

A G R E E M E N T

THIS AGREEMENT, effective **July 1, 2009**, is by and between the BOARD OF EDUCATION, ESCANABA AREA PUBLIC SCHOOLS, Escanaba, Michigan, hereinafter called the "Employer", and TEAMSTERS STATE, COUNTY AND MUNICIPAL WORKERS LOCAL UNION NO. 214, affiliated with the International Brotherhood of Teamsters, hereinafter called the "Union".

The parties pledge themselves to cooperate fully to the end that harmonious relations may be maintained at all times and to promote efficient operation of the various divisions. The parties further agree to promote safety, cleanliness and to cooperate fully in personnel and public relations.

ARTICLE ONE NON-DISCRIMINATION

The Escanaba Area Public School District does not discriminate on the basis of race, color, national origin, gender, age or disability.

No employee will be discriminated against because of his/her membership in the Union or his/her activity as an officer or duly authorized representative thereof. No preferences, privileges or advantages shall be given or extended to any employee because he/she is a member of the Union.

ARTICLE TWO RECOGNITION

- A. The Employer agrees to recognize the Teamsters Union Local No. 214 as the sole and exclusive representative for the purpose of collective bargaining with respect to wages, benefits, monthly and weekly and daily hours of work and working conditions for all employees covered by the following classifications.
- B. The bargaining unit classifications shall be classified into four divisions as follows:

DIVISION I - Custodians and Maintenance

DIVISION II - Cooks, Assistant Cooks & Stock and Delivery

DIVISION III - Administrative Secretaries, Secretaries,
Clerks and Bookkeepers

DIVISION IV - Drivers, Mechanic I and Mechanic II

For purposes of classification, administrative secretarial positions shall be the Bookkeeper, Accounts Payable, Insurance, Transportation Secretary and Athletic/Activities Secretary.

- C. Recognition will be extended to all full and part-time employees, but not to casual employees.

Part-time employees will be defined as those employees who have a regular schedule of hours, even though there may be variation in the number of hours scheduled.

Casual employees shall be defined as employees who have no regular schedule, and have no set number of hours. The rate for casual employees will be established by the Employer.

(Example: An on-call employee would be a casual employee if the function of that job was to fill in as needed, and the employee was not regularly scheduled on their own hours, only fill-in time.)

(Example: A part-time employee may work only a few regularly scheduled hours each day, but the fact that that employee would also fill in for more hours occasionally would not make that employee a casual employee. The difference would be the regularly scheduled, consistent hours.)

ARTICLE THREE MANAGEMENT RIGHTS

The Union agrees that the Employer is vested exclusively with the management of the Escanaba Area Public Schools.

The Employer, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States. - E. The Union shall indemnify and save the district harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the Employer or in reliance upon signed authorization cards or lists furnished to the Employer by the Union for the purpose of payroll deduction of dues.

Employees hired July 1, 1980 or later, working school year only, will be granted one and one-half (1 1/2) personal leave days per year with an additional one and one-half days per year to be granted if necessary and to be deducted from sick leave.

A brief reason for absence must be given for all personal leave day requests. Such personal business leave shall not be accumulative, and are subject to approval by the Superintendent.

Such personal business leave must be applied for on forms to be forwarded to the business office for approval of the Business Manager. In the event of an emergency, notify your Supervisor.

On a declared “Act of God” day which exceeds the two (2) days currently allowed by the State, all twelve (12) month employees shall have the option of (1) working their regular hours with pay and receiving compensatory time; (2) taking the day off without pay; or (3) not working and utilizing a personal business day or vacation day. ARTICLE TWENTY RETIREMENT

The Union and the Employer agree that the guidelines set forth by the Michigan Public School Employee Retirement System will govern all retirement.

The Employer will continue to pay the full cost of the retirement benefit to the Michigan Public School Employees Retirement System.

ARTICLE TWENTY-ONE TERMINAL LEAVE PAYMENTS

A terminal leave payment of seventy-five percent (75%) of the accumulated portion of sick leave based on the regular rate of pay of the employee will be paid upon termination under the following condition.

The employee must have been employed for twenty (20) years in the school district OR have attained the age of sixty (60) beginning with the current school year OR qualify for the 80 option. (Age + years employed by the Escanaba Area School District = 80) In either case, the heirs of the employee will be paid in the event of the death of the employee.

Terminal leave payments will not be made to any employee discharged for cause.

Employees planning to terminate their service must give written notification of such plans to the business office by March 1st of the year PREVIOUS to termination in order to receive seventy-five percent (75%) of their accumulated sick leave. In the event notice is not given by March 1st, the employee will receive such remuneration within the next twelve (12) month period following his or her termination.

Terminal leave benefits do not apply to any employee hired after November 11, 1999.

