hereinafter called the **Association**, and the **Delta-Schoolcraft Intermediate School District** hereinafter called the **Board**. The signatories shall be the sole parties to this Agreement.

WITNESSETH

WHEREAS, both parties have reached certain understanding which they desire to confirm to this Agreement.

In consideration of the following mutual covenants, **IT IS HEREBY AGREED** as follows:

**ARTICLE I
RECOGNITION**

A. Recognition Provision: The Board hereby recognizes the Association as the exclusive bargaining representative as defined in Section 2 of Act 379, Public Acts of 1965 for the unit consisting of all certified teaching personnel, career-technical education personnel on annual authorization, speech therapists, occupational therapists, physical therapists, school social workers, school psychologists, teacher consultants, non-administrative program coordinators, alternative education coordinator and teachers, adult education coordinator and teachers, but excluding substitutes, per diem employees, supervisors, administrators, and all other employees excluded by State Law. The phrase, "professional staff member" when used hereinafter in this Agreement shall refer to any employee represented by the Association in the bargaining or negotiation unit as above defined.

B. Negotiations with Association: The Board agrees not to negotiate with any professional staff member organization other than the Association for the duration of this Agreement.

C. Rights Under Law: Nothing contained herein shall be construed to deny or restrict any employee or the Board of rights either may have under the Michigan General School Laws.

D. School Improvement Program: The Board and the Association recognize the value of providing an instrument to address mutual concerns within each building. It is because of this recognition that the Board and the Association mutually support the concept of the School Improvement Program (SIP).

The Board and the Association further recognize that utilizing the professional abilities of the workforce within building level, committees will create a high-quality professional atmosphere that can lead to solving emerging problems.

The building committees will not deal with contractual issues. Problems of a contractual nature will be handled according to the grievance procedure of the Master Agreement. Any decision reached by the building committee will be supported by the committee and communicated to and agreed to by a majority of the building staff. Decisions reached may not be in conflict with Board policy or the Master Agreement.

Participation in a SIP Committee is voluntary and shall be open to any association member pending approval of the superintendent. SIP committee meetings will be kept to the regular working hours of the day, unless mutually agreed upon by all participating parties.

ARTICLE II EXTENT OF AGREEMENT

A. Agreement in Writing: This Agreement shall constitute the full and complete commitment between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in written and signed amendments to this Agreement.

B. Individual Contracts: Any individual contract including Letters of Agreement for special projects, restricted grant funds, Summer Diagnostic team members, etc. between the Board and an individual professional staff member shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement during its duration shall be controlling. A copy of each type of individual contract shall be given to the Association and remain unchanged for the duration of the contract.

The parties agree that every professional staff member permitted to work will be required each school year to sign an individual contract of employment as provided in Section 1231 of the Revised School Code and that every such contract shall contain the following:

"This contract is subject to a collective labor agreement heretofore or hereafter negotiated by the Board and the exclusive bargaining representative of professional staff members employed by the Board."

C. Priority of Agreement: This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms.

D. Conflict with Law: If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE III CONTINUITY OF OPERATIONS

A. Uninterrupted Operation: Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operation. Since the parties will establish a comprehensive grievance procedure to which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work disruption during the period of this Agreement. The Association, accordingly, agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any strike (as said term is defined by the Public Employees Relations Act). The board agrees that it will not engage in a lockout so long as this Agreement is in effect.

B. Emergency Closing of Schools: In the event that weather conditions or other acts of God require that the Intermediate School District be closed, the employer shall notify the employees by announcing said closing on local radio stations RRN, WDBC, AND WLUC TV6.

Professional support staff will not be required to report for the days/hours as allowed by State Law. All days beyond those allowed by state law will be rescheduled with the Administration.

Instructional staff will not be required to report for the "Act of God Days" days/hours as allowed by State Law. All days beyond what is allowed by law will be rescheduled according to the school calendars for the building of their assignment, i.e. Manistique Satellite Center, Learning Center and the DSISD Career-Technical Center.

ARTICLE IV ASSOCIATION DUES/FEEES AND PAYROLL DEDUCTIONS

A. Association: Employees covered under this contract may elect to join the Association (NEA/MEA) or not pay dues or service fees. If allowed by law, the board agrees to reinstate Association dues payroll deduction.

If duplication of reports for the Association results in additional cost to the district, such cost will be billed to and paid for by the Association.

F. Official Association Representative at Board Meetings: If the president of the Association wishes items placed on the agenda for the regularly scheduled board meeting, the president shall make such request of the Board seventy-two hours prior to the meeting. The Board shall recognize the president of the Association or his/her representative as a matter of new business. Items not received before the deadline may/may not be added at the time of the meeting.

