ARTICLE I - RECOGNITION

St. Johns Public Schools will make every effort to employ well-qualified and dedicated individuals who are interested in the welfare of children and the community. The quality of education in St. Johns Public Schools is determined not only by the Board of Education and the administrative staff, but to a great extent by the contribution of each individual employee.

Food Service Employees should take pride in their work, be willing to improve skills and accept responsibility toward getting their job done. All positive work efforts, done to the best of everyone's ability, benefit the child ultimately, if not directly.

Any employee of the school, when dealing with the general public, shall be courteous, friendly and businesslike, so as to reflect positive credit upon the Board, the school system, and oneself.

Personnel covered under this Agreement include all cafeteria employees. Excluded shall be the supervisor of cafeteria services and all other employees not listed in the seniority list.

It is the policy of the St. Johns School District that no person shall, on the basis of race, color, national origin, sex, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity and in employment.

ARTICLE II - MANAGEMENT RIGHTS

- A.** The Board, on its behalf, and on behalf of the electors of the school district, retains and reserves unto itself, without limitations, all powers, rights, authority, duties, and responsibilities, conferred upon and vested in it by the laws and the Constitutions of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:
1. To the executive management and administrative control of the school system and its properties, facilities, and employees;
 2. To manage and direct the working forces, including the right to hire, assign, promote, transfer, suspend, discharge, and demote employees; subcontract; determine the size of the work force and layoff of employees;
 3. To determine the services, supplies and equipment necessary to continue its operations and to determine the means, schedules and standards of operation for accomplishing district goals and objectives;
 4. To adopt rules and regulations;
 5. To determine the qualifications of employees;
 6. To determine the number and location or relocation of its facilities, including the establishment or relocation of new school buildings, departments, divisions or subdivisions, and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities;
 7. To determine all financial and educational policies;
 8. To determine the size of the management organization, its functions, authority and organizational chart.
- B.** The exercise of these powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations, practices, and the use of judgment and discretion, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the Constitution and the laws of the State of Michigan and the United States.

ARTICLE III - ASSOCIATION RIGHTS

- A.** The Association and its members shall have the right to use school building facilities for meetings as provided by Board Policy. Bulletin boards and other established communication media shall be made available to the Association and its members as provided by Board policy.
- B.** The Association shall have the right to use "inter-office" school mail for purposes of communicating with Association members, within the policies of the St. Johns Public School's Board of Education.
- C.** The Association will also have the right to use district copy machines on a cost per page basis and within the guidelines and policies established by the Board of Education and each building's administration. Use of these machines will not occur during employee work hours or during the student instructional day.

ARTICLE IV – DAYS/HOURS, VACANCIES, ASSIGNMENTS AND TRANSFERS

- A.** The cafeteria supervisor will assign all new positions, at least two (2) weeks prior to the beginning of the school year, when possible.
- B.** Work Days - Employees working from four hours up to six hours shall be entitled to one fifteen minute paid break. Employees working six hours or more shall be entitled to two fifteen minute paid breaks; employees may combine for one, "longer," break period.

All work schedules shall be assigned by the supervisor.

- C.** Work Week – The work week shall be considered Saturday through Friday.
- D.** Work Year - Employees will work the days that school is in session all day, through the normal lunch period. In addition employees will work one day prior to the first meal and one day after the last day student meals are served as scheduled by the Food Service Supervisor based on program needs.
- E.** Whenever a substitute or replacement is needed to replace a Food Service worker, the supervisor will assign a substitute or replace the vacancy with an existing Food Service employee or a substitute employee. In filling the vacancy, the supervisor will try not to disrupt the normal and routine operations of the kitchen. If using existing employees to fill the vacancy, the supervisor will consider the skills needed to do the tasks, training of the employee, attendance, availability and ability of the employee.
- F.** When an existing Food Service employee fills a vacancy for an extended period of time, five (5) consecutive days or more, and the vacant position is paid at a higher rate of pay, the employee is eligible for the higher rate of pay after five full days of working/training in the vacant position. If an employee has previous experience in the higher paid vacant position, the five-day "working/training" period will be waived and the higher rate of pay will begin at the start of the new (vacant position) duties.

Any existing employees who work their own shift and any additional shifts or hours are not entitled to any paid breaks unless they work four or more consecutive hours.

In the above situations, it is the employee's responsibility to complete any paperwork and the pay rate change on their time sheets.

- G. Employees are expected to be at their regular assignment location at their scheduled starting time.
- H. Any change in work hours of an employee must have prior approval by the supervisor.
- I. School Cancellations: If scheduled instructional days are cancelled due to inclement weather or other conditions which make it impractical to hold classes, employees will be compensated at their daily rate of pay for the first four (4) of these days that occur. All make up days will be without additional compensation, except for time card employees.

New employees will receive snow days up to four (4) days or the number that are left for the remainder of the year when they are hired, whichever is less.

For the 2015-16 school year, when school is cancelled due to conditions not within the control of school authorities, such as inclement weather or health conditions, the first two (2) full days cancelled, employees will not be required to report and will not be paid.

Employees may be required to report for work on days when school is cancelled and will receive compensation, per this contract, for such additional time worked.

In the event that during the life of this agreement, it becomes lawful for the purpose of state membership aid, to count as days of pupil instruction days when pupil instruction is not provided due to conditions not within the control of school authorities; such as, due to severe storms, fires, epidemics, bomb threats, bomb scares, or health conditions, it is agreed that the employees shall be excused from reporting to duty without loss of pay. Days lost due to school closings under this eventuality shall not be rescheduled, unless otherwise required by state law to qualify for state aid.

- J. Vacancies/Postings/Transfers – All new or open positions will be posted for five (5) days prior to filling the position. If filling the vacancy from existing employees, the supervisor will consider past work performance, ability to get along with other employees and students, training, attendance, and ability of the employee.