ARTICLE TWENTY-TWO DISABILITY

An employee who is absent due to an injury which is compensable under Worker's Compensation may use his/her accumulated sick leave on a proportional basis, to supplement the benefit received from Worker's Compensation, such that the amount of expendable income the employee receives from Worker's Compensation and sick leave does not exceed the amount of gross income the employee would have received

for his/her regular salary amount according to his/her placement on the salary schedule at the time of the injury. The obligation of the Employer is only for the proportional amount necessary to supplement the maximum benefit provided to the employee from Worker's Compensation until the employee's accumulated sick leave is exhausted or the employee is able to return to work, whichever happens first. When sick leave is exhausted, fringe benefits will also cease and become the responsibility of the employee. Any job related injury must be reported immediately to the Business Office on forms available from the immediate supervisor and/or the office of the principal.

The bookkeeper shall work eight (8) hours per day, exclusive of a thirty (30) minute unpaid lunch break, forty (40) hours per week.

- Eligible employees who elect to change coverage options from Super Care I to MESSA Choices II will not be subject to the additional fifty dollar (\$50.00) per month co-pay, but will still contribute the same percentage as they would have contributed (if applicable) based upon hours worked and date of hire as they would have contributed had they retained Super Care I in accordance with this Article, provided however that the percent of contribution will be based on the MESSA Choices II premium rates and not the Super Care I premium rates.

Percentages as listed will remain in effect throughout the term of this Agreement although the dollar amount paid by the Board of Education is subject to change because of increased premiums.

Employees hired July 1, 1980 or later must work thirty (30) hours or more per week to be eligible for dental, vision or life insurance benefits.

Life Insurance. The Board shall provide a \$65,000 Life Insurance Policy for each Teamsters member for each of the three (3) years under the Teamsters Agreement. (Provided by MESSA with AD&D Rider.) Any bargaining unit member retiring after July 1, 1990, will be entitled to the same life insurance benefits, paid by the Board, as the employees covered under this Agreement. Retirees after July 1, 1990, are entitled to the same coverage up to the age of seventy (70) paid by the Board. **Employees hired after the ratification date of this agreement (July 1, 2009), shall not be entitled to retiree life insurance.**

The employer contribution shall be submitted by separate check paid directly to the annuity company on forms provided by the annuity company, as directed in written form by the employee. ARTICLE THIRTY-ONE

RULES, CONDUCT AND POLICY

A. DIVISION I - Custodians and Maintenance

1. For nonprofit functions such as PTO, Scouts, 4-H, etc., a minimum of five dollars (\$5.00) shall be paid the employee to open and close the building only. If cleaning is required after the meeting, the employee shall be paid at the rate of time and one-half (1-1/2) of his or her regular rate, unless the time is already part of the employee's regular shift.
2. For all activities other than those included in Item #1, the overtime rate shall apply. This also applies to other school systems using our facilities such as the renting of the football field.
3. Remuneration for the above Items #1 and #2 shall be processed through the regular payroll.
4. Coveralls to be furnished to employees classified as Mechanics, and Division I Maintenance classification. Rubber overshoes and coveralls shall be furnished to Division I employees engaged in roofing.
5. Custodians who set up/take down election equipment shall be compensated twenty-five dollars (\$25.00) for all elections.
6. In the event of outside use of the schools, and a custodian or maintenance employee is required to be present, the Employer agrees to offer overtime by seniority to in-school bargaining unit employees first.
7. The Employer will provide \$15,000 insurance on employee's tools that are required to be used during the performance of job-related work.

B. DIVISION II - Cooks

1. Cooks who work the "pasty day" fund raiser shall be compensated at one and one-half (1-1/2) times their normal rate for hours worked during the fund raising day.

2. In the event of outside use of the schools' kitchens, and a cook or cook's helper is required to be present, the Employer agrees to offer overtime by seniority to in-school bargaining unit employees first.

C. DIVISION IV - Drivers, Mechanic I and Mechanic II

1. Noon Hour Trips: Any driver who is assigned a noon hour route shall receive one dollar (\$1.00) per day extra over and above the regular daily salary.
2. Since the Board must pay the substitute driver, the regular driver foregoes his pay for that portion of his regular run he will miss, when he takes a district trip. In the event a district trip is cancelled with insufficient notice to allow the regular driver to perform his/her run, then the driver will receive the pay for his regular run.
3. Additional Compensation: An allowance of three quarter (3/4) hour per day in addition to the regular driving time shall be made for the purpose of servicing and cleaning the bus, checking gas, oil and tires, mechanical failure, hazardous road conditions, delivery and return of the bus from service trips, daily records and preparation of state mileage maps.
4. Employment: The candidate must know how to control children. He may be interviewed by the Business Manager or the Superintendent of Schools. The position is to be given to the individual with the best qualifications as to recommendations and physical fitness. He must present a certificate of health, be at least 18 years of age, and a holder of a valid Class B Michigan Commercial Driver's License with passenger and air brake endorsements. The CDL is to be obtained and kept current by the driver. Renewal licenses are to be paid for by the Board of Education.

If the employee loses their CDL endorsement, they must immediately notify the Employer. Such employee will be suspended from work without pay. The Employer retains the right to assign the employee to any vacant, non-driving work assignment for thirty (30) days.

Employees will have up to thirty (30) days to have their CDL reinstated, and, if the employee meets all other conditions and requirements for employment as a bus driver, they will be allowed back to work in their formerly held position.

