. Such employee will then be allowed to displace an employee with less unit seniority on another job classification provided the displacing

employee is able to satisfactorily perform the duties of the job the employee seeks to displace into. Any employee displaced under this procedure will, in turn, have a like right until, by the process of elimination, the employee with the least unit seniority is laid off or, if no layoff is contemplated, is assigned other work by the Employer.

Employees on layoff shall be placed at the top of the substitute list and given priority status and will be paid the regular union rate of pay for the job they are performing. Employees who are collecting unemployment compensation benefits agree to forfeit their eligibility for such benefits for the day(s) they are called to work and do not report for work.

Laid off employees shall have their sick leave frozen during the time of layoff. Employees shall be removed from the lay off list after a two year period, and shall no longer be subject to recall.

Any employee who has been accepted into a new position through the displacement procedure will be placed in the new position no later than the first week after acceptance.

SECTION 5 - Probation - New employees shall be on probation for a period of one hundred twenty (120) working days before they accrue seniority rights and the right to release such probationary employees shall be vested exclusively in the Employer regardless of other provisions of this Agreement. Probationary employees retained in excess of one hundred twenty (120) working days shall have seniority from date of hire. The one hundred twenty (120) working day probationary period may be extended by mutual agreement by thirty (30) working days.

New Employees - Within two weeks following the end of the probationary period, the employer will notify the union secretary of the status of the employee.

If a vacancy is posted within the bargaining unit during an employee's probationary period, the employee will be permitted to bid providing they meet the prescribed qualifications, however, their selection shall be at the sole discretion of the District without recourse to the grievance procedure. If the employee is selected for the promotion, a new one hundred twenty (120) day probationary period will be required.

SECTION 6 - Permanent Vacancies - Within ten working days after the actual occurrence of a permanent vacancy, a notice will be electronically mailed to all members of the bargaining unit and sent electronically to building secretary to print and put in mailbox for members indicating the vacancy. The notice will contain the position, its location, and hours when less than full time. All positions will be abolished and re-bid that have a permanent minimum change of two hours in assignment or change that would cause a change in benefits or when there is a change in primary duties.

Should the position remain vacant after the bidding process, a new employee will be hired in a reasonable amount of time.

SECTION 7 - Temporary Vacancies - When temporary vacancies occur, they will be filled on the basis of seniority and qualification without undue interference with the regular work schedule. Vacancies hereunder shall not be subject to the bidding procedure.

SECTION 8 - Temporary Workers - The parties recognize that it is necessary to employ temporary workers at times.

A temporary worker shall be defined as one who is hired for a specific project not to exceed sixty (60) calendar days without intent on the part of the employer to reemploy the temporary worker after the temporary job is completed. A temporary worker shall accrue no seniority while so employed.

SECTION 9 - Substitute Workers - The parties recognize that it is necessary to employ substitute workers at times. A substitute worker shall be defined as one who is hired to replace Union members who are absent from work because of an approved leave or due to illnesses, vacations, resignation, or dismissal. Such substitute worker shall accrue no seniority.

SECTION 10 - Handicapped - The parties agree that employees handicapped by physical impairment in a manner or degree to restrict their ability to perform assigned work should receive special consideration under the seniority provisions.

Any employee so handicapped shall have the obligation to furnish medical proof in the form of a written statement from their physician detailing the impairment. Copies of the statement shall be submitted to the Superintendent or designee and the local Union President.

Accordingly, any seniority provisions may be altered or waived with respect to such employees as mutually agreed between the Employer and the Union. It is understood that the provisions of this Section are inapplicable to employees eligible for retirement.

SECTION 11 - Performing Supervisory Work - When a supervisor is absent, the person appointed by the administration in writing, to take their place shall receive one dollar (\$1.00) per hour above their present rate for the time spent replacing the supervisor.

Upon mutual agreement between the union and administration, the administration may offer supervisory duties to an employee regardless of seniority. The administration will give initial consideration to employees within the bargaining unit. The supervisory duties are not considered automatically part of a specific work assignment. The employee has the right to refuse the duties, and/or accept a trial period of one year or less. At the end of the trial period, the employee may retain the supervisory duties or return to their former duties.

ARTICLE VI

WAGES, HOURS AND WORKING CONDITIONS

SECTION 1 - Schedules – Unless a position is bid otherwise, there is hereby recognized a normal eight (8) consecutive hour day, five consecutive day week of forty (40) hours, Monday through Friday with lunch breaks ranging from twenty (20) minutes to one (1) hour in length.

The starting and ending times will not be changed for the purpose of avoiding the payment of overtime.

1. All pay for custodians who drive bus when a substitute has not been called in to cover for the custodian will be at one and one-half (1½) times their hourly rate.
2. For all field trips confined to a single day, the rate will be applied to actual driving time from departure until returning to base. Time shall be computed from the time the employee is ordered to report to work and registers in, and until the time the employee is effectively released from duty.

