LETTER OF AGREEMENT
BETWEEN
PICKFORD PUBLIC SCHOOLS
AND
PICKFORD EDUCATION ASSOCIATION

The Pickford Public School District and the Pickford Education Association agree that for the second semester of the 2020-21 school year, the 5th grade classroom will be allowed to have up to three (3) students over and above the 31 student limit as specified by Article VI, Section B, of the current collective bargaining agreement. The parties agree that a split will occur upon the enrollment of the thirty-fifth student into the classroom.

The classroom teacher will receive extra compensation in the amount of \$1,000 per pupil per semester, for each student above the 31 student limit, based on the number of students officially enrolled in their class as of the fourth week of the semester. The additional compensation will be paid during the last pay period in March for the second semester. Further, the district agrees to arrange intervention and special education provider schedules to maximize support provided during language arts and mathematics instructional blocks in the 5th grade classroom for the remainder of the 2020-21 school year.

The parties agree that this Letter of Agreement expires at the end of the 2020-21 school year and furthermore the parties agree that this is not a precedent setting event.