G. Job Descriptions: The Association and the administration shall work jointly in establishing all professional job descriptions. The Association's executive committee will represent the Association in said activity.

ARTICLE VIII GRIEVANCE PROCEDURE

SECTION A: Claim of Violation: A grievance shall be defined as a claim by any professional staff member or the Association which is an alleged violation or inequitable application of the terms or conditions of this Agreement.

SECTION B: Employee's Rights: An individual employee shall have the right at any time to present his/her own grievance to the school district and to have the grievance fully adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this Agreement and the bargaining representative has been given the opportunity to be present at such adjustment. Individual employees may not arbitrate a grievance.

SECTION C: Step 1 - Oral Discussion: In the event that a professional staff member believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with the immediate supervisor, either personally or accompanied by the Association representative. The grievance must be filed within fifteen 15 days of the occurrence of the alleged grievance, or within ten (10) days of when such events should reasonably have been discovered (not to exceed three months). All reference to days in the grievance procedure shall mean working days.

Both parties shall sign and date a receipt which specifies that the oral discussion took place and the reason for the grievance. Within ten (10) days of the oral discussion the immediate supervisor shall render a decision concerning the disposition of the grievance and give it orally to either the professional staff member filing the grievance or the Association.

SECTION D: Step II - Written Presentation: If the grievance is not resolved in Step 1, the employee or the Association may reduce the grievance to writing and present it to the Superintendent or a designee for a written answer. The written grievance shall be on a form provided by the Association and shall be filed within five (5) days of the oral denial, but under no conditions shall it be later than fifteen (15) days from the presentation of the oral discussion at Step 1.

The written grievance must state the facts giving rise to the grievance, the date on which the grievance arose or was discovered, the Article(s) of this Agreement alleged to have been violated, or the change in terms or conditions of employment which gave rise to the grievance. Further, the grievance shall state the contention of the employee or the Association and shall indicate the relief requested. The grievance shall be signed and dated by the employee or the Association representative. The superintendent or a designee shall give the employee or the Association a reply in writing on the disposition of the grievance within five (5) days after receipt of the written grievance. After step 2, either side may request non-binding mediation through MERC.

SECTION E: Step III - Referral to the Board: If the grievance is not resolved in Step II, the professional staff member or the Association may, within five (5) days after receipt of the superintendent's written answer (or a designee's), appeal the grievance to the Board of Education. Within five (5) days of receipt of the appeal, the Board of Education shall meet with the Association and the professional staff member(s) on the grievance, giving the professional staff member and the Association the opportunity to be heard. Within five (5) days of such meeting, the Board shall indicate in writing their disposition of the grievance and furnish a copy thereof to the professional staff member and the Association.

SECTION F: Step IV - Arbitration: If the Association is not satisfied with the disposition of the grievance by the Board or, if no disposition has been made within the period provided, the matter may be referred to arbitration within 10 days. The matter may be referred to arbitration only by the Association. The Association shall give notice to the Board that the Association is referring the matter for arbitration. The party seeking arbitration shall file a request with the American Arbitration Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the rules of the American Arbitration Association.

The arbitrator shall hear the grievance in dispute and shall render the decision in writing within thirty (30) days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the employer, the Association, and the employee or employees involved.

The arbitrator shall have no authority except to pass judgment upon alleged violations of the provisions of this Agreement and to determine disputes involving the application or interpretation of such provisions and shall have no power or authority to add to, subtract from or modify any of the terms of this Agreement. The arbitrator shall not render any decision which would require or permit an action in violation of the law.

SECTION G: Fees and Expenses of the Arbitrator: The arbitrator's fees and expenses shall be shared by the employer and the Association equally. The expenses and compensation for attendance of any employee, witness, or participant in the arbitration shall be paid by the party calling such employee, witness, or requesting such participation.

SECTION H: Time Limits: The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. If the grievance is not advanced to the next step within the allotted time limit by the grievant, it shall be deemed abandoned and shall be ruled in favor of the employer. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the superintendent and the professional staff member or Association shall meet to determine adequate time limits which would expedite the processing of the grievance.

SECTION I: Expiration of Contract: Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

SECTION J: Exclusions: The following subjects covered and governed by the terms and provisions of this Agreement shall not be subject to the grievance procedure:

1. Any complaint or dispute involving the discharge, termination or demotion of a teacher.
2. Any non-renewal of a probationary teacher or other professional staff covered by this agreement, or termination of a probationary staff member.
3. Any claim or complaint should not be grieved for which there is established another remedial procedure or forum established by law, including alleged disputes within the jurisdiction of the Equal Employment Commission, Civil Rights Commission, Michigan Employment Relations Commission, or Michigan Tenure Commission.