5. Use/Pay Out of Vacation: Vacation days can be utilized in 1/3 increments over the school year or may be paid out in one lump sum at the end of the school year.
6. Absence: The regular driver is to personally notify the bus supervisor, if so employed, of his/her inability to drive because of illness, death or urgent personal business. Notification as early as possible is desirable so that a substitute driver can be obtained. The obtaining of the substitute shall be the responsibility of the bus supervisor.
7. Bus Assignment: The assignment of busses to their respective routes will be the responsibility of the bus supervisor, if so employed. New busses will be assigned to routes where most needed. The driver already assigned to that route receiving the new bus will be the driver of the new bus, regardless of seniority. No changes of drivers from one route to another route because they desire a new or better bus is to be allowed.
8. Safety Glasses: The Board agrees to provide mechanics and maintenance employees working in areas or classifications requiring eye protection, with safety glasses. Employees requiring prescription glasses shall pay for their own examination.
9. Convex Mirrors: The Board agrees to install an internal convex mirror in any requesting driver's bus.
10. Routes: Daily routes are to be established by the bus supervisor, if so employed, and approved by the Board of Education. Each driver will be so routed as to provide as close to a four (4) hour minimum daily schedule as is practical.
11. Reduction in Hours: (Means an employee has had his\her hours reduced). In the event of a reduction in the work hours, an employee may claim seniority over other employees for the purpose of maintaining his or her normal work schedule, provided he/she has greater seniority.

The District must initiate the reduction in the employee's work hours before that employee can bump onto another bus route; and, then only the driver affected by the reduction may initiate the bumping procedure.

Since all runs are increased in fifteen (15) minutes increments, any gains of a particular run of more than fifteen (15) minutes in a year, or from year to year, will be re-bid when that run gains over the fifteen (15) minute minimum.

The District and the Union acknowledge that, due to various reasons, students will be added and removed from all bus routes throughout the school year. These changes will cause the driving time to vary and fluctuate to a certain degree during the year. It is the joint decision that fluctuations under fifteen (15) minutes will not necessarily be for the district to reduce the employee's hours and start the bidding or bumping process.

The employee and the District must first attempt to restore the lost hours through the bidding of noon (kindergarten) bus runs and/or the addition of a Voc-Ed. run an ISD run, or some other extra bus run. This process will occur before the employee attempts to restore lost hours by bumping onto another bus route. It will be the District's decision, not the driver's, where additional "extra runs" (Voc-Ed., ISD, etc.) are placed on the driver's route.

12. Field Trips: A field trip shall be considered as any trip taken within the school district during school time (9:00 A.M. to 3:30 P.M) on any given school day **including trips to Fayette State Park and Wells State Park**. DATA transportation may be used when the trip is paid for by other than district funds.

Whenever possible, field trips will be posted for drivers to preview. Interested drivers will indicate their desire to perform the field trip by signing on the posting.

When feasible, the driver will be selected by seniority and the number of previously taken field trips, in an effort to equalize the extra driving opportunities. The availability of the driver and the location of the school involved may need to be considered when drivers are selected. In any case, the field trip will be recorded on a chart specifically used to track the number of field trips a driver has taken providing a means to equalize the number of field trips taken by each driver.

13. Extra Trips: For all outside-district trips, the driver will be selected in rotation by seniority by the bus supervisor from a list compiled of those drivers who are willing to make trips at all times. The selection of equipment for extra trips shall be the responsibility of the bus supervisor and only the best equipment available shall be used. Specific policies will be set up by the athletic director and building administrators pertaining to what is expected of students and chaperones regarding behavior, seating, etc.

For trips that exceed one hundred fifty (150) miles, one-way, and taken Monday through Thursday, the district reserves the right to use non-district transportation. For trips to events where fewer than sixteen (16) students are participating, the district reserves the right to use non-school vehicle(s) or have the coach drive the school vehicle.

14. Free Trips: Free trips will be recorded on a chart specifically used to track the number of free trips a driver has taken providing a means to equalize the number of free trips taken by each driver. Drivers will be selected for free trips based on the number of free trips already taken, with priority given to the driver with the least number of trips. In the event of a tie, the trip will be given to the driver with the higher seniority. In the event that drivers have worked for less than the current school year in their position, free trips will be awarded on the recording chart based on a prorated formula (total number of free trips divided by drivers on the free trip list).
15. When a driver with a Voc-Ed run is off for the day or part of the day, the Employer agrees to let a regular driver that doesn't have a full eight (8) hours to fill in time with the absent drivers Voc-Ed run in order to get as close to a forty (40) hour week without going over forty (40) hours in a week. Drivers with under forty (40) hours per week would be assigned to replace an absent driver's Voc-Ed run by seniority provided it doesn't interfere with his/her own run.
16. Mechanics' Shirts: The district shall provide one uniform for the Mechanic I and II employees for every weekday.
17. Miscellaneous: Employer agrees to codify all Division IV bus rules.

***ARTICLE THIRTY-TWO

If either party shall desire to change, modify or terminate this Agreement, it shall give written notice of such desire to the other party at least sixty (60) days prior to the expiration date.