All unit members will receive his/her payroll compensation by direct deposit.

Employees scheduled for an overtime assignment in any building will be given as much advance notice as possible and will be scheduled so as to allow adequate time prior to the commencement of the activity to prepare properly and adequate time afterward to close the building properly. In the event the employee is not given adequate notice and cannot fulfill the assignment, he shall notify a Supervisor of his inability to work the requested time.

Call-Out – Employees called back to work shall be entitled to a minimum of two (2) hours of pay either regular or overtime as necessitated by the forty (40) hour week limit. Additional work needed under this provision will be verified in writing by the person representing the group using the facility.

SECTION 6 – Compensatory Time - Bargaining unit members may be granted time off with pay rather than receiving overtime pay. All hours granted as time off with pay for hours worked in excess of forty (40) hours in a workweek are to be considered as compensatory time and scheduled as one and one-half (1½) hours for each overtime hour worked.

The use of compensatory time must be arranged by mutual agreement between the employer and the employee and used when school is not in session or when mutually agreeable with the supervisor. Compensatory time shall be used during the fiscal year in which it was earned.

An employee who has accrued compensatory time shall upon termination of employment, be paid for the unused compensatory time at the regular rate earned by the employee at the time the employee accrued the compensatory time.

There shall be a uniform method of recording the earning and usage of compensatory time.

The parties will then meet promptly to attempt to agree on a rate of pay for such job. If the parties agree on a new rate of pay, it becomes effective with the institution of the new job.

If the parties are unable to agree on a new rate or if they are unable to agree on whether or not a job change is substantive enough to warrant a rate change, the Employer may institute the rate proposed by the Employer and the Union shall have ten (10) working days in which to file a

grievance protesting the equity of such rate and the matter will be processed through the grievance procedure, including arbitration. In the event a grievance is filed hereunder, the Employer shall not be liable for more than up to ten (10) days back pay prior to the date the grievance was filed.

Upon return to work after a leave of four (4) months or less, the employee will be returned to the job last held before such leave. An employee returning from a leave of four (4) months or longer will be placed in the job formerly held if possible or as an alternative, may be placed on another position at equal pay.

If the absence is to continue beyond the first day, the employee must notify the Supervisor on a daily basis unless otherwise arranged with the Supervisor. In proper cases, exceptions will be made.

An employee shall lose status as an employee and seniority if absent from work, including the failure to return to work at the expiration of a leave of absence, vacation or disciplinary layoff, for two (2) consecutive working days without notifying the Employer, except when the failure to notify and work is due to circumstances beyond the control of the employee.

The insurance outlined above shall be available to all employees who indicate a desire for such coverage immediately without a physical examination. Any employee who does not indicate a desire for such coverage immediately may be required to take a physical exam if he/she later requests such coverage, in accordance with insurance carrier rules.

A booklet outlining details of the insurance coverage shall be made available to the employees as soon as it is published.

SECTION 3 – Insurance Coverage – Part-time employees hired after March 1, 1999 who elect coverage, are eligible for coverage based on the following participation rate

Employees scheduled to work 6.70 hours to 7.79 hours per day could elect to receive single subscriber coverage for health, dental and vision insurance up to 100% of the single insurance cap. SECTION 9 - Insurance Caps

Health	2017-2018	2018-2019	Total Annual Caps
1 Person	\$528 per month	\$528 per month	\$6,336 per year
2 Person	\$1,105 per month	\$1,105 per month	\$13,260 per year
Family	\$1,422 per month	\$1,422 per month	\$17,304 per year

Cap figures are applied to the total cost of premium, taxes, and fees as per PA 152.

The district reserves the right to modify the insurance coverage or change carriers subject to the insurance caps listed above.

The employee co-pay will be equal to any costs over the above rates and will be deducted from the bargaining unit member's pay by payroll deduction. The Board agrees to maintain a qualified IRS Section 125 *Cafeteria* Plan that the bargaining unit member may enter into; employee portions will be deducted by a salary reduction agreement. In the event the said options become taxable, the Board shall not be liable for said taxes, subject to the provisions of PA 152.

Should the cost of insurance for the group fall below this amount, the savings will be divided among all the United Steelworkers eligible for insurance (the group). The actual insurance costs will be computed in June as soon as the June bill is final and compared to what the total would have been for the group for the year. The savings will then be divided equally among the members eligible for insurance. The year shall be considered July 1 – June 30, the same as the district's fiscal year. The savings will be calculated and paid, if savings exist, each year of this contract. Any and all taxes and retirement costs associated with the payment shall be the responsibility of the employee. The savings shall be paid to the employees through the payment plan mutually agreed upon by the Group and Administration each Fall. Any employee who leaves employment prior to June or who starts employment after July shall be entitled to a pro-rated amount for this payment based on the months they were employed.

For example, should the yearly savings for the group amount to \$336,600 and there are 99 members in June that are eligible for insurance, each would receive \$3,400 less any and all taxes and retirement costs.