ARTICLE IX REDUCTION OF STAFF

SECTION A: Seniority: No later than thirty (30) days following the ratification of this Agreement, and by October 1 each year thereafter, the employer shall prepare and post in every building of the district a seniority list. Every employee shall have the right to contest his/her placement on the seniority list for a time period of thirty (30) days following such posting. Thereafter, the list shall be final and conclusive for that school year.

Seniority shall be defined as the length of unbroken service, except as defined in this Article, within the bargaining unit and shall be computed from the employee's first day of work. All bargaining unit members shall be ranked on the list as above defined. In the circumstance of more than one individual having the same first day of work, all individuals so affected will participate in a drawing to determine placement on the seniority list. Bargaining unit members so affected will be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members to be in attendance.

Seniority shall continue to accrue for all bargaining unit members on maternity leave, military leave or any leave of absence which is not extended beyond one (1) year unless required by law. The above leaves shall not be considered a break in service as defined in Section A of this Article.

Part-time bargaining unit members shall be given prorata seniority. In the event a bargaining unit member attains a number of years of seniority to qualify him/her to enter a group for which a drawing has already been held or that has been finalized, that bargaining unit member shall automatically be added to the bottom of that group for that year on the list.

Seniority shall not continue to accrue for all bargaining unit members on any unpaid leave of absence unless required by law. The bargaining unit member, upon return, shall maintain, but not gain experience for the purpose of movement on the salary schedule. The above leave shall not be considered a break in service.

SECTION B: General Lay-off: It is hereby specifically recognized that it is within the sole discretion of the Board to reduce its educational program, curriculum and staff except as expressly limited by the terms and conditions of this Agreement and that the procedures set forth in this Article shall be used in laying off or reducing assignments of personnel.

When the number of educational programs or positions to be reduced has been decided, the affected professional staff member shall be given written notification of said action at least thirty (30) days prior to June 30, except for bargaining unit members subject to the Michigan Teacher Tenure Act.

The professional staff member with the lowest seniority as defined by this agreement, shall be laid off first, provided the more senior employee holds the necessary license, certification and other state or federal requirements for the position, except for bargaining unit members subject to the Michigan Teacher Tenure Act.

SECTION C: Recall: Laid-off or reduced personnel shall be recalled in the reverse order of lay-off and shall be given preference in hiring for any position which opens in the district for which they are certified, endorsed and/or approved. Except for bargaining unit members subject to the Michigan Teacher Tenure Act.

The Board reserves the right to reinstate and/or add programs but not necessarily in reverse order of termination.

Professional staff members on layoff shall retain their seniority with the district for a period of up to 3 years unless they refuse a position by recall or resign at an earlier date. Professional staff members on lay-off shall file an up-to-date change of address form with the district on a yearly basis by July 1. Except for bargaining unit members subject to the Michigan Teacher Tenure Act.

Professional staff members shall be recalled by certified mail, return receipt requested. Such letter shall be sent to the professional staff member at their last known address filed with the district. If the professional staff member does not notify the district of their acceptance within twenty (20) days he/she shall lose all further rights of reinstatement. A copy of all notices of recall shall be sent to the Association.

SECTION D: Procedure for Professional Staff Members Declared Surplus: Once a professional staff member has been declared surplus, he/she shall be eligible within two (2) weeks to bump another professional member of least seniority providing he/she is certified and/or approved for the position held by the professional staff member with seniority. Professional staff members so affected shall be notified at the end of the two (2) week period of the nature of their reassignment by either the Director, Superintendent, or certified mail. Professional staff members affected shall have an additional two (2) weeks to accept or reject their reassignment. Except for bargaining unit members subject to the Michigan Teacher Tenure Act.

A professional staff member that has been declared surplus by the elimination of programs and/or positions, and is certified and/or approved in more than one area, shall be eligible to bump only the person with the least seniority within those areas of certification and/or approval held by the professional staff member declared surplus. Except for bargaining unit members subject to the Michigan Teacher Tenure Act.

SECTION E: Special Provisions: All seniority for professional and itinerant staff in the bargaining unit is lost when employment is severed by resignation, retirement or discharge for just cause.

Administrators shall not accrue seniority in the bargaining unit but shall be entitled to reinstatement of seniority held prior to becoming an administrator (or holding an administrative position) if the administrator is returned to active membership in the bargaining unit, provided his/her employment in the district has been continuous.

Recalled professional staff members shall have all sick leave benefits, experience level or other applicable fringe benefits reinstated upon recall, but shall not receive credit for benefits during time of layoff.

