LETTER OF AGREEMENT
BETWEEN
PICKFORD PUBLIC SCHOOLS
AND
PICKFORD EDUCATION ASSOCIATION

The Pickford Public School District and the Pickford Education Association agree that for the 2019-2020 school year, the weekly Kindergarten Physical Education Class will be allowed to exceed the 38-student cap for Physical Education as specified by Article VI, Section 8, of the current collective bargaining agreement.

The classroom teacher will receive extra compensation in the amount of \$300 for the year. The additional compensation will be paid during the pay period that most immediately follows the execution of this agreement. Further, the District agrees to maintain, for the remainder of the 2019-2020 school year, the current staffing of the Kindergarten Physical Education Class to include:

- all high school mentors that are currently assigned to 5th period PE
- two (2) adult paraprofessionals assigned to the Kindergarten classroom (for the maximum time permitted by their daily schedule)

The parties agree that this Letter of Agreement expires at the end of the 2019-2020 school year, and furthermore, the parties agree that this is not a precedent setting event.