Professional staff members notified during the current year that they are to be laid off the following Fall shall be eligible for and receive all fringe benefits including health care coverage for which they are entitled during the summer months.

Staff members issued a lay-off notice prior to the end of the school year and rehired at the start of the following school year shall have any unemployment compensation drawn during the regular summer vacation deducted from their gross salary for the following year.

ARTICLE X PERSONAL LEAVES

A. Personal Leave: At the beginning of every school year, each professional staff member shall be credited with three (3) personal days. Three (3) additional days of personal leave can be used and deducted from sick leave. Personal leave must not be taken on the first or last day of the official school year or on the day immediately preceding or after a scheduled recess or holiday. The appropriate supervisor may approve exceptions on a case-by-case basis. Prior notification must be given to appropriate supervisor. When three (3) or more days are requested for use at one time, a ten (10) day advance notice is required when a substitute is needed. Unused personal days may transfer into sick time.

B. Posting of Vacancies:

1. Whenever a vacancy arises for employees covered by this Agreement, the Board shall notify staff via e-mail and post the notice on the district website. The Association president shall be notified not less than five (5) work days before applications are closed. Such notification shall be considered the official notice to the Association.
2. New positions and vacancies which occur during the year will be filled with certified, endorsed and/or approved personnel. It is agreed that professional staff members on lay-off, except for bargaining unit members subject to the Michigan Teacher Tenure Act, will be given preference in hiring provided they are certified and/or approved by the State to teach the positions or vacancies which open in the district. An employee who chooses to nullify their teaching certificate, will not be allowed to use that nullification as a means to bump into a position.

Vacancies in summer school programs and other projects operated during the non-contract year will be filled, where required by law, with certified and/or approved personnel. The Board agrees to give preference to bargaining unit members, except for bargaining unit members subject to the Michigan Teacher Tenure Act, according to related experience, seniority, and those members of the bargaining unit who are on lay-off in the hiring of personnel for these positions. The appointment of professional staff to these positions shall be the responsibility of the respective department directors upon application for the position from a bargaining unit member and with approval of the superintendent. Summer and special project postings shall include wages, hours, and job requirements.

3. All new positions shall be posted in accordance with the terms and conditions specified by this Agreement and shall be accompanied by job descriptions listing all of the requirements to be eligible for the position (see Article V, Section G).

C. Staff Evaluations: Except for bargaining unit members subject to the Michigan Teacher Tenure Act, new staff members will be evaluated each year for the first five years. Tenured and staff members with more than five years of experience may be evaluated on alternate years.

The evaluation will be completed annually by June 1 and the employee will be provided with a copy of the evaluation at that time. Within ten (10) working days of the completed evaluation, the employee and the employee's direct supervisor will have a conference regarding the evaluation. At that time the employee and the supervisor will sign the evaluation. Employee's signature may not imply that the employee agrees with the evaluation but only that the employee has had a conference regarding the evaluation and has read the evaluation. An employee who disagrees with an evaluation may submit a written reply within ten (10) days and this written reply shall be attached to the file copy of the evaluation in question and placed in the personnel file.

Professional staff members shall have the right to inspect and review the contents of all records of the district which pertain to the professional staff member including but not limited to any personnel file the district maintains on the professional staff member. All monitoring or observation of the work performance of a professional staff member shall be conducted openly and with full knowledge of the professional staff member.

Professional staff evaluations shall not be used to discipline, reprimand, suspend, demote, or lay off any professional staff member unless the administration shall have met with the professional staff member to discuss ways job performance of the professional staff member could be improved and the professional staff member has been given reasonable and sufficient time to implement such recommended changes. Prior to any evaluation being used for the purpose of discipline, reprimand, suspension, demotion, or lay off, a second evaluation must be given the professional staff member to ascertain the degree of implementation of the administrative recommendations and/or methods for improvement in job performance. Methods of improvement or recommendations to improve job performance are to be limited only in that they must be reasonable and attainable by the professional staff member.

D. Just Cause Clause: No employee shall be disciplined (including warnings, reprimands, suspensions, or other disciplinary actions) without just cause. Any such discipline shall be subject to the grievance procedure hereinafter set forth including arbitration. The specific grounds forming the basis for disciplinary action will be available to the employee and the Association in writing. Tuition costs covered by Board will be based upon first classes taken by staff member and turned in for reimbursement during the same fiscal year.

After the \$2,000 has been paid by the Board, additional credits may be reimbursed with payment charged against the employee's sick leave. The dollar amount for a day of sick pay is based on the current substitute teacher's daily pay with increments on a one-quarter (1/4) sick day.
